

ThedaCare Family of Foundations Scholarship Evaluation Committee Job Description 2020

Thanks to the generous support of donors honoring their loved ones, the ThedaCare Family of Foundations is honored to offer numerous scholarships for students in the ThedaCare service area pursuing nursing and health related degrees. To learn more about the various scholarships offered through the ThedaCare Family of Foundations, visit www.thedacare.org/scholarships.

Role of Scholarship Evaluation Committee

The evaluation committee is made up of Foundation Board members, donors, community members and ThedaCare team members. This committee reviews and scores scholarship applications submitted through the ThedaCare Family of Foundations' online scholarship software for the following annual scholarships:

- Dianne Bergstrom Nursing Scholarship
- Boehnlein Nursing Scholarship
- Dr. Marshall & Mary Boudry Memorial Scholarship
- Victor & Elaine Guenther Scholarship
- Nancy B. Salan Nursing Scholarship
- New London Manager Scholarship

Role of Committee Members

- Electronically review and score submitted applications as assigned. The applications will be assigned through the Foundation's online scholarship management software, a system called Foundant. On average, each committee member is assigned 10 to 12 applications to review.
- Rate each application in accordance with the established criteria for each scholarship.

Timeline

- Scholarship applications are due to the ThedaCare Family of Foundations on May 20, 2020.
- Applications will be assigned to the Scholarship Evaluation Committee members to begin reviewing no later than June 1, 2020.
- Scholarship Evaluation Committee Members are asked to have applications reviewed and scored electronically no later than July 1, 2020.
- No physical meetings take place; however, if there is a tie score for a scholarship, the committee may be asked to join a conference call to help determine which applicant is the most qualified to receive the scholarship.
