

## *GerberU All-Access Pass: Your key to fast, easy learning*

The GerberU All-Access Pass gives you access to Gerber University trainings and courses at the click of a button! You can access GerberU content whenever, wherever, and as much as you'd like without having to seek budget approval for every individual training. The GerberU All-Access Pass makes registering for training easy and can save you up to \$6000!

GerberU offers a variety of self-paced and live virtual instructor led trainings. Topics include everything from the newest software updates to how to properly maintain your cutter.

The GerberU All-Access Pass is available in two different pass types:

- **GerberU On Demand:** Allows access to all self-paced courses that you can take at anytime from anywhere. \$1000
- **GerberU VIP:** Allows access to all self-paced courses and LIVE virtual instructor led training (excluding workshops led by special guests and certification exams). \$2000

**Note:** Cost is per pass. This is not a group pass. Each individual user needs their own pass. Passes are valid for one year.
