THE A&E INDICATOR (Agony and Ecstasy)

This indicator is showing how Charlton's current points total compares with other teams in the Championship when they had played the same number of games.

PLAY OFF INDICATOR

This compares our points with the average of the teams which finished 6th but at the point where they had played the same number of games as us today. So in this case the average is 31 so the indicator is -13

RELEGATION INDICATOR

This compares our points with the average of the teams which finished 22nd, but at the point where they had played the same number of games as us today. So in this case the average is 16, so the indicator is +2

A&E INDICATOR

This is a combination of the Play Off and Relegation Indicators. So in this case it is -11, and no change.
