

# THE GAY GAMERS BOSTON

cordially invites you to the

# 2016 PAX EAST MEETUP

The annual PAX EAST video game convention is fast approaching. We would like to invite all members of the Gay Gamers Boston, friends, out-of-town visitors, and supporters to join us for a meetup!

This will be a great opportunity to meet new friends and visit Boston's Theatre District, a buzzing hotspot for those who enjoy the nightlife. It is also located one block away from Boston's Chinatown, full of affordable Asian delicacies. It is within a 10-minute cab ride from the Seaport District and a 5-minute walk from multiple T stations.

## ABOUT THE GAY GAMERS BOSTON\*

The Gay Gamers Boston group is a LGBT community in the Boston and Greater Boston area who share a passion for gaming and gaming culture. We strive to create an environment where gamers can have fun and meet like-minded individuals.

So whether you are a Counter Strike enthusiast, an MMO junkie, an RPG expert, a Mario master, a Dungeon Delver, or just someone who keeps a D20 in their back pocket: you will have no trouble finding new friends who love the same things you do.

\* This event is not an official PAX EAST event. The Gay Gamers Boston is not associated with Penny Arcade or its affiliates.
