

Sponsored 4 mile swim

from Torquay to Paignton 9th Sept 2013

Raising money for Ayrtons Dream a fund to improve and support the Heartsease room at the Exeter RDE maternity ward.

This room is used by parents at the worst possible times in their lives a moment none of us want to think about and definitely never want to experience.

13 extremely mad and brave people will set off from Torquay and swim across open seas for 4 miles until they (hopefully) make it to Paignton.

Why do this, you may ask; well the answer is simple. We have friends, family or actually have experienced the necessity of this room ourselves.

You see this underfunded unheard of room plays a vital role in the RDE and a similar room is available in most NHS hospitals. It is a room where parents can spend precious time bonding with a baby they can never take home, a baby that will not celebrate the wonders and joys of life that most of us take for granted.

This rooms main purpose is to give parents a space away from the hustle and bustle of a normal maternity ward, so that they can form lasting memories with a stillborn baby. They can hold their child uninterrupted for as long as they want, pictures can be taken to be treasured later. The baby can be bathed and dressed by their parents, foot and hand prints can be collected for keepsake mementos.

This service is invaluable and deserves to be supported.

Please donate generously so that our actions on the 9th will contribute to the Heartsease room being a little bit nicer and homely for the next unfortunate residents requiring its accommodation.

To donate please send money to;

Ayrtons Dream (account name)

Account No. 53685942

Sort Code: 20 30 47

All monies raised will be donated to the RDE Heartsease room.

I will be swimming in memory of Ayrton Harry Rider born asleep on the 26th May 2013 and to support my friends his parents.
