Further information supporting the decision:

Declarations:

I confirm that the reasons for the decision are fully recorded in Part 1 of this form. This includes any changes to the scoring and recommended overall outcome as advised by the HCP in their assessment report. If appropriate, any additional information that has not been recorded in Part 1 is detailed above in the "Further Information supporting the decision" section.

☒

To be completed **only** if an ESA50 available when the decision was made:

I confirm that the information on the ESA50 form has been fully considered and taken into account

☐

To be completed **only** if no ESA50 available when the decision was made:

I confirm that at the time the decision was made, there was no ESA50 available for the Decision Maker to consider.
