jived fox nymph grabs quick waltz. glib jocks
quiz nymph to vex dwarf. sphinx of black quartz,
judge my vow. how vexingly quick daft zebras
jump. the five boxing wizards jump quickly.
jackdaws love my big sphinx of quartz. pack my
box with five dozen liquor jugs. you don't know
anything at all...

this is a paragraph that uses every single letter in the
alphabet. now, that doesn't mean this can be a paragraph with no
story, but it does mean that every single letter is used. you can
make it as generic or fanciful as you'd like. you can talk about
anything from quilts to jets to xylophones. oh yeah, and you can
use whatever language you want, from afrikaans to zulu.

one day, a zebra found a xylophone on the sidewalk. he quickly ran over,
picked it up, and gave it to his pet mule. just then, he found another
xylophone. he kept that one for himself.
