

Tag you're the "one" contest- Valentine's Day 2020

This contest is going to be a bit different than anything we have ever done in our Saga community. This is how it works.

To participate in this contest, you have to tag someone in the community who you would want to share Valentine's Day with and then say why. I encourage you to tag someone new, whether it be a New Member in the Community or someone who has not already been chosen/tagged in this Thread by another Member. We want to keep the chain of tagging going/growing and get lots of Community Members involved. Regardless, feel free to tag the player who tagged you. You could even use one of our lovely new Reactions to do that, but bear in mind that the latter tag won't count towards your participation.

Five of the most original answers will be randomly chosen to win 20 gold bars.

You have until Monday, 17th February at 13:00 CET to participate.

Terms and Conditions [here](#).

I would like to add a comment here now. This is not a popularity contest nor was it ever meant to be that. It's more about the reasons why you are tagging the individual.

[Spinnifix](#)

I want to spend the day with my friend @bearwithme. We both get along very well and we have the same passion for collecting teddy bears. I like beartwithme !!!

[Ween44](#)

I would love to spend Valentines day with Martika i think thats her screen name. Thats her name in my list of candy crush friends. anyway. I would love to because she is my daughter and when she was young we went through a lot. She had a very rare brain tumor we discovered when she was 2 when she had a seizure one night and was airlifted to our lical Childrens Hospital cheo. That was in 1997. She is alive and well and has over come EVERY barrier they thought she may have. She is one tough cookie. And very SASSY!

[bearwithme](#)

Just like in a game of tag - (with no tag-backs) I want to tag [@Foley1362](#) - a fellow pet rescuer and builder of Pet cities, GIF poster extraordinaire and all around great guy! He's a wonderful and caring person (one of many here in the community) - but best of all - he makes me laugh!!!

[Foley1362](#)

So many people I would want to spend Valentines with including you 🐼👉 but following the rules I will tag [@firebombmarkus](#) as he was my original mentor in here and part of the reason I am still here today. I suspect he has a long list of us but I am honored he chose to devote some of his time last year to help enrich my life further just by getting to know him 🙏 and learn from his wise sensei ways 📖 😊

[Nck](#)

So many hmm 🤔🤔🤔 @Nat09 just because hahaha 👍😎

[mysticalmysty](#)

Thank you for the tag [@Foley1362](#) 🙏 Unfortunately I wouldn't want to spend my 💕 day together with you, just for obvious reasons, if we do we'll be end up just playing hula hoop and eating 🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷🍷 all day 🧑, there'll be no 🍷, no 🍷 so instead I'd rather spend my 💕 day with my lovely 🧑 [@MiaChristine](#) she knows how to make good 🍷🍷 I still 💕 U [@Foley1362](#) you are my 🍷🐼 but I have to say no for 🍷 for this whole month, you still can send me some 🍷 and 🍷 — 💕 🍷

[Glenn1972](#)

I would like to spend my Valentine's Day with [@frenioz00](#)

That is if her soon-to-be husband would understand 🤔🤔🤔 not only is she a delight to talk with, she also has an witty sense of humor 😄 she is smart and intelligent 📖 and has the way of keeping me on my toes 🦋 I have come to consider her a good friend for each I'm truly thankful 🙏 Now of course I have many friends here that I hope to spend Valentine's Day with 😍

THANKS
FOR BEING
AWESOME

[debrichmond](#)

I'd like to spend at least part of the day with [@firebombmarkus](#), too, even if I have to share it with [@Foley1362](#). 🤔

Marko was the first person to reach out to me and introduce himself and offer his help within a few days of when I joined. But it's not only just that. I've only been in the Community about a month now, but I've noticed how kind, polite, caring, and helpful he is to EVERYONE. He has so much patience, too. 😊 So, maybe, if I spent some time with Marko, those qualities will rub off onto me!!!! 🙏

[firebombmarkus](#)

The person I am tagging is [@lulu13](#) as I love her personality and would like to know her better 😍

[Spinnifix](#)

[@firebombmarkus](#)

Hello Marko! You were also the first with me who had reprimanded me here because I also tried it in German. And then we had further contact to get help from you. It is a very nice work with you and I really enjoy it. And will still be there for me when I need help. Your kind manner makes me very happy. I just had to get rid of it. The best place is to make it public. Thank you very much for your support.

Greetings from Germany Peggy

[kmk1331](#)

I totally am tagging myself because I'm the only person that I find worthy of spending Valentine's Day with!!! How do I Tag??

[Elsa](#)

Perhaps you can just say I am tagging ME. But you don't have to change it. I am tagging [@kmk1331](#) because she has the right idea! I totally agree with her and will be spending the day loving me and pampering me.

[lulu13](#)

According to the rules i can't tag you back, so i am tagging [@AbhinavSargar](#) because her sweet nature is adorable and inspiring

[Betts](#)

I would love to spend my Valentines day with [@Pounawea](#) . I am sure we would have a wonderful day, eating Tapas, drinking wine and talking and laughing a lot together in Barcelona.

[Flanje](#)

I tag [@Pounawea](#) so she can get to see that I'm not really as evil as I seem
MUAHAAHHHHAAAAA

[frenioz00](#)

I'd like to spend Valentine's Day with [@Foley1362](#) because he is one of the funniest "peeps in town", because he brings a smile to my face every day, because he cracks me up with his comments and personality, because he understands my sense of humor... to sum up, because -as I have told him and quoting Shania Twain's words ↓- H E H A S A W A Y W I T H M E !

[Foley1362](#)

I would ♥ to spend the day with [@PummyRaj](#) just to get to witness first hand the love, joy and happiness she not only spreads to her family, friends, but her local community she volunteers at so much and last but not least this wonderful King family she devotes so much of her time and energy to helping. Her dedication and passion to others is something I greatly admire and continue to strive for

[Lim](#)

So I will tagging [@KitKathySuzyQ](#) because she is really **great Diamond Diaries Helper** on Diamond Diaries Community. If she **doesn't understand to answer any hard questions**, don't worry! She will **tagging me** then I will helping players to solve any problems on Diamond Diaries Community and I will teaching her **how to solve any problems on Diamond Diaries Community or our private message** until she will understand. 😊

So we must helping [@QueenRaffie](#) to answer to Diamond Diaries's Players to solve any problems on Diamond Diaries Community because we think she is very busy doing on King Community. 😊

[@KitKathySuzyQ](#) - You are really kind and great Diamond Diaries Expert Player! So I tag you on this contest! 😊

[wafercookieflippers](#)

I would like to join [@Rancid](#) in warm, sunny Australia for Valentine's Day. (Our amazing superstar-- Not Rachel's Rancid--fear not.) He is kind and respectful. He puts his intelligence to good use helping everyone here on the forum. His sense of humor would keep me laughing, and I feel almost certain we would have plenty to keep us talking. Valentine's day here is always cold, so having some fun with my friend [@Rancid](#) in lovely summer is the best way for me to spend the holiday.

Edit: please come join [@BQN537](#) and me on our lovely Valentine's adventure [@frenioz00](#) . Love gets even Sweeter the more you share it.

[Frenioz00](#)

02/14/2021 [@Glenn1972](#)

02/14/2022 [@wafercookieflippers](#) & [@BQN537](#) (I promise not to be the Third Wheel, though!)

[Foley1362](#)

[@frenioz00](#) - alright lady I think we might need to get a party 'tag' bus going for all your social commitments with [@Glenn1972](#), [@wafercookieflippers](#) [@BQN537@gr33n3y3z](#) & [@Nat09](#) - I think is the list we have so far 🤔🤔🤔
Im driving 🚗

[flew66](#)

I would like to tag [@kiara_wael](#), may be I can learn from her how to advance so quickly in CCFS. Happy Valentine's Day! 😊

[Nat09](#)

That's a great idea [@BQN537](#) [@frenioz00](#) I'd love to go to the park with you guys and [@wafercookieflippers](#) [@Glenn1972](#) [@gr33n3y3z](#), can I bring a few bunnies 🐰 with me? 😊 they can play with your doggies in the park 🐶 Make some room in your bus [@Foley1362](#) we're all coming

[Sharon Loose](#)

I would so love to spend just a single day with my dear friend [@Shanae Spencer](#) but sadly no one has heard from her for over a year, her Facebook posts stopped abruptly on 3rd December 2018, I loved her tales of her walks around Australia and New Zealand and looking at all the beautiful photos she took. We could have spent the day walking and stopped off for a picnic. I still check her FB page in case by a miracle she has come back.

[@kiara wael](#) my dear friend you could have joined us too and we could have a real girly day out 🧐😍❤️

[Nat09](#)

[@Elsa](#) there was a contest “Win one of five exclusive avatars” and I won Rachel, I was so excited, I really wanted her, she is my favourite character. I just have to keep an eye out for Rancid 🧐🧐

[Rancid](#)

Hi [@wafercookieflippers](#) and thank you for the tag. I would love to spend Valentines Day in Australia with you. Just call me when you land😍

[kiara_wael](#)

Thank you [@flew66](#) , You remember me , its so sweet . like this Chocolate that i gave you , hope you like it 😊, and **Happy Valentine's Day. May you be showered with love today.**

[DeepshikhaSharan](#)

I have two people to tag cause they are the ones who showed me way through this community. They helped me reach Level 5 on here. Without them I would still be a new bee. They helped me out in the community. They are [@Elsa](#) and [@Lim](#) . To both of them I just have to say that I was blind and they taught me braille script. [@Elsa](#) & [@Lim](#) are really on the right positions of the community. 😊 😊 😊

[@Elsa](#) you really are the mother of superstars and [@Lim](#) you were too great to become a game expert and a member of the month

In tag you rare the "one" contest, you are the "two"
With lots of hearts and love 💕 💕 💕 💕 💕 💕

[GranBarb](#)

I'm going to tag [@Elsa](#) !

First, for all the great stories & all the time she puts into our Community. She's one of the first of all the friendly members that got me to really participate in games, contests, & all of it. She's always nice & helpful, no matter how dumb my question may be.

Second, I'm tagging her because I think she & I have a lot in common. I think if we lived closer to one another, we'd probably be close friends! I'm not sure that I want to join her in her part of the country right now. It's pretty cold. But, then again, it's not exactly warm here, either!

So, yes, [@Elsa](#), I tag you.

[kiara_wael](#)

I would love to spend Valentines day with [@Sukanta Biswas](#) .He who introduced me to the King Community and he is a very good person who always shares his experiences and helps friends who have difficulty playing Candy Crush, he is one of the CC Masters.

Knowing him made me know the meaning of life. There is something beautiful in you, something which makes me always Special . Happy Valentine's Day Janu

[Frenioz00](#)

Hey [@Glenn1972](#), I was just about to post the same question when I read [@Foley1362](#)'s about the bus ... Are you somehow reading my thoughts through?! I know you are magical so I would not be surprised if you actually were!

[Frenioz00](#)

Hmmm... That seems a little expensive [@BQN537](#). Maybe we could call my friend John Travolta (#LoL) and ask if we can borrow one of his planes. I'd really don't think he'd mind, he has 5!

[christine88](#)

Am I allowed to say ... That I would want to spend my Valentine's day with everyone in this community. There is so much love that is spreading around. ♥ ♥

[Nat09](#)

[@lulu13](#) of course you're coming with us, are you bringing a pet with you to the park?

[Foley1362](#)

[@lulu13](#) - happy to have you join us but be careful what you wish for, the 🚌 driver isn't always the best spot to be 🤪🤪🤪

[Lulu13](#)

Well! [@frenioz00](#) [@Nat09](#) [@Foley1362](#)

I'm not sure I would fit on the 🚌 with all of you plus the 🧛🐰 [@Glenn1972](#) bringing 🐾 [@BQN537](#) with her 🐾 not sure 😬 if I forgot anyone else sorry. 😊 If i bring my pooch Lilly the Cavapoo too it could be a disaster, especially because [@Foley1362](#) seems to be the designated driver 🤪🤪🤪

[Foley1362](#)

[@lulu13](#) - what are you talking about 🙋 I'm an excellent 🚌 driver 😊🙏🚫🤪

[SupriyaV](#)

I would like to spend my day with -

[@frenioz00](#) - i just got to know she is a part of the community recently.. when she started tagging me as one of her peeps! 😊🙋😎

[@Elsa](#) , [@Glenn1972](#) , [@MataiceAlison](#) - You were the first few people i got to know in this community and had fun in interacting with you... 😊😊

[Sharon Loose](#)

Aww thank you my lovely friend [@kiara_wael](#) such lovely words, I love you too and hope you have a lovely Valentine's Day also

[Sharon Loose](#)

[@Elsa](#) sending you hugs, sorry for your loss and of course I would let you know if I hear from Shanae but I really fear the worse.

[Beth Mc Hugh](#)

[@frenioz00](#) was my first and only tag. I'll spend Valentine's day wearing A, comfy clothes.

[clayr3580](#)

I'm new and therefore don't have any friends. Truthfully only started playing to have something to do during chemo, now I'm hooked. I've never been much of a gamer but I love these games. Then low and behold I stumbled onto this forum and it's great! Therefore I wish to spend valentine's with whoever started this forum. It is amazingly informative and entertaining. So, thank u so much

[siti payung](#)

I will tag a newbie [@apoole57](#) . Why...since I just a got message form him/her and I think I will love to spend the day with her. Chatting over delicious foods and drinks plus chocolate cake to welcome a warm friendship via candy crush saga game.

[Sugy](#)

[@frenioz00](#) will you be my date. I would like to know about you. We can make this valentines day as a girls day out.

[Eagle1010](#)

Honestly, I have no idea with whom to spend the day as I am new here, since yesterday 😊 Just need to get to know more male members hehe - Shouting out here LOL (Would love to date a man, but [@Foley1362](#) has been tagged already, he likes being cheeky and I like that 😊 Talking bout first impressions LOL)

Otherwise, if it is just about spending time with someone without any romance involved, I think [@Sofia1992](#) could be fun to be with, movies, good food and cocktails are fun, aren't they? 📺🍷🍷🎬

Or do I have to be tagged first? Sorry when that's the case, surely do not want to break any rule on my second day here lol

[Elsa](#)

Now I would like to tag [@the_revenger](#). I met him here in the community not too long ago. Much to my surprise one day he posted that he got his braces and only then did I associate him with an age. It's so difficult to know a person by their nickname or know whether they are he/she or what age they are. He is one really neat, sweet player. So welcome [@the_revenger](#) to our community and may you meet some really neat people here!

[Elsa](#)

Now I would like to tag two players who first joined us in the Candy Crush Saga Beginner's Corner last October.

[@FaRayha](#) and [@Fakhri](#) have been supportive of that community from the beginning. For those of you who don't know about that area I would like to bring it to your attention for a couple of minutes. The [Beginner's Corner](#) was started last year for game beginner's. We offered a welcome message [here](#) where the newbie players could learn all about the boosters, blockers, special candies and much more.

There are many more newbies that posted in that area and I don't mean to leave them out but I have to get working on one of the game communities that just opened up a community button to their game. I need to add more information to help new community members that will be joining us. So if I didn't mention your name and you have posted in the Beginner's Corner

[@FaRayha](#) and [@Fakhri](#) I wish both of you a very sweet Valentine's Day. It's not all about being in a relationship to feel love. As [@kmk1331](#) wrote: "I totally am tagging myself because I'm the only person that I find worthy of spending Valentine's Day with!!! How do I Tag??" it's all about loving you first and foremost!

[Chicken Slayer](#)

Aw thank you [@Elsa](#) I couldn't be with nicer people ♡

[FaRayha](#)

Thank you [@Elsa](#) thank you very much for such a beautiful praise...i want to spend day with [@Elsa](#) and [@Glenn1972](#)

Because [@Elsa](#) is such a polite and a very kind person i first met in this community so she is the first one and y [@Glenn1972](#) because of kindness and support others...

[Foley1362](#)

[@Eagle1010](#) - how very kind of you 🙏 Welcome to our friendly community. Since I'm spoken for and the official bus driver (right [@Glenn1972](#) 🤖) and have plans with [@frenioz00](#) I'm afraid I can't take you up on the offer but your are more than welcome to join the party bus 🚌
Keeping the tags going - I would love to invite my good friend [@wafercookieflippers](#) to join the bus ride and yes you can bring [@Rancid](#) too 🤖
Man I'm going to need to invest a larger engine for this bus ride now 🔥 🔥

[Sukanta Biswas](#)

Thanks [@Elsa](#) Thank you so much for being such a platform. 😊

I will only celebrate Valentine's Day with my longtime Girlfriend [@kiara wael](#)

I have celebrated Valentine's Day with her for the last 5 years and there is nothing wrong with this year.

For the past 5 years, I have kept him near me, even though I am far away. After I became a superstar, I made him like a superstar, to get her here too and after all, she is now a superstar. 😊

Here is a sweet message for her. ❤️

[Frenioz00](#)

You are welcome... but you still haven't told us who your date will be! We are all dying to know! Right, [@Elsa](#)?!

[johamilton](#) My date for Valentines will be with [@Lynette](#). I have know her for years and will be flying out to Australia. I have been friends with her for years starting with Bubble Witch Saga. So now we will meet and she will show me around her beautiful land. 😊

[nie09](#)

Wow it's so nice to read here all the comments. I hope finding a new friends here 😊 even I can't get it 🤔

[Elsa](#)

I am sending a special tag to [@mercerik](#)! I think I've known her for a little over a year now. Her heart is in the right place. She loves doing level videos and helping the players when she can.

[Mercerik](#)

[@Elsa](#)

Hi Elsa! I am sending you a message thru my favorite character, Baby Yoda, from Star Wars Mandalorian. I 3D printed both of these. Aren't they cute? I didn't have a 2 tone green filament so I need to have these painted.

[man6](#)

I would like to celebrate with Miss-Morgan

[Scooterpie](#)

I would like to tag "Everyone"! So many interesting personas I have found here. I wonder what each one of you is really like outside our Candy World!

[GranBarb](#)

[@clayr3580](#), I'm going to tag you for Valentine's Day! I'm so sorry to hear you're having to go thru chemo, etc. But, very glad you found King games & our community here to help you pass the time.

I lost my baby sister to "C" about a year & a half ago. Unfortunately, I couldn't spend more time with her due to the distance between us. Miles, I mean. She went thru chemo & radiation treatments. Got a clean bill of health after taking a certain drug that "ate" the cancer, & then that drug ended up "eating" away at the good things in her. 'Nuff said about that!

So, how's about we go somewhere warm - not here, for sure! - and just lay around & talk? Maybe eat a lite lunch? I'll bring my dog 🐶 & let him play.

What do ya think?

[Lynette](#)

hehe, I would love to show you around my beautiful country for a Valentines date [@johamilton](#) ♥
My other choices would of course be my two favorite Superstars [@Chicken Slayer](#) ♥ and [@Elsa](#) ♥

[Linduh 58](#)

I guess unfortunately I will tag myself. I don't know anyone in the forums to tag. Hope to get to know some people soon. Happy Valentines to me!

[Bearwithme](#)

Wow this is awesome and there are so many pages in this thread already. I would like to tag [@imabearnut](#) !
With a name like that - surely you are a bear lover like I am. Do you have a large collection of bears??? Maybe we could go look at bears on Valentine's Day! Real or stuffed I love them all! ♥

[Linduh_58](#)

I guess unfortunately I will tag myself. I don't know anyone in the forums to tag. Hope to get to know some people soon. Happy Valentines to me!

[Scooterpie](#)

[@Linduh_58](#) Welcome to the Community! Happy Valentines Day to You!

[Elsa](#)

Today I am going to tag [@satnam](#)! He is awesome, superb, kind, thoughtful, fabulous and conceited!

Where should we go for Valentine's Day? No! We cannot go clothes shopping so that you can look at yourself in the mirror and say "I am awesome, superb, kind, etc, etc, etc. 😏"

[Nimni](#)

[@cody](#) will you spend the valentine day with me? I will give you candy crush saga lives every 5 minutes.

Cody and I get along very well. Cody always ask me for lives and I'm always ready to send the lives. we have a very good understanding so I wish cody would me my valentine this year.

[Glenn1972](#)

Hello [@Nancy31](#), You have come a long way here in the community!!
I would like to sit and let you tell ne how you did it this Valentines Day!!

[Foley1362](#)

[@frenioz00](#) - Hey Valentine 🤪🤪🤪

I've been working so hard on getting my drivers license renewed so I can drive the bus I'm a little wiped out.

I would gladly welcome [@Sugy](#) help or anyone else that wants to ride but I'm afraid [@Rancid](#) doesn't prefer my driving remember 🙄

Foley is the designated driver?

I'll catch a cab.

[Imabearnut](#)

Hello there 🐻

I would like to thank [@bearwithme](#) for tagging me & I would like to tag [@bearwithme](#) back! Yes, I am a bear addict to say the least! I have been collecting Boyds Bears for years now. I have mostly plush, but do have some resin. My biggest one is over 40" high down to the smallest one which is 2" high. I have hundreds of them. My husband starting counting a few years back & stopped around 400 because he got sick of counting. They are in every room. Anyway, I could talk you silly about my love for them!

Oh [@Elsa](#), I would love for you to write a teddy bear story for us! 🐻 [@mercerik](#), koalas happen to be my favorite animal since I was little! ❤️ 🐻 ❤️ [@Scooterpie](#), you love bears too! I wish that I could tag you all! ❤️ 🐻 ❤️

[DesireeK12](#)

[@Nck](#) I'm new to all this posting stuff but I'd love to get to know you and many others! You're the "one" [@Nck](#)

[Nat09](#)

Here's a bear for [@bearwithme](#) [@Scooterpie](#) [@Spinnifix](#) and [@imabearnut](#) from a little bunny lover 🐰(

[LizzyLemondrop](#)

I guess since nobody has tagged me, I'll have to be my **own** Valentine 🥰

[Elsa](#)

I am tagging [@LizzyLemondrop](#) because tomorrow is the big day and she is feeling sad because she really doesn't want to be single tomorrow. So you and I can get together and enjoy single time together. If it's warmer where you live then I am coming to you after going to the dentist in the morning. Ok?

[Pounaweia](#)

Good morning everyone, Happy Valentines Day!

[Fazura Fauzi87](#)

I'm tagging Me. I hope to win the gold bar although my chance is slim. I have join the king's game for several years. Maybe it is not enough, to help me on the game, it take a lot effort to go to higher level, but a little help would be just enough for certain situation.

[LizzyLemondrop](#)

Thank you [@Elsa](#) for including me 😊

[Sarah0888](#)

Ok this is just random.. But glad to share candy crush with you..
Kikaskooka

[Debrichmond](#)

Okay, here's a new bus. [@Nat09](#) would you please decorate this one? [@Rancid](#) maybe you can provide the water since you seem to have some to spare now. [@Foley1362](#) perhaps you should ride shotgun to keep [@frenioz00](#) driving CLOSER to the speed limit. I know you are an AWESOME driver [@frenioz00](#), but is it really necessary to go THAT fast? Me, [@Lim](#), [@lulu13](#), [@Elsa](#), [@wafercookieflippers](#) and [@Glenn1972](#) could come along for the ride. I'll bring 🕒 🎲 🎮 🎯 for snacks. All aboard! One, two, three, let's go!
