

# Boards Golf Society

## ClubNet App

Many of you will be familiar with the ClubNet App as it is used by a large number of Golf Clubs to manage timesheet bookings and member accounts. We are very lucky that Golfgraffix has been an integral part of the Boards.ie Golf Society since day one and they have been our number 1 sponsor over the years. They have very kindly set us up on the ClubNet platform which has proved to be a great management tool for the admin of the society.

All subscription invoices are now issued through ClubNet and there is a purse facility we use to collect outing fees and 2's comp entries (winnings returned to purse). You will not be able to book into the timesheet if you do not have your purse topped up with sufficient credit. Because there are transaction fees we generally set top up amounts at €100 to keep the overall cost to the society down.

Below are some step by step instructions on how to download and use the App.

- Depending on your phone type please go the Apple App Store or the Google Play Store and search for ClubNet and click on install.

### 2. Set Up & Login In
