

Parti Kraft

ENSIGN SERIES

2016F - Fisherman

Family Affordability, yet all the features a serious fisherman expects . . .

Ensign Fisherman Model doubles your pleasure. A big 20' cruiser that will carry the whole family, yet is designed and rigged for the serious fisherman.

Fish in the morning, cruise at night, this fisherman model has two pedestal fishing seats up front. The livewell is aerated and bow located. The pilot seat swings back and has a built-in ice chest. The center fiberglass console is just right for more move-around space on a big, roomy deck of plush carpeting.

The two executive models are priced right to introduce the whole family to boating. Cruise, picnic, swim — this is the ideal way to get started boating.

The Executive models are loaded with family safety and comfort features including long-wearing vinyl upholstery in contemporary colors. Put your fishing friends and your whole family into an Ensign. Introduce them to the good life. **You'll never find a better bargain.**

Optional Force Engine

All Parti Krafts may be ordered with optional 35 HP or 50 HP electric start Force outboard motors. Force outboards are recognized throughout the industry for excellent performance and reliability at an affordable price.

Ask your dealer about the Parti Kraft/Force value package.
