Galactica, the Cylon is now flying formation with me, right above my head!

'Mistakes,' he said with effort, 'are also important to me. I don't cross them out of my life, or memory. And I never blame others for them.'

It's funny, isn't it? We're all God, Starbuck. All of us. I see the love that binds all living things together. Reinstate the trainees to flight status. I will... but I just want you to understand...that I-
