THE NUMBER ONE SELLING DECK BOAT IN THE WORLD.

We pioneered the deck boat, and we've continued to take it to new places through innovation for over 40 years. That's why we're the number one selling deck boat in the world and plan to stay there.

IMITATED BY MANY, PERFECTED BY ONE

More than any other deck boat, a Hurricane works hard so you can play hard. Whatever your lifestyle, Hurricane boats give you and your family room to roam, room to play and room to grow. Our passion for quality, comfort, performance and fun is immeasurable.

A Hurricane makes you feel **energized, exhilarated and adventurous**. You're eager to get out there, explore, and share experiences with the people you care about. Drive a Hurricane and you can go anywhere, do anything and be anybody. And who cares when you come back?

WHAT MAKES HURRICANE BOATS THE BEST IN THE WORLD?

Decades of experience listening to our customers, honing our designs, and fine-tuning our construction ...we've perfected the finest multi-use, multi-generational boat on the water today.

WHY HURRICANE BEATS THE COMPETITION

INDUSTRY LEADERS We pioneered the deck boat business in 1974 and continue to lead the market as the number one selling deck boat in the world.

FOCUS We only build deck boats. It's all we do, and we do it well.

SAFETY It's not just a legend. We feel Hurricane Boats are the safest recreational boats on the water, and built with your family in mind

PLUSH COMFORT Our multi-density foam with triple-needle stitched vinyl seating is deeper, higher from the floor and taller at the back rest, bow and stern boarding so you can enjoy the most comfort when you're in it for the long haul.

INTERIOR SPACE Up to 50% more seating and storage means more friends, more gear and more fun.

SELF-BAILING COCKPITS Our self-bailing system keeps your cockpit—and everything in it—dry and comfortable.

RESALE VALUE Our resale value is comfortably high to give you peace of mind that you've made a sound financial decision for your family.

FUNDECKS Our exclusive FunDecks outperform triple tubes three to one and give you better fuel economy, better banking and handling, and less drag for superior performance from smaller outboards.

HULLS Our wide-body hulls—from bow to stern—ensure better stability, better performance and a better overall ride.

VERSATILITY Every Hurricane we build is equipped to cruise, fish and ski, giving you incredible value—all in one boat.

EXPERIENCED DEALER NETWORK Our dealers average over 20 years of experience selling Hurricane boats. They know our boats and how they stack up to the competition. Stop in today and let your local dealer show you why Hurricane is number one.
