## General Information

## How do I download the Canvas Parent app on my iOS device?

Download the Canvas Parent app on your iOS device to engage in your child's education.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open App Store

Open your iOS device and tap the **App Store** icon.

### Open Search

In phone devices, tap the **Search** icon at the bottom of the screen.

In tablet devices, tap the **Search** field at the top of the App Store.

## Search for App

In the **Search** field, type Canvas Parent. Tap the full name when it appears.

## Select App

Tap the **Get** button.

## Install App

Tap the **Install** button.

**Note:** The App Store may ask for your App Store password to download the app.

## Open App

When the app has downloaded and installed onto your iOS device, you can access the app immediately by tapping the **Open** button.

## View App on iOS Home Screen

You can also open the app on your iOS home screen by tapping the **Canvas Parent** icon.

## How do I create an account in the Canvas Parent app on my iOS device?

In the Canvas Parent app, you can create a Canvas observer account to view student course information. If you already have an account, you can [log in to the Parent app](#).

To link yourself to a student, you will need to enter a student-specific pairing code that will link you to the student. Pairing codes are valid for seven days. Students can [generate pairing codes](#) from their User Settings. Depending on institution permissions, admins and instructors may also be able to generate pairing codes.

For more information on pairing codes, view the [Pairing Codes – Frequently Asked Questions](#) resource document.

**Note:** If you are not able to create an account, your school has not enabled self-registration. Please contact your school to create your account.

## Open App

Open your device and tap the **Canvas Parent** icon.

## Find School

To find your institution, tap the **Find School** button [1]. To create an account using a generated pairing QR code, tap the **QR Code** link [2].

## Create Account Using QR Code

The image shows two screenshots of the Canvas Parent app. The left screenshot shows the main screen with the Canvas Parent logo and a 'Find School' button. The right screenshot shows the 'Create Account' screen. At the top, it says 'Create Account' and has a 'Next' button with a '2' above it. Below that, text instructs the user to have their student create a pairing code from the Canvas Student app and scan it here. It also notes that if the student doesn't see the option, they should reach out to the school. Below this text is a smartphone screen displaying the 'Pair with Observer' screen, which shows a QR code and a pairing code (aH52da). A red box highlights the 'I don't have a Canvas account' link at the bottom left of the right screenshot, with a '1' above it. Another red box highlights the 'Next' button at the top right of the right screenshot, with a '2' above it.

To create an account using a QR code, tap the **I don't have a Canvas account** link [1] and tap the **Next** link [2]. Open the Canvas app and scan the QR code.

## Find Institution

Enter the name of your institution or school district. When the full name appears in the search list, tap the name.

**Note:** If you are an admin and your school does not appear in the search list, please contact your CSM about mobile smart search.

## Enter Canvas URL

You can also log in using your Canvas URL. Enter your institution's Canvas URL in the search field [1]. Then tap the **Go** button on your keyboard [2].

If you don't know your Canvas URL, tap the **Login help** link [3].

## Create Account

To create an account, tap the **Create Account** link.

**Note:** If the Create Account link does not display, your student's institution has disabled creating accounts for observers.

## Create Account Credentials

documentation.instructure.com

Parent Signup

Your Name 1

Your Email 2

Password 3

Re-enter Password 4

Student Pairing Code What is a pairing code?

You agree to the [terms of use](#) and acknowledge the [privacy policy](#).

Enter your name in the **Your Name** field [1] and email address in the **Your Email** field [2].

Then create a new password by entering it in the **Password** field [3]. Confirm your new password in the **Re-enter Password** field [4].

## Enter Pairing Code

Student Pairing Code What is a pairing code?

You agree to the [terms of use](#) and acknowledge the [privacy policy](#).

Enter the six-digit alphanumeric pairing code for the student you want to link to in the **Student Pairing Code** field.

**Notes:**

- Students can [generate pairing codes](#) from their User Settings. Depending on institution permissions, admins and instructors may also be able to generate pairing codes.
- After your account is created, you can [link additional students](#) to your account in the Parent app.

**Complete Registration**

To complete your registration, agree to the Terms of Use and Privacy Policy [1]. Then tap the **Start Participating** button [2].

## View Parent App

View your linked student in the Canvas Parent app.

## How do I log in to the Canvas Parent app on my iOS device with a Canvas URL?

Once you [download the Canvas Parent app](#) from the iTunes store, you can use the app to log in to your Canvas account.

You can enter your institution's name into the app to locate your account. If the app cannot find your institution by name, you can enter your institution's Canvas URL into the app. If you don't know your Canvas URL, you can [log in using a QR code](#), which does not require knowing your Canvas URL for the mobile app.

If you do not want to locate your Canvas URL every time you log in to Canvas, learn how to [switch to another user account](#).

In the Canvas Parent app, you can log in with Canvas observer credentials to view student course information. If you do not have a Canvas account, you can [create an account in the Parent app](#).

## Open App

Open your device and tap the **Canvas Parent** icon.

## Find School

To find your institution, tap the **Find School** button.

## Search for Institution Name

What's your school's name?

[How do I find my school?](#)

Enter the name of your institution or school district. If the full name appears in the search list, tap the name.

**Note:** If you are an admin and your school does not appear in the search list, please contact your CSM about mobile smart search.

## Enter Canvas URL

What's your school's name?

 ×

Can't find your school? Try typing the full school URL.  
[Login help.](#) 

If the name of your institution does not appear in the search list, you may need to locate your Canvas account by entering the full Canvas URL in the *Find your school or district* text field.

If you don't know your Canvas URL, tap the **Login help** link. Or you can [log in using a QR code](#), which does not require knowing your Canvas URL.

## View Previous Canvas URL

If you previously logged into the app, your Canvas URL displays. To log in again, tap the Canvas URL button [1].

If you previously changed users in the app, to log in again, you can tap the user's account [2].

## Enter Login Credentials

After you've located an account, you can view the Canvas URL at the top of the screen [1]. Enter your email [2] and password [3]. Tap the **Log In** button [4].

If you don't know your password, tap the **Forgot Password?** link [5].

### Notes:

- The Canvas email field credential varies according to institution. Some institutions may require a username or account number.
- If your Canvas mobile login page does not show the reset password option, contact your institution if you need to reset your password.
- If your institution requires you to log in to Canvas using their authentication system, you will be redirected to your institution's login page.

## View Dashboard

The screenshot shows the Canvas Parent iOS Dashboard. At the top, there is a blue header bar with a profile picture of Max Johnson, a '2' in a red circle, and a menu icon. Below the header, the dashboard lists several courses with their grades:

- Basic Written Communications  
BWC100  
88.29%
- Basic Written Communications 24-25  
BWC100  
A 114.2%
- Biology 101 24-25  
BIO101  
No Grade
- History 101 24-25  
HIST101  
A
- Introduction to Foods 24-25  
FOOD101  
A 100%
- Introduction to the Solar System 24-25  
SCI115  
96.53%

At the bottom of the dashboard, there are three navigation icons: 'Courses' (book icon), 'Calendar' (calendar icon), and 'Alerts' (bell icon with a '28' notification count).

View the Dashboard for your user account.

You can now [use the Canvas Parent app](#).

## How do I log in to the Canvas Parent app on my iOS device with a QR code?

Once you [download the Canvas Parent app](#) from the iTunes store, you can use the app to log in to your Canvas account.

You can generate a unique QR code from your Canvas web browser to quickly log into the app. This method uses your credentials from the QR code to log you into the app. The QR code is located in your account profile (User Navigation Menu).

If you do not want to locate your Canvas URL every time you log in to Canvas, learn how to [switch to another user account](#).

In the Canvas Parent app, you can log in with Canvas observer credentials to view student course information. If you do not have a Canvas account, you can [create an account in the Parent app](#).

### Open App

Open your device and tap the **Canvas Parent** icon.

**Open QR Login**

Tap the **QR Login** link.

## View Instructions

Locate QR Code Next

You'll find the QR code on the web in your account profile. Click 'QR for Mobile Login' in the list.

A screenshot of the Canvas web interface. The user is logged in as 'Abraham Lincoln'. The left sidebar shows the 'User Navigation Menu' with options like Dashboard, Courses, Calendar, etc. The 'ePortfolios' section is expanded, showing a list of portfolios. The 'QR for Mobile Login' link is highlighted with a red circle and a red arrow pointing to it from below. The main content area shows a list of courses: 'Introduction to the Solar System as...', 'Introduction to Neighboring St...', and 'Space Station Technologies'.

Review the instructions for locating the QR code in the web version of Canvas. The QR code is located in your account profile (User Navigation Menu).

When you have located the QR code, click the **Next** button.

## Scan QR Code

Hold your phone up to your computer screen to scan the QR code. Once the code is located, the app will update automatically.

**Notes:**

- You may have to grant permission for your phone to use your camera.
- The app may take a few minutes to log you in.

## View Dashboard

The screenshot shows the Canvas Parent iOS Dashboard. At the top, there is a blue header bar with a menu icon (three horizontal lines with a red '2'), a user profile picture, and the name 'Max Johnson' with a dropdown arrow. Below the header, there is a list of courses with their respective grades:

- Basic Written Communications  
BWC100  
88.29%
- Basic Written Communications 24-25  
BWC100  
A 114.2%
- Biology 101 24-25  
BIO101  
No Grade
- History 101 24-25  
HIST101  
A
- Introduction to Foods 24-25  
FOOD101  
A 100%
- Introduction to the Solar System 24-25  
SCI115  
96.53%

At the bottom of the screen, there are three navigation icons: 'Courses' (textbook icon), 'Calendar' (calendar icon), and 'Alerts' (bell icon with a red '28' notification badge).

View the Dashboard for your user account.

You can now [use the Canvas Parent app](#).

## How do I use the Canvas Parent app on my iOS device?

The Canvas Parent app lets you view a student's course events, upcoming assignments, and grades. You can also add and view multiple students in your account.

### Notes:

- The Canvas Parent app uses your device's settings to set the time zone used within the app.
- When creating an account, you can link one observed student in the Parent app. Learn how to [link additional students](#) in the Parent app.
- You cannot remove observed students in the Parent app.
- To change the language displayed in the Parent app, select a language in Canvas from a web browser, log out of the Parent app, and log in again.

## View Parent App

In the Canvas Parent app, you can view your User Menu [1], select a student [2], and view the student's courses [3], the student's weekly calendar [4], and alerts about the student's course participation [5].

## Open User Menu

To open the User Menu, tap the **Menu** icon.

## View User Menu

From the user menu, you can:

- [View the Canvas Inbox](#) [1]
- [Manage students and alerts](#) [2]
- View and manage settings [3]
- [Get help with the app](#) [4]
- [Change users](#) [5]
- [Log out of the app](#) [6]

Your User Menu may display other LTI tools, such as Studio and Mastery, that you can access via a mobile browser.

## View Student

**Note:** The Parent app displays assignment details and grades. Student assignment submissions can only be viewed in a Canvas browser.

## How do I reset my cache in the Canvas Parent app on my iOS device?

You can reset your cache in the Canvas Parent app on your iOS device. Resetting your cache will clear all information on your device that is specific to the app, including login details and app settings.

You may want to use a cache reset if you experience errors when logging in to the app. Because a cache reset will remove app information from your device, you may want to try resetting your password or uninstalling the app first.

After enabling the Reset Cache on Next Launch option, you must force close and relaunch the Parent app for your cache to reset.

## Open Settings

On the home screen, tap the **Settings** icon.

## Open Canvas Parent App Settings

In the Settings menu, tap the **Canvas Parent** link.

## Reset Cache on Next Launch

Locate **Canvas Parent Settings** [1]. Then tap the **Reset cache on next launch** toggle on [2].

### Notes:

- After enabling the Reset cache on next launch option, you must force close and relaunch the Parent app for your cache to reset.
- The Reset cache on next launch button will toggle to the Off position after the cache has reset.

## How do I get help with the Canvas Parent app on my iOS device?

From the Help Menu, you can get help with Canvas directly on your mobile device. Help Menu links may vary across institutions.

### Open User Menu

Tap the **Menu** icon.

## Open Help

Tap the **Help** link.

**Note:** Depending on your institution, the Help link name and icon may vary.

## View Help Menu

View the Help links provided to you. Available links may vary according to institution.

## How do I switch to another account in the Canvas Parent app on my iOS device?

If you use Canvas in more than one account (Canvas URL), you can change between accounts on your device without having to log out of the app.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open User Menu

In the Dashboard, tap the **Menu** icon.

## Change User

Tap the **Change User** link.

## View Login Page

Previous logins appear in the user list. Tap the user profile you want to open [1]. To remove a profile, tap the **Remove** icon [2].

To add an account, [log in to Canvas](#) [3].

## How do I log out of the Canvas Parent app on my iOS device?

You can easily log out of Canvas Parent when you are finished using the app.

### Open User Menu

To open the User Menu, tap the **Menu** icon.

## Log Out

Tap the **Log Out** link.

## App Features

## How do I link additional students to my account in the Canvas Parent app on my iOS device?

You can link your Canvas account to additional student accounts from the Canvas Parent app. To link your account, you will need a student pairing code provided by your student, their instructor, or an admin from your student's institution.

This lesson displays how to link to a student from the Student Selector and from the User Menu.

Learn more about [pairing codes](#).

### Link from Student Selector

To link a student from the Student Selector, tap the **Student Selector** [1]. Then tap the **Add Student** icon [2].

## Link from User Menu

A screenshot of the Canvas User Menu. At the top, there is a blue header with a red-bordered menu icon on the left, a circular profile picture of a person with blonde hair in the center, and the name "Bruce Jones" with a dropdown arrow on the right. Below the header, the course "Basic Written Communications" is listed, followed by the course code "BWC100" and the grade "96.79%".

To link a student from the User Menu, tap the **Menu** icon.

## Manage Students

A screenshot of the Canvas Manage Students menu. At the top, there is a profile picture of a woman and the name "Carol Jones" with the email "carolinejones@instructure.com" below it. Below the profile, there is a list of menu items: "Inbox" (with a red notification badge showing "2"), "Manage Students" (which is highlighted with a red border), "Settings", "Help", "Change User", and "Log Out".

Tap the **Manage Students** link.

## Add Student

To link a student to your account, tap the **Add Student** link.

## Select Pairing Option

Select a pairing option. You can select a **QR code** [1] or **Pairing Code** [2].

## Scan QR Code

Scan the pairing QR code generated by your student in the Canvas Student app.

## Enter Pairing Code

Enter the student pairing code into the **Pairing Code** field [1]. Then tap the **Add** button [2].

## View Managed Students

View a list of your managed students on the **Manage Students** page [1]. To manage a student, tap a student's name [2].

## How do I view the calendar of events and assignments for a student in the Canvas Parent app on my iOS device?

The Calendar page displays a calendar of assignments and events for the student(s) you are observing.

### Open Calendar

The screenshot shows the Canvas Parent app's Dashboard. At the top, there is a purple header bar with a profile picture of a student named "Emily Boone" and a "2" notification badge. Below the header, the student's name "Emily Boone" is displayed with a dropdown arrow. The main content area lists various courses with their respective course numbers and names, and some show "No Grade". The courses listed are: "Basic Written Communications BWC100 No Grade", "Basic Written Communications 24-25 BWC100 A", "Biology 101 BIO101 No Grade", "Biology 101 24-25 BIO101 No Grade", "Biology 201 - Intermediate Biology Bio201 No Grade", "History 101 HIST101 No Grade", "History 101 24-25 HIST101 B", and "Introduction to Foods FOOD101". At the bottom of the screen, there are three navigation icons: "Courses" (blue square), "Calendar" (red square with a red border, indicating it is selected), and "Alerts" (grey square). The "Calendar" icon is highlighted with a red box.

On the Dashboard, tap the **Calendar** icon.

## How do I create a reminder for an assignment or event in the Canvas Parent app on my iOS device?

You can set reminders through the Courses page or the Calendar page. You can choose the date and time that you would like to receive the reminder. Reminders are sent as push notifications to your device.

### View Courses

Course Name	Code	Grade
Basic Written Communications	BWC100	96.79%
Basic Written Communications	BWC100	82.35%
Biology 101	BIO101	B 85.94%
History 101	HIST101	A 93.33%
Introduction to Foods	FOOD101	50%
Introduction to the Solar System	SCI115	A- 93.94%

To set a reminder via Courses, tap the name of a course.

## View Calendar

The screenshot shows the Canvas Parent iOS application interface. At the top, there is a blue header bar with a profile picture of a person with blonde hair, the name "Bruce Jones", and a dropdown arrow. Below the header, there is a list of courses:

- Basic Written Communications  
BWC100  
96.79%
- Basic Written Communications  
BWC100  
82.35%
- Biology 101  
BIO101  
B 85.94%
- History 101  
HIST101  
A 93.33%
- Introduction to Foods  
FOOD101  
50%
- Introduction to the Solar System  
SCI115  
A- 93.94%

At the bottom of the screen, there are three navigation icons: "Courses" (blue icon), "Calendar" (red icon with a red box around it), and "Alerts" (bell icon with a red notification badge showing the number 36).

To set a reminder via the calendar, tap the **Calendar** icon.

## Open Assignment or Event

2025

September

Sun Mon Tue Wed Thu Fri Sat

21 22 23 24 25 26 27

**Essay #3: Saturn**  
Sep 25, 2025 at 12:59 PM | 60 points

**Writing Skills**  
Sep 25, 2025 at 2:59 PM | 25 points

Tap the name of an event or assignment.

## Set Reminder

The screenshot shows a reminder card for an assignment titled "Essay #3: Saturn". The card includes the assignment title, points (60 pts), and status (Not Submitted). It features a "Submission & Rubric" button, a due date (Sep 25, 2025 at 12:59PM), and a "Remind Me" section with a toggle switch. The switch is highlighted with a red box. Below the switch is a "Description" section with an image of Saturn and a "Background" section with a blue circular icon.

Tap the **Set a date and time to be notified of this event** button.

## Open Date and Time

Remind Me  
Set a date and time to be notified of this event.   
Sep 24, 2025 at 12:59 PM

Description

Background: 

Tap the **date and time** link.

## Set Date and Time

Set the date and time that you would like to receive the reminder [1]. Tap the **Done** link [2].

## Close Assignment or Event

The screenshot shows the assignment detail screen for 'Essay #3: Saturn'. At the top, there is a back link [2] and the assignment title 'Introduction to the Solar System'. Below the title, the assignment details are listed: 'Essay #3: Saturn', '60 pts', and 'Not Submitted'. A 'Submission & Rubric' button is present. The 'Due' date is listed as 'Sep 25, 2025 at 12:59 PM'. A 'Remind Me' section allows setting a reminder date, with 'Sep 24, 2025 at 12:59 PM' highlighted [1]. A 'Description' section contains an image of the planet Saturn with its rings. A 'Background:' button is located at the bottom right.

View your reminder [1].

To close the assignment or event, tap the **Back** link [2].

## How do I set alerts for a student in the Canvas Parent app on my iOS device?

The User Menu allows you to manage alerts for students linked to your observer account. You can [view your alerts](#) on the Alerts page.

### Open User Menu

Tap the **Menu** icon.

## Manage Students

To manage students, tap the **Manage Students** link.

## Open Student

To manage a student, tap a student's name.

## Set Alerts

To enable a toggle alert [1], tap the toggle so it shifts to the right.

You can also be notified of alerts when an assignment is above or below a certain percentage. To enter the percentage, tap the numbers next to the assignment criteria [2].

## Enter Percentage Alert

To enter a percentage alert, tap the numbers on the keypad [1]. To delete a digit, tap the **Delete** icon [2]. If necessary, you can disable the alert at a later time by re-opening the alert and clearing the percentage.

## How do I view alerts in the Canvas Parent app on my iOS device?

The Alerts page displays assignment and grade alerts for the student(s) you are observing. You can [set alerts](#) about a student's coursework from the User Menu.

### Open Alerts

In the Dashboard, tap the **Alerts** icon.

## View Alerts

View alerts for the student you are observing. To mark an alert as read, tap the alert [1]. A blue dot on an alert means it is unread [2]. To remove an alert, swipe the alert to the left and tap the **Dismiss** button [3].

## How do I set my theme in the Parent App on my iOS device?

In Settings, parents can choose between three app theme options: System Settings, Light, or Dark Mode.

### Open User Menu

In the Dashboard, tap the **Menu** icon.

## Open Settings

Tap the **Settings** link.

## Open Appearance Options

Tap the **Appearance** link.

## Select a Theme

In the Appearance menu, tap the name of your preferred theme.

## Course Features

## How do I view courses for a student in the Canvas Parent app on my iOS device?

The Courses page displays the current courses for the student(s) you are observing.

### Notes:

- When the course grade is set to display as a letter grade and quantitative data is allowed, the grade percentage also displays.
- If restricted by your student's instructor, you may only have the ability to view qualitative data, such as letter grades and grading comments.

## View Courses

The screenshot shows the Canvas Parent app's Dashboard. At the top, there is a blue header bar with a profile picture of a man and the name "Bruce Jones". Below the header, a list of courses is displayed for the student "Bruce Jones". Each course entry includes the course name, code, and grade. The courses listed are: Basic Written Communications (BWC100, No Grade), Basic Written Communications 24-25 (BWC100, A), Biology 101 (BIO101, No Grade), Biology 101 24-25 (BIO101, No Grade), History 101 (HIST101, No Grade), History 101 24-25 (HIST101, A), Introduction to Foods (FOOD101, No Grade), and Introduction to Foods 24-25 (FOOD101, No Grade). At the bottom of the screen, there is a navigation bar with three icons: "Courses" (highlighted with a red box), "Calendar", and "Alerts" (with a red "12" notification badge).

By default, the Dashboard displays the courses list for the student you are viewing.

## View Course

The screenshot shows the 'Basic Written Communications 24-25' course page. At the top, there are three tabs: 'Grades' (selected), 'Syllabus', and 'Summary'. The 'Grades' section displays the student's total grade as 'A'. Below this, a dropdown menu is set to 'Based on graded assignments'. The 'Overdue Assignments' section is highlighted with a red box and labeled [2]. It lists the following assignments:

Assignment	Due Date	Grade
Introduce Yourself!	Aug 28, 2024	A
Quiz #1	Aug 28, 2024	B+
Introduce Yourself!	Aug 28, 2024	Missing
Welcome to the class! Please read and respond	Aug 29, 2024	A
Welcome to the class! Please read and respond	Aug 29, 2024	Missing
Grammar Pet Peeves	Sept 5, 2024	A

The course page displays the student's course grade [1], as well as a list of all assignments in the course [2].

## View Assignments List

The screenshot shows the 'Basic Written Communications 24-25' course page. At the top, there are three tabs: 'Grades' (selected), 'Syllabus', and 'Summary'. Below the tabs, the 'Total' grade is shown as 'A' with a downward arrow. A dropdown menu is open, showing 'Based on graded assignments' and 'Overdue Assignments'. The 'Overdue Assignments' section lists three assignments:

- 1. **Introduce Yourself!** (Due Aug 28, 2024 at 12:59 PM) - Score: A (Grade icon), Status: Graded (Green checkmark), Score: 2 (circled with a red arrow).
- 2. **Quiz #1** (Due Aug 28, 2024 at 12:59 PM) - Score: B+ (Grade icon), Status: Graded (Green checkmark), Score: 3 (circled with a red box).
- 3. **Introduce Yourself!** (Due Aug 28, 2024 at 12:59 PM) - Status: Missing (Red question mark icon), Score: 4 (circled with a red box).

Below these, two assignments are listed in a red-bordered box:

- 4. **Welcome to the class! Please read and respond** (Due Aug 29, 2024 at 12:59 PM) - Score: A (Grade icon), Status: Graded (Green checkmark).
- 5. **Welcome to the class! Please read and respond** (Due Aug 29, 2024 at 12:59 PM) - Status: Missing (Red question mark icon), Score: 5 (circled with a red box).

At the bottom, there is one more assignment:

- 6. **Grammar Pet Peeves** (Due Sep 5, 2024 at 12:59 PM) - Score: A (Grade icon).

Each assignment displays an assignment-type icon [1]. You can also view the assignment name [2], due date [3], submission status [4], and your student's assignment score [5].

To view the [details of an individual assignment](#), tap the assignment name [6].

## How do I view a course front page for a student in the Parent app on my iOS device?

You can view a course front page for the student(s) you are observing in the Parent app.

**Note:** A course front page will only display if a front page is selected as the course homepage in Canvas.

### View Courses

The screenshot shows the Canvas Parent app interface. At the top, there is a blue header bar with a profile picture of a man (Bruce Jones) and a dropdown arrow. Below the header, the main content area displays a list of courses for Bruce Jones. Each course entry includes the course name, code, and grade. The courses listed are:

- Basic Written Communications

To view course information, tap the name of a course.

## View Course Front Page

To view the course front page, tap the **Front Page** tab [1].

To open linked content, tap the linked item [2].

**Note:** The Front Page tab will only display if a front page is selected as the course homepage in Canvas.

## View Front Page Links

Opened links will display in a preview window of Canvas web.

To return to the Parent app, tap the **Done** link.

## How do I send a message to an instructor from the course page in the Canvas Parent app on my iOS device?

You can send a message to your student's Canvas instructor from the course page using your mobile device. You can also send a message to your student's Canvas instructor from an [assignment page](#) and your [Canvas Inbox](#).

This lesson shows images for a phone display; however, unless otherwise noted, the steps are the same for tablets.

### Open Course

A screenshot of the Canvas Parent app interface on an iOS device. The top navigation bar is blue with the user's name, "Bruce Jones", and a profile picture. Below the navigation bar is a list of courses. The course "Basic Written Communications 24-25" is highlighted with a red box. The other courses listed are: Basic Written Communications, Biology 101, Biology 101 24-25, History 101, History 101 24-25, Introduction to Foods, and Introduction to Foods 24-25. At the bottom of the screen are three navigation icons: "Courses" (a book icon), "Calendar" (a calendar icon), and "Alerts" (a bell icon with a red notification count of 12).

Course	Section	Grade
Basic Written Communications	BWC100	No Grade
Basic Written Communications 24-25	BWC100	A
Biology 101	BIO101	No Grade
Biology 101 24-25	BIO101	No Grade

To open a course, tap the course name.

## Open Message

The screenshot shows the 'Basic Written Communications 24-25' course page in the Canvas mobile app. The 'Grades' tab is selected. At the top, it shows a total grade of 'A' with a downward arrow icon. Below that, a toggle switch is set to 'Based on graded assignments'. The 'Overdue Assignments' section is collapsed. The list of assignments includes:

- Introduce Yourself!** Due Aug 28, 2024 at 12:59 PM A Graded
- Quiz #1** Due Aug 28, 2024 at 12:59 PM B+ Graded
- Introduce Yourself!** Due Aug 28, 2024 at 12:59 PM - Missing
- Welcome to the class! Please read and respond** Due Aug 29, 2024 at 12:59 PM A Graded
- Welcome to the class! Please read and respond** Due Aug 29, 2024 at 12:59 PM - Missing
- Grammar Pet Peeves** Due Sep 5, 2024 at 12:59 PM A 

To send a message to the course instructor, tap the **Message** icon.

## Compose New Message

The course instructor's name automatically displays in the **To** field [1]. If the course has multiple instructors or TAs, you can add or remove recipient(s) by tapping the **Add Recipients** icon [2].

The subject of the message displays automatically. However, you can edit the subject content by tapping the **Subject** field [3].

To send the message to every recipient individually, tap the **Send individual message to each recipient** toggle on [4].

To compose your message, tap the **Message** field [5]. Use the keyboard to type your message.

To attach a file to your message, tap the **Attach** icon [6].

## Send Message

To send your message, tap the **Send** link [1].

To discard your message draft, tap the **Cancel** link [2].

## How do I view details for an assignment in the Canvas Parent app on my iOS device?

You can view details for your students' assignments from the Grades page or by viewing an individual assignment.

This lesson displays how to view assignment details from the Courses page. You can also open an assignment from the Calendar.

**Note:** You cannot view your student's quizzes in the Canvas Parent app.

### Open Course

The Parent app opens to the Courses page [1], where you can view all the current courses your student is enrolled in. To change the student you are viewing, tap the **Student Selector** [2].

To view a course, tap the name of the course [3].

To view course information, tap the name of a course.

## View Syllabus

The screenshot shows a mobile view of a course syllabus. At the top, there is a back arrow and the course title 'Basic Written Communications 24-25'. Below the title are three tabs: 'Grades', 'Syllabus' (which is highlighted with a red box), and 'Summary'. The main content area contains the following text:

Hello students! Thanks for signing up for Basic Written Communications 101. We are going to have a lot of fun in this course. If you are not having fun, please contact me and we'll figure out together how you can have a better experience in this course...

**Contact Information**

Email: canvasinstructor@gmail.com  
Phone: 801-990-0000 (please don't call before 9 am MT or after 6 pm MT)

**Policies**

Be good, do your own work and turn it in on time, participate in discussions, work hard, and have fun.

To view the course syllabus, tap the **Syllabus** tab.

**Note:** The Syllabus tab will only display if the course has a populated Syllabus page in Canvas.

Easy Quiz #1	Sep 19, 2024 at 12:59 PM

To view a summary of the course's assignments and events, tap the **Summary** tab [1].

To view the details for the assignment or event, tap the title of the item [2].

**Note:** If your instructor hides the course summary in the browser version of your course, it will be hidden in the Parent app.

## Admin Features

## How do I act as a user in the Parent app on my iOS device as an admin?

If you are an admin, you can act as a user in the Parent app and take any action in the app as if you were the observer. Only account-level users with the Act as users account permission can act as other users. This permission does not apply to sub-account admins.

### Open User Menu

To open the Act as User menu, tap the **Menu** icon.

## Open Act as User Menu

To open the Act as User menu, tap the **Act as User** link.

## Act as User

In the **User ID** field [1], enter the Canvas ID for the user. The domain will already be populated for you [2]. Then tap the **Act as User** button [3].

**Note:** The user's Canvas ID can be found as part of the user's URL in the web version of Canvas. Make sure you have the user's ID associated with the correct Canvas URL.

## View App as User

View the Parent app as the user. A colored border [1] and the user's **Profile** icon displays on every page while you are acting as the user [2].

## Stop Acting as User

To stop acting as user, tap the user's **Profile** icon.

## Return to Account

To confirm and return to your account, tap the **OK** button.
