

On Saturday 2nd January, Charlton play Nottingham Forest at The Valley. Protests are planned at 2.30pm and at 5pm to reinforce the message that fans no longer accept our club being a part of Duchatelet's crazy experiment. Face masks are optional, but please join the demonstrations and add your weight to the growing ranks of Charlton fans who say that this madness has to stop.

FRAEYE OUT! MEIRE OUT!! DUCHATELET OUT!!!
