

Find TWO words in the puzzle that have something to do with Candy Crush Friends (this includes the friends and some of their outfit names). For extra credit find two words that are related somehow. For example: you can post the **name of a friend** and **one of their outfits** or **the names of two blockers**.

See how creative you can be.

Misspelled words will not count. All the letters of the words must be connected by tiles on top, below, left or right from it but not diagonally. The words do not overlap. See the example at the bottom. All the letters of the words must be connected by tiles on top, below, left or right from it but not diagonally. The words do not overlap and a **Capital** letter indicates the start of a word. Misspelled words will not count.
