

Screen shot (correct) when opened from the Report & Graph

Date	Account	Description	Memo	Category	Amount
<b>- Kroger</b>					
3/4/2021	5-3, Retirement, ...	Kroger	Galaxy A01 balance from May 30	Housing:Utilities:cellular	-10.59
5/10/2021	5-3, Checking, Mar...	Kroger	\$100 ATT Prepaid (+911 fee)	Housing:Utilities:cellular	-101.00
5/30/2021	5-3, Checking, Mar...	Kroger	Gift Card (Amazon ) Galaxy A01 (partial)	Housing:Utilities:cellular	-75.00
<b>OVERALL...</b>					<b>-186.59</b>

The only category I've selected to filter on is "cellular".

Same report not correct when reported is opened from the Tool Bar:

Date	Account	Description	Memo	Category	Amount
<b>- Indianapolis Airport Parking</b>					
5/24/2021	Visa, Chase (6890)	Indianapolis Airport Parking		Vacation:Spring Break 2021	-81.00
<b>- Kroger</b>					
3/4/2021	5-3, Retirement, ...	Kroger	Galaxy A01 balance from May 30	Housing:Utilities:cellular	-10.59

5/24/2021	Visa, Chase (6890)	Sundial Resort		Vacation:Spring Break 2021	55.75
<b>OVERALL...</b>					<b>-4,422.81</b>

First to Paloma:

It's a simple custom report, filtered for a few categories and a time period (usually current year). I've been using many of these for years without issue. Now it seems they all exhibit the problem, it's not one report but many that are affected.

Version R34.15. It may be coincidence, but I have only seen this issue since a recent update to this version.
