

Invitation: 'Activities for All' focus groups

Are you the parent or carer of a child or young person with an impairment or health condition?

Do you live in Leeds?

Scope is a disability equality charity. We work with Leeds City Council to promote and improve short breaks and activities for families with disabled children aged up to 18. You may have accessed support from us.

We'd like to hear about your family's experience accessing mainstream activities for children and young people. This means any activity that all children can access, such as uniform groups, sports clubs, leisure activities etc.

If you would like to share your experience with us please reply to researchpanel@scope.org.uk

We can offer a £40 Amazon voucher for your time and pay reasonable travel expenses.

We're running focus groups next week on Wednesday 12 June

10-12pm or 6.30-8.30pm

These will be at:

The Vinery Centre, 20 Vinery Terrace, Leeds, LS9 9LU

Directions to the venue are here: www.leedsmencap.org.uk/find-our-premises

We'd love to hear from you!
