

Paid Confidential Marketing Research Study mTNBC

We are speaking with women **diagnosed metastatic in the past year** and **currently in treatment** for

Triple Negative Breast Cancer
to help pharmaceutical companies learn about your experience.

If you qualify and participate in a ***a single, one-time, remote, 60-minute interview***
You will be paid \$175

This is a confidential research study. There are no sales or marketing involved. Your information will never be shared or sold for any purpose.

RCHorowitz & Company works to help bridge the gap between patients and the healthcare industry.

Information gained from our studies is used to provide the healthcare industry invaluable information about patient experiences.

Our studies have helped bring new drugs to the market, improve drug delivery methods, and develop patient informational materials like support websites, drug start-up brochures, and patient information packets.

The more our clients learn, the better we can make it for others in the future.
