INTRODUCE YOUR FAMILY TO PARTI KRAFT

The Parti Kraft Commander Entertainer is an expression of first-class luxury. With room aboard for 14 people, this Commander is sure to fit any lifestyle. Standard features like 22" diameter pontoons, spacious changing room with porta potti and rear sun deck with safety rails make this cruiser an outstanding boating value.

PK2422C ENT — optional docking lights

PK2422C ENT — optional docking lights

PK2422C EXEC — optional convertible canopy

ENCLOSURES — are available on Commander models with fixed fabric or aluminum canopies.

HEAVY DUTY STORAGE COVERS — protects your boat from the elements during winter storage.

ONE GREAT FAMILY BOAT

The whole family will enjoy the Parti Kraft Commander Executive. There is plenty of room for family and friends for a day or evening of cruising, entertaining, swimming or fishing. You will appreciate the comfortable bow lounges with storage, swing-back ice chest, and enclosed stern. Enjoy the value and years of pleasure you will receive from a Parti Kraft Commander Executive.

REAR SUN DECK — Provides sun bathing area with rear deck rails. The enclosed stern also reduces engine noise while cruising.

FAMILY FUN WITH QUALITY AND STYLE

A great boat at a great price. With large 24' 19" diameter pontoons and a full 21' deck, you can put 11 aboard this cruiser to picnic, sunbathe, swim or cruise. Featuring a convertible canopy with boot, wide 30" safety gates, upholstered helm with trash bag holder, weather proof composite table, two bow lounges with storage and swivel bucket pilot's seat. Compare and see that there are more standard features on the 24' Ensign Executive than many other pontoons. Come on over to Parti Kraft quality and style.

FUEL TANK — is stored on the large stern fuel platform.

HELM DOOR — opens to a large storage area. Compact trash bag holder is built in for your convenience.

PILOT'S SEAT — is made of high-quality marine-grade vinyl that is coordinated with the colorful interiors.

CUSTOM SEAT COVERS — optional covers snap on and off quickly and protect the seats from sun and rain.

PK2016E EXEC

PK2420E EXEC

TOP-OF-THE-LINE FEATURES — STILL WITHIN THE FAMILY BUDGET.

This smaller Ensign Executive model is an affordable way for the first-time boater to bring his whole family out on the water. This cruiser has the same standard features as on the 24' model, but on a 20' cruiser. A lifetime deck warranty, stern fuel platform, and 24" safety gates are just a few of the standard features on this Ensign Executive. Parti Kraft ... an outstanding value in a family pontoon cruiser.

PK2016E FISH

AFFORDABLE FISHING VERSATILITY

With the same quality construction features as the 2016 Ensign Executive, this fisherman model also gives you center-mounted helm twin fishing seats, aerated livewell, low bow rails, rod holder, and a swing-back pilot's seat with ice chest. With a maximum 60hp, you can get to the fish fast. After a full day of fishing you can return home to pick up your family and friends for a relaxing evening cruise.

PUMP — supplies a constant flow of water to livewell.

OPTIONAL BOW DOCKING LIGHTS — are available on all Parti Krafts.

ROD HOLDERS — are located conveniently on the side of the pilot's helm.

AN OUTSTANDING BOATING VALUE

The Parti Kraft 1512 Ensign is available in two models. The 1512 Ensign Executive has two bow lounges for comfortable cruising. The 1512 Ensign Rear Lounge Dinette features rear lounge and dinette. Each of these models have a capacity for five people aboard. As America's affordable pontoon boat manufacturer, we know exactly how to give you all the value possible. And nowhere is value more obvious than in the Parti Kraft 1512 models.

All Parti Krafts are packaged with or without Yamaha or Force engines. Yamaha and Force engines are recognized throughout the industry for excellent performance and reliability at an affordable price. Ask your dealer for details.

QUALITY CONSTRUCTION FEATURES

HEAVY DUTY BOLTED-THROUGH DECK TO PONTOON CONSTRUCTION — Parti Kraft is one of the few manufacturers using heavy bolted construction to secure the deck to the pontoons.

EXCLUSIVE LIFETIME WARRANTY FOR EXTENDED WOOD LIFE — The stable, pressure treated (.40 CCA-C KDAT) plywood used in all deck and upholstery components adds many years of life to your pontoon boat and is so good that we offer a lifetime warranty against wood rot!

PROTECTIVE RUB RAILS — Heavy duty aluminum rub rail extrusions maximize boat strength by supporting both top and bottom of deck. Aluminum is both longer lasting and stronger for this important function.

NEW SADDLE BRACKET — New heavy-duty saddle extrusions are four times stronger and add extra stability and rigidity, with sleek good looks.

NMMA CERTIFIED — NMMA Certification assures you that the boat manufacturer is conscientiously adhering to all government and industry standards with respect to horsepower rating, flotation, capacity, ventilation requirements and running light standards.
