Go to several posts of mine....there are several threads on this. The problem is widely known
in [Discrepancy between transaction details & account balance](#) Comment by JonBattle 12:09PM

12:07pm CST - this appears to be fixed - although a new version of QW did not download. Im a bit leery
in [Account Bar Shows NEITHER the Current or Ending Balance](#) Comment by JonBattle 12:08PM

12:01pm CST - this appears (for me) to be fixed. No more pendings and account bar totals equal ending balances as they should. I did need to enter a balance adjustment on a credit card account to make things right.
in [Downloading 'pending' transactions messes up balance](#) Comment by JonBattle 12:02PM

> @louieandfrankie said: > Sorry all, I wrote too soon. Looks like my balance on my one Chase Savings account has been fixed. No sorry needed. Mine looks OK too but I don't understand how as a new version of QW did not download. I did need to make a one time balance adjustment to get it right....after that all was good.
in [Account Bar Balance wrong - all balances correct in Register](#) Comment by JonBattle 11:47AM

11:38am CST - this appears to be fixed. Balances are in sync. I dont see a new release downloaded so I am not sure how this happened....unless it came from the bank
in [Account Bar Balance wrong - all balances correct in Register](#) Comment by JonBattle 11:39AM

Same here...I found a pending transaction in my register that was 6 months old and is causing the discrepancy. I deleted it but no luck. Hoping for a fix..it bothers me 24/7 when my Quicken is messed up
in [Account Bar Balance wrong - all balances correct in Register](#) Comment by JonBattle 10:20AM

> @smichels62 said: > I'm having a similar issue but currently in only 3 accounts and all three are credit card accounts. They should be showing as zero. The registers are showing correctly but the account bar for these three accounts is just plain wrong. Also, if I restart Quicken it changes the amounts. Something is...
in [Account Bar Shows NEITHER the Current or Ending Balance](#) Comment by JonBattle January 6

Same issue....an old Pending Transaction is making the account bar amount wrong. Changing "what balance to show in account bar (either

current or ending) does NOT work in this situation. See graphic

in [Is there a way to remove an erroneous "pending" transaction?](#) Comment by [JonBattle](#) January 6
