Coffee Talk Expectations

- Who gets the conversation started? **Foundant**
- Who shares experience, advice, and challenges? **You! (You are the experts)**
- Who deals with all the questions and virtual "raised hands"? **Foundant**
- Who participates in an open forum to share experiences and learn from one another? **You!**
- This discussion does *not* need to revolve around any particular platform.

Conversation starters:

- What rapid or unexpected changes has your organization made to its grantmaking this year?
- What changes is your organization considering?
- How can your grant management system provider better support these changes?
