August 20, 2021

Dear Keith and the American Legion and Sons of the American Legion Mt. Morris Post 992:

Another college scholarship season is wrapping up. All of the awards have now been announced. Students have completed their scholarship award acceptance papers and are beginning their first year of post-secondary education. We hope each student will have a successful year!

Your generosity through the **American Legion and Sons of the American Legion Mt. Morris Post 992 Scholarship Fund** has made a difference in the lives of young Greene County students! CFGC is proud to partner with you to make scholarship awards each year to deserving students. It is an honor to share with you this year's recipients of the **two \$2,000** scholarship awards.

[REDACTED] is a graduate of Waynesburg Central High School and plans to attend Pittsburgh Technical College to major in Computer Aided Design. Morgan is a resident of Waynesburg and the child of Claude and Heather Barnes.

[REDACTED] is a graduate of Waynesburg Central High School and plans to attend Gardner-Webb University to major in Business Administration. Tyler is a resident of Waynesburg and the child of Wayne and Amy Switalski.

I've enclosed a pictures of the students with their notes of appreciation for the scholarship opportunity you have provided. The thank you notes were also done online and we were able to combine them as a memento of your gift that has made this scholarship possible. With post-secondary education costs continually increasing, I know your scholarship will help Morgan and Tyler bear the costs of fulfilling their dreams.

I hope this small token will help you to know that you are making dreams come true. Please don't hesitate to give me a call if you need anything!

With warmest regards,

Bettie Stammerjohn
Executive Director

Enclosure

*Thank you so much for allowing
CFGC - me - to be a part of
this scholarship award. It is so
wonderful to recognize the value of
our service members - and their contribution
to families and our communities!*

Confirmed in Compliance with National Standards for U.S. Community Foundations

*2021 American Legion and
Sons of the American Legion
Mt. Morris Post 992
Scholarship*

*Dear Members of The American Legion and Sons of the American
Legion Mt. Morris Post 992,*

*I would like to Thank you for selecting me for this years recipient of
the 2021 scholarship. I really appreciate it. I will be attending
Pittsburgh Technical College in the fall. I will be studying Computer
Aided Drafting. The monies will be very helpful and go towards my
tuition. I am very honored that you chose me because of my father
and grandfather being Veterans. It means a lot to me to have so many
relatives that served in the Army and Navy. My paternal
grandfather Claude Barnes II and my father Claude Barnes III both
severed in the Army. My dad has told me stories of my grandfather
being in the Vietnam War and my dad was in Desert Storm and
Dessert Shield. My maternal grandfather Tom Barna and Aunt
Mary (Barna) Burich both served in the Navy. It was very nice to be
able to do the zoom meeting and talk to Keith. I would like the rest
of the members to know how much I appreciated being picked and
will make you proud. Again I am honored and appreciate your
generosity.*

Thanks!

Morgan V. Barnes

*2021 American Legion and
Sons of the American Legion Mt.
Morris Post 992 Scholarship*

*Dear Members of The American Legion and Sons of the American Legion Mt.
Morris Post 992,*

I would like to thank the American Legion and Sons of the American Legion Mt. Morris Post 992 for the scholarship that they generously offered me. With this scholarship, I will attend Gardner- Webb University in Boiling Springs North Carolina and will be leaving for school on June 23rd for my first summer session. I will major in Investment and Business and try to graduate within 5 years with my Masters. I will use this scholarship to help pay for my tuition. It will truly make a huge difference in helping me and my family pay for school. My parents always gave me what I needed, but when it comes to school, it is my responsibility and this will help to take a huge load off of my shoulders. I am one of three boys and they refuse to give me what they might not be able to give the others, so to be fair, college is on our own. This is why I worked so hard for my grades and my baseball, to help with me being able to pay for secondary education, and while it helped with some, I am truly grateful for this scholarship that will help with my tuition. I also want to say thank you to all of you for your services, I know I would never even have this opportunity if it was not for Veterans like you and an my grandfather, I can not be more appreciative and more honored. I will strive to do all of you proud!

*Thank you
Tyler Switalski*
