## General Information

## How do I download the Canvas Canvas app on my Android device?

Download the Canvas app on your Android device for easier accessibility to course content.

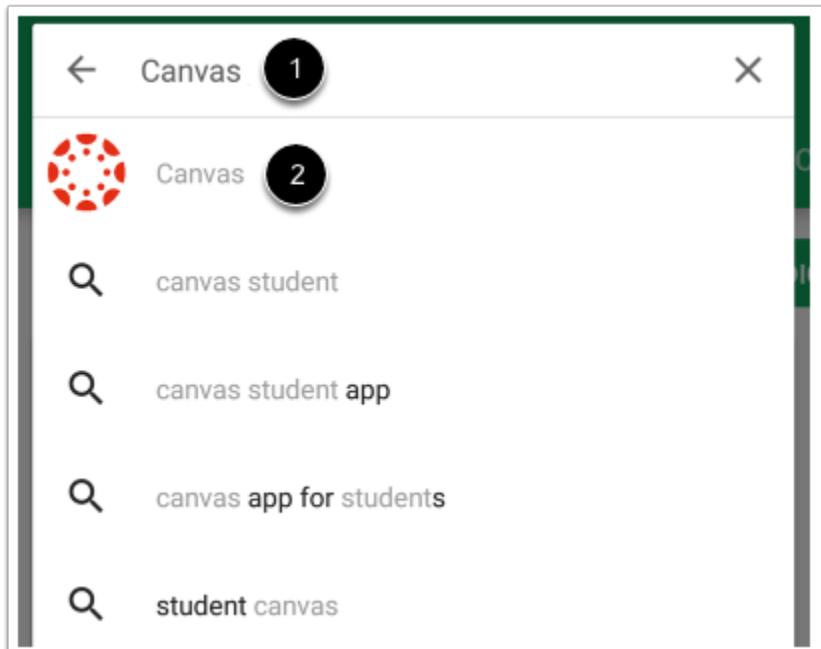

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open App Store

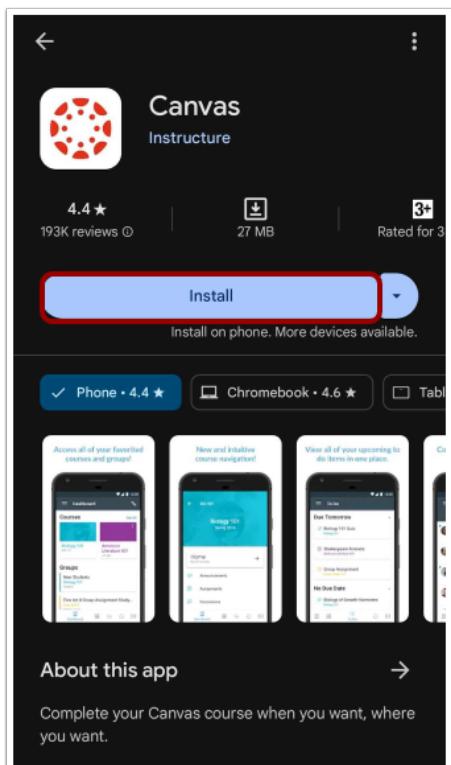

Open your Android device and tap the **Play Store** icon.

### Search for App

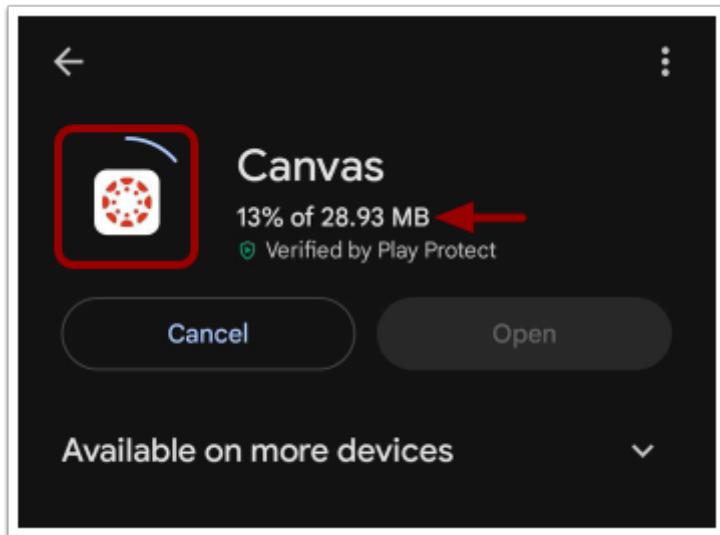

In the search field, type Canvas [1]. Tap the full name when it appears [2].

## Install App

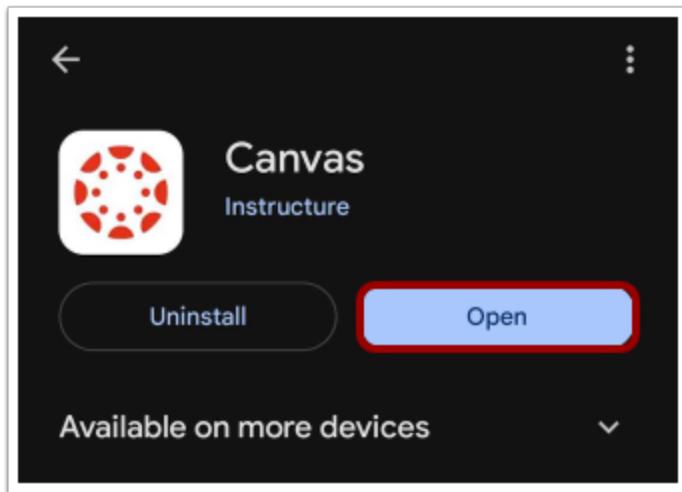

Tap the **Install** button.

## Download App

View the app download and install progress.

## Open App

When the app has downloaded and installed onto your device, you can access the app immediately by tapping the **Open** button.

## View App on Android Home Screen

You can also open the app on your Android home screen by tapping the **Canvas** icon.

## How do I log in to the Canvas app with a Canvas URL on my Android device?

Once you [download the Canvas app](#) from the Play store, you can use the app to log in to your Canvas account.

You can enter your institution's name into the app to locate your account. If the app cannot find your institution by name, you can enter your institution's Canvas URL into the app. If you don't know your Canvas URL, you can [log in using a QR code](#), which does not require knowing your Canvas URL for the mobile app.

If you have multiple accounts and do not want to log in to the app every time, you can [switch to another user account](#).

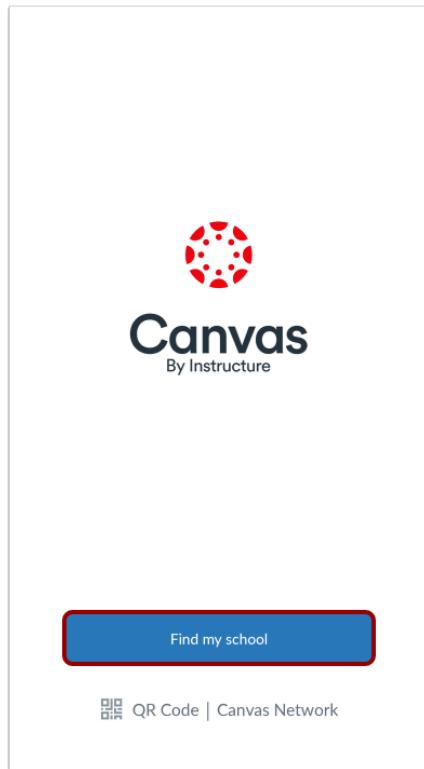

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Canvas App

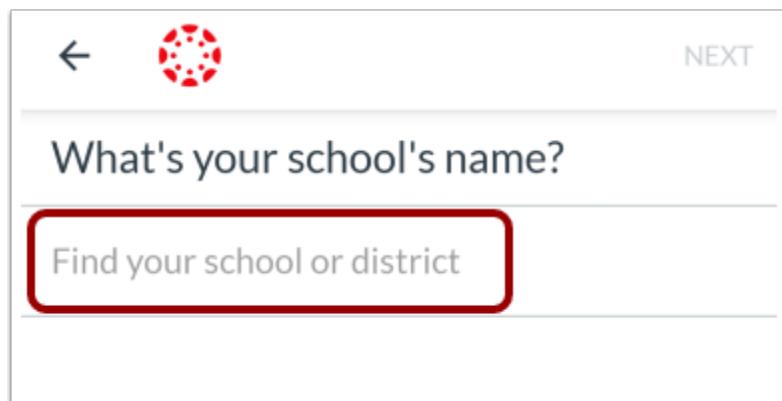

Open your Android device and tap the **Canvas** icon.

## Find Institution

Tap the **Find my school** button.

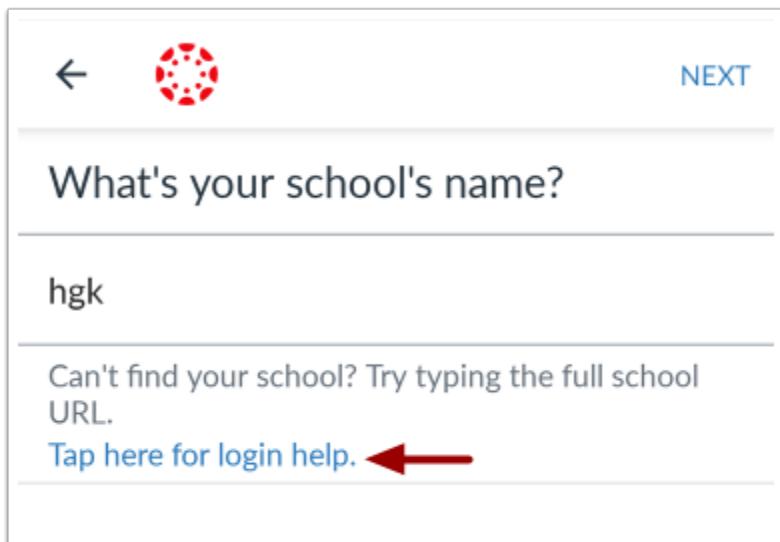

## Search for Institution Name

Enter the name of your institution or school district. If the full name appears in the search list, tap the name.

**Notes:**

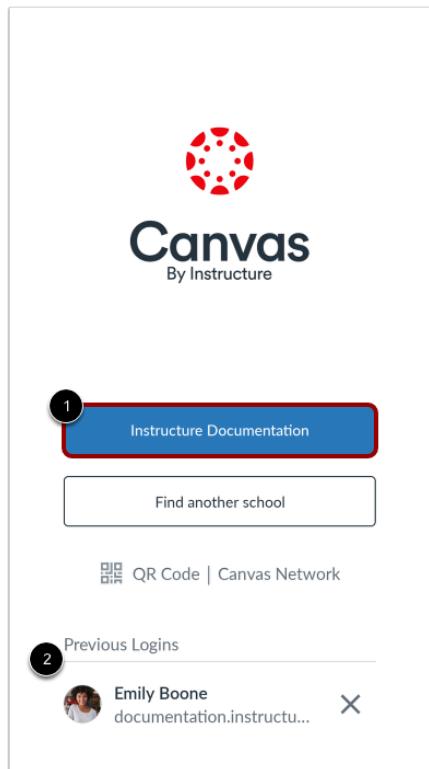

- If you are an admin and your school does not appear in the search list, please contact your CSM about mobile smart search.
- To log in to a Free For Teacher account, enter any of the following in the search field:
  - Free Canvas Accounts
  - [canvas.instructure.com](https://canvas.instructure.com)

**Enter Canvas URL**

If the name of your institution does not appear in the search list, you may need to locate your Canvas account by entering the full Canvas URL in the *Find your school or district* text field.

If you don't know your Canvas URL, tap the **Tap here for login help** link. Or you can [log in using a QR code](#), which does not require knowing your Canvas URL.

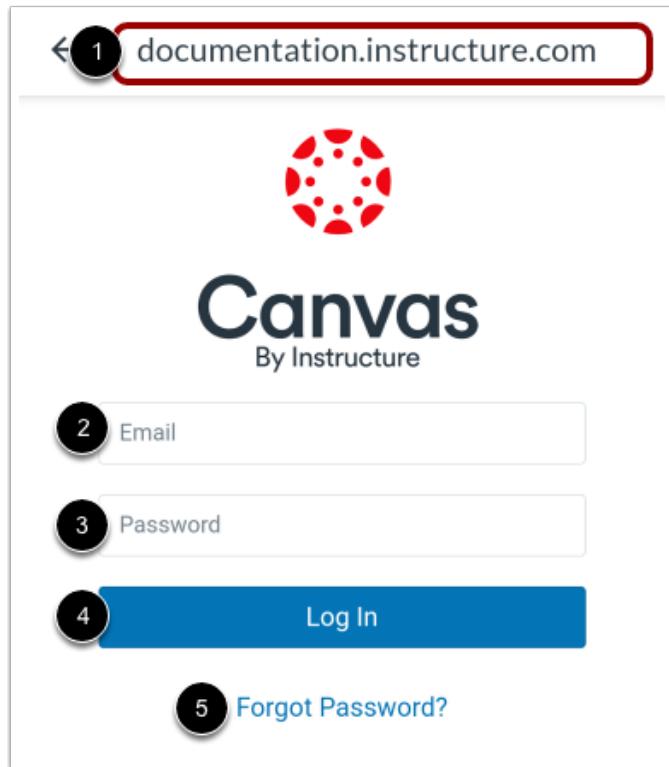

## View Previous Canvas URL

If you previously logged into the app, your Canvas URL displays. To log in again, tap the **Canvas URL** button [1].

If you previously changed users in the app, to log in again, you can tap the user's account [2].

## Enter Login Credentials

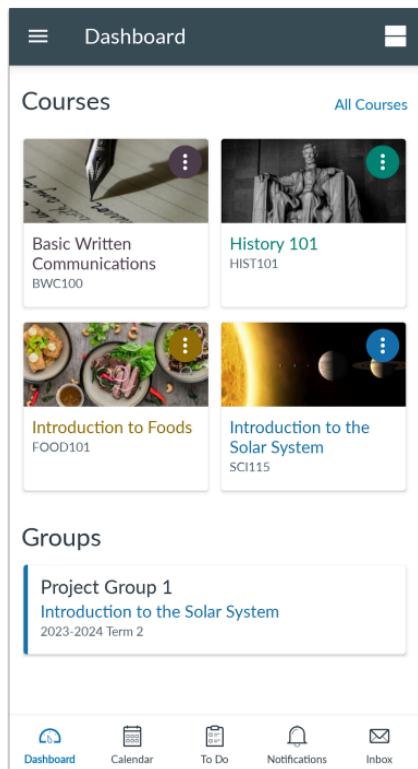

After you've located an account, you can view the Canvas URL at the top of the screen [1]. Enter your email [2] and password [3]. Tap the **Log In** button [4].

If you don't know your password, tap the **Forgot Password?** link [5].

### Notes:

- The Canvas email field credential varies according to institution. Some institutions may require a username or account number.
- If your Canvas mobile login page does not show the reset password option, contact your institution if you need to reset your password.
- If your institution requires you to log in to Canvas using their authentication system, you will be redirected to your institution's login page.

## View Dashboard

The screenshot shows the Canvas Android Dashboard. At the top, there is a header with a menu icon, the word "Dashboard", and a settings icon. Below the header, the "Courses" section displays four course cards. Each card includes a thumbnail image, the course name, and the code. The courses are: "Basic Written Communications" (BWC100), "History 101" (HIST101), "Introduction to Foods" (FOOD101), and "Introduction to the Solar System" (SCI115). Each card also has a three-dot menu icon. To the right of the courses, there is a link to "All Courses". Below the courses, the "Groups" section shows a single group card for "Project Group 1" with the subtitle "Introduction to the Solar System" and the text "2023-2024 Term 2". At the bottom of the dashboard, there is a navigation bar with icons for Dashboard, Calendar, To Do, Notifications, and Inbox. The "Dashboard" icon is highlighted with a blue border.

View the dashboard for your user account.

For more information, refer to the guide on [how to use the Canvas app](#).

## How do I log in to the Canvas app with a QR code on my Android device?

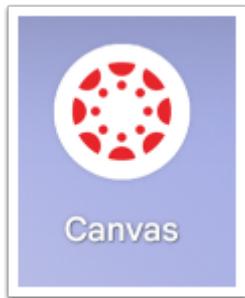

Once you [download the Canvas app](#) from the Play Store, you can use the app to log in to your Canvas account.

You can [generate a unique QR](#) code from your Canvas web browser to quickly log into the app. This method uses your credentials from the QR code to log you into the app. The QR code is located in your account profile (User Navigation Menu).

If you do not want to locate your Canvas URL every time you log in to Canvas, you can [switch to another user account](#).

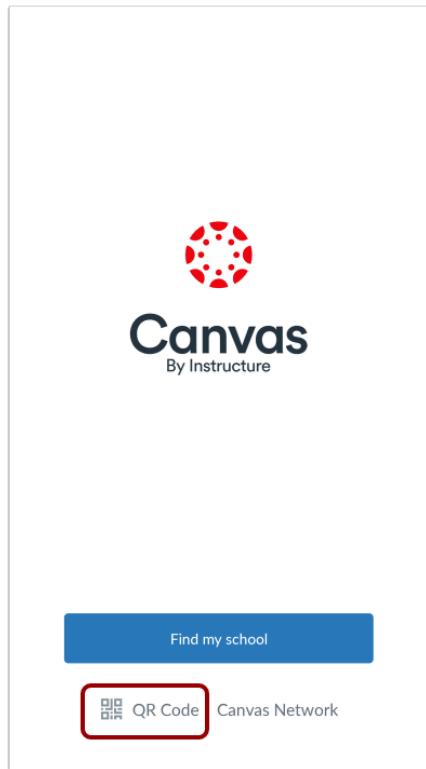

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Canvas App

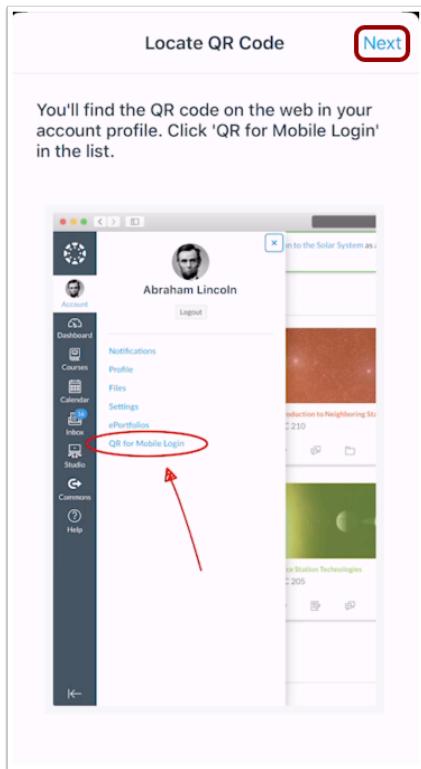

Open your Android device and tap the **Canvas** icon.

## Open QR Code

Tap the **QR Code** link.

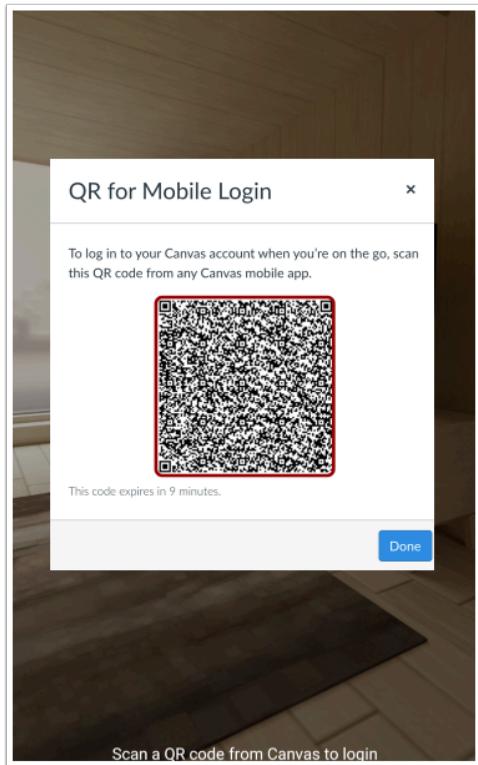

## View Instructions

Review the instructions for locating the QR code in the web version of Canvas. You can view the QR code in your account profile (User Navigation Menu).

When you have located the QR code, click the **Next** link.

## Scan QR Code

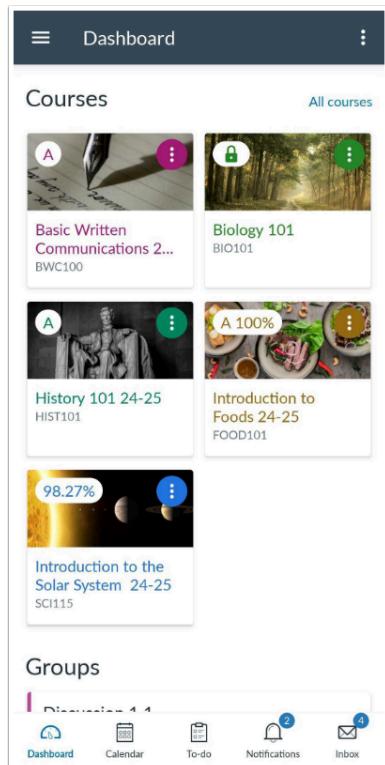

Hold your phone up to your computer screen to scan the QR code. Once the code is located, the app will update automatically.

**Notes:**

- You may have to grant permission for your phone to use your camera.
- The app may take a few minutes to log you in.

## View Dashboard

The screenshot shows the Canvas mobile app dashboard. At the top, there's a header with a menu icon, the word "Dashboard", and a more options icon. Below the header is a "Courses" section with a "All courses" link. It displays four course cards:

- Basic Written Communications 2...** (BWC100): An image of a pen writing on paper, with a red "A" grade icon and a green "More options" icon.
- Biology 101** (BIO101): An image of a forest, with a green "B" grade icon and a green "More options" icon.
- History 101 24-25** (HIST101): An image of the Lincoln Memorial, with a red "A" grade icon and a green "More options" icon.
- Introduction to Foods 24-25** (FOOD101): An image of various foods, with a green "A 100%" grade icon and a green "More options" icon.

Below the courses is a "Groups" section with a "Discussion 4.4" link. At the bottom of the dashboard are navigation icons: Dashboard (blue square), Calendar (calendar icon), To-do (list icon), Notifications (bell icon with a "2" notification), and Inbox (envelope icon with a "4" notification).

View the dashboard for your user account.

For more information, refer to the guide on [how to use the Canvas app](#).

## How do I use the Canvas app on my Android device?

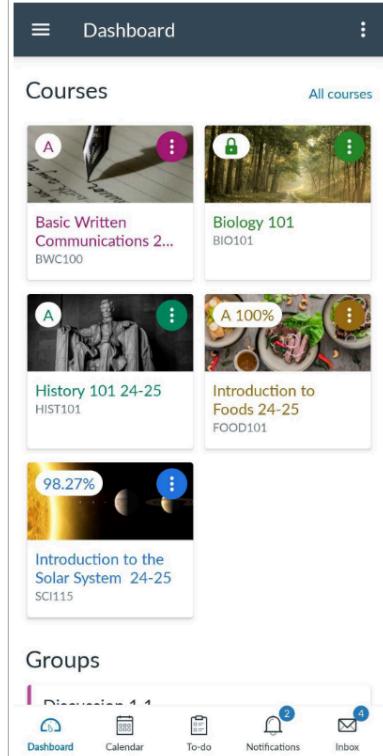

The Canvas app helps you access your courses and groups when you are away from a computer browser. The app provides functionality to view and participate in a course or group, as well as view your course calendars, To-Do items, notifications, Conversations messages, and grades.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

**Note:**

- Not all Canvas features are supported on the app at this time.
- The Canvas app uses your device's settings to set the time zone used within the app.
- To change the language displayed in the Canvas app, select a language in Canvas from a web browser, log out of the Canvas app, and log in again.

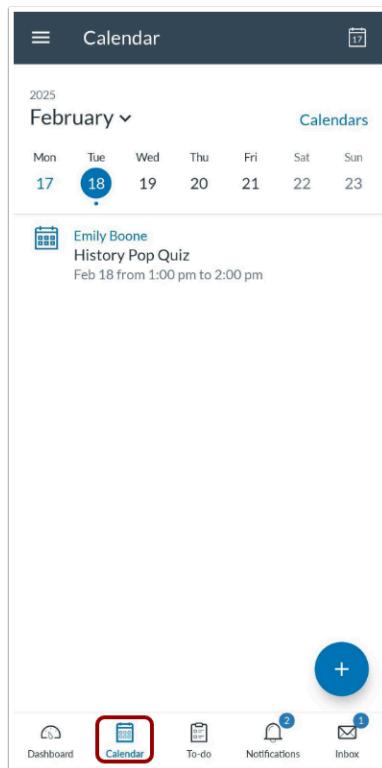

### View Dashboard

When you log in to the Canvas app, the default landing page is the Dashboard.

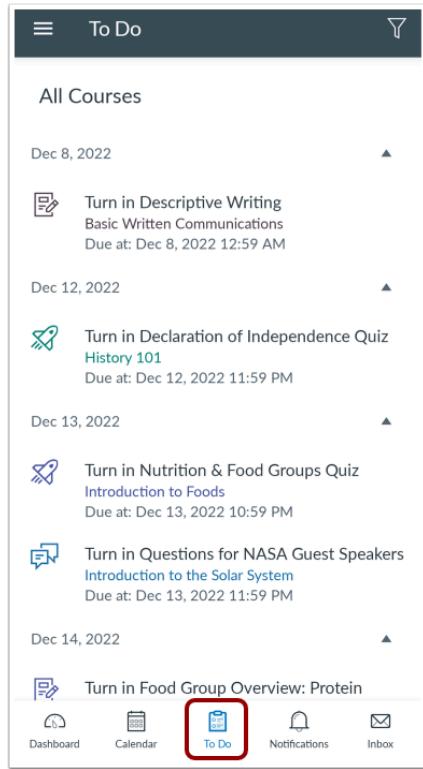

The Dashboard displays all your current courses and groups, including your favorite courses. The Dashboard can also display overall grades in each course. Learn how to [view your Dashboard](#).

## View Calendar

The Calendar displays events and assignments for your courses and groups. Learn how to [view the Calendar](#).

## View To Do List

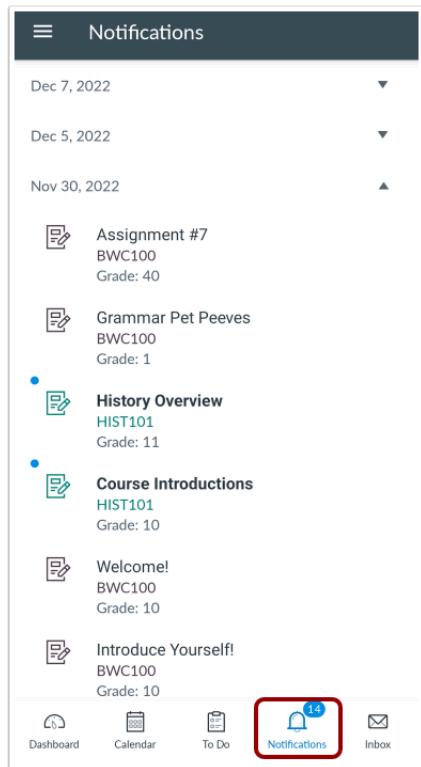

The screenshot shows the Canvas mobile application's To Do list. The top navigation bar has 'To Do' selected. The main content area is titled 'All Courses' and shows tasks grouped by due date. Each task includes an icon, the activity name, the course name, and the due date.

- Dec 8, 2022:
  - Turn in Descriptive Writing (Basic Written Communications) Due at: Dec 8, 2022 12:59 AM
- Dec 12, 2022:
  - Turn in Declaration of Independence Quiz (History 101) Due at: Dec 12, 2022 11:59 PM
- Dec 13, 2022:
  - Turn in Nutrition & Food Groups Quiz (Introduction to Foods) Due at: Dec 13, 2022 10:59 PM
  - Turn in Questions for NASA Guest Speakers (Introduction to the Solar System) Due at: Dec 13, 2022 11:59 PM
- Dec 14, 2022:
  - Turn in Food Group Overview: Protein

At the bottom, a navigation bar has icons for Dashboard, Calendar, To Do (which is highlighted with a red box), Notifications, and Inbox.

The To Do List gives a quick view of upcoming course activities that you have not completed. Learn how to [view the To Do List](#).

## View Notifications

The screenshot shows the 'Notifications' page in the Canvas mobile application. At the top, there is a header with the title 'Notifications'. Below the header, there is a date selector with three dropdown menus: 'Dec 7, 2022' (with a downward arrow), 'Dec 5, 2022' (with a downward arrow), and 'Nov 30, 2022' (with an upward arrow). The main content area displays a list of notifications, each with a small icon, the notification title, the course name, and the grade. The notifications are as follows:

- Assignment #7  
BWC100  
Grade: 40
- Grammar Pet Peeves  
BWC100  
Grade: 1
- History Overview  
HIST101  
Grade: 11
- Course Introductions  
HIST101  
Grade: 10
- Welcome!  
BWC100  
Grade: 10
- Introduce Yourself!  
BWC100  
Grade: 10

At the bottom of the list, there are five navigation icons: 'Dashboard', 'Calendar', 'To Do', 'Notifications' (which is highlighted with a red box and has a '14' badge), and 'Inbox'.

Notifications gives you an overview of all course notifications, such as changes to an assignment due date, newly created assignments, course announcements, or a reply to a subscribed discussion. You can also view specific notifications within each of your courses. Learn how to [view Notifications](#).

Dashboard Calendar To-do Notifications **Inbox**

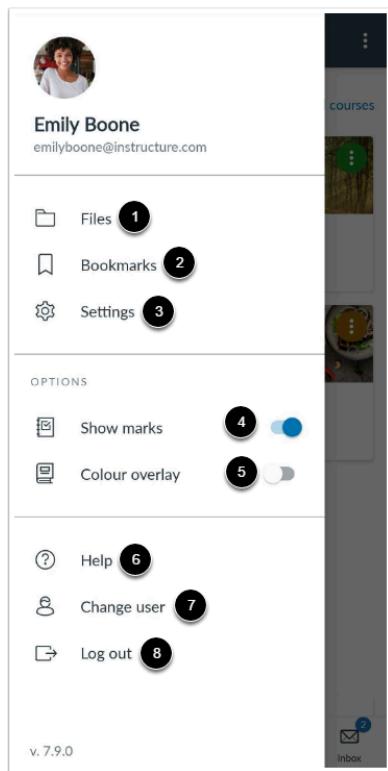

The Inbox displays all Conversations messages in the Canvas app. Learn how to [view the Inbox](#).

## Open User Menu

To open the User Menu, tap the **Menu** icon. You can open the menu by swiping from the left side of the screen.

## View User Menu

From the User Menu, you can:

- [Manage your personal files](#) [1]
- [View your bookmarks](#) [2]
- [Open app settings](#), including profile pictures (if supported) [3]
- Show or hide marks on the [Dashboard](#) [4]
- [Overlay a selected color in courses](#) over Dashboard course cards [5]
- [Get help with the Canvas app](#) [6]
- [Change user](#) [7]
- [Log out of the app](#) [8]

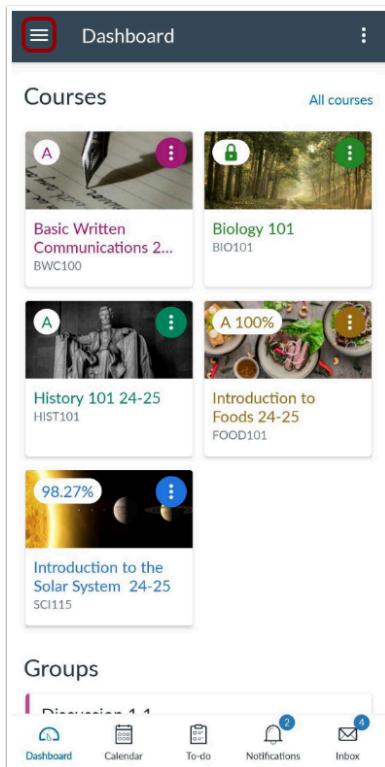

Your User Menu may display other LTI tools, such as Studio and Mastery, that you can access via a mobile browser.

## How do I get help with the Canvas app on my Android device?

From the Help Menu, you can get help with Canvas directly on your mobile device. Help Menu links may vary across institutions.

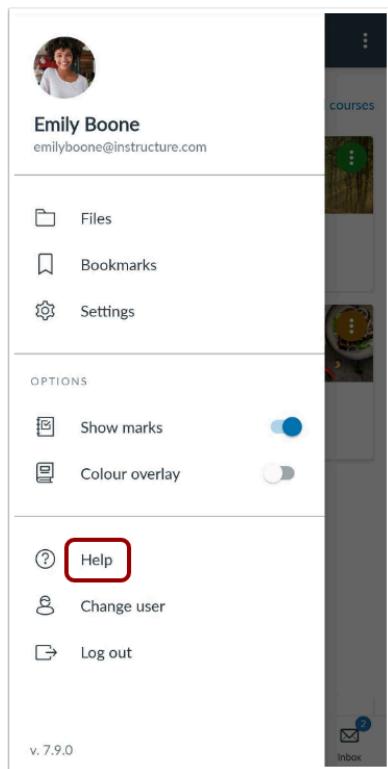

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open User Menu

In the Dashboard, tap the **User Menu** icon.

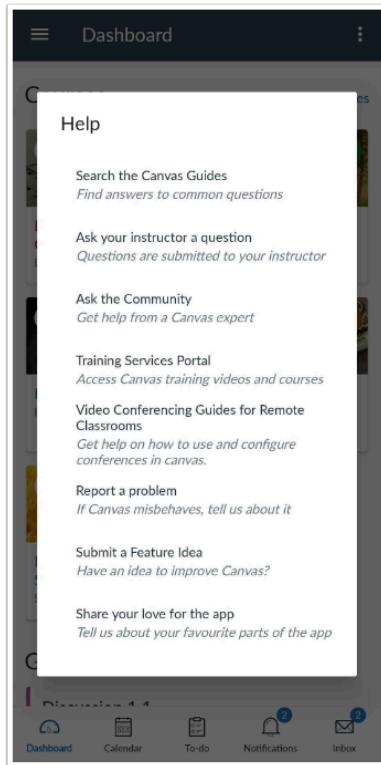

## Open Help

Tap the **Help** link.

**Note:** Depending on your institution, the Help link name and icon may vary.

## View Help Menu

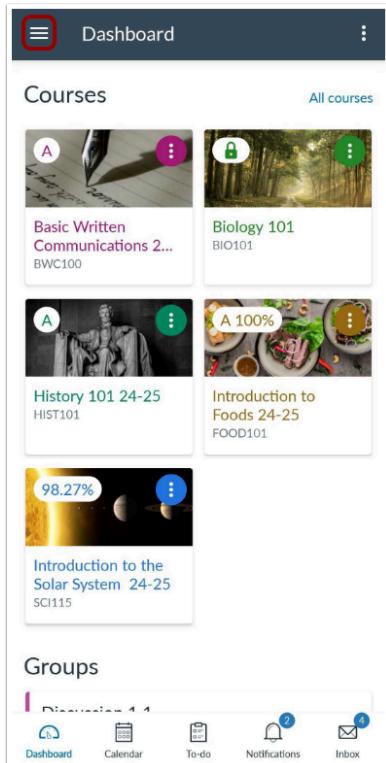

View the Help links provided to you. Available links may vary according to institution.

## How do I switch to another user account in the Canvas app on my Android device?

You can switch your profile to view another account on your app at any time.

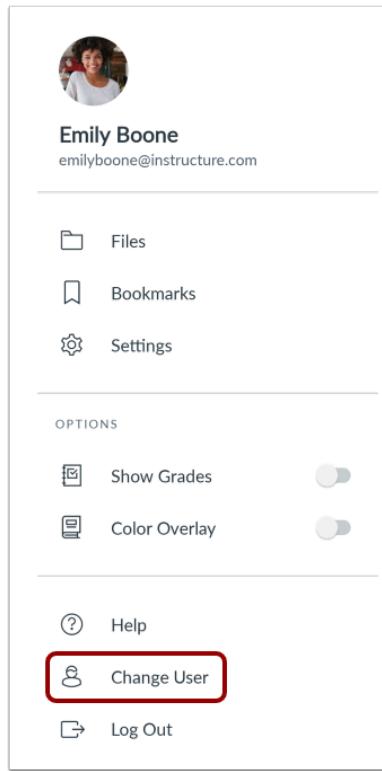

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open User Menu

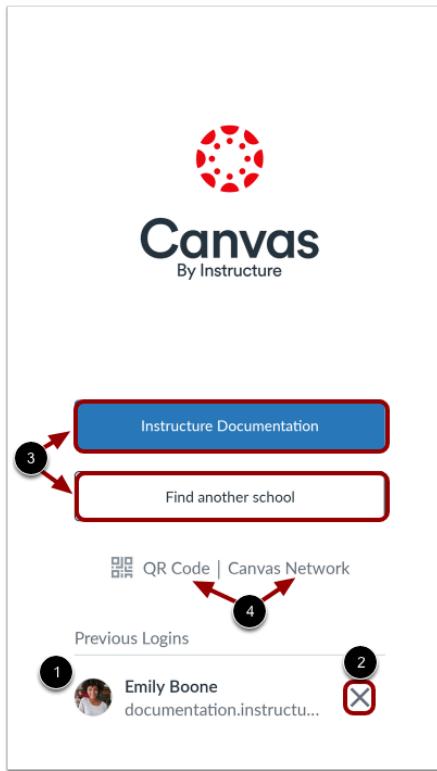

In the Dashboard, tap the **User Menu** icon.

## Change User

Tap the **Change User** link.

## View Login Page

Previous logins appear in the user list. Tap the user profile you want to open [1]. To remove a profile, tap the **Remove** icon [2].

To add an account, [log in to Canvas](#) [3].

To log in, you can scan your Canvas **QR Code** or sign into your **Canvas Network** account [4].

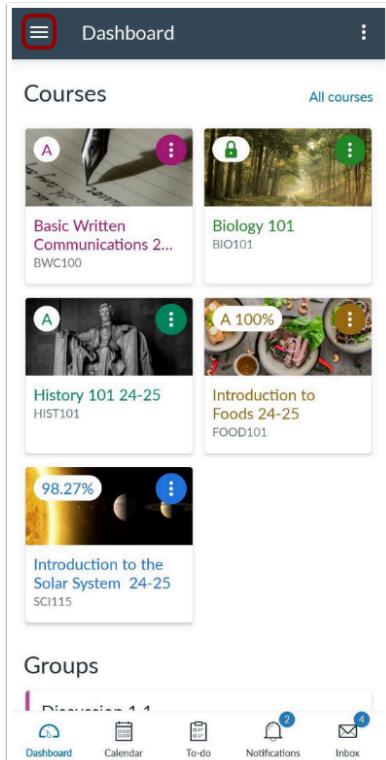

## How do I log out of the Canvas app on my Android device?

You can easily log out of Canvas when you are finished using the app.

You can also [switch users](#) in the Canvas app.

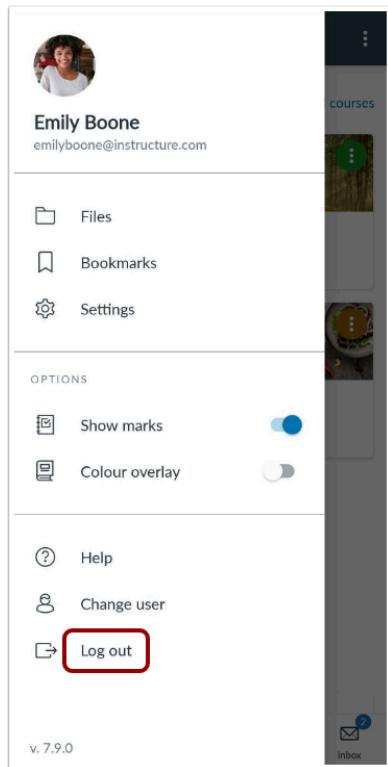

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open User Menu

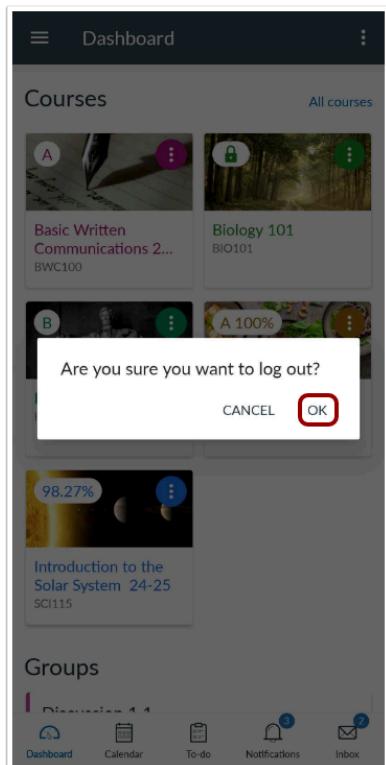

In the Dashboard, tap the **User Menu** icon.

## Log Out

Tap the **Log Out** link.

## Confirm Log Out

To confirm, tap the **OK** link.

## App Settings

## How do I view my user settings in the Student app on my Android device?

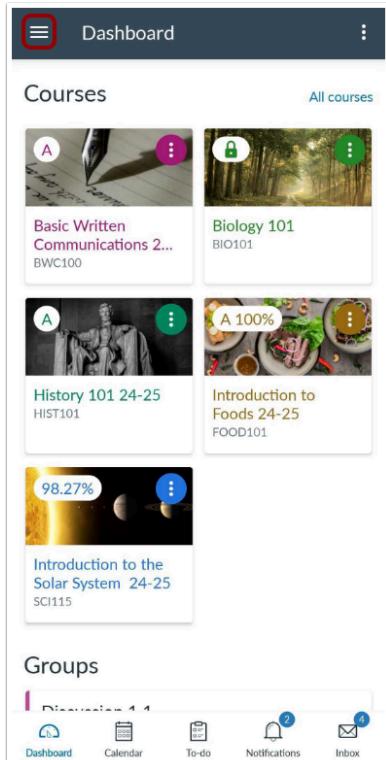

You can manage your personal settings in the Canvas Student app.

Language settings cannot be managed from the Canvas Student app. The app will display the language set from a user's account settings in Canvas. To change the language displayed in the Student app, select a language in Canvas from a web browser, log out of the Student app, and log in again. If that cannot be found, the app will display the device language.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

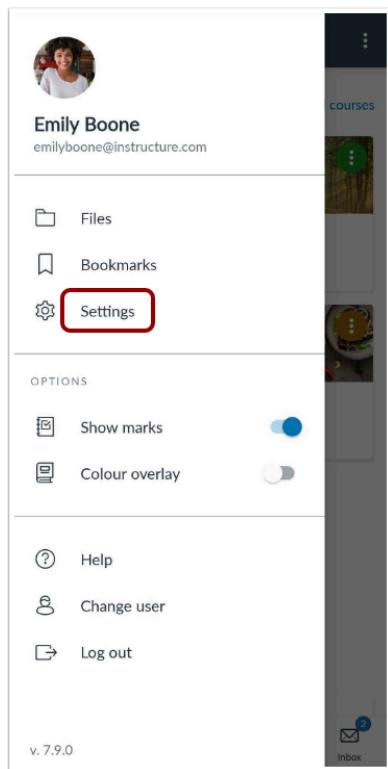

**Note:** General settings for the app, such as clearing the cache, can be managed in the Application manager within your Android device settings menu.

### Open User Menu

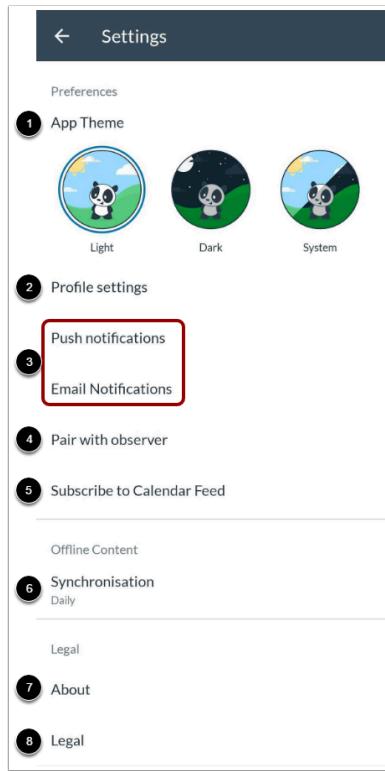

In the Dashboard, tap the **User Menu** icon.

## Open Settings

Tap the **Settings** link.

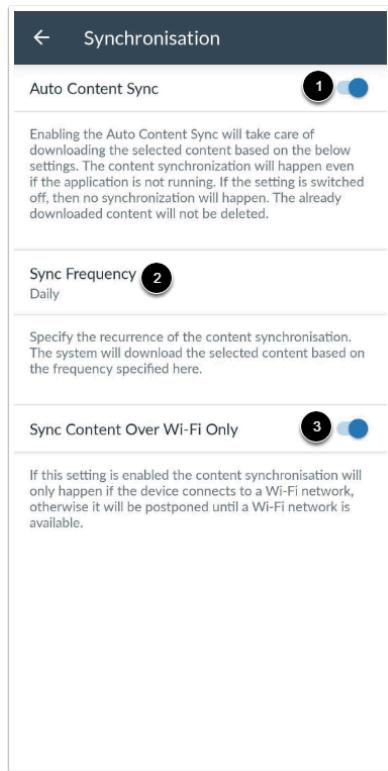

## View App Settings

You can change the following settings in the app:

- Set an [app theme](#) [1]
- Edit profile settings [2] ([user name](#), [profile picture](#), [panda avatar](#))
- Set available [Notification Preferences](#) for Push Notifications or Email Notifications in the app [3]
- Send a [pairing code](#) to an observer [4]
- [Subscribe to a calendar feed](#) [5]
- View offline course content synchronization (if enabled) [6]
- View details about the app [7]
- View legal information about the app [8]

## View Offline Course Content Synchronization Settings

To enable the automatic course content sync, tap the **Auto Content Sync** toggle [1].

Select the course content sync frequency. You can select daily or weekly by tapping the **Sync Frequency** menu [2].

To sync content over a Wi-Fi network, tap the **Sync Content Over Wi-Fi Only** toggle [3].

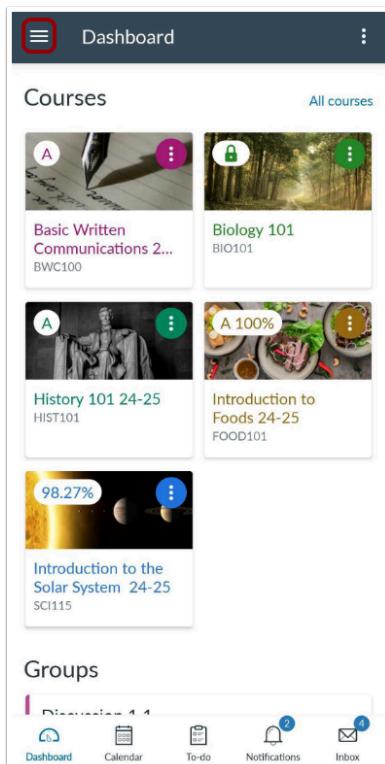

## How do I set Notification Preferences in the Canvas app on my Android device?

You can set notification preferences in the Canvas app to receive updates about your Canvas courses. Once notifications are selected, notifications are sent to you even if you have not opened the Canvas app. You can choose to set notifications for specific communication channels, or you can set notifications for all your available channels.

Communication channels in the Canvas app match the same notification options within your Notification Preferences in the browser version of Canvas. Any preferences updated in the app will be reflected in the browser version.

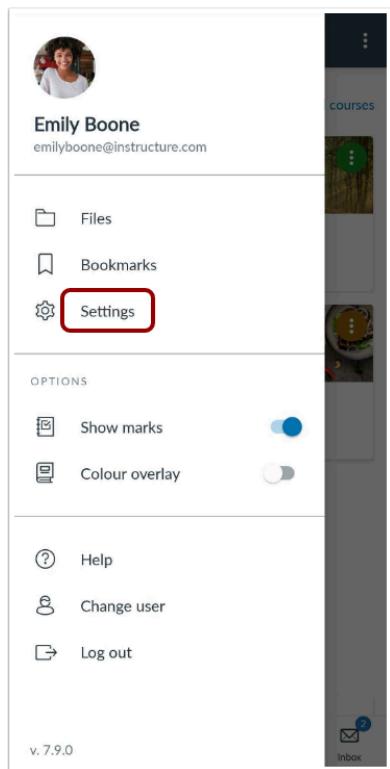

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open User Menu

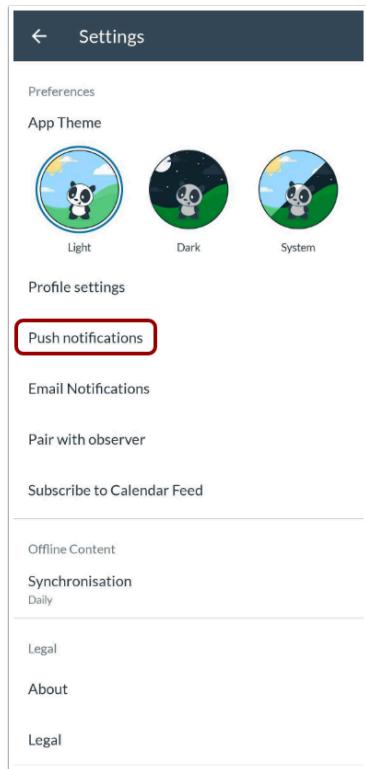

In the Dashboard, tap the **User Menu** icon.

## Open Settings

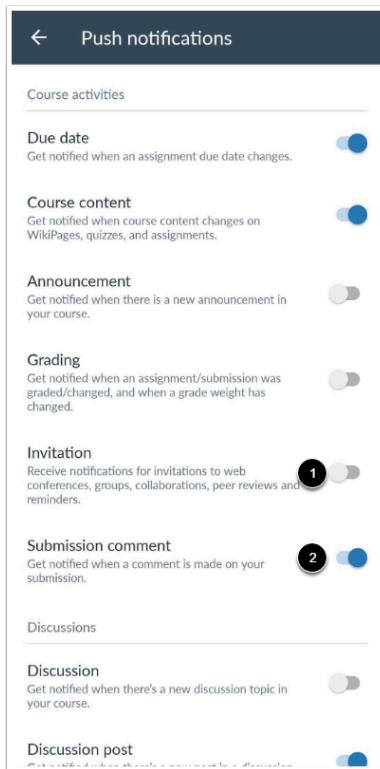

Tap the **Settings** link.

## Open Push Notifications

Tap the **Push Notifications** link.

## Set Push Notification Preferences

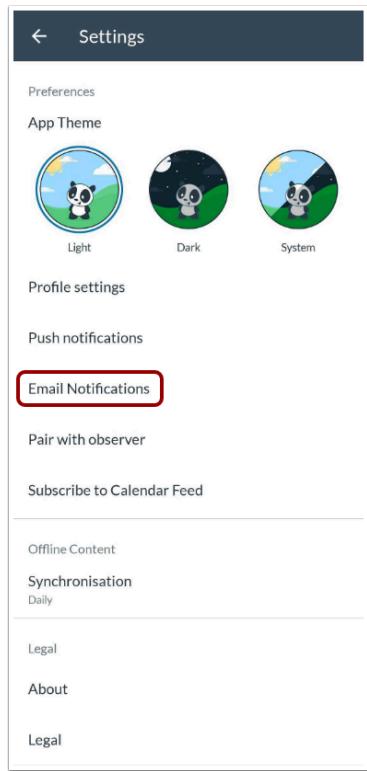

By default, communication notifications can either be on or off.

To disable a notification, tap the toggle to the left [1]. Disabled notifications are never sent.

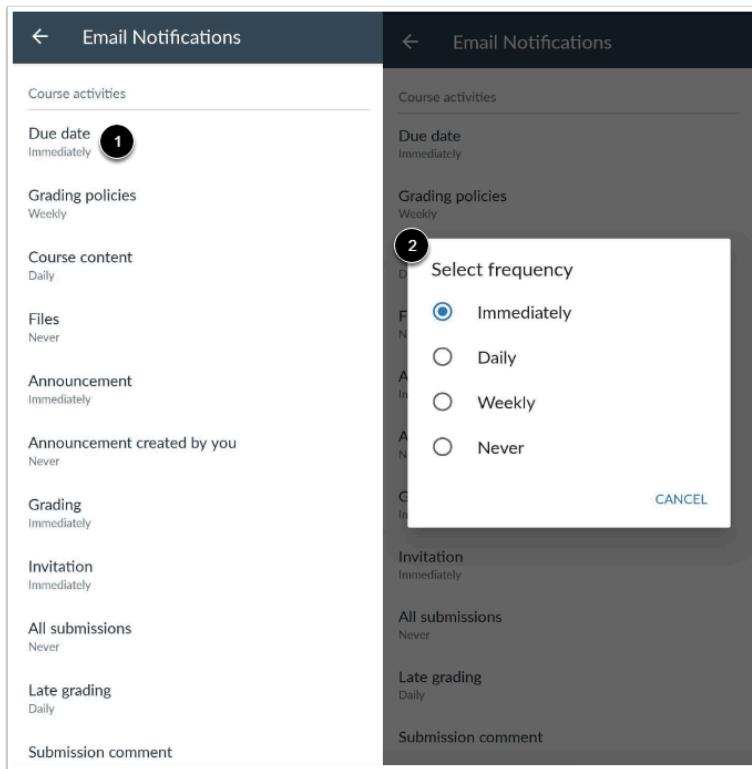

Enabled notifications show the toggle to the right [2] and are sent as soon as possible (ASAP).

## Open Email Notifications

Tap the **Email Notifications** link.

## Set Email Notification Preferences

Email notifications match the notification types set in the browser version of Canvas. Options include Immediately, Daily, Weekly, or Never.

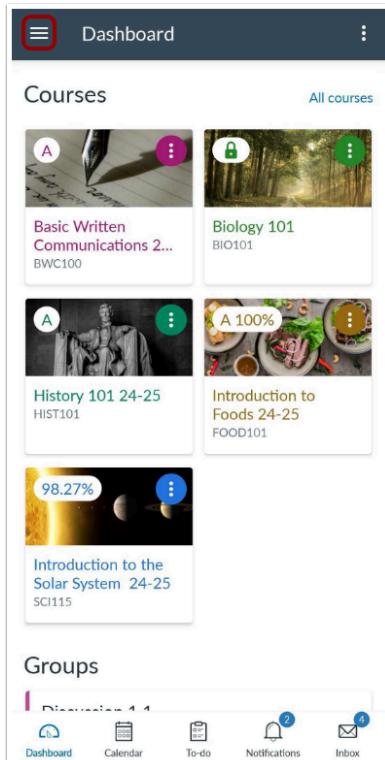

To change a notification email frequency, tap the notification name [1]. A list displays with the frequency options. Tap the name of the desired frequency [2].

## How do I send a pairing code to an observer in the Canvas app on my Android device?

You can generate and send a pairing code for an observer in the Canvas app to connect with your account. The pairing code will expire in seven days or after one use.

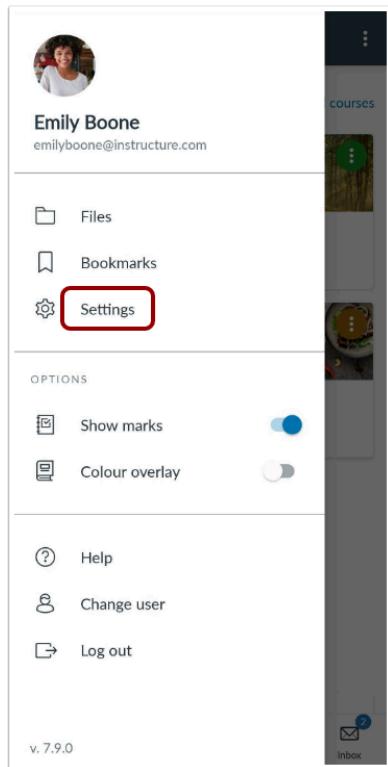

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open User Menu

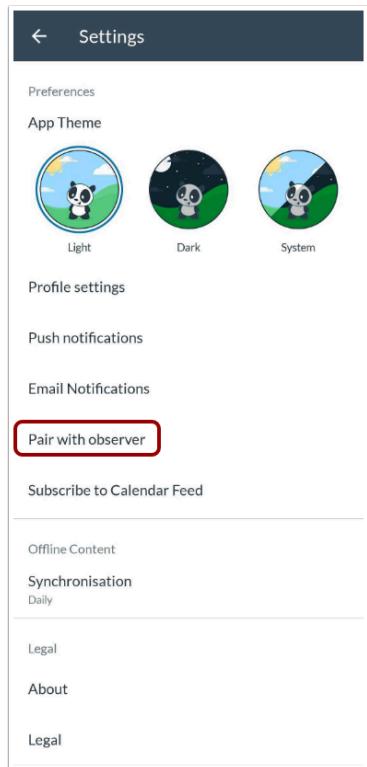

On the Dashboard, tap the **User Menu** icon.

## Open Settings

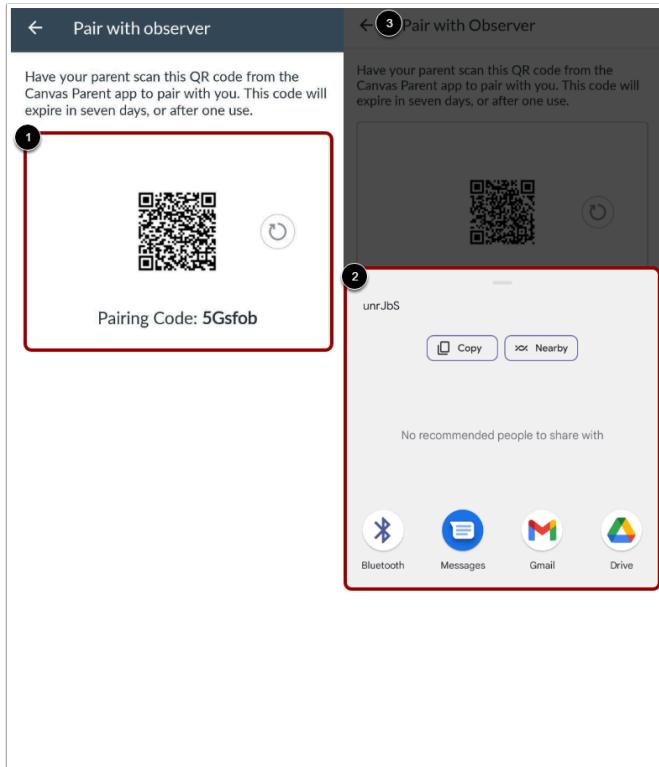

Tap the **Settings** link.

## Pair with Observer

Tap the **Pair with observer** link.

## View Pairing Code

View the QR code and pairing code to share with an observer to allow them to connect with you [1]. The code will expire in seven days or after one use.

To share the pairing code, highlight the pairing code and tap the **Share** link. You can select where you want to share the pairing code [2].

To return to your user settings, tap the **Back** link [3].

**Note:** If you have separate devices, observers can log in to Canvas by scanning the QR code using the Parent App.

## How do I set a profile picture in the Canvas app on my Android device?

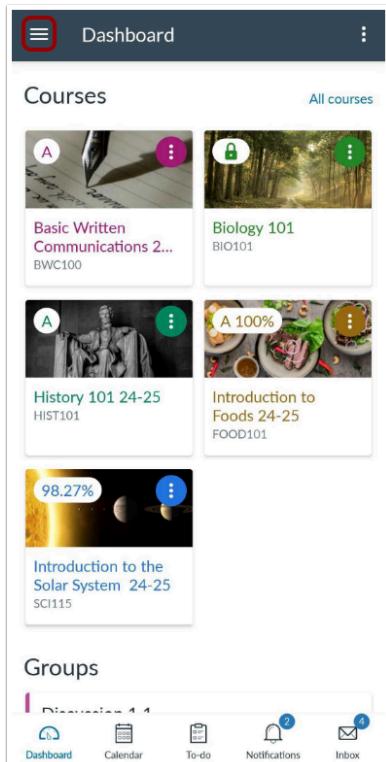

If your institution allows profile pictures, you can add a profile picture in the Canvas app.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

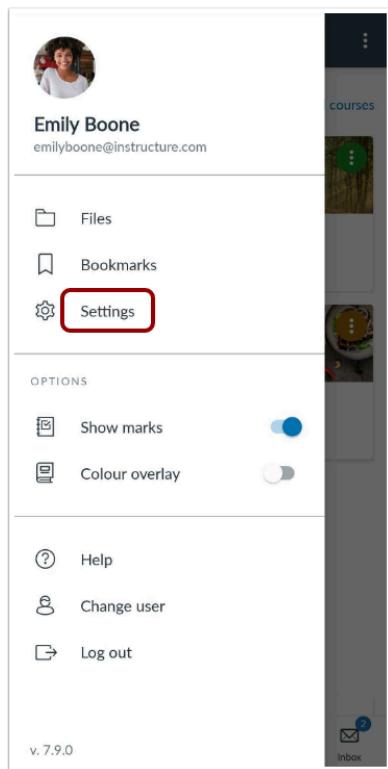

- Changing your profile picture in the app will also change the profile picture in your browser version of Canvas.
- If you cannot add a profile picture, your institution has restricted this feature.

## Open User Menu

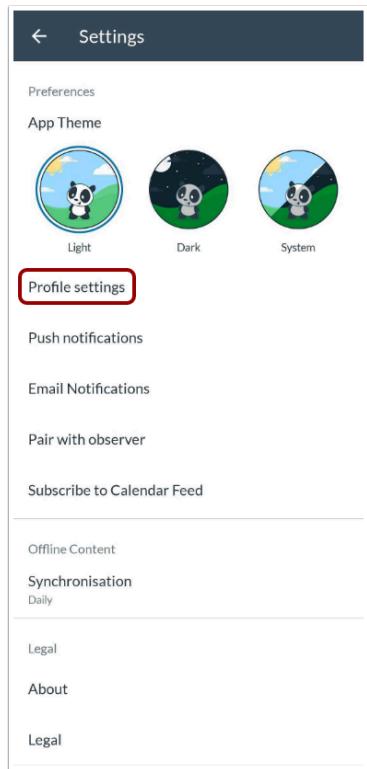

In the Dashboard, tap the **Menu** icon.

## Open Settings

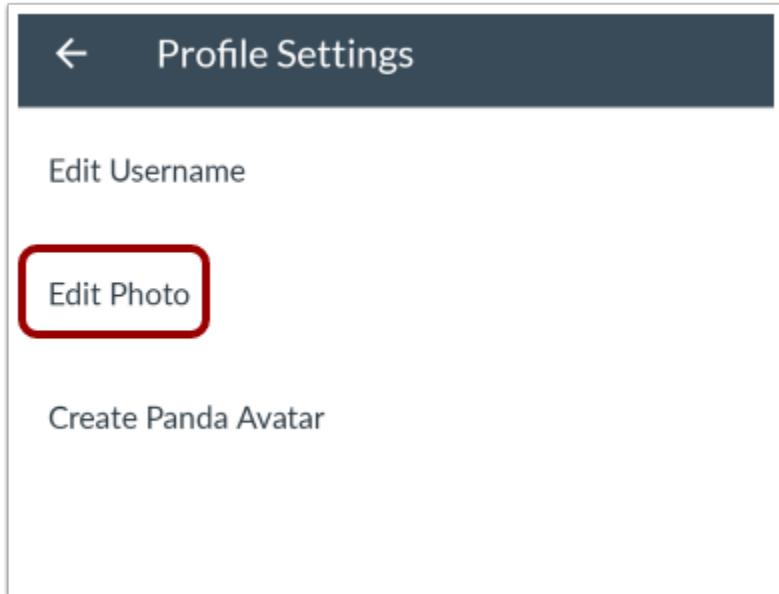

Tap the **Settings** link.

## Open Profile Settings

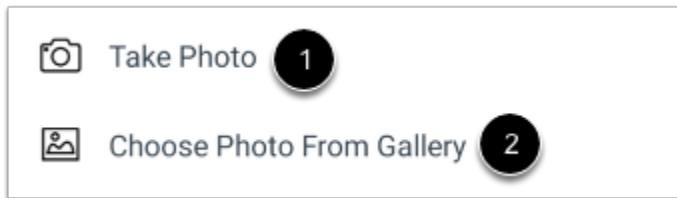

Tap the **Profile Settings** link.

## Edit Photo

Tap the **Edit Photo** link.

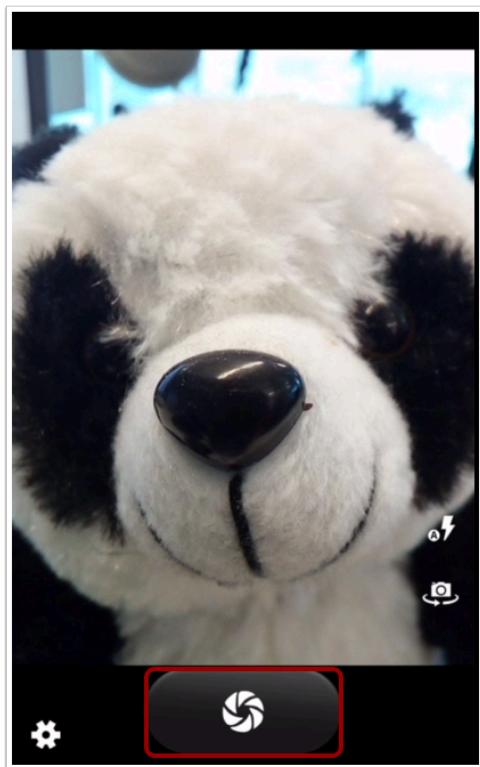

## Select Photo Option

To take a new photo, tap the **Take photo** option [1]. To select a photo from your gallery, tap the **Choose photo from Gallery** option [2].

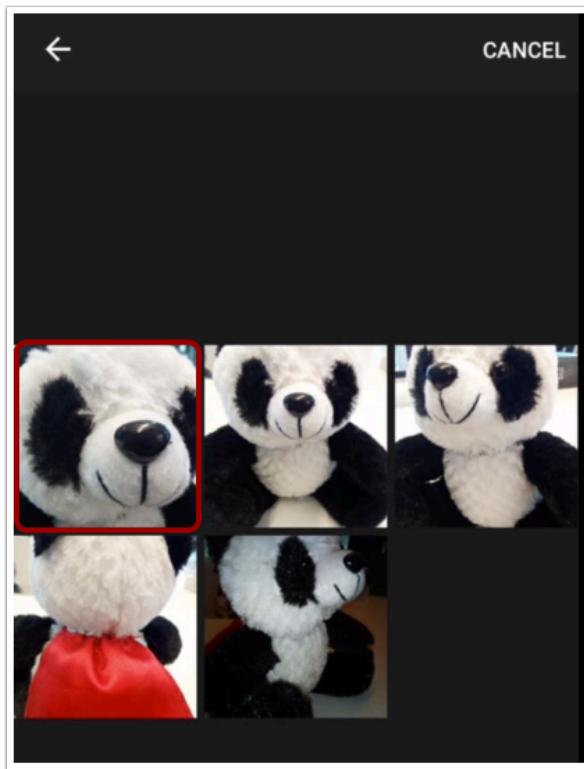

**Note:** You may need to allow the app to take pictures, record video, and access photos, media, and files on your device.

## Take Photo

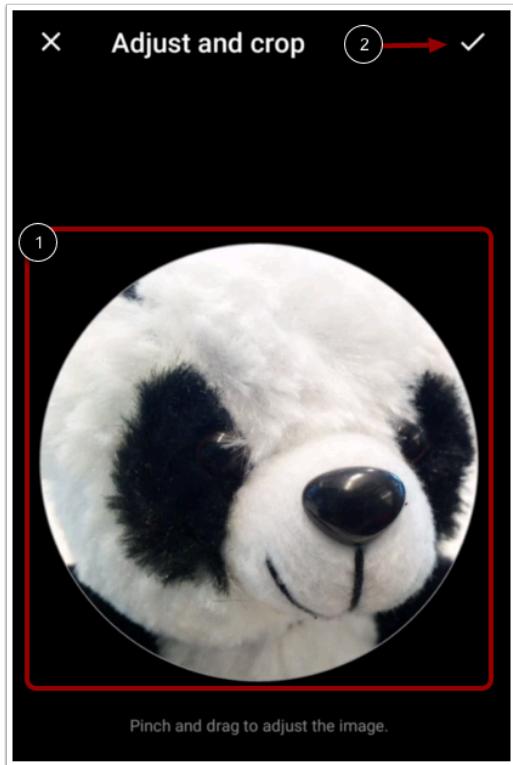

To take a new photo, tap the **Camera** button.

**Note:** Depending on your device, Camera displays may vary.

**Select Photo**

To select a photo from your gallery, tap the image you want to use.

## Adjust and Crop Photo

Pinch and drag to adjust the part of your image that will display in your profile picture [1]. To save your profile picture, tap the the **Checkmark** icon [2].

## How do I edit my user name in the Canvas app on my Android device?

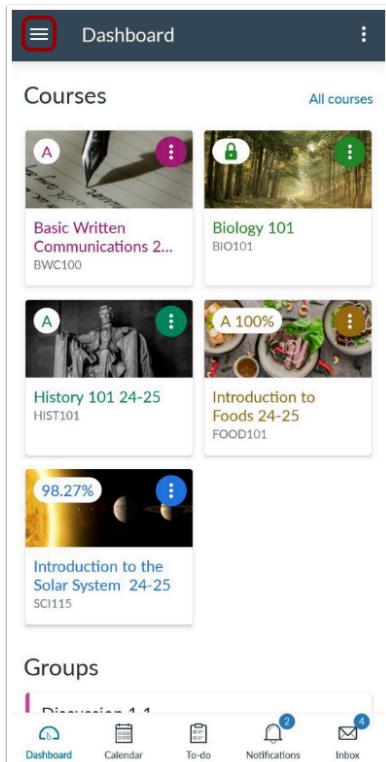

If your institution allows you to edit your user name, you can edit it in the app. This is the name that users see in the app.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

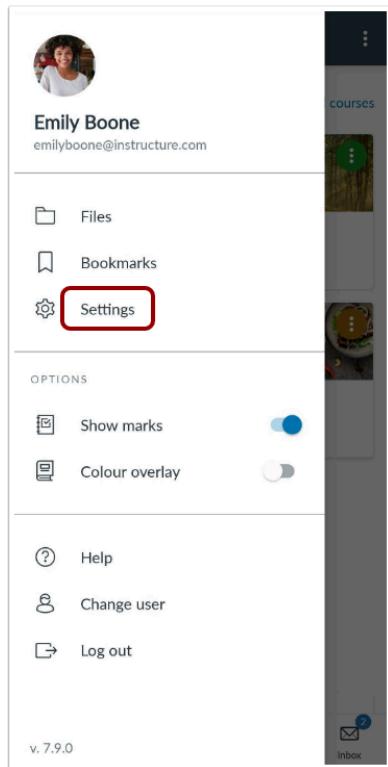

- Changing your user name in the app will also change your user name in your browser version of Canvas.
- If you cannot change your user name, your institution has restricted this feature.

## Open User Menu

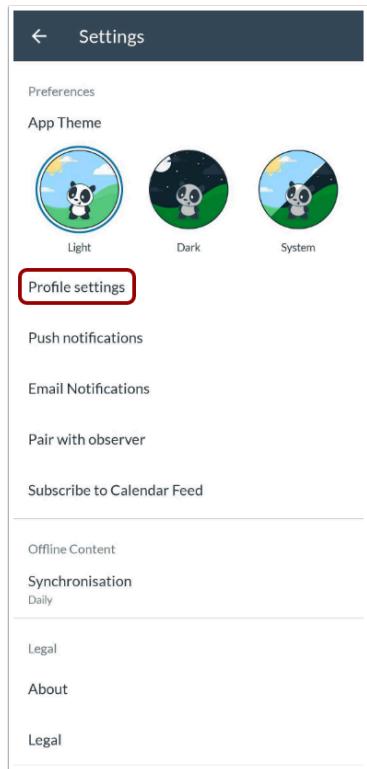

In the Dashboard, tap the **User Menu** icon.

## Open Settings

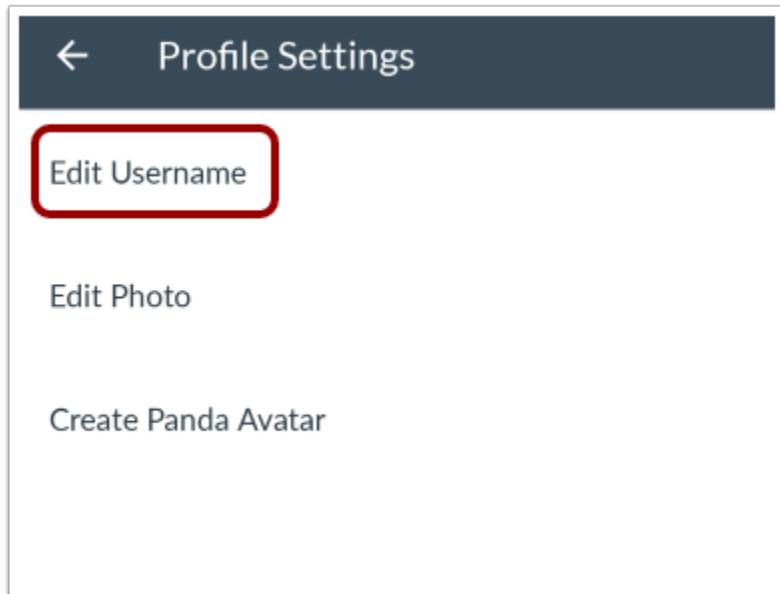

Tap the **Settings** link.

## Open Profile Settings

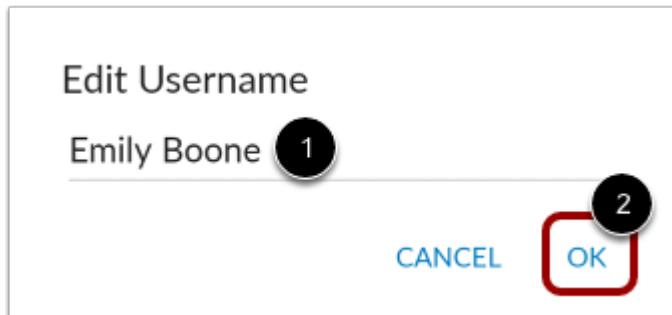

Tap the **Profile settings** link.

## Edit Username

Tap the **Edit Username** link.

Type your user name in the **Edit username** field [1]. Then tap the **OK** link [2].

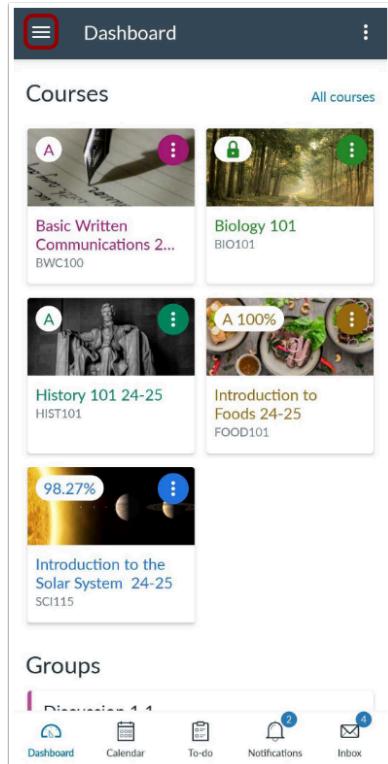

## How do I create a Panda avatar in the Canvas app on my Android device?

If your institution allows [profile pictures](#), you can create a Panda avatar on the Canvas app. You can save the Panda avatar as your profile picture on the mobile app, or share it with others.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

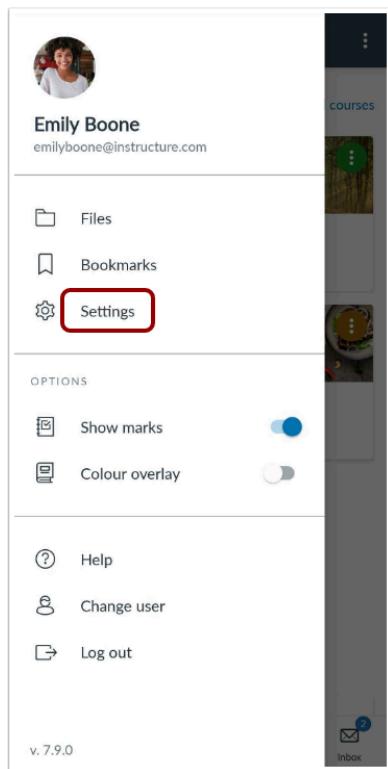

**Note:** If you cannot create a Panda avatar, your institution has restricted the profile pictures feature.

### Open User Menu

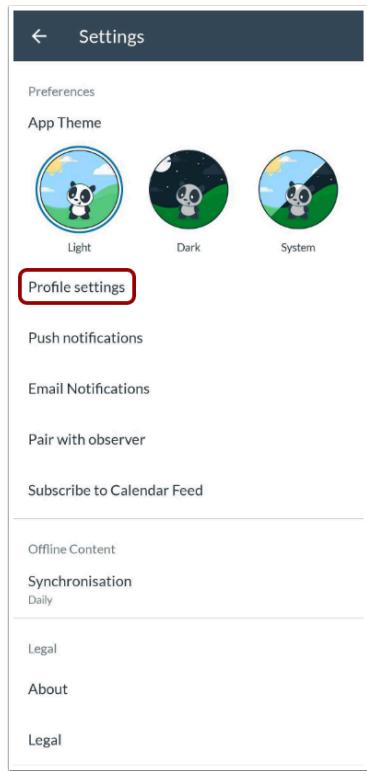

In the Dashboard, tap the **User Menu** icon.

## Open Settings

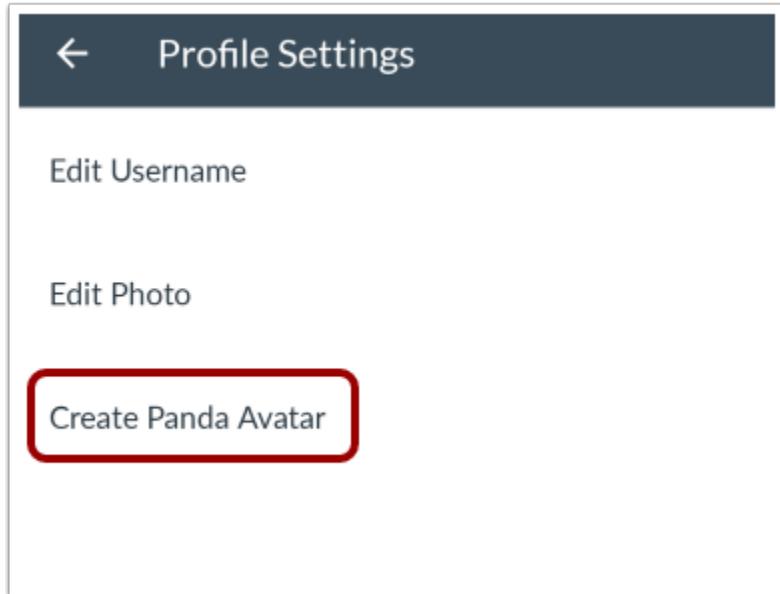

Tap the **Settings** link.

## Open Profile Settings

Tap the **Profile settings** link.

## Create Panda Avatar

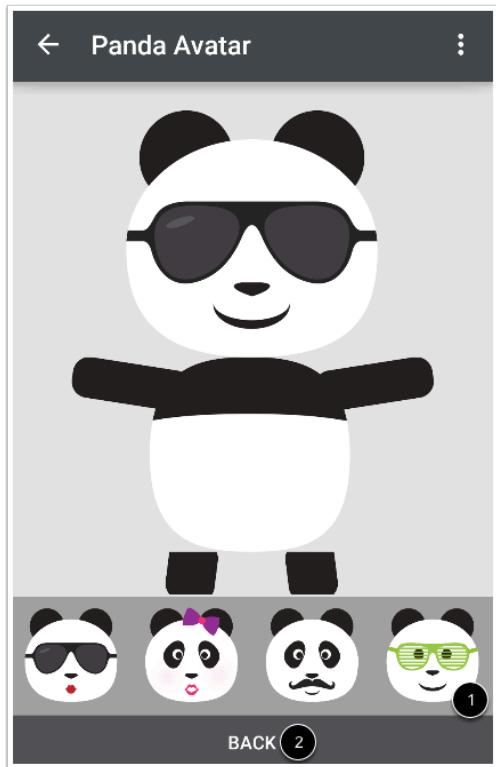

Tap the **Create Panda Avatar** link.

## Customize Panda Avatar

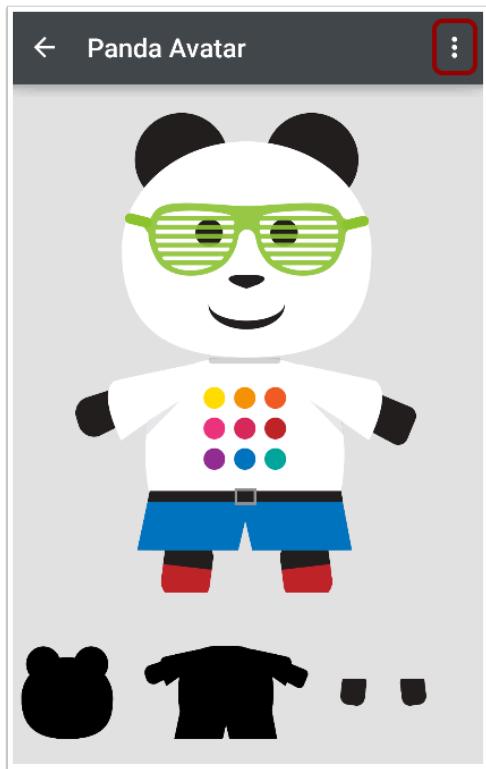

At the bottom of the window, tap the area of the panda you want to customize. You can customize the panda head [1], body [2], and feet [3].

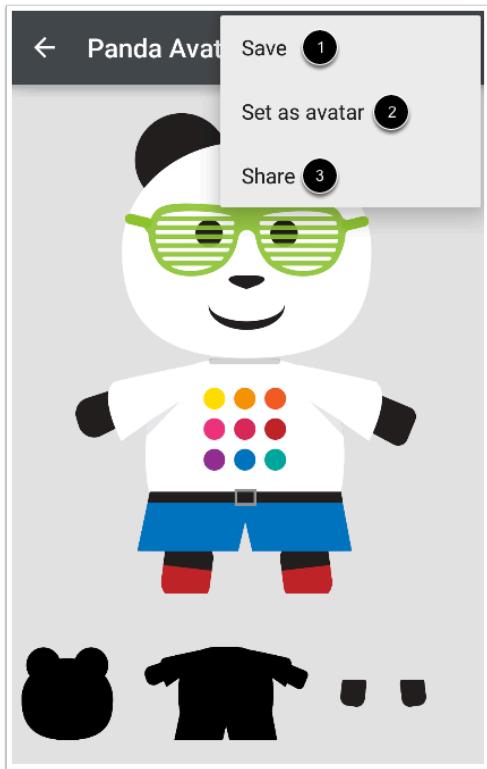

Tap the design you want to use for your panda [1]. To return to the customize options, tap the **Back** link [2].

## Manage Panda Avatar

When you are finished customizing your avatar, tap the **Options** icon.

To save your panda avatar, tap the **Save** link [1].

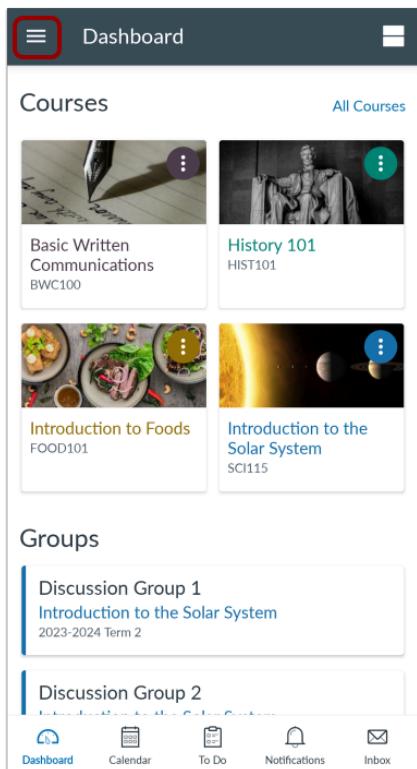

To set your panda as your profile picture in the app, tap the **Set as avatar** link [2].

To share your panda avatar, tap the **Share** link [3]. The app will open a new window with all the apps on your device and ask where you want to share your panda image.

## How do I set my theme in the Canvas app on my Android device?

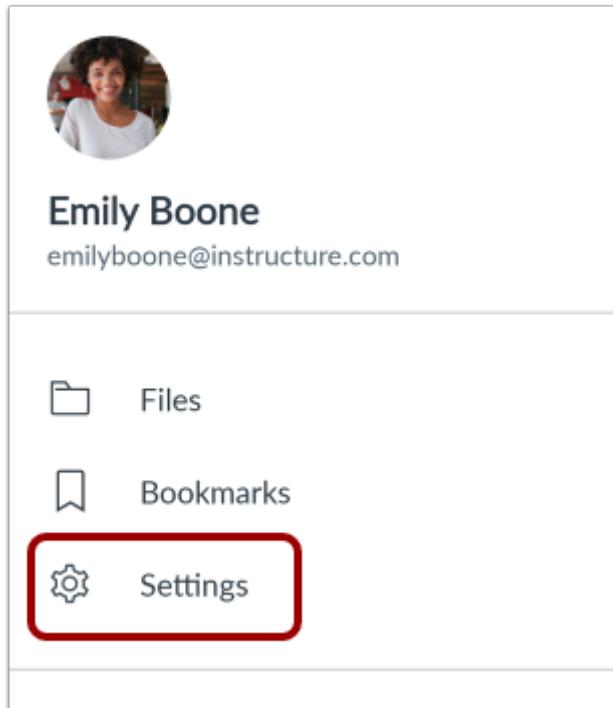

In Settings, you can choose between three app theme options, Light, Dark, and Same as Device.

### Open User Menu

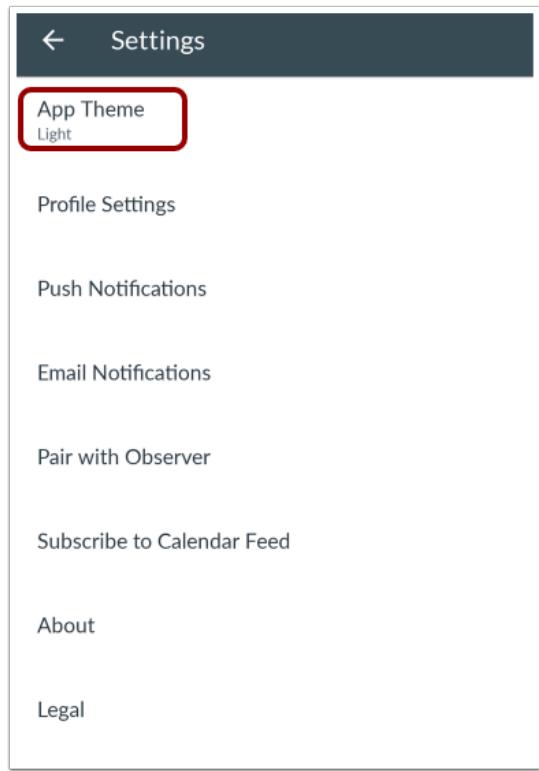

In the Dashboard, tap the **User Menu** icon.

## Open Settings

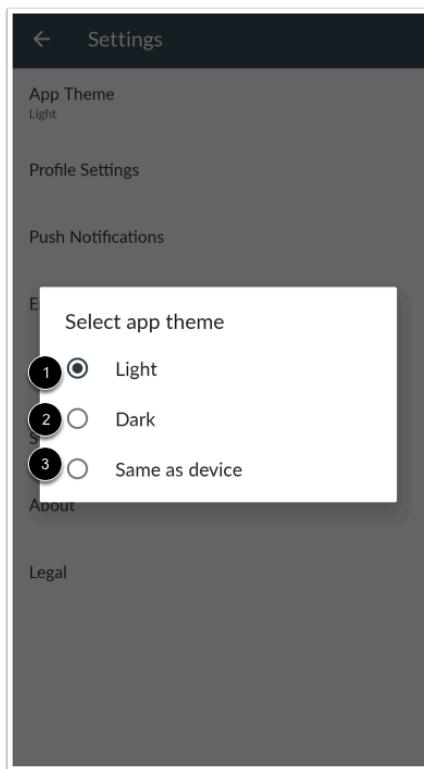

Tap the **Settings** link.

## Open App Theme

Tap the **App Theme** link.

## Select Theme

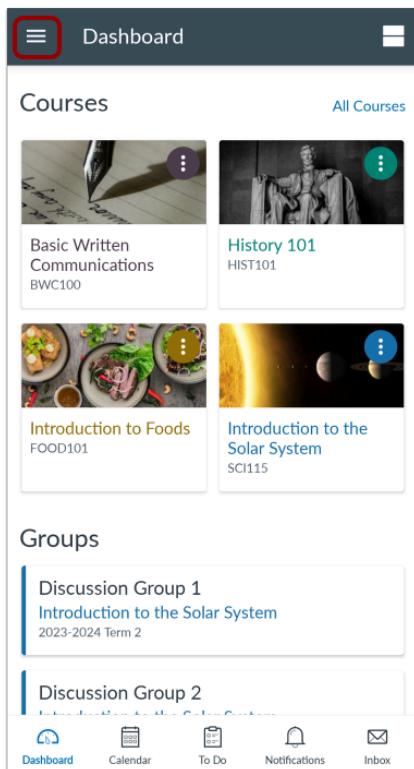

To select your preferred theme, tap **Light** for dark text on a light background [1], **Dark** for light text on a dark background [2], and **Same as device** to reflect the device's theme [3].

## How do I subscribe to the Canvas calendar in the Canvas app on my Android device?

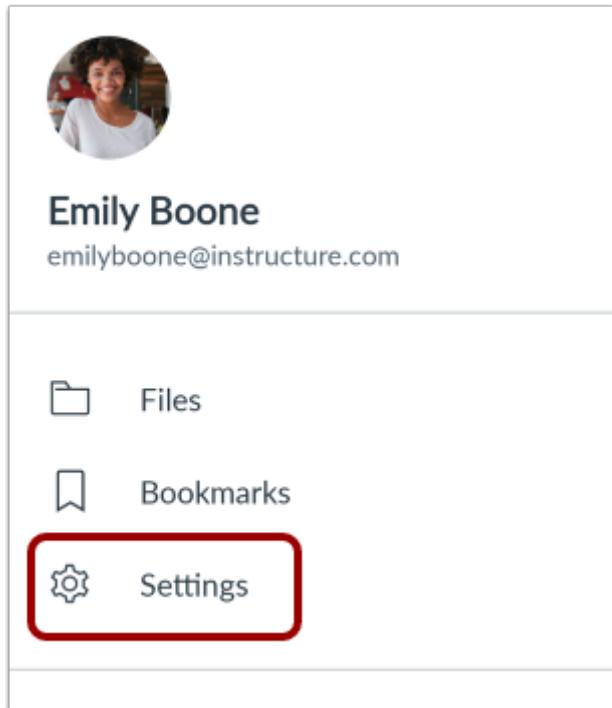

In Settings, you can sync the Canvas Calendar to a Google Calendar.

### Open User Menu

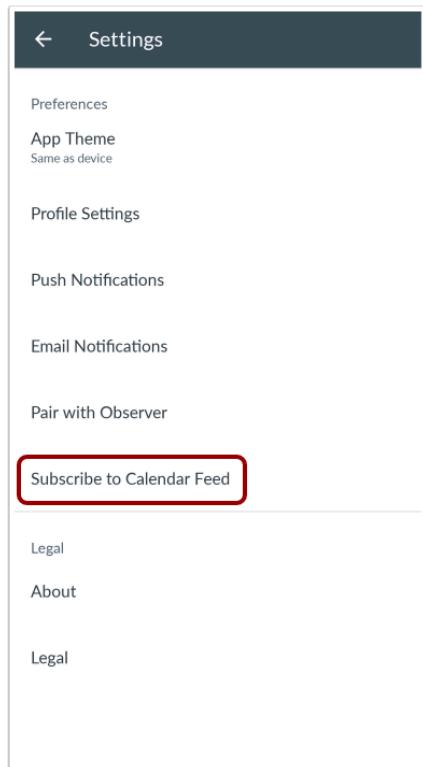

In the Dashboard, tap the **User Menu** icon.

## Open Settings

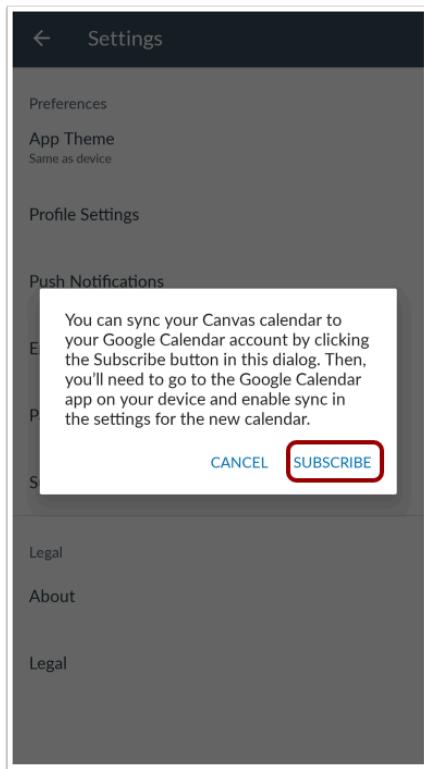

Tap the **Settings** link.

## Subscribe to Calendar Feed

Tap the **Subscribe to Calendar Feed** link.

## Sync Calendars

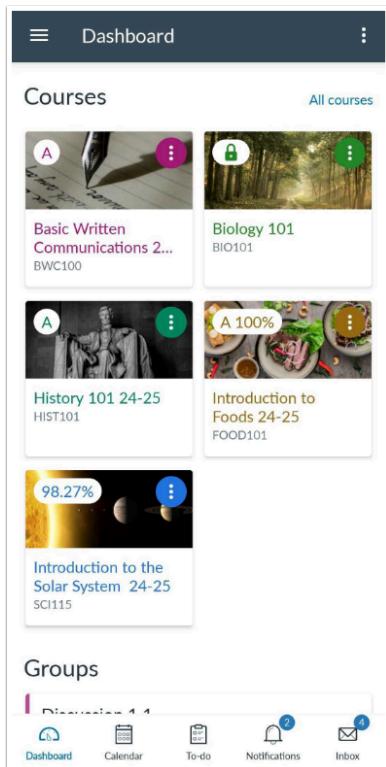

To sync the Canvas calendar to a Google Calendar, click the **Subscribe** link. Then log into the Google Calendar app to enable the sync.

## App Features

## How do I use the Dashboard in the Canvas app on my Android device?

The Canvas app Dashboard displays your active courses. It can also display course invitations and announcements from your institution.

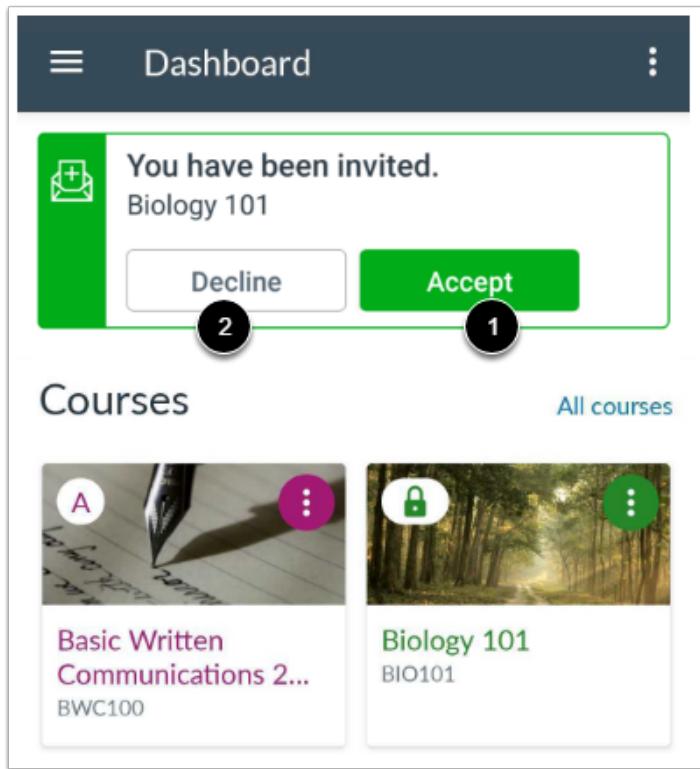

### View Dashboard

The Dashboard displays all your current courses and groups.

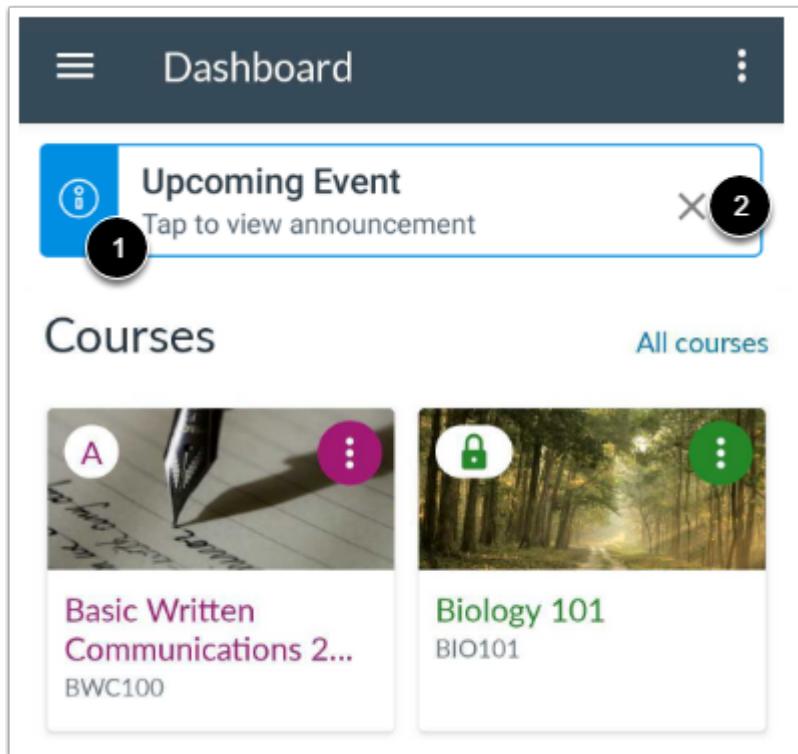

When viewing courses or groups, [you can manage how they display in the Dashboard](#). You can also customize background colors and favorite courses.

## View Course Invitation

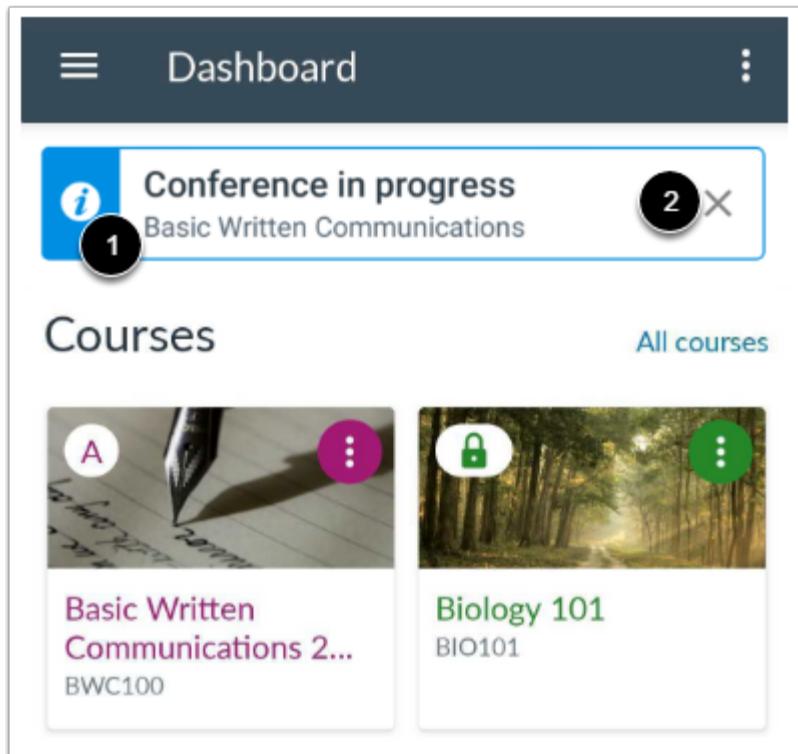

If you have been invited to join a course, you can view the course invitation on your Dashboard. To accept the invitation, tap the **Accept** button [1]. To decline the invitation, tap the **Decline** button [2].

## View Global Announcement

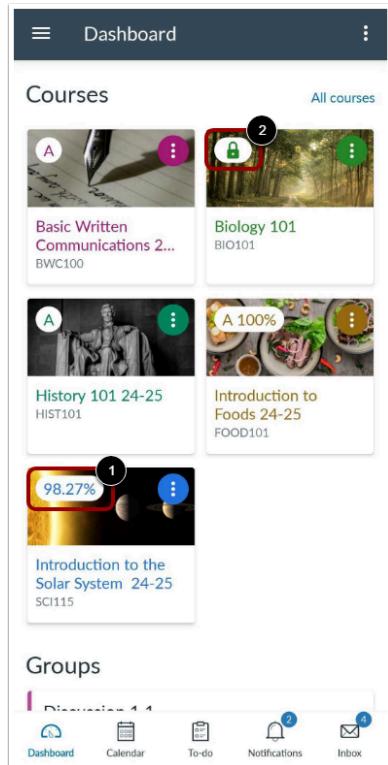

If a global announcement has been sent to students at your institution, you can view the announcement on your Dashboard. To read the announcement, tap the announcement [1]. To dismiss the announcement, tap the **Close** icon [2].

## View In-Progress Conference

If a course includes a BigBlueButton Conference, any conference in progress will display on the Dashboard. To join the conference, tap the name of the conference [1]. To dismiss the conference, tap the **Close** icon [2].

## View Course Grades

You can display your course grades in the dashboard from the [User Menu](#).

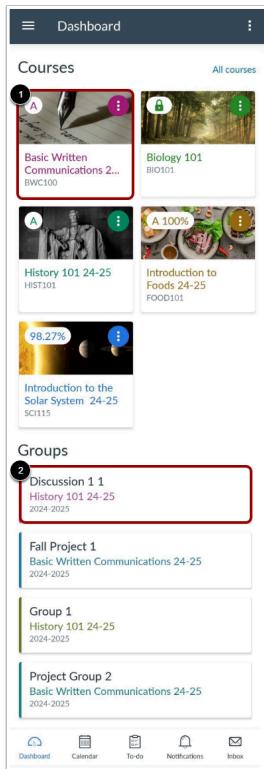

Grades are shown according to the grading scheme for the course (percentage, letter grade, etc.). To view details of a grade, tap the grade percentage [1]. If a lock icon is displayed, your instructor has hidden student grade totals [2].

You can also [view your grades within your course](#).

### Notes:

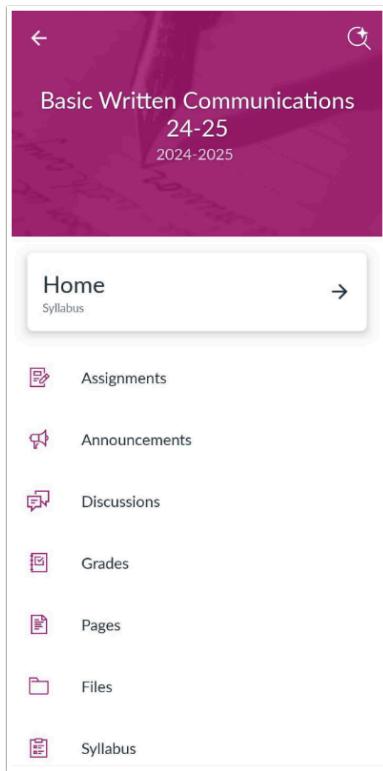

- Users who do not have a student role will always see grades with a percentage of zero.
- If enabled in your course, you may only have the ability to view qualitative data, such as letter grades and grading comments.

## Open Course or Group

To open a course or group, tap the course [1] or group name [2].

## View Navigation Menu

Within each course or group, you can view the navigation links that are available in the browser version of Canvas.

**Note:**

- If a course navigation link is hidden in the browser version, you will not be able to access it in the app.
- Not all course navigation links are supported in the Canvas Student app. However, all navigation links are supported in a mobile browser.

## How do I manage Courses and Groups in the Canvas app on my Android device?

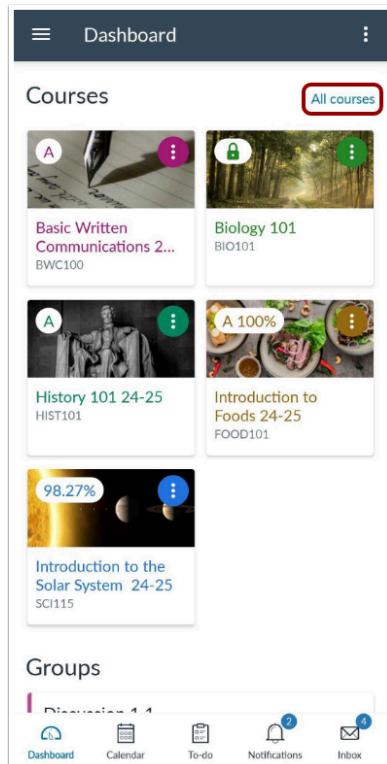

You can view all your courses and groups in the Canvas app. You can also change your course and group favorites and change the colors for your Dashboard course cards and groups.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

- Changes to your favorite courses applies to the browser version of Canvas.
- You cannot join a group using the Student app, however, you can [join a group using the web version of Canvas](#).

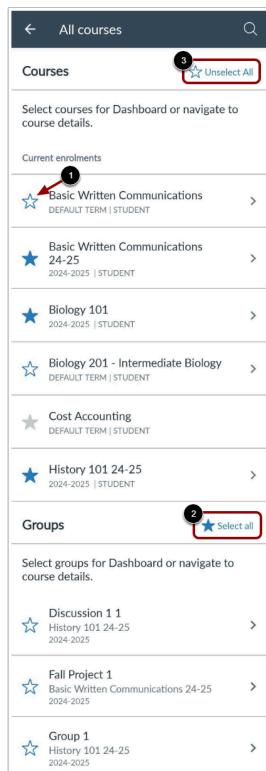

## View Courses and Groups

The app defaults to your favorite courses and groups. Favorite courses mirror the courses customized drop-down menu in the web version of Canvas.

To view all your courses and set or remove favorite courses or groups, tap the **All courses** link.

## Edit Courses and Groups

The screenshot shows the 'All courses' screen in the Canvas mobile app. At the top, there is a back arrow, a search icon, and a 'Unselect All' button (labeled [3] with a red box). Below this, the 'Courses' section is titled 'Courses' and includes a 'Select courses for Dashboard or navigate to course details.' link. The 'Current enrolments' section lists several courses with star icons (labeled [1] with a red box) and other course details. The 'Groups' section is titled 'Groups' and includes a 'Select groups for Dashboard or navigate to course details.' link. It lists a 'Discussion 1 1' group and other group details. The 'Select all' and 'Unselect All' buttons are located at the top of the 'Courses' and 'Groups' sections respectively.

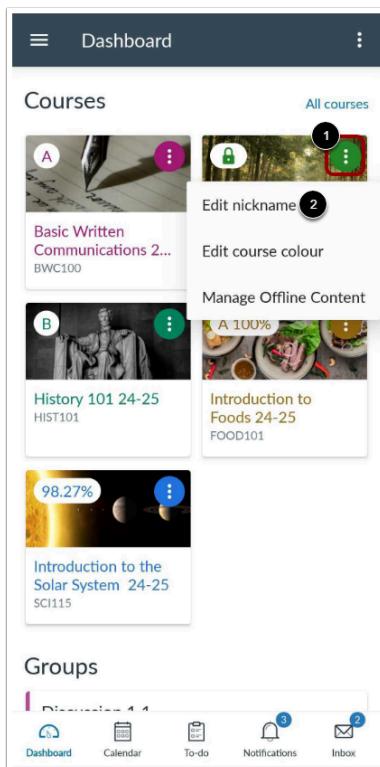

Course/Group	Description	Action
Basic Written Communications	DEFAULT TERM   STUDENT	Star icon (labeled [1])
Basic Written Communications	24-25 2024-2025   STUDENT	Star icon (labeled [1])
Biology 101	2024-2025   STUDENT	Star icon (labeled [1])
Biology 201 - Intermediate Biology	DEFAULT TERM   STUDENT	Star icon (labeled [1])
Cost Accounting	DEFAULT TERM   STUDENT	Star icon (labeled [1])
History 101 24-25	2024-2025   STUDENT	Star icon (labeled [1])
Groups		Select all button (labeled [2] with a red box)
Discussion 1 1	History 101 24-25 2024-2025	Star icon (labeled [1])
Fall Project 1	Basic Written Communications 24-25 2024-2025	Star icon (labeled [1])
Group 1	History 101 24-25 2024-2025	Star icon (labeled [1])

Tap the **Star** icon next to the course or group you want to favorite [1]. To remove a favorite, tap the **Star** icon again. Changes to the favorites page are applied automatically.

To bulk favorite courses or groups, tap the **Select all** link [2]. To bulk remove favorites, tap the **Unselect All** link [3].

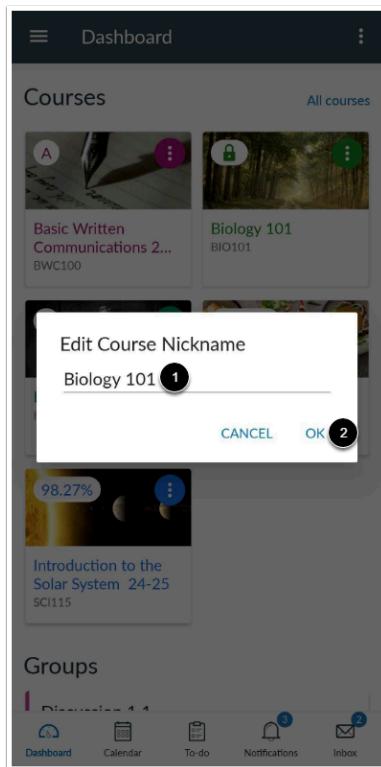

**Note:** The Courses list includes active and concluded courses.

## Edit Nickname

Course names can be customized with nicknames to help distinguish them throughout other areas of the Canvas Student app. To customize a course, tap the **Options** icon [1], then tap the **Edit nickname** option [2].

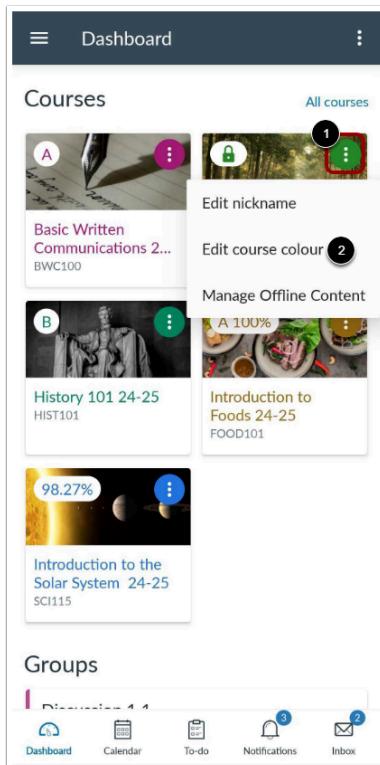

## Create Nickname

Tap the **Course Nickname** field and type the nickname [1].

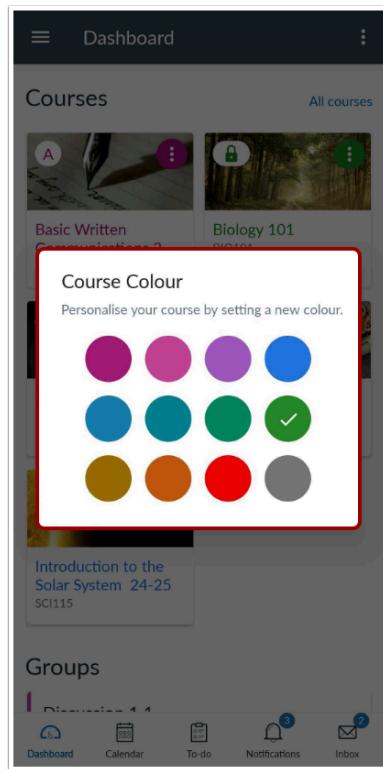

Tap the **OK** link [2].

## Edit Course Color

To edit the course color, tap the **Options** icon [1], then tap the **Edit course colour** option [2].

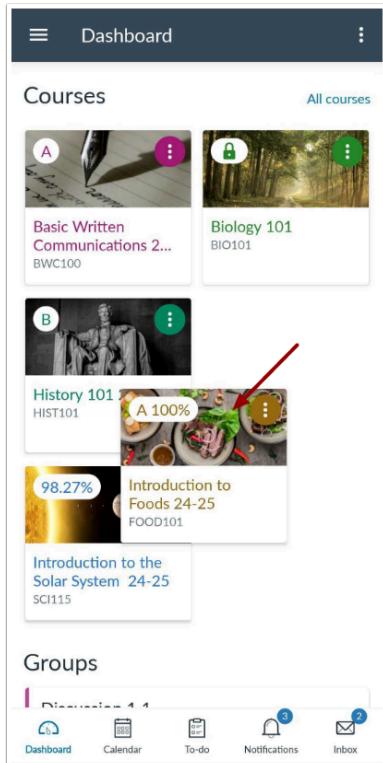

## Select Color

Tap the new color for your course. The color automatically applies to your course.

**Note:** To view the selected color across your entire course card, you can enable the [Color Overlay option](#) in the User Menu.

## Reorder Course Cards

To reorder your course cards, tap the course you want to rearrange, move the course card, and release the card to your desired location.

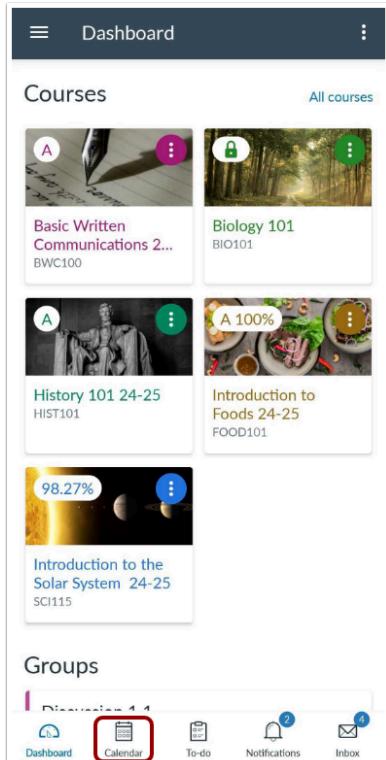

## How do I view the Calendar in the Canvas app on my Android device?

You can view up to 10 calendars from your courses and groups in the app.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

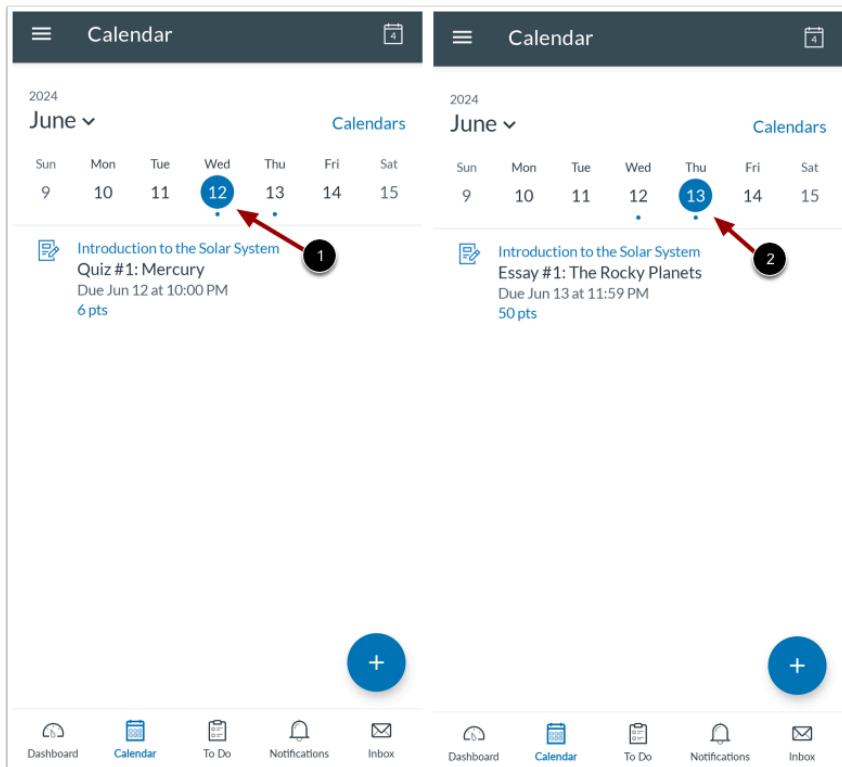

**Note:** Students cannot sign up for Scheduler appointments in the Canvas app.

### Open Calendar

In the Dashboard, tap the **Calendar** icon.

## View Calendar

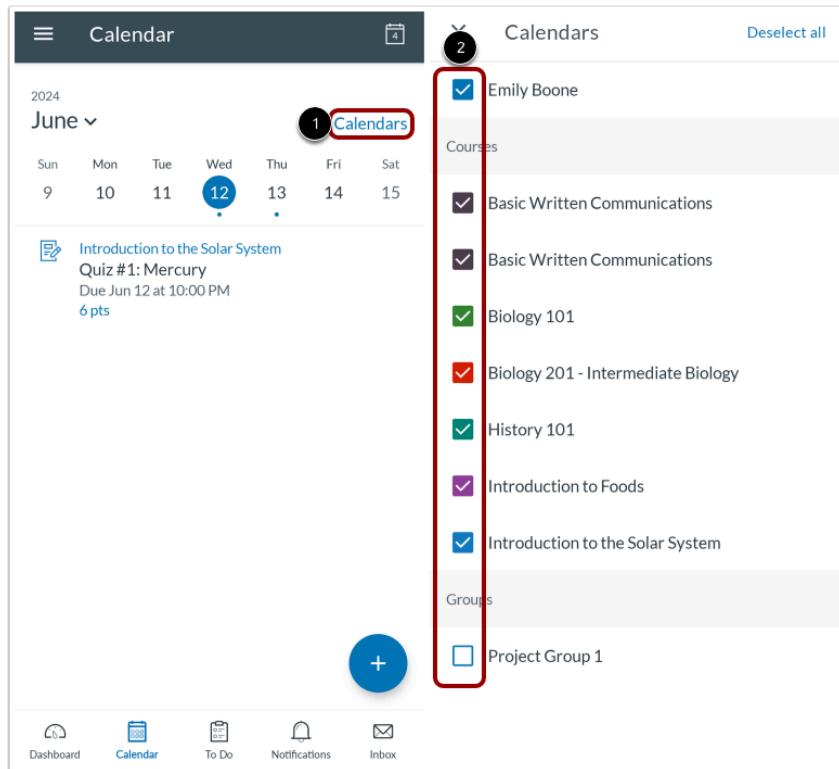

The Calendar page shows all assignments and events for your courses. By default, the calendar displays assignments and events by week. The current date is always selected and indicated by the solid background [1]. Any assignments or events on the current date display below the calendar in an agenda format.

Assignments or events on other dates are indicated by a dot below the date [2]. Multiple dots indicate multiple assignments or events, which you can view by tapping the date.

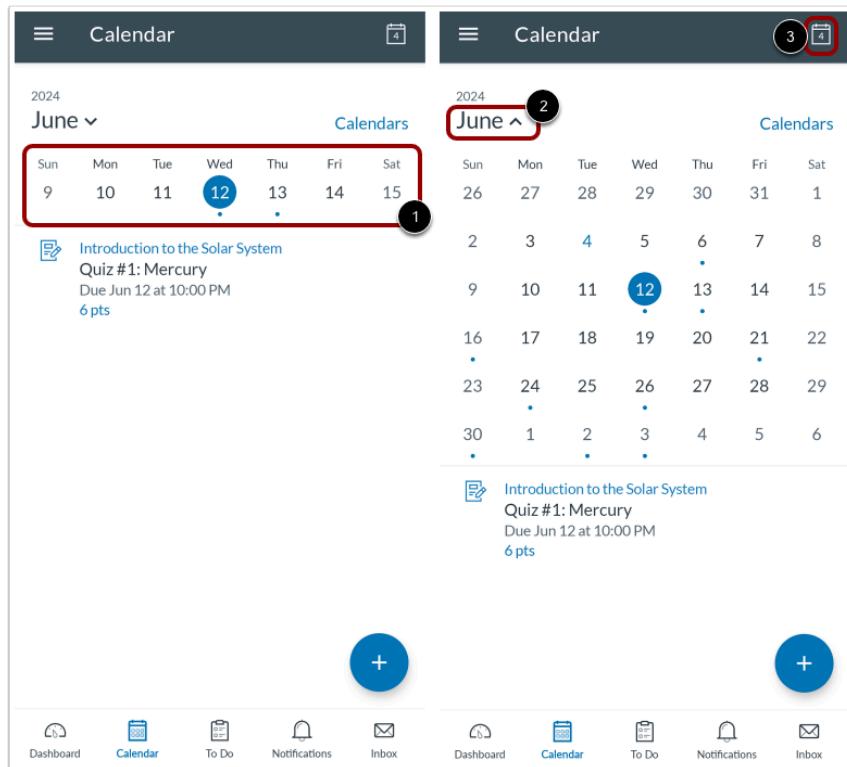

The day of the week defaults to Sunday. You can change the start date to Monday in your [app personal Settings](#).

## Manage Calendars

You can manage the courses and events that display in the calendar by tapping the **Calendars** link [1]. To select which calendar(s) to display, tap the checkbox next to the user, course, or group calendar name [2]

## View Additional Dates

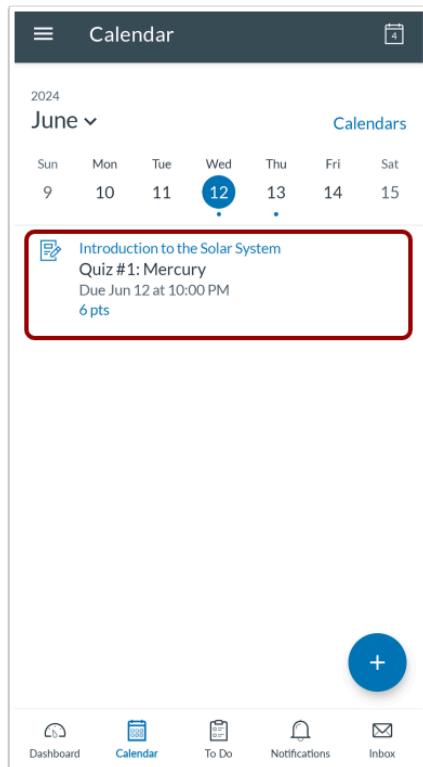

To view assignments and events for other dates, swipe the week view left or right [1].

You can also expand to the calendar Month view by tapping the name of the month [2] and swiping the month view left or right.

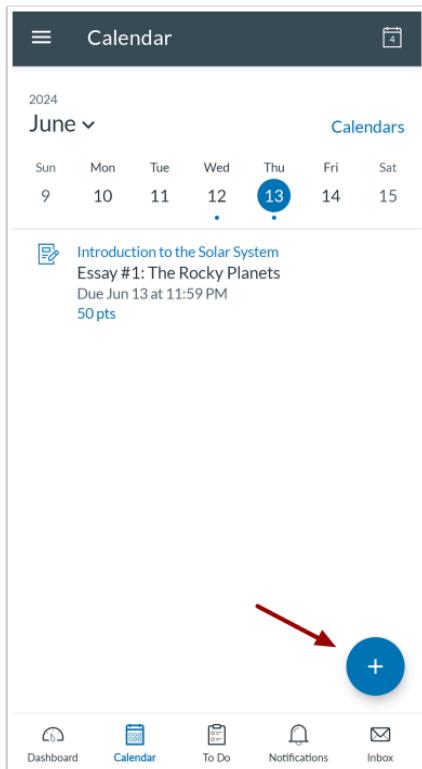

To return to the current date, tap the **Calendar** icon [3].

## View Individual Event or Assignment

To view the details of an individual assignment or event, tap the name of the assignment or event.

## Add To-Do Item or Event

To [add a to-do item or event](#) to your calendar, click the **Add** icon.

**Note:** Currently To-Do items created in the app only display in the Calendar; items will display in the To-Do list in a future release.

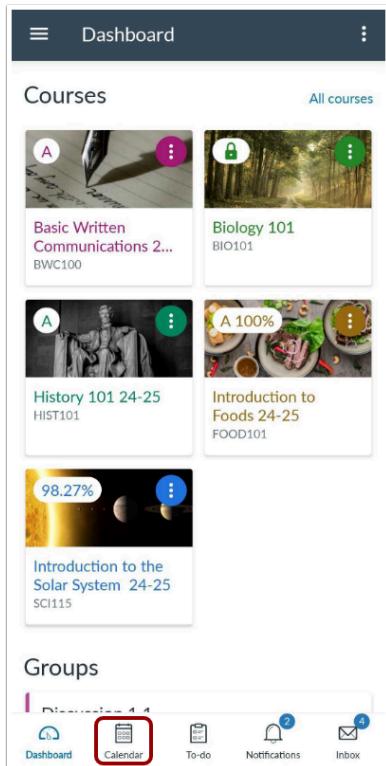

## How do I add a Calendar To-Do List item or Event in the Canvas app on my Android device?

You can create a new calendar item in the Canvas app. Calendar items are for your own personal use. You can also edit or delete your created to-do list items and events.

The images in this lesson are for adding a new to-do item, unless otherwise noted.

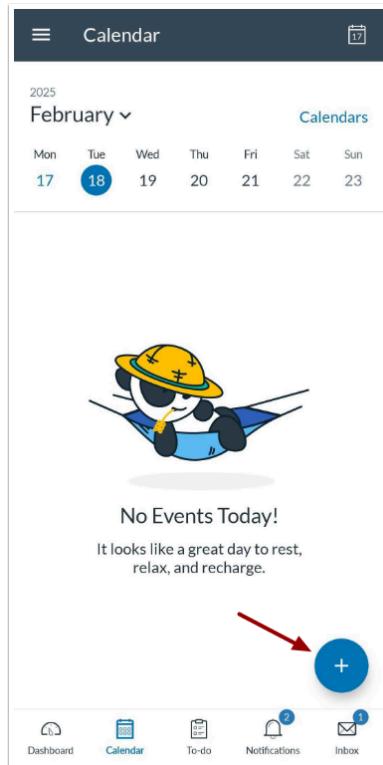

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Calendar

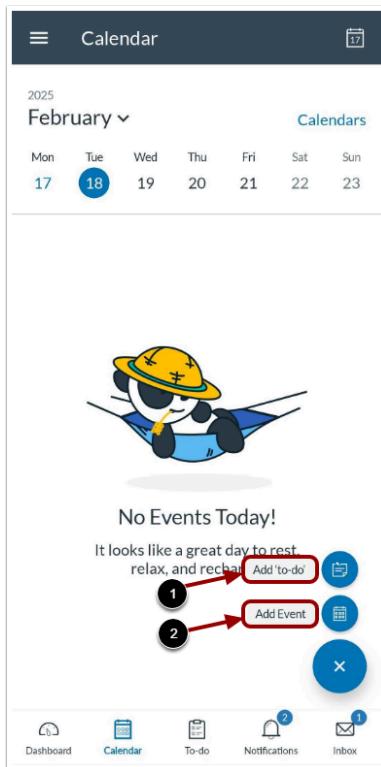

In the Dashboard, tap the **Calendar** icon.

## Add Item

Tap the **Add** icon.

## Add To-Do Item or Event

To add a to-do item, tap the **Add To-Do** icon [1].

To add an event, tap the **Add Event** icon [2].

Date  
Feb 18 at 1:00 pm

Reminder

+ Add due date reminder notifications about this assignment on this device.

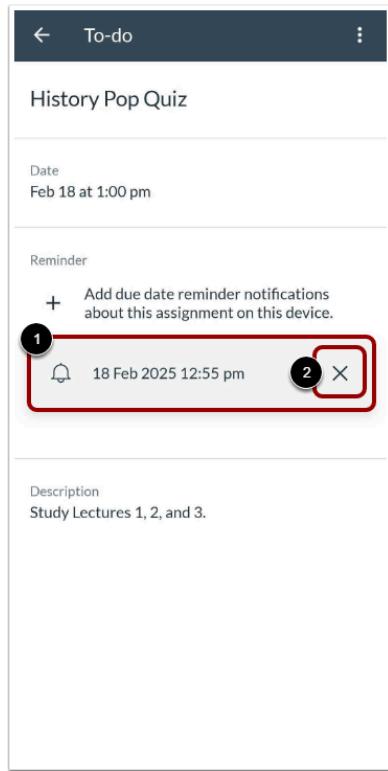

Description  
Study Lectures 1, 2, and 3.

To add a reminder, tap on the **Add due date reminder notifications about this assignment on this device** link.

Choose your preferred **Alert time**.

**Note:** For Custom Reminders, you will be asked to input the specific date and time for your Alerts.

You can now view your reminder [1].

To delete your reminder, tap the **Delete** button [2].

## How do I view the Inbox in the Canvas app on my Android device?

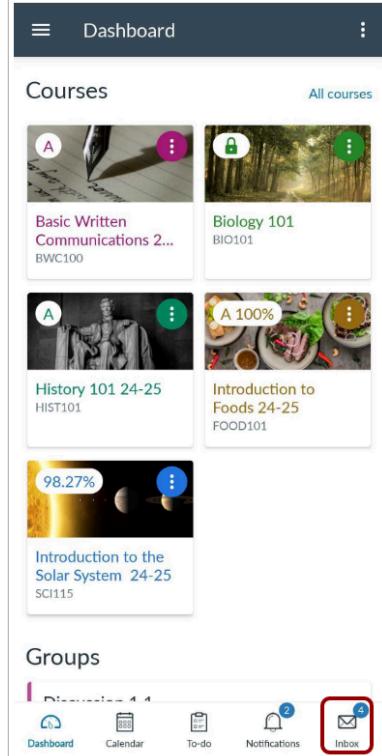

Canvas lets you access your Inbox on your Android device so you can keep in touch with people in your course at any time.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

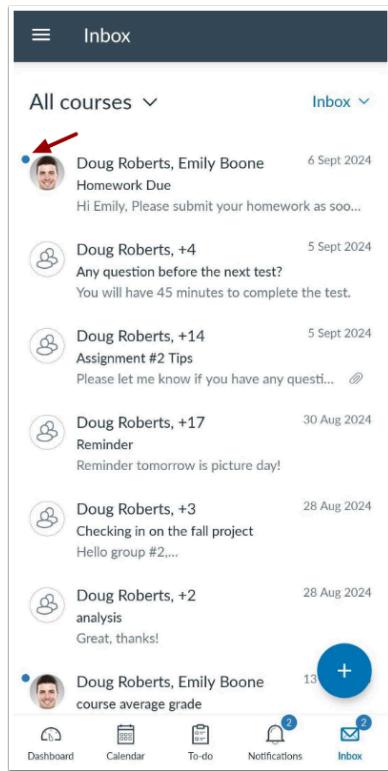

- Unlike the web version of Canvas, you cannot view assignment comments from your instructor in the Inbox. However, you can [view comments in the assignment](#).
- The mobile version of Canvas supports the ability to star a conversation. However, it does not currently support a filter option to view starred messages. Any messages that you star in the app can be viewed in the starred filter in the web version.

## Open Inbox

In the Navigation Bar, tap the **Inbox** icon.

## View Inbox

The screenshot shows the Canvas Android app's inbox screen. At the top, there are navigation icons for 'Inbox' and 'All courses'. Below that, a list of messages is displayed:

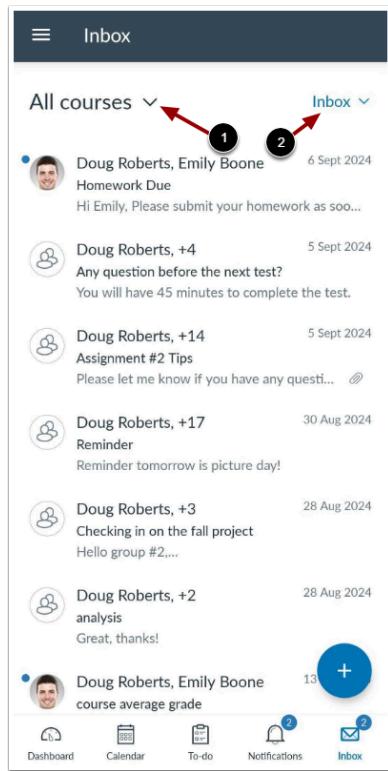

- Doug Roberts, Emily Boone 6 Sept 2024  
Homework Due  
Hi Emily, Please submit your homework as soon...
- Doug Roberts, +4 5 Sept 2024  
Any question before the next test?  
You will have 45 minutes to complete the test.
- Doug Roberts, +14 5 Sept 2024  
Assignment #2 Tips  
Please let me know if you have any questions.
- Doug Roberts, +17 30 Aug 2024  
Reminder  
Reminder tomorrow is picture day!
- Doug Roberts, +3 28 Aug 2024  
Checking in on the fall project  
Hello group #2....
- Doug Roberts, +2 28 Aug 2024  
analysis  
Great, thanks!
- Doug Roberts, Emily Boone 13 Sept 2024  
course average grade

At the bottom of the screen, there are navigation icons for 'Dashboard', 'Calendar', 'To-do', 'Notifications', and 'Inbox'. The 'Inbox' icon has a blue circle with a '2' on it, indicating two unread messages.

The Inbox displays all messages you have received and is organized the same way as the browser version of the Inbox. Messages are arranged in chronological order—newer messages appear at the top, and older messages appear near the bottom. Unread messages are indicated by a blue dot.

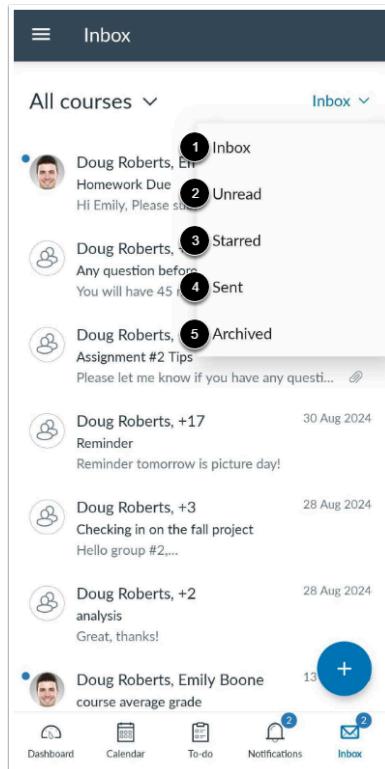

Swipe your device from top to bottom to quickly refresh your messages.

## View Mailbox Filters

You can view all course messages in your inbox. To only view a certain course, click the **All Courses Arrow** icon [1].

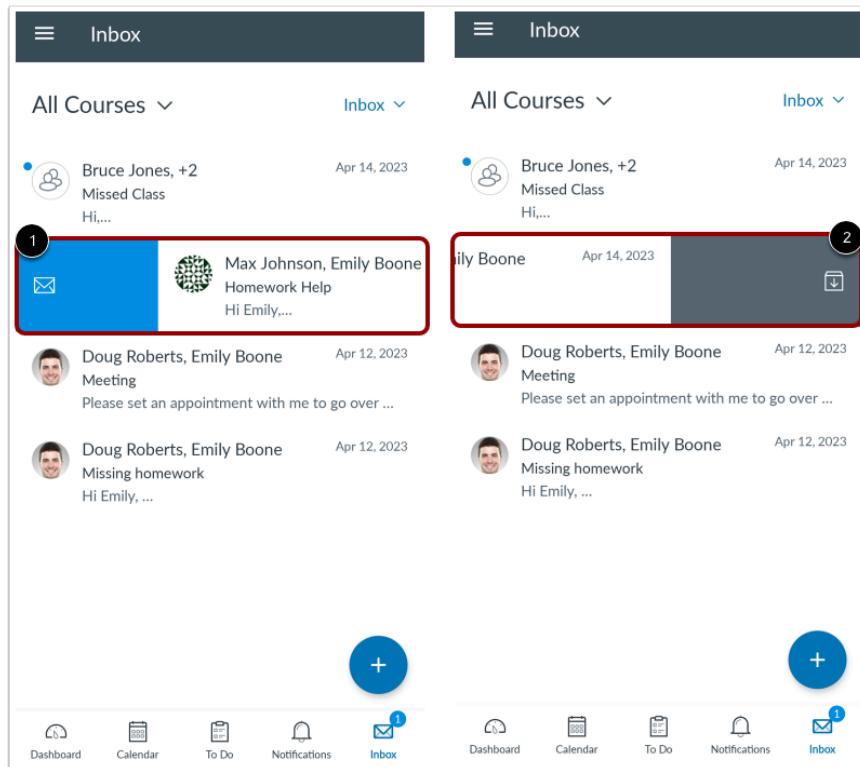

You can view different types of messages. To filter what displays in the inbox, tap the **Inbox Filter Arrow** icon [2].

The default view is the **Inbox** [1], which shows all types of messages. If you only want to view messages you haven't read yet, tap the **Unread** option [2]. To view messages you have starred, tap the **Starred** option [3]. To view all your sent messages, tap the **Sent** option [4]. To view messages you've archived, tap the **Archive** button [5].

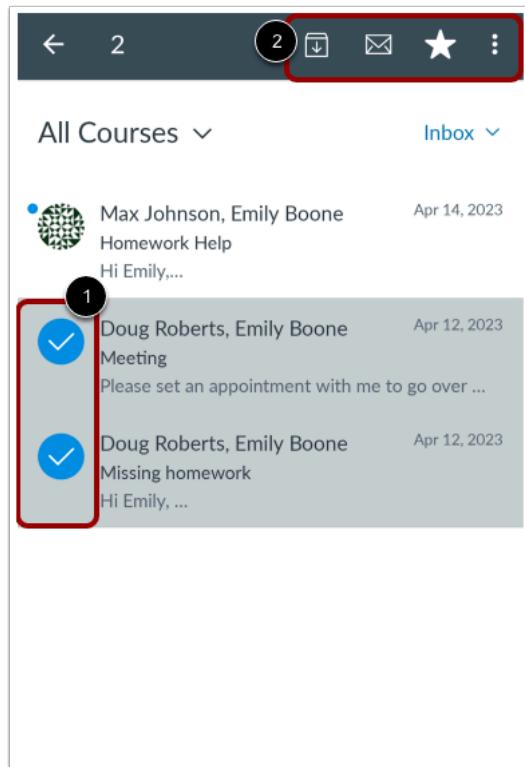

**Note:** Some filters may not apply to any messages.

## View Swipe Actions

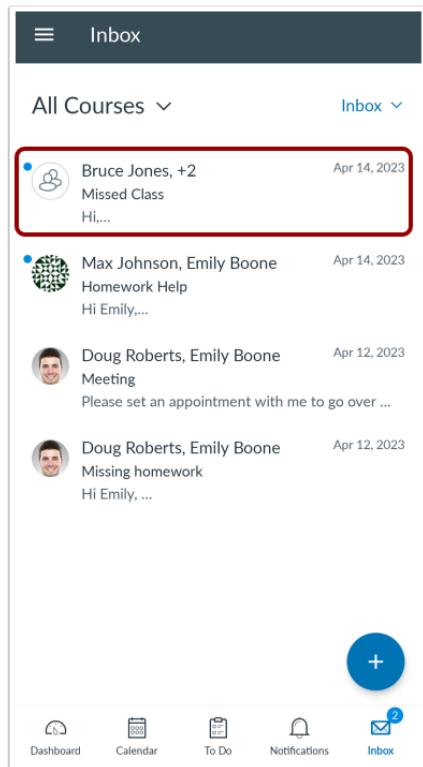

Swipe right to mark a message as read or unread [1]. Swipe left to archive a message [2]

## View Bulk Actions

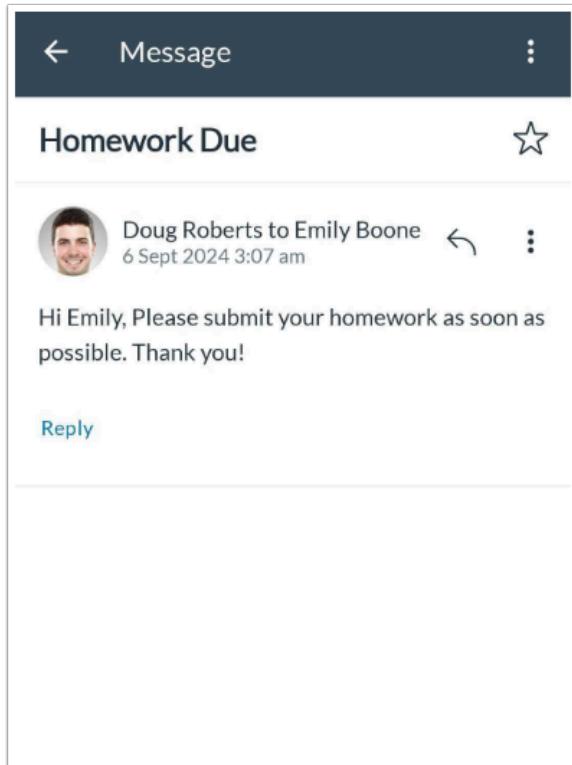

Tap and hold the user's profile icon to select multiple messages [1]. You can archive, mark as read or unread, star, or delete multiple messages [2].

## Open Message

To view a message, tap the message you want to open.

## View Message

Message

Homework Due

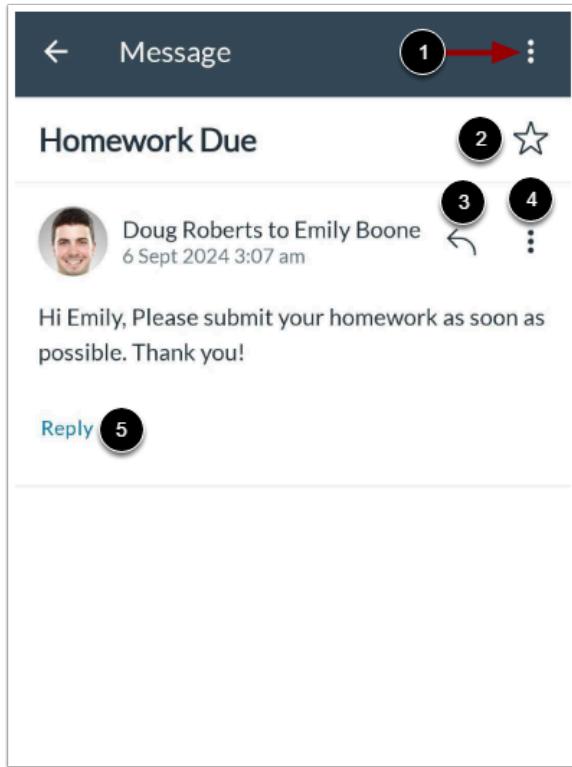

Doug Roberts to Emily Boone 6 Sept 2024 3:07 am

Hi Emily, Please submit your homework as soon as possible. Thank you!

Reply

View the selected message thread.

## Manage Message

To reply, reply all, mark as unread, forward, archive, or delete the entire message thread, tap the message **Options** icon [1].

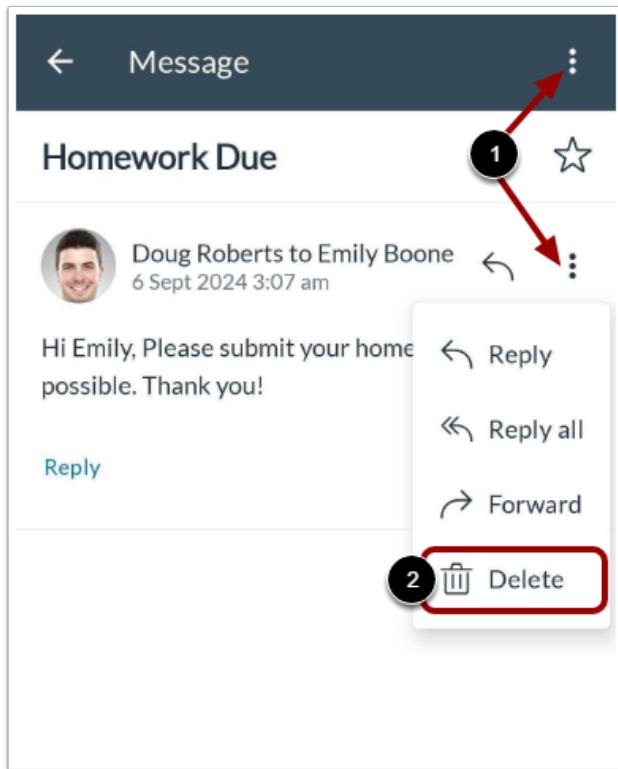

To star the message, tap the **Star** icon [2].

To forward a message, tap the **Forward** icon [3].

To reply, forward, or delete an individual message in the thread, locate the message and tap the **Options** icon [4].

To [reply to the message](#), tap the **Reply** link [5].

## Delete Messages

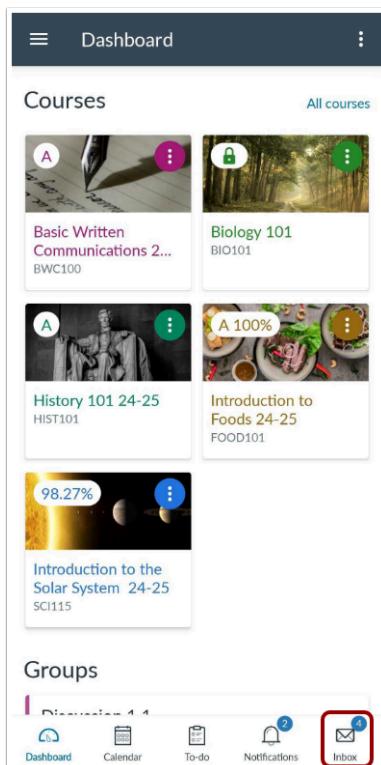

To delete a message or message thread, tap the **Options** icon [1] and then tap the **Delete** link [2]. To delete multiple [messages](#) or [message threads](#), you need to use the web browser.

## How do I send a message in the Canvas app on my Android device?

You can send messages to people in your courses using your Android device.

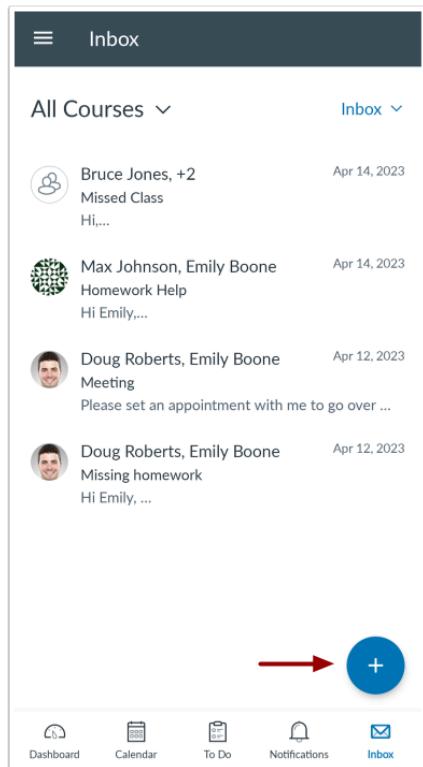

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Inbox

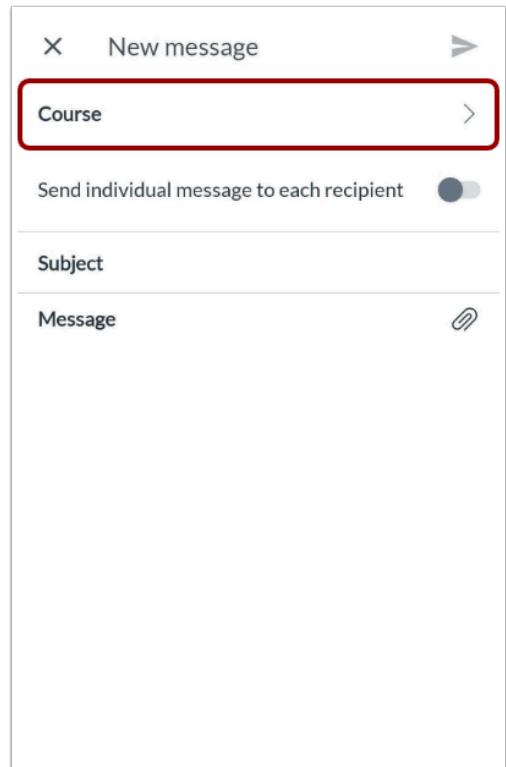

In the Navigation Bar, tap the **Inbox** icon.

## Add Message

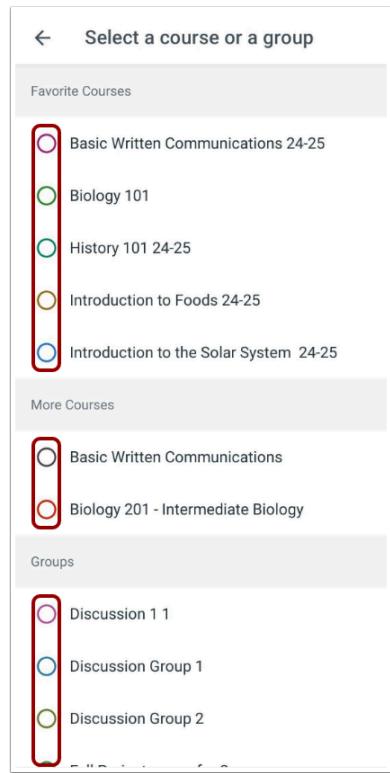

Tap the **Add** icon.

## Select Course

Tap the **Course** menu [1].

← Select a course or group

Favorite Courses

- Basic Written Communications 24-25
- Biology 101
- History 101 24-25
- Introduction to Foods 24-25
- Introduction to the Solar System 24-25

More Courses

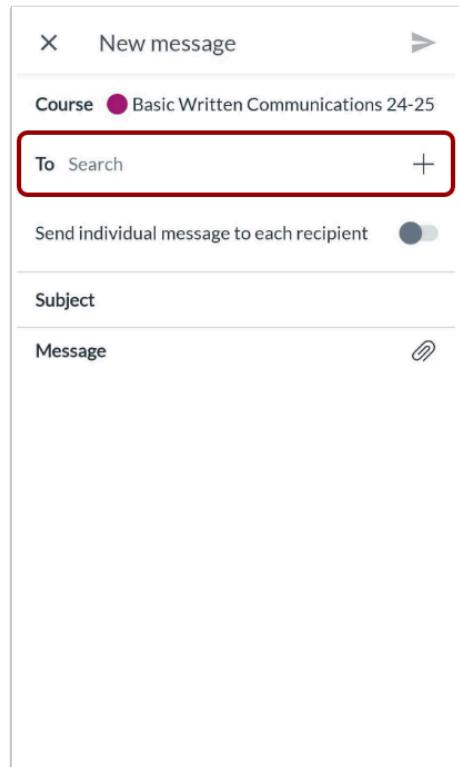

- Basic Written Communications
- Biology 201 - Intermediate Biology

Groups

- Discussion 1 1
- Discussion Group 1
- Discussion Group 2

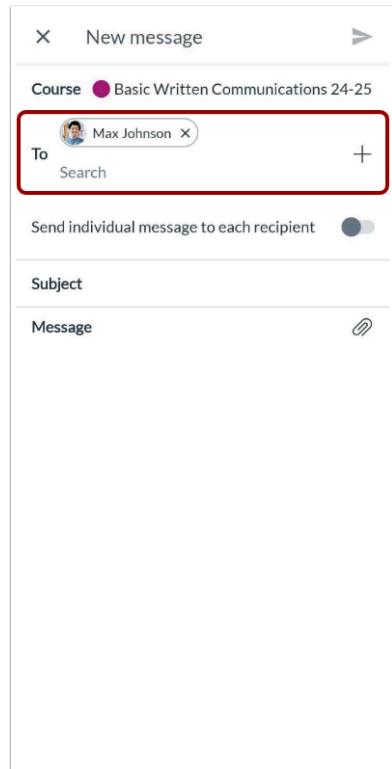

Select the course or group for your message [2].

## Search by Name

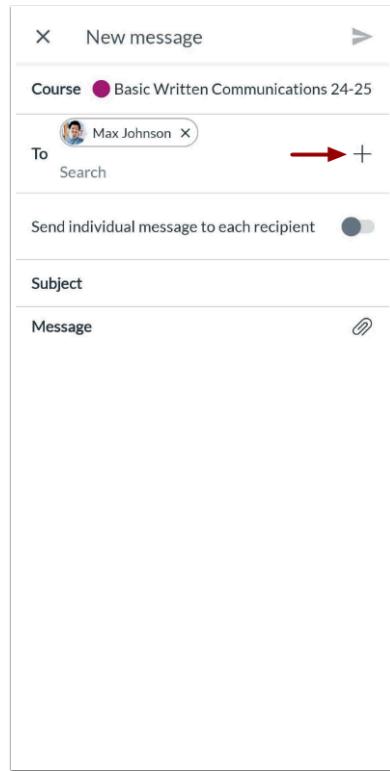

To search by name, enter the name of your recipient in the **To** field.

## Choose Recipients

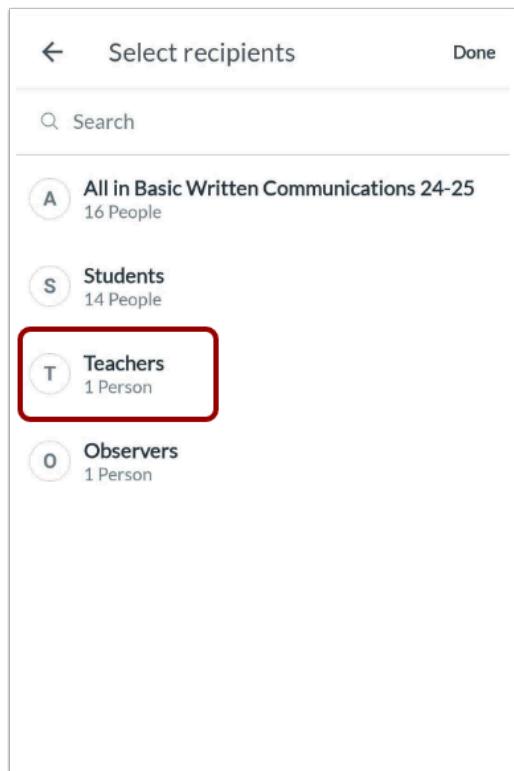

When the full name of the recipient appears, tap the name.

## Search by Course Filter

To search by filter, tap the **Add** icon.

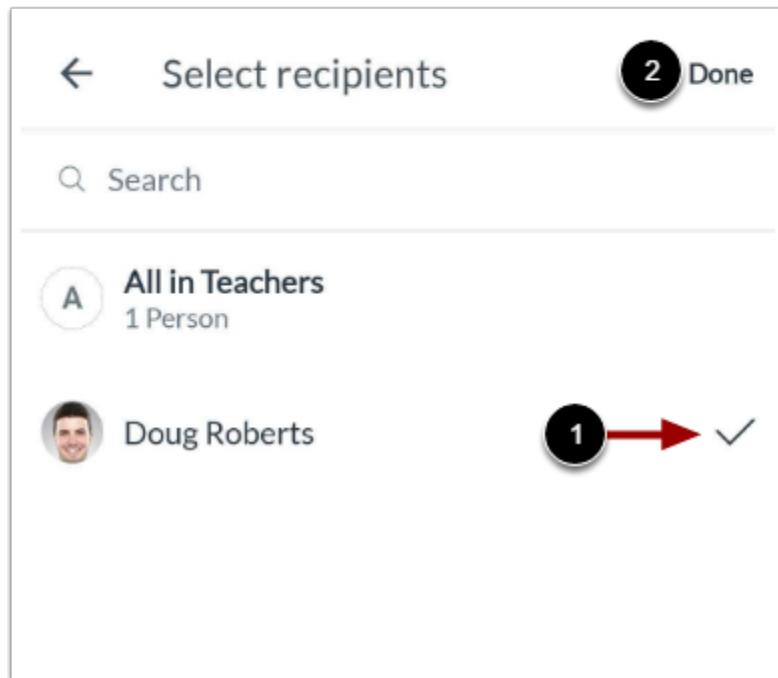

## View User Roles

To search by course filter, select users by group.

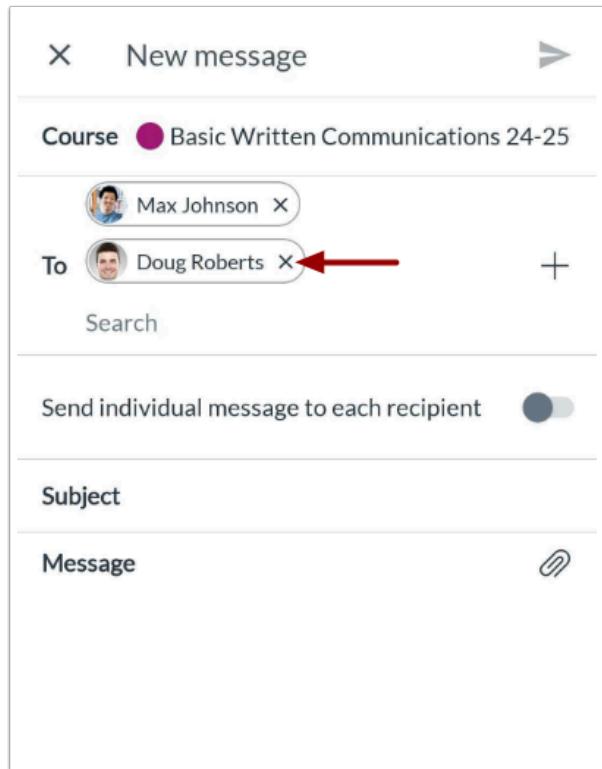

To select users in a group, tap the recipient's user group.

## Choose Recipients

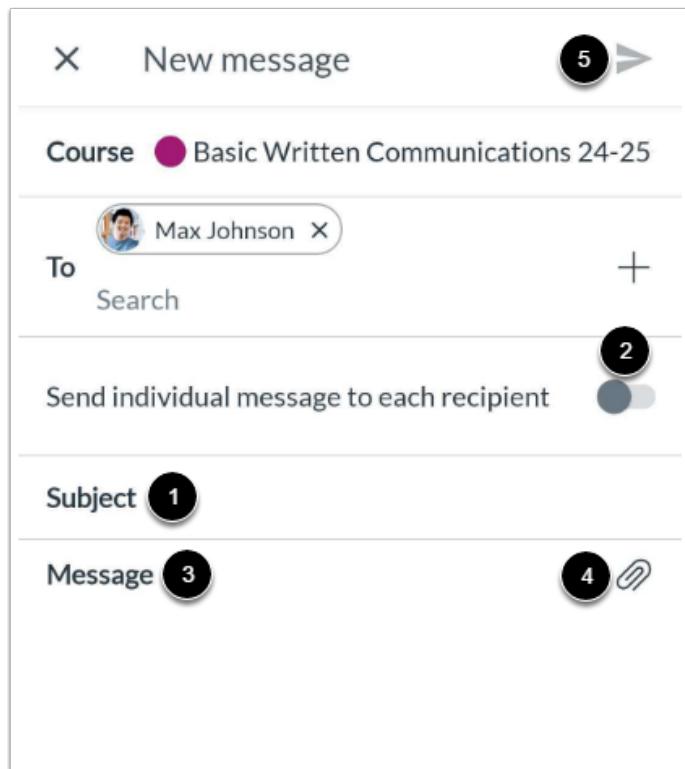

Tap the name(s) of the recipients [1]. A checkmark displays on the profile icon for each selected user. Then tap the **Done** link [2].

## Remove Recipient

To remove a recipient, hold down the name of the recipient and tap the **Remove** icon.

## Send Message

In the **Subject** field [1], enter a subject for your message.

If you want to send individual messages to each recipient, tap the **Send individual message to each recipient** toggle [2].

In the message field [3], type your message.

If you want to add an attachment to your message, tap the attachment icon [4].

When you are ready to send your message, tap the **Send** icon [5].

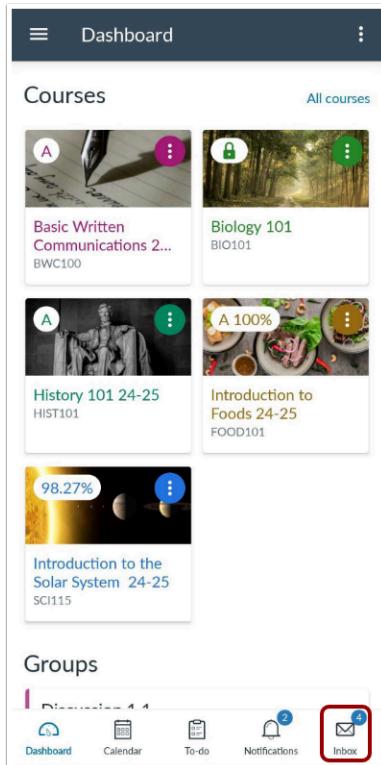

**Note:** New messages will not appear in the Inbox on the Canvas app until there is a reply to the message. However, if you have an existing Inbox message with a recipient, the message will appear as part of that message thread.

## How do I reply to a message in the Inbox in the Canvas app on my Android device?

You can reply to messages in your Inbox on your device so you can keep in touch with your course at any time. After your reply is sent, it will display at the top of the message thread.

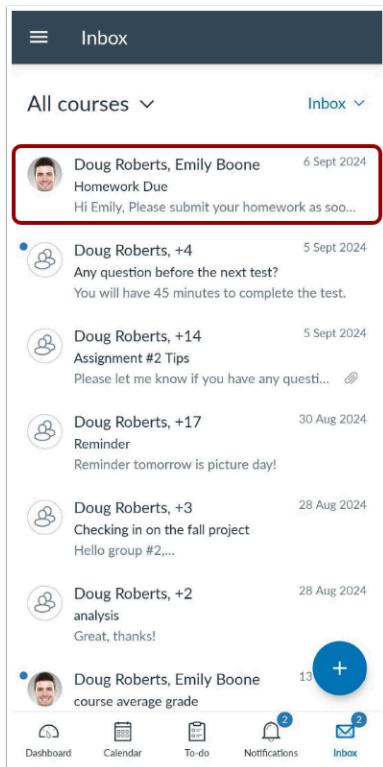

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Inbox

In the Navigation Bar, tap the **Inbox** icon.

## Open Message

## How do I view recipients in an existing group message in the Canvas app on my Android device?

If you send or receive a group conversations message, you can easily view all the recipients in the message.

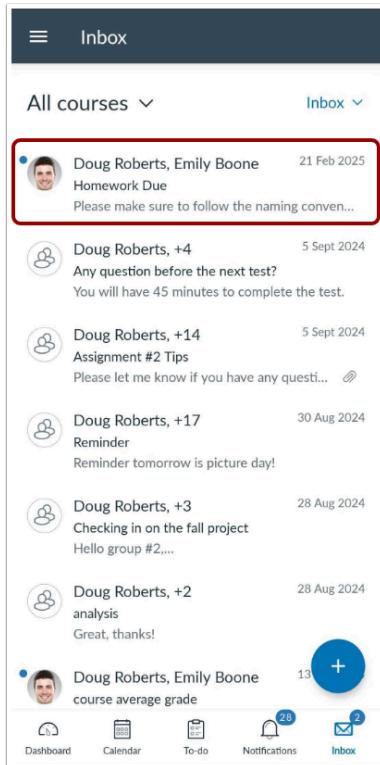

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Inbox

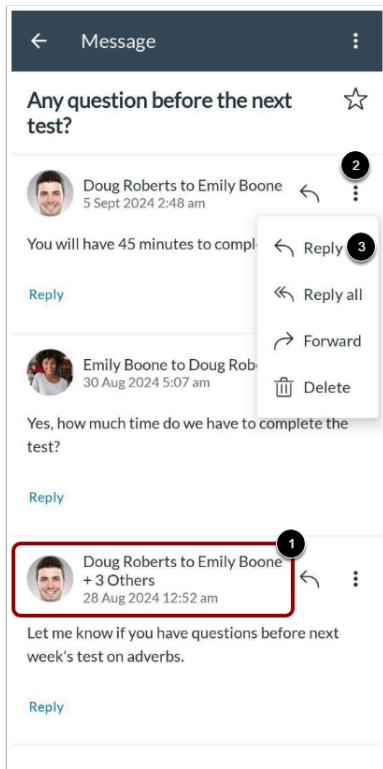

In the Navigation Bar, tap the **Inbox** icon.

## Open Group Message

Group messages include more than one recipient, as displayed in the recipient list. To open a group message, tap the message.

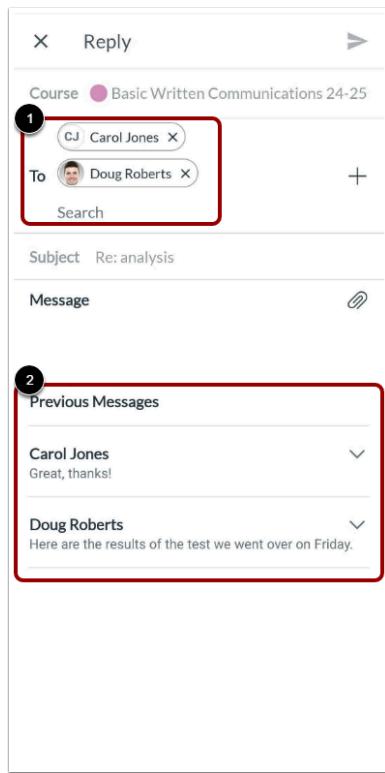

## Open Group Recipients

The complete list of recipients appears at the bottom of the message thread [1]. If the recipient list is too long to display all names, the list will show the additional number of recipients.

To view the list of recipients, tap the **Options** icon for the message [2]. Then tap the **Reply** option [3].

## View Group Recipients

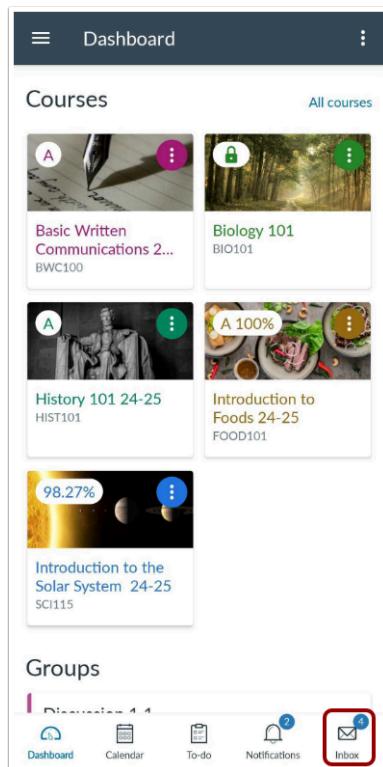

The message reply displays all recipients in your group message [1]. You can also view the **Previous Messages** in your group message [2].

## How do I add an attachment to a message in the Canvas app on my Android device?

You can send attachments in conversations messages using the Canvas app.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Inbox

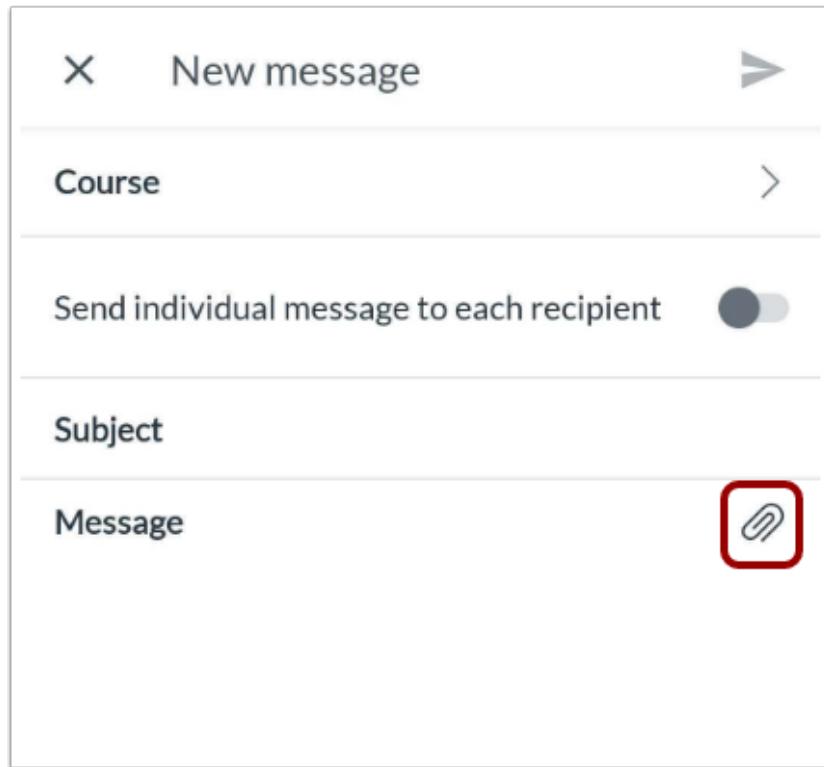

In the Navigation Bar, tap the **Inbox** icon.

## Add Message

Tap the **Add** icon.

## Open Attachments

Tap the **Attachment** icon.

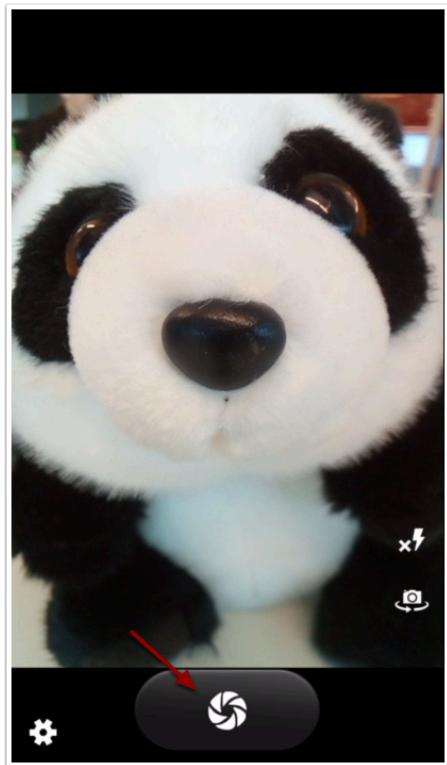

## Select Attachment Type

To attach a new photo from your camera, tap the **Camera** icon [1]. To attach an existing photo on your Android device, tap the **Gallery** icon [2]. To attach a file from your device, tap the **Device** icon [3].

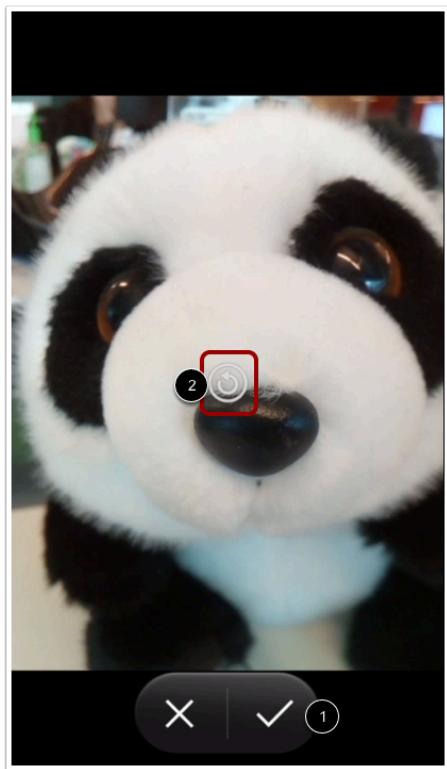

**Note:** To learn more about attaching a file from your device, view the [Canvas Media Comparison resource document](#).

## Take Photo

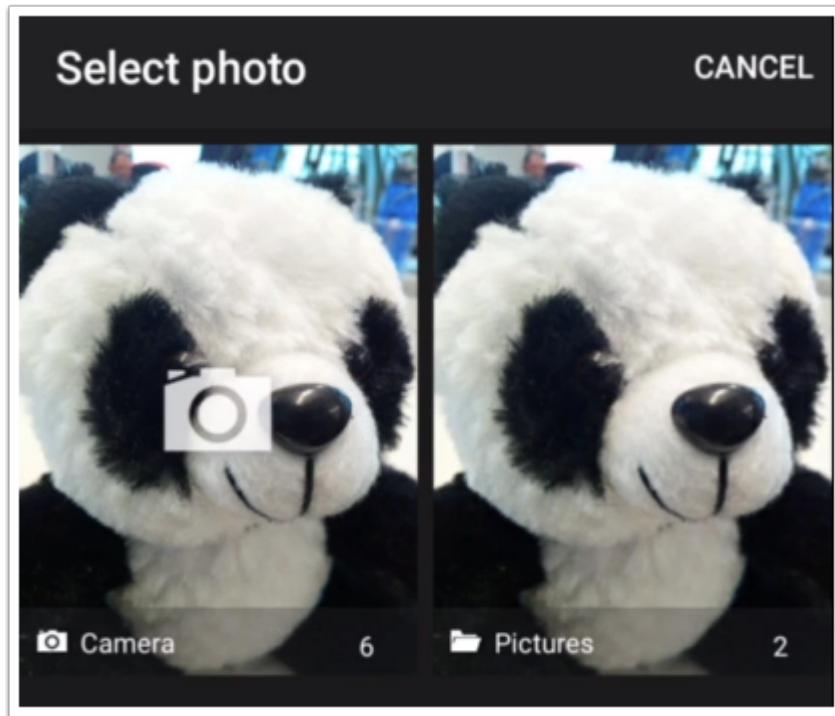

Tap the **Camera** icon.

## Use Photo

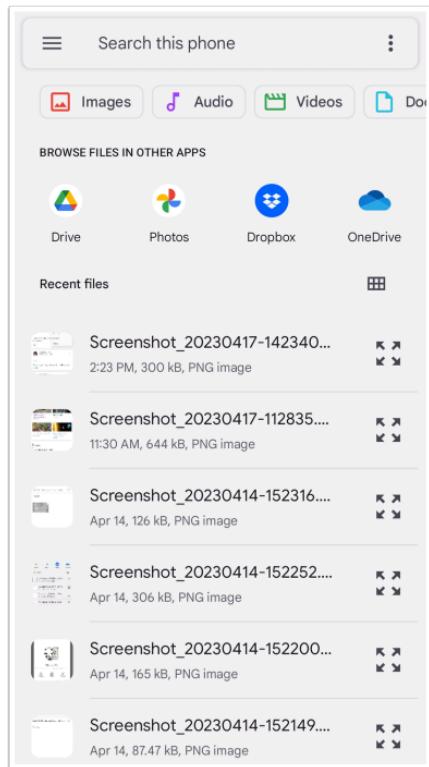

If you want to re-take the photo, tap the **Retake** icon [1]. Otherwise tap the **Checkmark** icon [2].

## Choose from Gallery

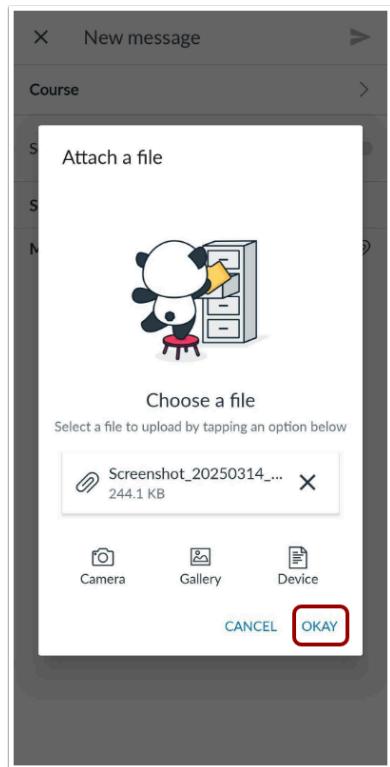

To select an existing photo, locate and select a photo from a photo gallery on your device.

## Choose from Device

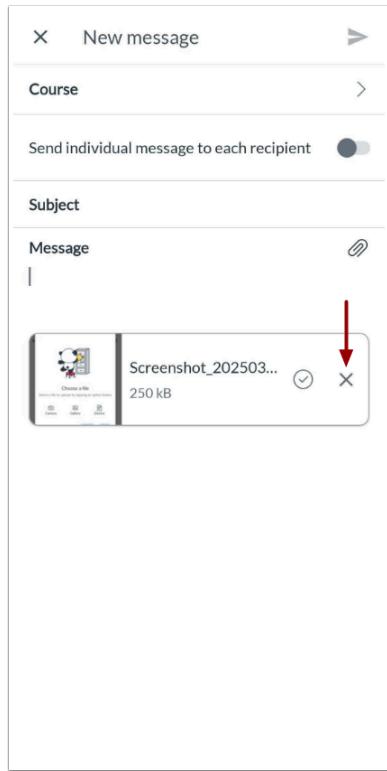

To select a file saved on your device, locate and select a file from your device.

## Add Attachment

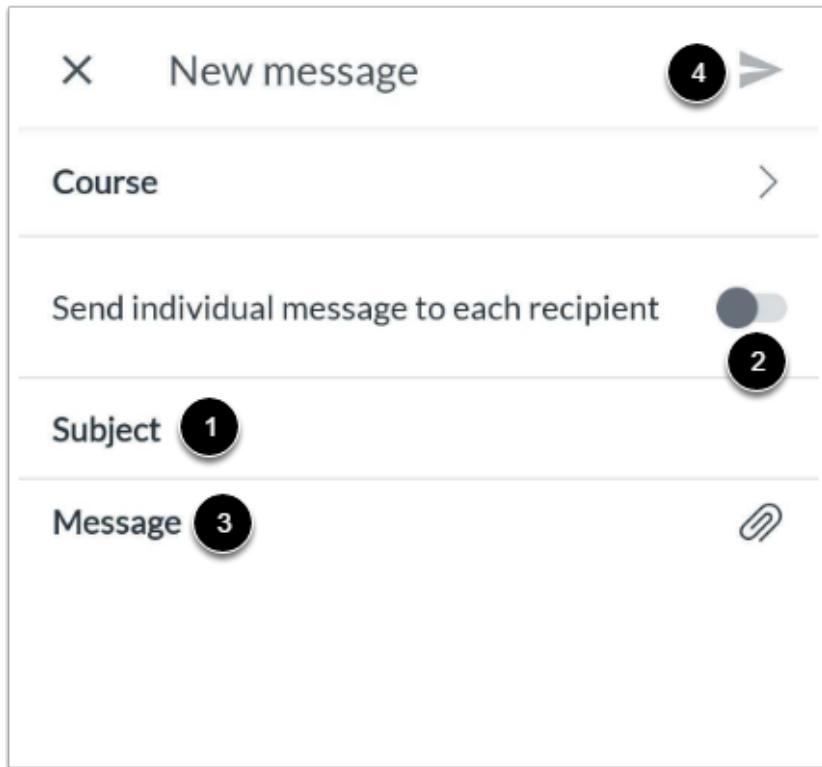

To add the attachment to the message, tap the **Okay** link.

## View Attachment

Attachments display at the bottom of your message. If you want to delete an existing attachment, tap the **Delete** icon for that attachment.

## Send Message

To [add a message recipient](#), first select a course [1]. In the **Subject** field, enter the message topic [2]. In the **Message** field [3], enter your message. When you are ready to send your message, tap the **Send** icon [4].

**Note:** New messages will not appear in the Inbox on the Canvas Student app until there is a reply to the message, but you can view the message in your Sent folder.

## How do I view Notifications in the Canvas app on my Android device?

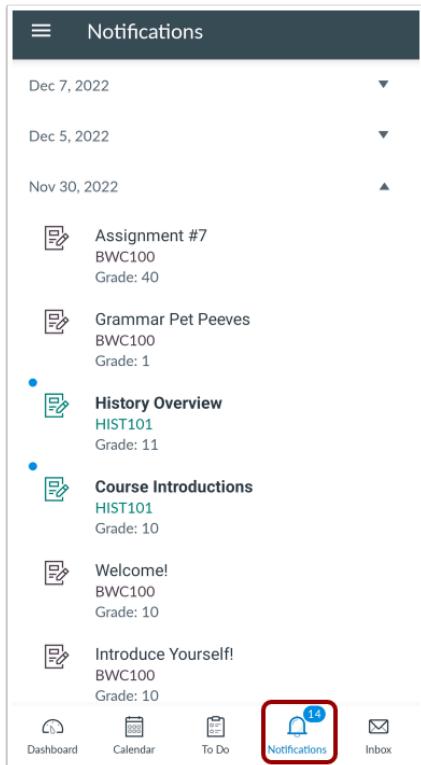

Canvas lets you view notification items in your Canvas courses. Notifications gives you an overview of all course notifications such as changes to an assignment due date, newly created assignment, course announcement, or a reply to a subscribed discussion. You can interact directly with any items that appear within notifications.

You can also [set Notification Preferences](#) in the app to receive push notifications for Canvas activity on your mobile phone.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

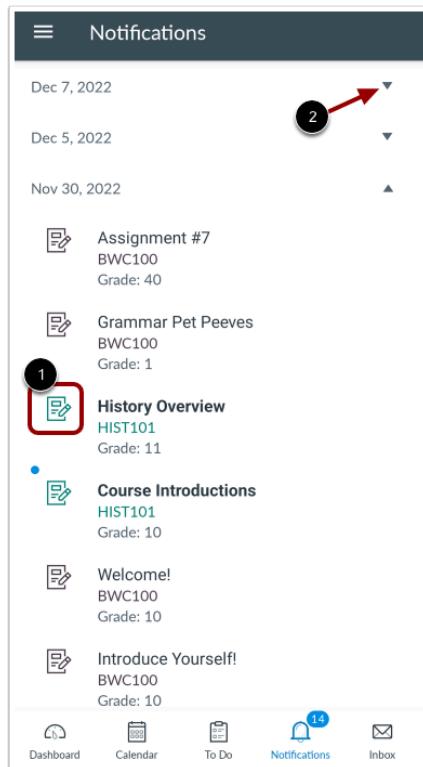

You can also view notifications by [adding a Canvas widget to your Android device](#).

## Open Notifications

In the Navigation Bar, tap the **Notifications** icon.

## View Notifications

The screenshot shows the 'Notifications' screen in the Canvas mobile app. At the top, there's a header with three horizontal bars and the word 'Notifications'. Below the header is a list of notifications organized by date. Each notification includes an icon representing the activity type (e.g., assignment, course introduction, welcome message), the course name, and a grade. A red circle with the number '1' is placed over the first notification, and a red arrow points to the collapse/expand icon (a triangle) next to the second notification. At the bottom of the screen, there are five navigation icons: Dashboard, Calendar, To Do, Notifications (which is the active tab, indicated by a blue background), and Inbox.

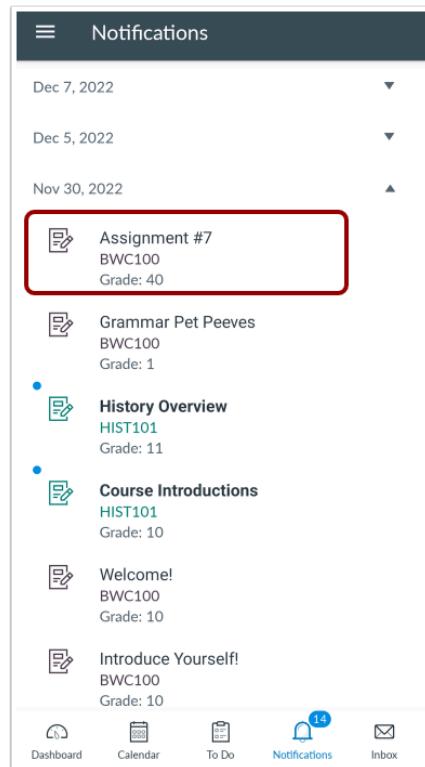

Date	Notification Type	Course	Grade
Dec 7, 2022	Assignment	BWC100	40
Dec 5, 2022	Assignment	BWC100	Grade: 1
Nov 30, 2022	Course Overview	HIST101	Grade: 11
	Course Introductions	HIST101	Grade: 10
	Welcome!	BWC100	Grade: 10
	Introduce Yourself!	BWC100	Grade: 10

Notifications gives you an overview of all course notifications such as changes to an assignment due date, newly created assignments, course announcements, conference invitations, or a reply to a subscribed discussion.

Each item is color-coordinated according to course or group and displays an icon for its activity type [1].

Items are organized by date. To collapse and expand to-do items for a specific date, tap the **Arrow** icon [2].

To view a notification item, tap the name of the item. The app will redirect to the notification's corresponding page.

## Delete Notification

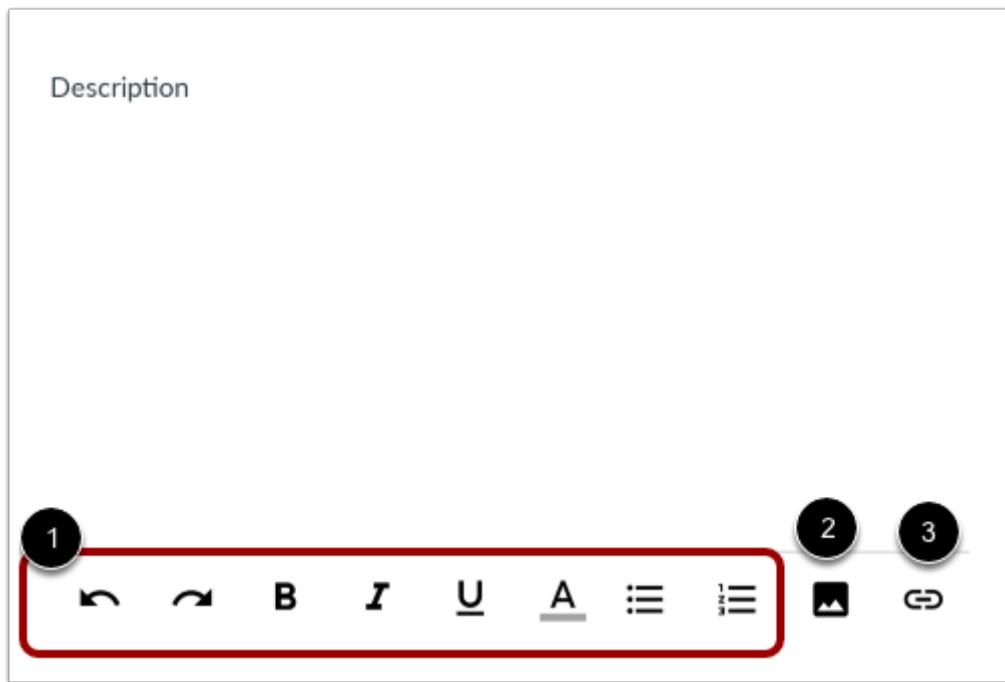

To remove a notification, tap and hold the notification [1]. Tap the **Delete** button [2].

## How do I use the Rich Content Editor in the Canvas app on my Android device?

You can use the [Rich Content Editor](#) to edit and format text in the Canvas app. The Rich Content Editor is available in Assignments, Announcements, and Discussions.

### View Rich Content Editor

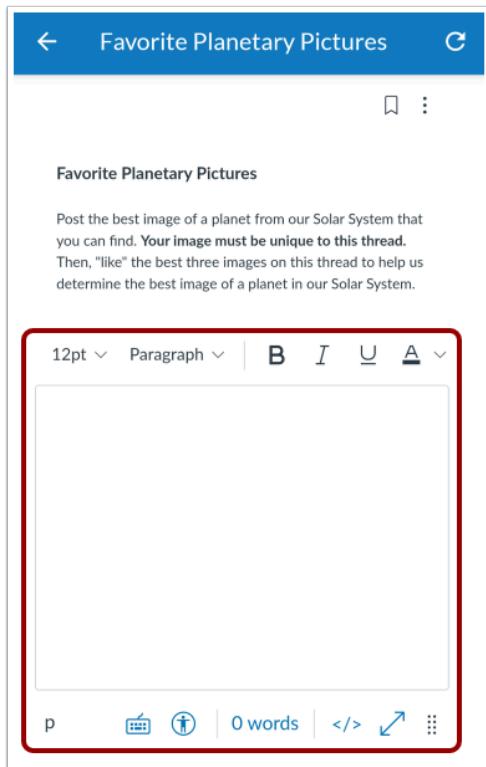

You can use the [Rich Content Editor](#) when editing posts and replies in Announcements.

The Rich Content Editor allows you to format text [1], attach images [2], or add links [3]. You may have to swipe your screen to the left or right to view all Rich Content Editor icons.

**Note:** Depending on the feature, you may be able to record or upload media files by using the Media Upload assignment option.

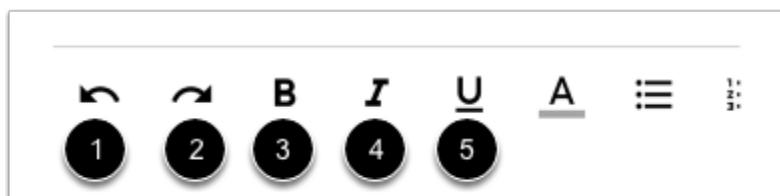

## View Rich Content Editor in Discussions

You can use the [Rich Content Editor](#) when editing posts and replies in Discussions.

The Rich Content Editor allows you to format text, attach images, or add links. You may have to swipe your screen to the left or right to view all Rich Content Editor icons.

## Format Text

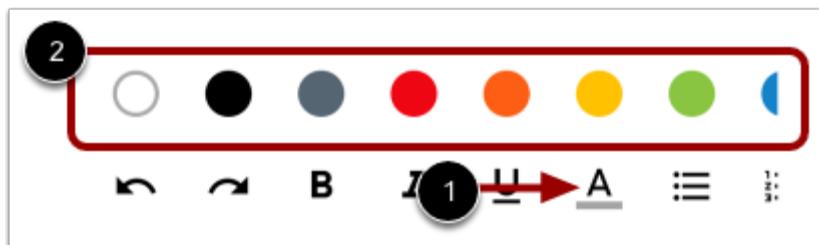

To undo your last action, tap the **Undo** icon [1]. To redo what was previously undone, tap the **Redo** icon [2].

To bold text, tap the **Bold** icon [3]. To italicize text, tap the **Italics** icon [4]. To underline text, tap the **Underline** icon [5].

To stop using bold, italics, or underline formatting, tap the Bold, Italics, or Underline icon again.

## Change Text Color

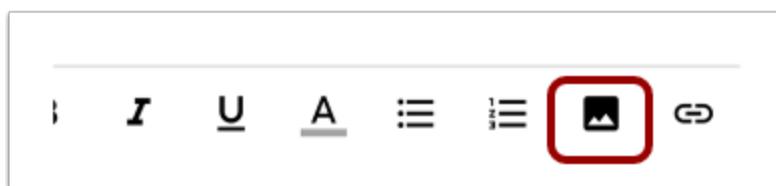

To change the text color, tap the **Color** icon [1]. Then tap the color you want to use [2].

## Create List

To format text as a bulleted list, tap the **Bulleted List** icon [1]. To format text as a numbered list, tap the **Numbered List** icon [2].

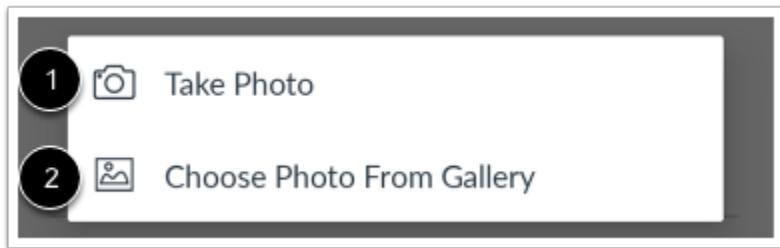

## Insert Image

To insert an image, tap the **Image** icon.

Learn about [supported image file types](#).

## Select Image Option

To take a photo from your camera, tap the **Take Photo** link [1].

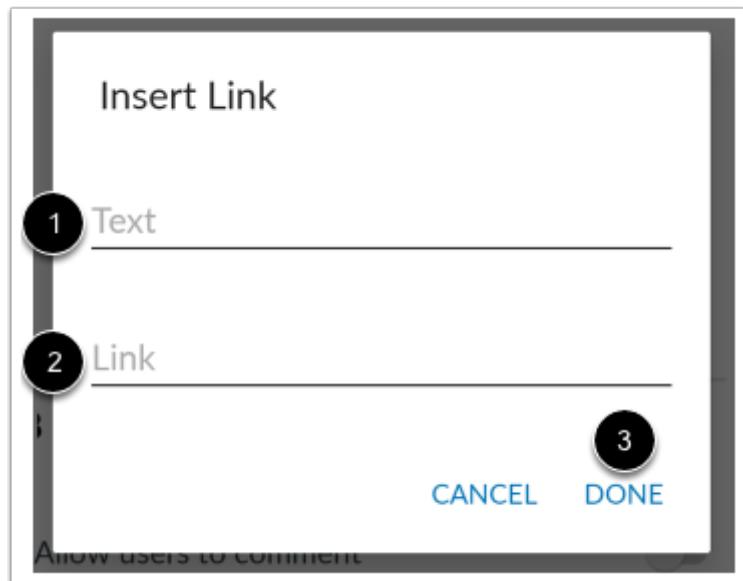

To select an image from your device, tap the **Choose Photo From Gallery** link [2].

## Add Link

To add a link, tap the **Link** icon.

## Link to Website URL

Enter the link title in the **Text** field [1] and the link URL in the **Link** field [2]. Then tap the **Done** link [3].

## How do I view the To-Do List in the Canvas app on my Android device?

The To-Do List displays course to-do items to help you easily manage tasks across all of your courses.

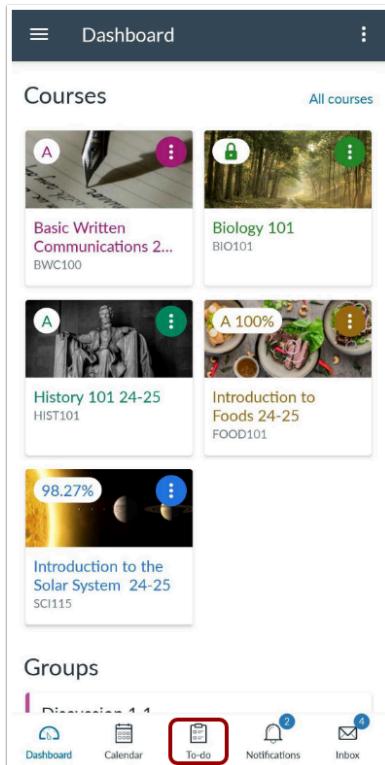

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

You can also view the To-Do List by [adding a Canvas widget to your Android device](#).

### Notes:

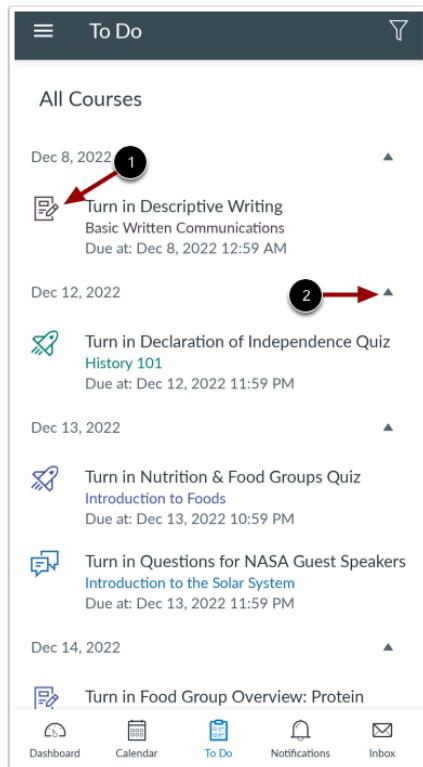

- You can [add personal to-do items in the app](#). However, to-do items created in the app only display in the Calendar.
- The To-Do list displays items that are due within the next seven days.

## Open To-Do List

In the Navigation Bar, tap the **To Do** icon.

## View To-Do List

The screenshot shows the Canvas To-Do List. At the top, there's a header with a menu icon, the title 'To Do', and a search icon. Below the header, it says 'All Courses'. The list is organized by due date:

- Dec 8, 2022:**
  -  Turn in Descriptive Writing  
Basic Written Communications  
Due at: Dec 8, 2022 12:59 AM
- Dec 12, 2022:**
  -  Turn in Declaration of Independence Quiz  
History 101  
Due at: Dec 12, 2022 11:59 PM
- Dec 13, 2022:**
  -  Turn in Nutrition & Food Groups Quiz  
Introduction to Foods  
Due at: Dec 13, 2022 10:59 PM
  -  Turn in Questions for NASA Guest Speakers  
Introduction to the Solar System  
Due at: Dec 13, 2022 11:59 PM
- Dec 14, 2022:**
  -  Turn in Food Group Overview: Protein

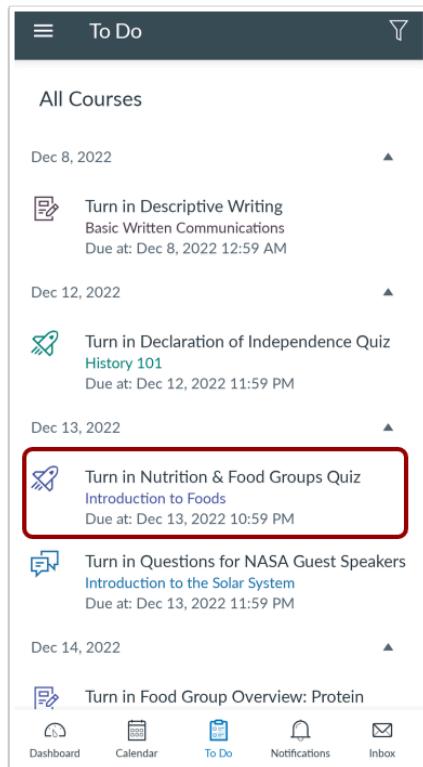

At the bottom of the list, there are navigation icons for Dashboard, Calendar, To Do (which is highlighted in blue), Notifications, and Inbox. There are also collapse/expand arrows for each date group.

The To-Do List gives you a quick view of upcoming graded assignments, quizzes, and discussions that you have not yet completed. Each item is color-coordinated according to course and displays an icon for its activity type: discussion, quiz, or assignment [1].

To-do items are organized by due date. To collapse and expand to-do items for a specific date, tap the **Arrow** icon [2].

**Note:** Users who are using the Canvas app with an instructor role will see To-Do notifications about grading assignments.

## View To-Do List Item

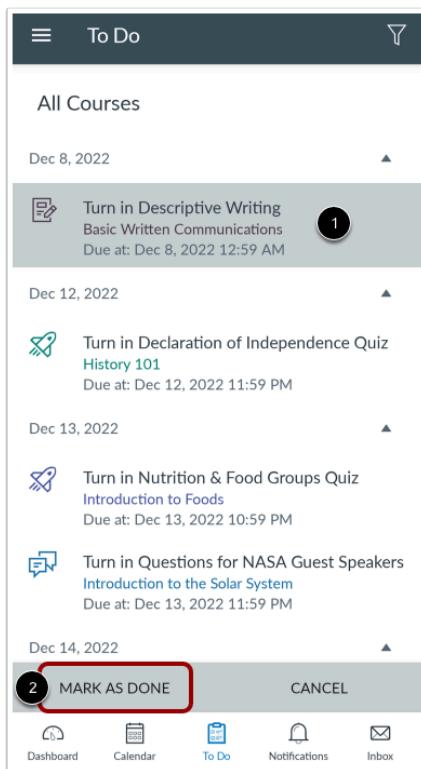

The screenshot shows the Canvas Android application's To-Do list. The interface includes a header with a menu icon, the title 'To Do', and a search icon. Below the header, the text 'All Courses' is displayed. The list is organized by due date:

- Dec 8, 2022:** Turn in Descriptive Writing (Basic Written Communications) Due at: Dec 8, 2022 12:59 AM
- Dec 12, 2022:** Turn in Declaration of Independence Quiz (History 101) Due at: Dec 12, 2022 11:59 PM
- Dec 13, 2022:** Turn in Nutrition & Food Groups Quiz (Introduction to Foods) Due at: Dec 13, 2022 10:59 PM (This item is highlighted with a red box)
- Dec 14, 2022:** Turn in Questions for NASA Guest Speakers (Introduction to the Solar System) Due at: Dec 13, 2022 11:59 PM

At the bottom of the screen, there is a navigation bar with icons for Dashboard, Calendar, To Do (which is selected and highlighted in blue), Notifications, and Inbox.

To view a to-do item, tap the name of the item. The app will redirect to the item's corresponding page.

## Mark Item as Done

To mark a to-do items as done, tap and hold the item [1]. Tap the **Mark as Done** button [2].

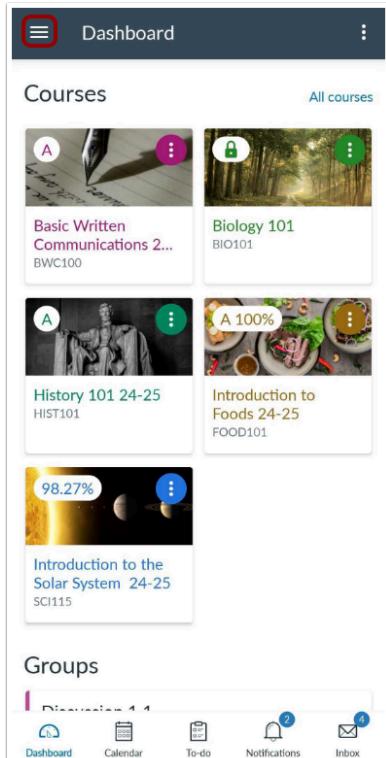

## How do I view my User Files in the Canvas app on my Android device?

You can view personal files that you've added to your account on the Canvas app.

Learn how to [manage your personal files](#).

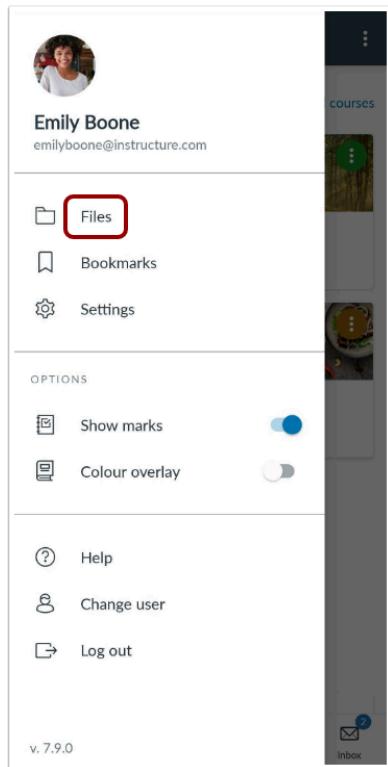

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open User Menu

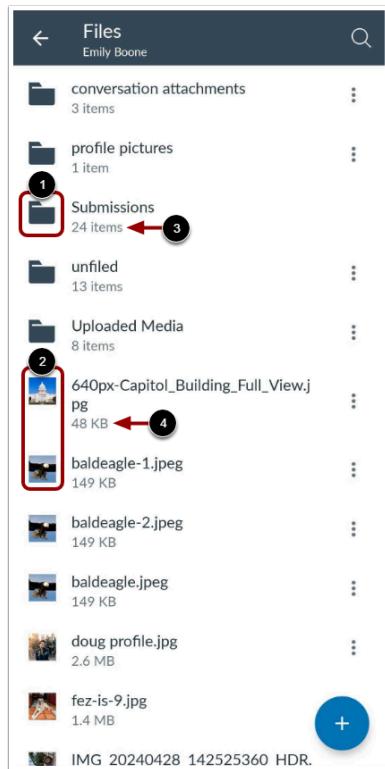

In the Dashboard, tap the **User Menu** icon.

## Open Files

Tap the **Files** link.

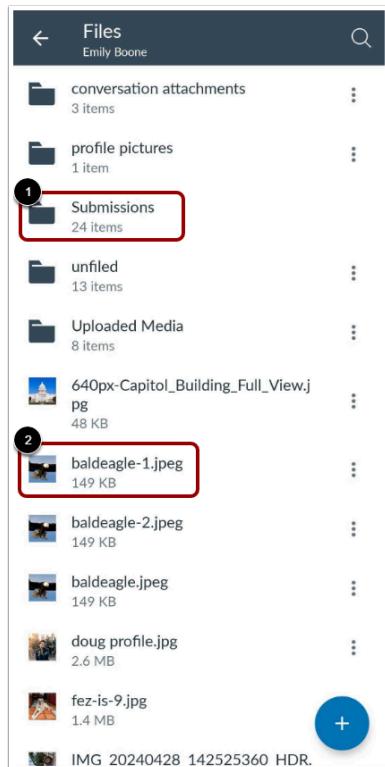

## View User Files

User Files displays file folders [1] and file items [2].

File folders show how many file items are within a folder [3]. Individual files show the size of the file [4].

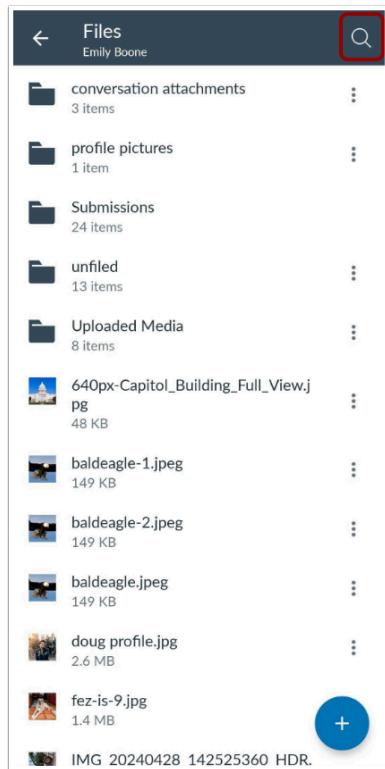

## View Files and Folders

To view files within a folder, tap the name of the folder [1].

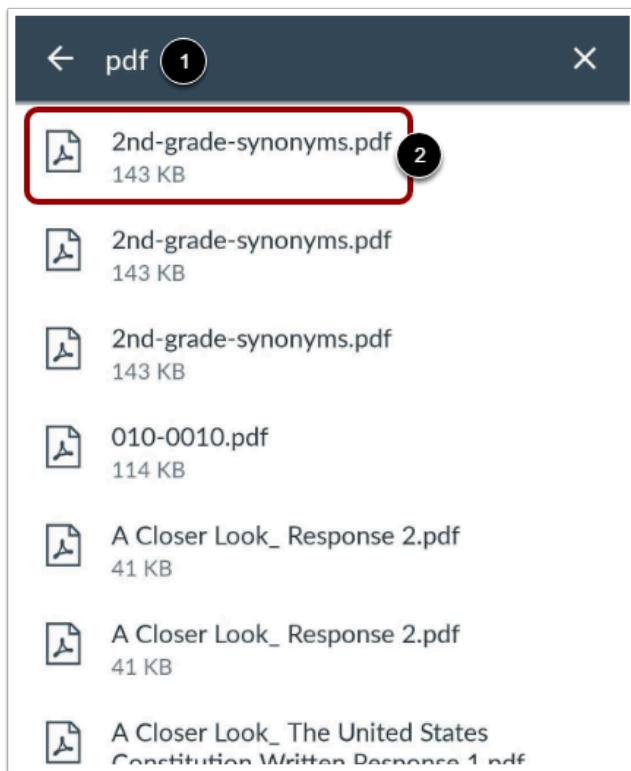

To view a specific file, tap the name of the file [2]. If your device has an application installed that can display the file, you can view the file in the app.

## Search Files

To open the search field, tap the **Search** icon.

## Open File

To search for a file, type the file name in the search field [1]. To open the file, tap the name of the file [2].

### Notes:

- You must type three or more characters for search results to display.
- Search results will not include file folders.

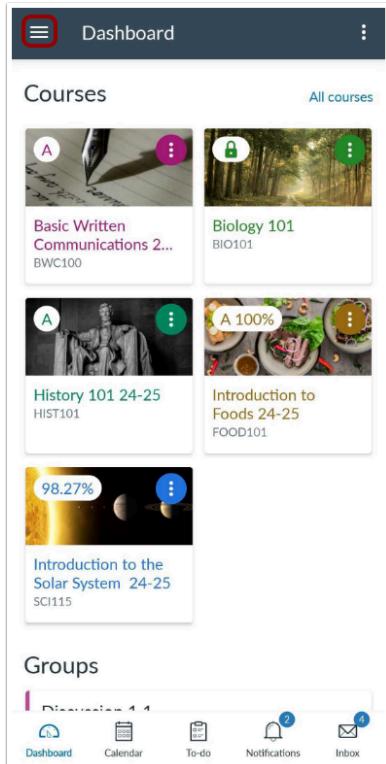

## How do I manage my User Files in the Canvas app on my Android device?

You can manage all the personal files in your Canvas account in the Canvas app.

If you want an uploaded file to appear in a specific folder, open the folder before uploading the file. File items that are uploaded in the Root User Folder will be placed in the unfiled folder.

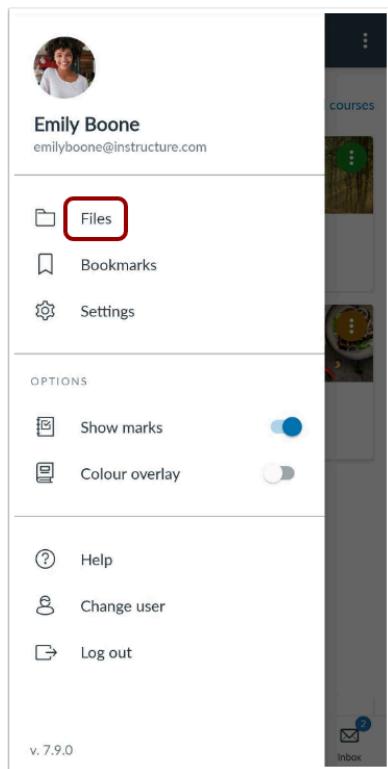

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open User Menu

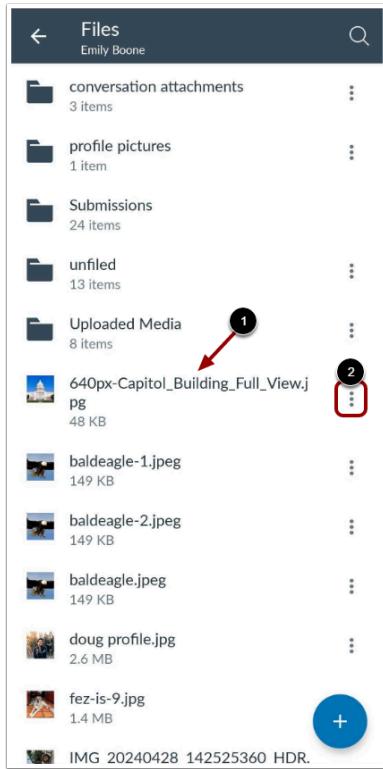

In the Dashboard, tap the **User Menu** icon.

## Open Files

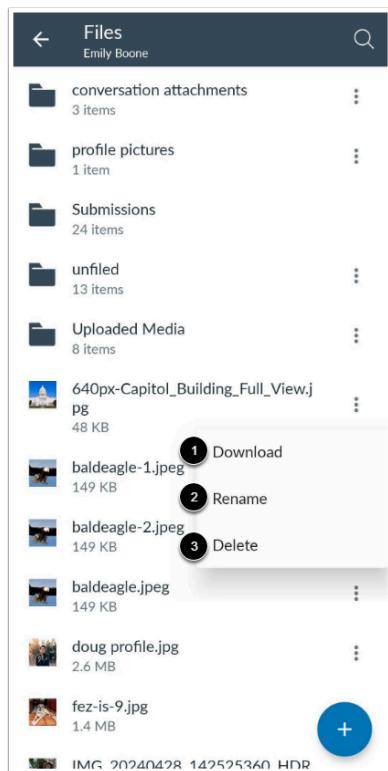

Tap the **Files** link.

## Manage My Files

To open a file, tap the name of the file [1]. To manage a file, tap the **Options** icon [2].

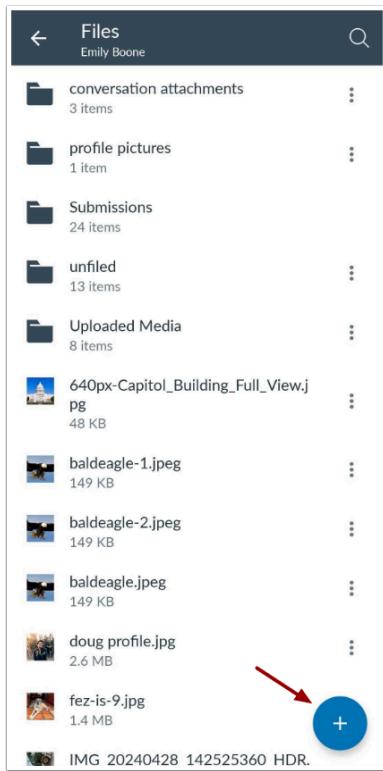

## View File Options

To download the file, tap the **Download** option [1]. To rename the file, tap the **Rename** option [2]. To delete the file, tap the **Delete** option [3].

**Note:** You cannot create new folders, move files from one folder to another, or download files in the Canvas app.

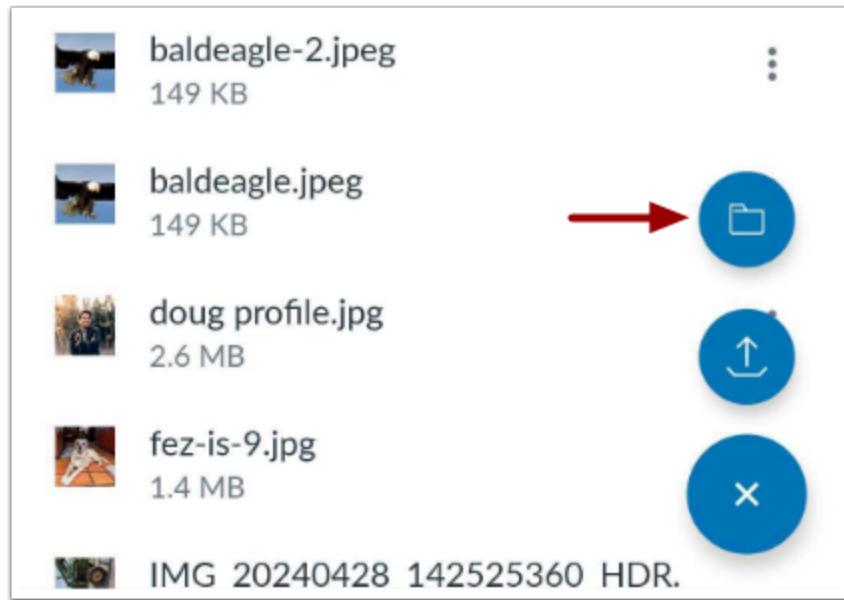

## Add New Item

To upload a new file or folder, tap the **Add** button.

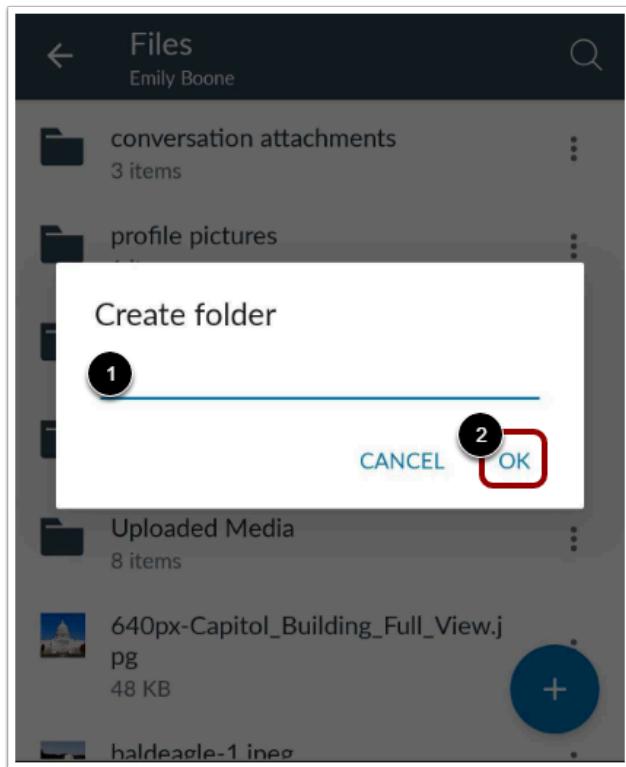

**Note:** If you want an uploaded file to appear in a specific folder, open the folder before uploading the file. File items that are uploaded in the Root User Folder will be placed in the unfiled folder.

## Add Folder

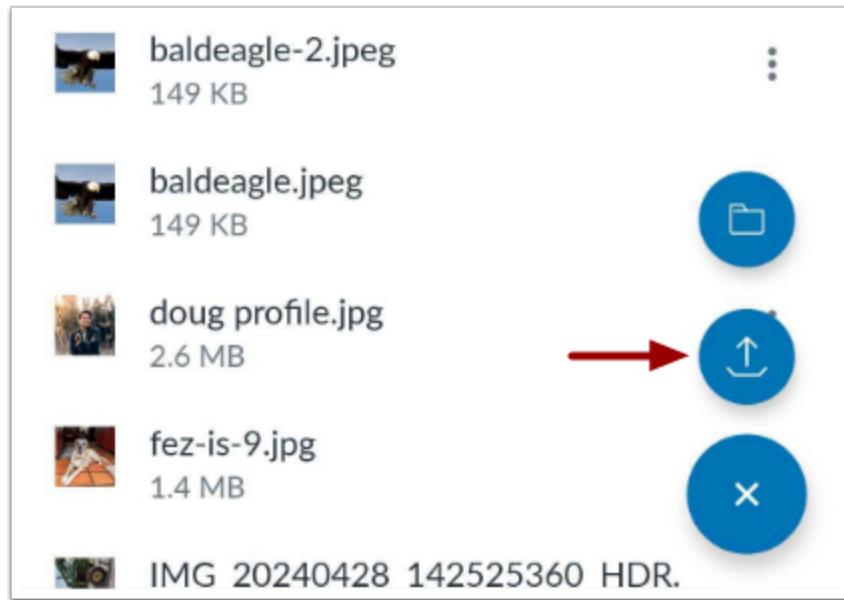

To add a new folder, tap the **Folder** button.

## Name Folder

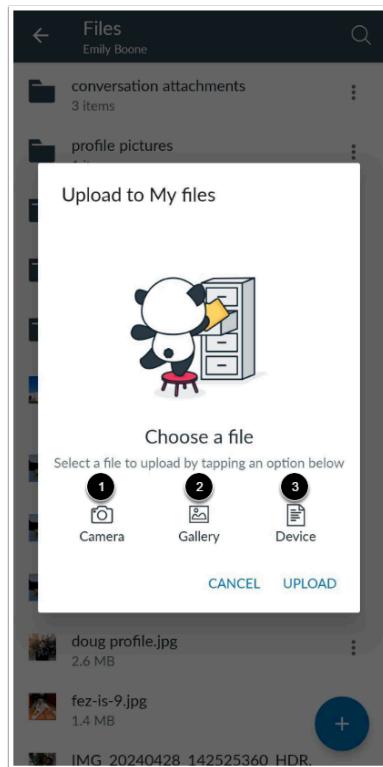

Enter the name of your folder [1], then tap the **OK** link [2].

## Add File

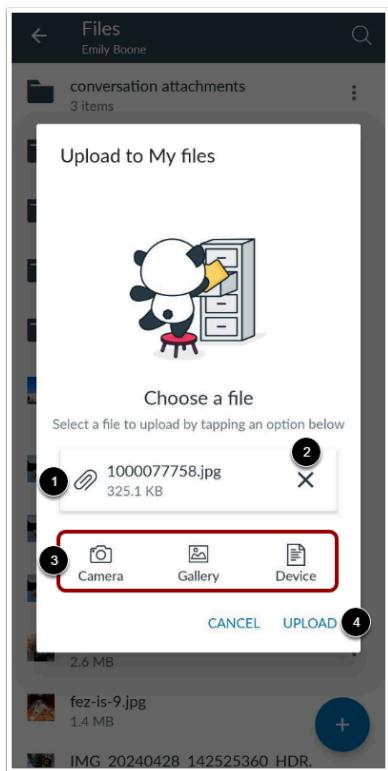

To add a new file, tap the **Upload** button.

## Select File Location

Select the location of your file. You can take a new photo from your camera [1], find a file in your photo gallery [2], or search your device for a file [3].

## Upload File

Once your file has been selected, it will display in the Attachments window [1]. To remove the file, tap the **Remove** icon [2]. To add another file, tap the destination for the file [3].

To upload your file, tap the **Upload** button [4].

## How do I add a Canvas widget for the Canvas App to my Android device?

The Canvas app comes with several widgets for quick access to grades, notifications, to-do items, and bookmarks.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

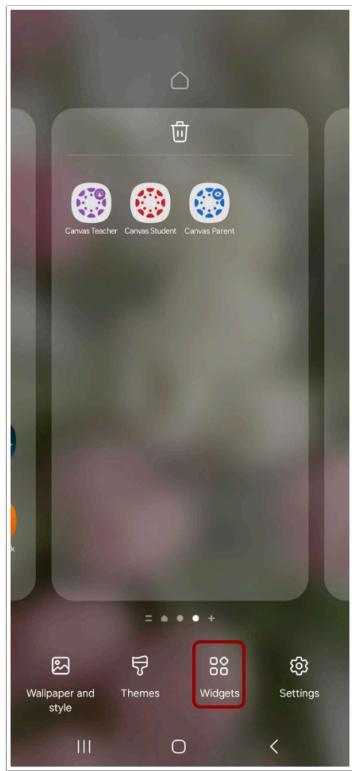

- Depending on your Android device, the steps to install a widget may vary from what is pictured below. If you have questions, please refer to your device instructions about how to install a widget.
- Widgets are not available for the Canvas Teacher or Canvas Parent apps.

## Tap and Hold Screen

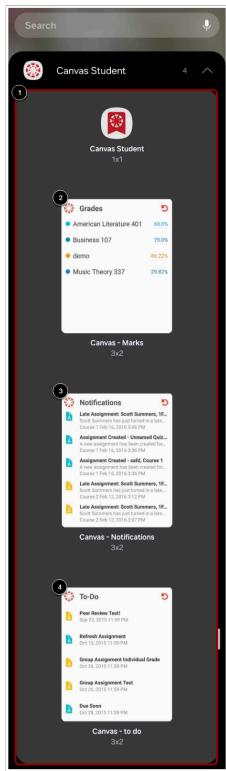

Tap and hold the home screen.

## Open Widgets

Tap the **Widgets** icon.

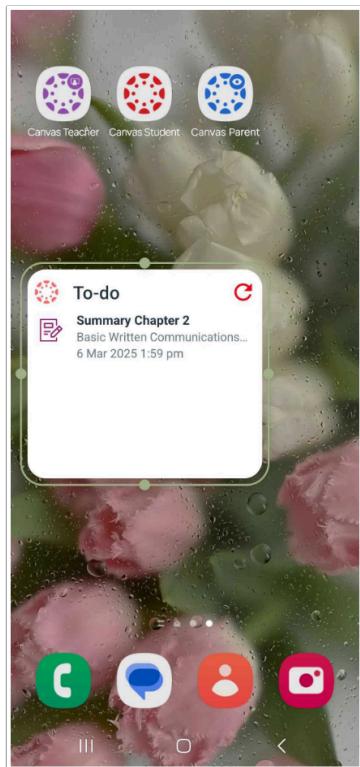

## Find Canvas Widgets

Find the Canvas widgets [1]. The following widgets are available:

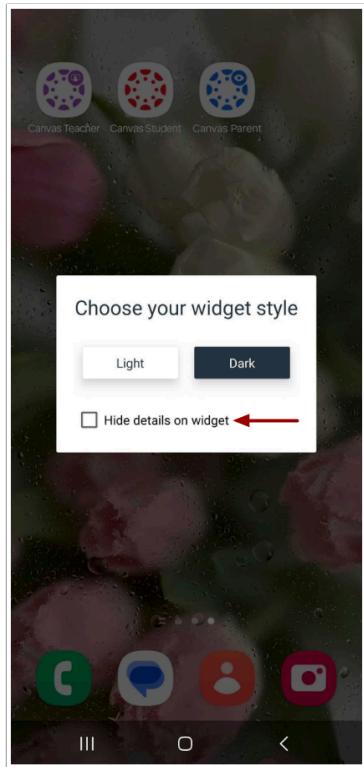

- Marks [2]: displays the overall grade for a student's favorite courses.
- Notifications [3]: displays the [notifications listed on the Notifications page](#).
- To Do List [4]: displays [To Do list items](#) from [your favorite courses](#).

## Place Widget

Tap and hold the widget, then select a screen to place it on.

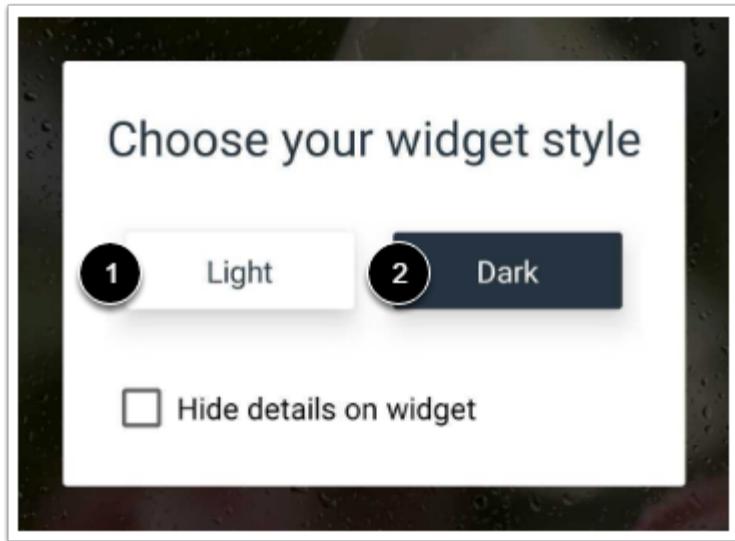

## Choose Widget Style

If you want to hide the details in the widget, tap the **Hide details on widget** checkbox.

**Note:** The Hide details on widget option is not available for the bookmark widget.

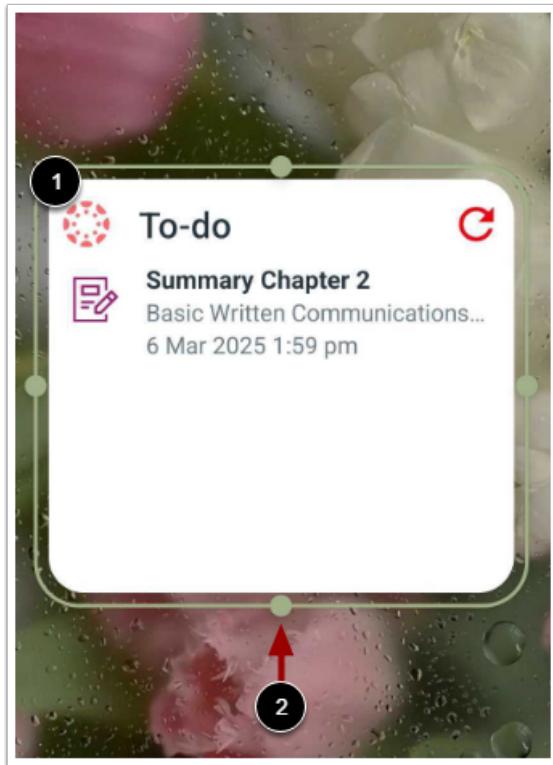

## Select Style

Tap your preferred widget style: light [1] or dark [2]. The light widget style will style the widget has dark text over a light background. The dark widget style will style the widget as light text over a dark background.

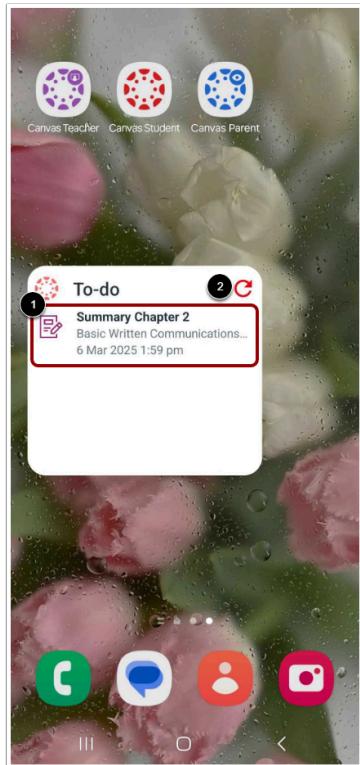

**Note:** Widget styles are not available for the bookmark widget.

## Resize Widget

To move the widget, tap and hold on the widget [1]. To resize the widget, tap and drag the resize icons [2].

## View the Widget

View your Canvas widget. To view a widget item directly in the app, tap the item [1].

To refresh the widget information, tap the **Refresh** icon [2].

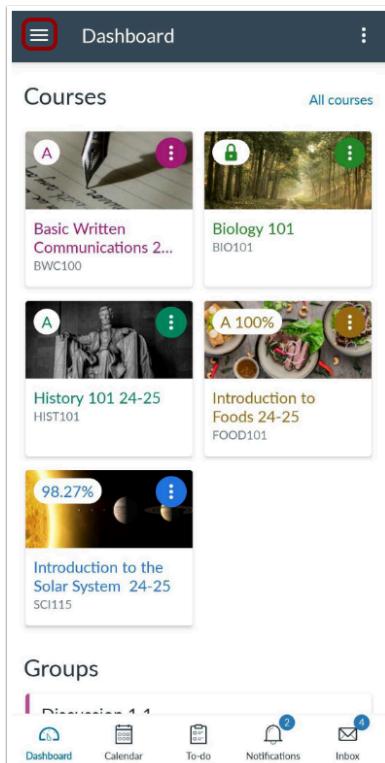

## How do I view Bookmarks in the Canvas app on my Android device?

You can view all [contents that you've bookmarked](#) in the Canvas app.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

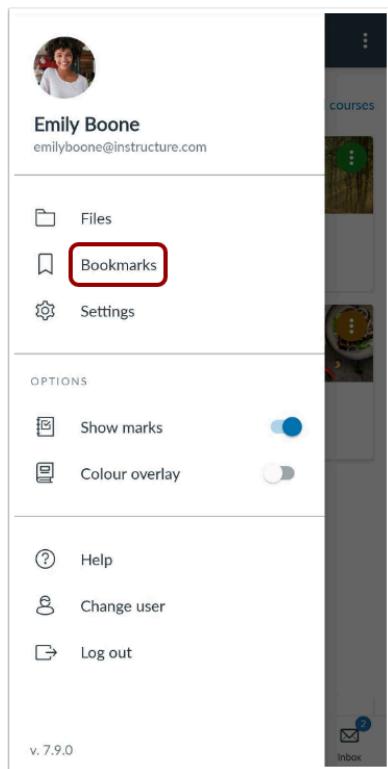

You can also view bookmarks by [adding a Canvas widget to your Android device](#).

### Open User Menu

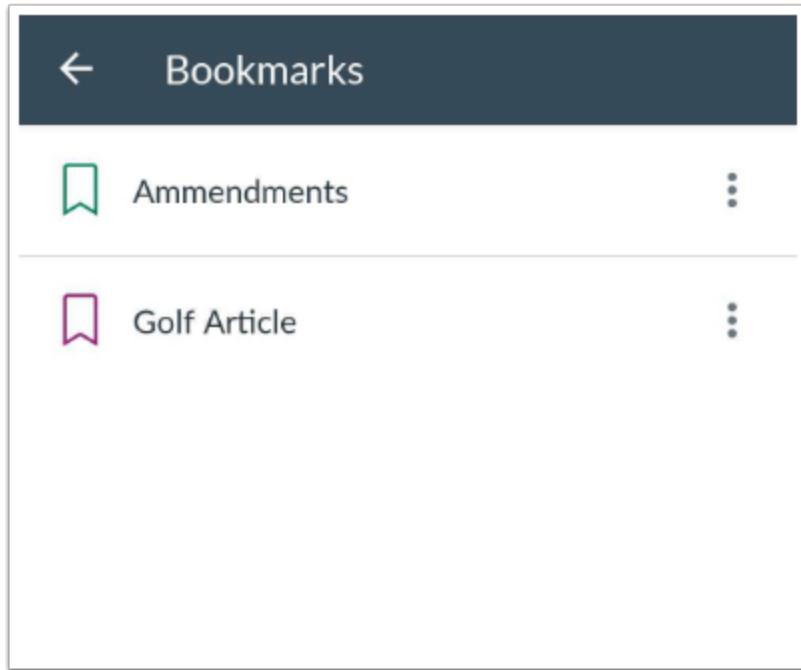

In the Dashboard, tap the **User Menu** icon.

## Open Bookmarks

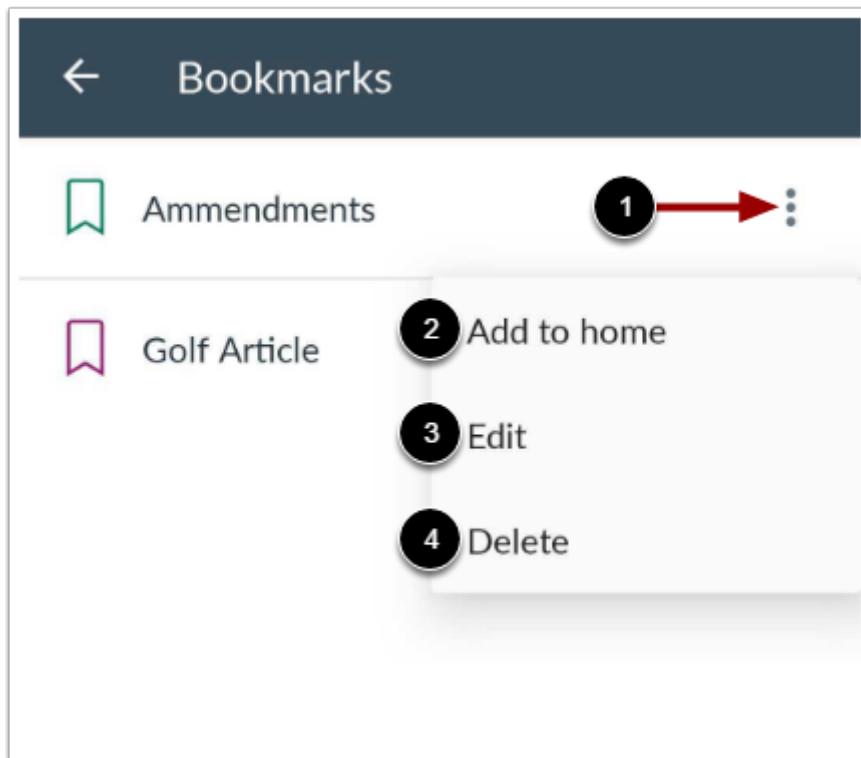

Tap the **Bookmarks** link.

## View Bookmarks

View your bookmarks in the app.

## Manage Bookmarks

To manage your bookmarks, tap the **Options** icon [1].

If supported by your device, you can add a bookmark to the Home page of your device by tapping the **Add to home** link [2].

To edit the name of your bookmark, tap the **Edit** link [3].

To delete the bookmark, tap the **Delete** link [4].

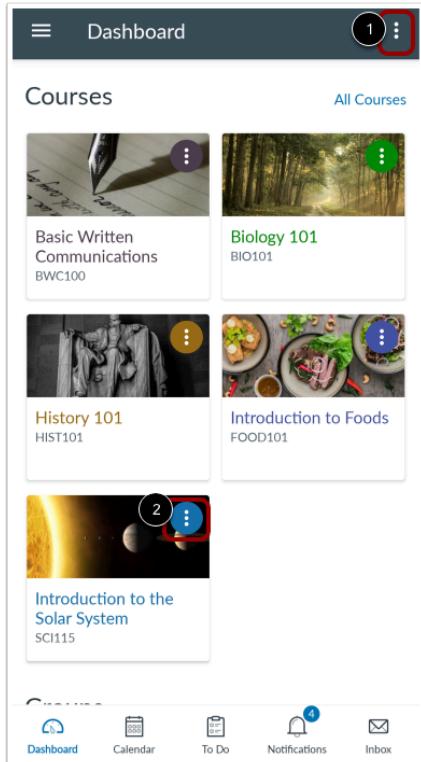

## How do I view course content offline in the Canvas app on my Android device?

When enabled, you can download and sync course content to view as read-only when offline.

### Notes:

- You can only download and sync course content when you have an internet connection.
- You can change the [course content synchronization settings](#).

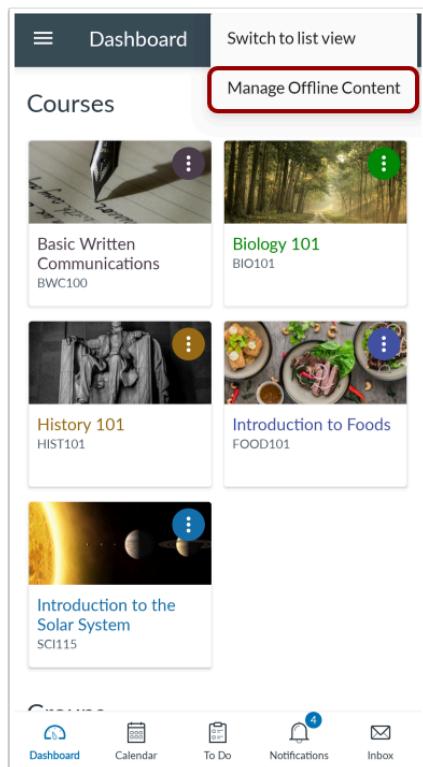

## Open Options

To manage offline course content for multiple courses, click the Dashboard's **Options** icon [1].

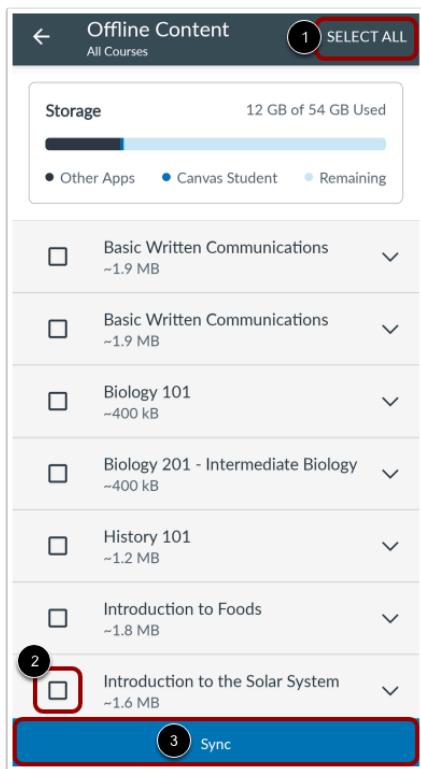

You can also manage offline content for an individual course by clicking the course's **Options** icon [2].

## Manage Offline Content

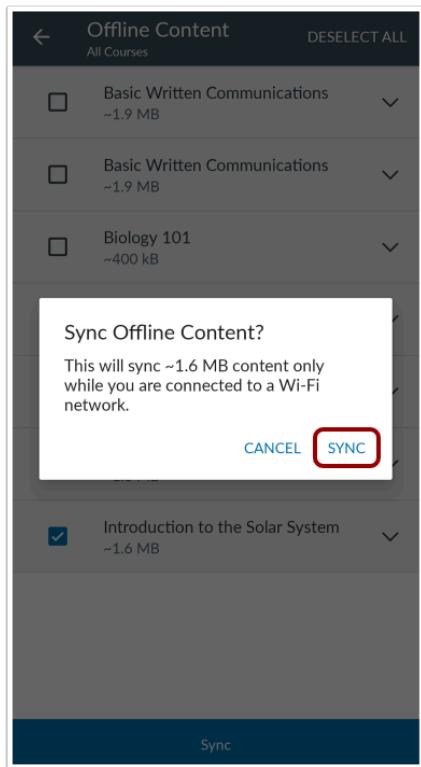

Tap the **Manage Offline Content** link.

## Select Content

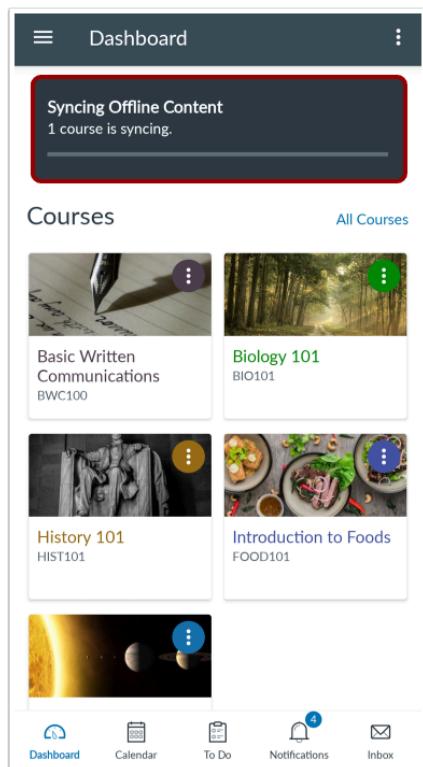

To make all courses available to view offline, you can tap the **Select All** link [1]. To select an individual course, tap the radio button next to the name of the course [2]. Then, tap the **Sync** button [3].

## Confirm Sync

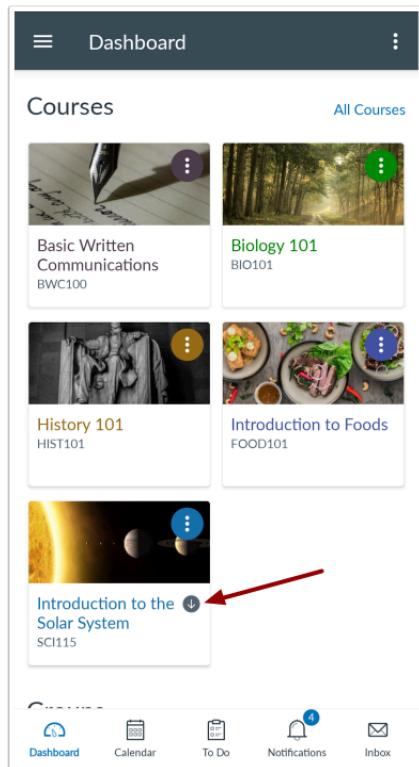

A confirmation message displays with the approximate storage needed to sync content. Then, tap the **Sync** button.

## View Syncing Progress

In the Dashboard, a progress bar displays during the sync process.

## View Synced Course

The screenshot shows the Canvas mobile app's main dashboard. At the top, there's a navigation bar with a menu icon, the word "Dashboard", and a three-dot menu icon. Below this is a section titled "Courses" with a "All Courses" link. The course list includes the following items:

- Basic Written Communications (BWC100) - thumbnail of a pen writing on paper
- Biology 101 (BIO101) - thumbnail of a forest scene
- History 101 (HIST101) - thumbnail of historical figures
- Introduction to Foods (FOOD101) - thumbnail of various foods
- Introduction to the Solar System (SCI115) - thumbnail of the solar system planets

At the bottom of the screen are navigation icons for Dashboard, Calendar, To Do, Notifications (with a red dot indicating 1 notification), and Inbox.

When offline, only downloaded and synced courses are available for viewing.

## How do I use my Homeroom using the Canvas app on my Android device in Canvas for Elementary?

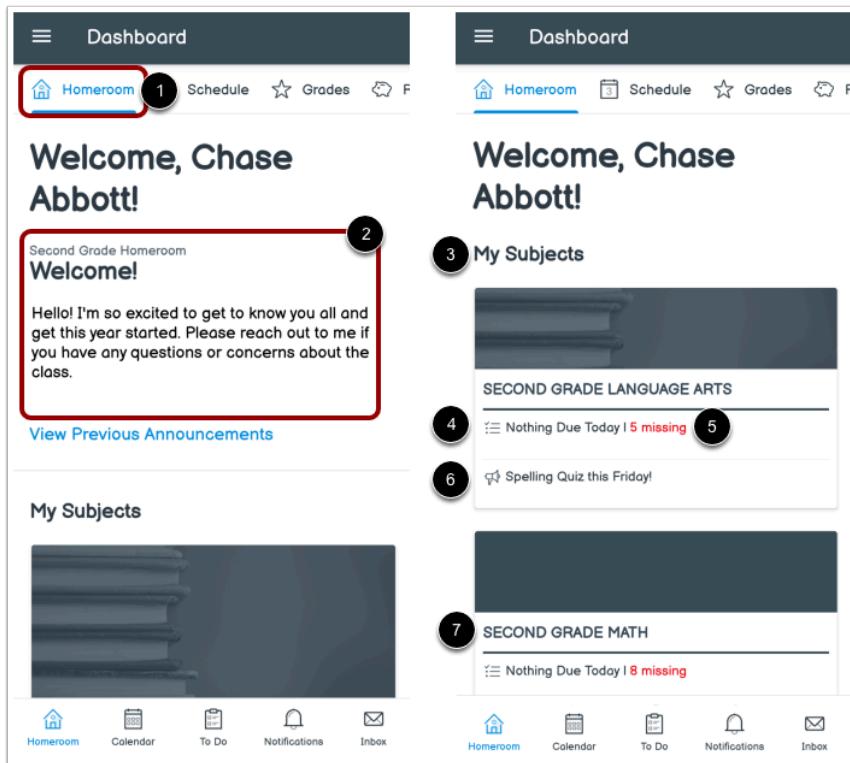

If you have an active enrollment in a Canvas for Elementary course, the Homeroom is the first thing you see when you log in to the Canvas app. The Homeroom helps you see what is happening in all your current courses.

You can return to your Homeroom at any time by tapping the Homeroom icon.

### Notes:

- If you do not have an active enrollment in a Canvas for Elementary course, the [classic Dashboard](#) displays.
- If your course has a banner image and you are using a tablet, you will be able to view the banner image.
- Additional Canvas for Elementary Dashboard tabs will be added in future releases.

## View Homeroom

**Dashboard**

1 Homeroom

Welcome, Chase Abbott!

Second Grade Homeroom Welcome!

Hello! I'm so excited to get to know you all and get this year started. Please reach out to me if you have any questions or concerns about the class.

Spelling Quiz this Friday!

SECOND GRADE MATH

Nothing Due Today | 8 missing

Homeroom Calendar To Do Notifications Inbox

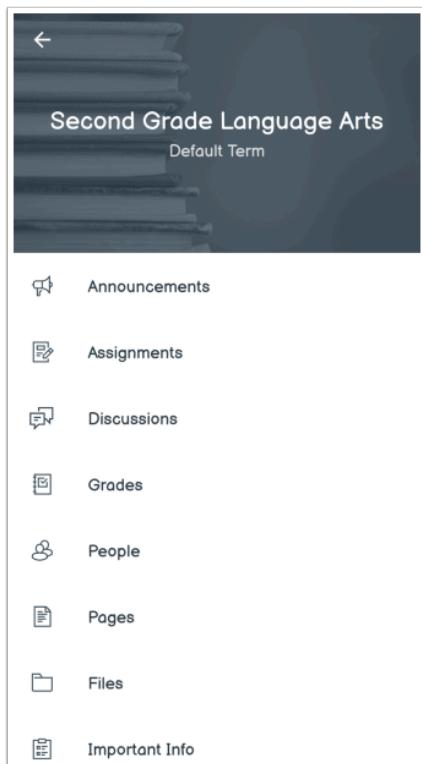

The Homeroom is your landing page in the Canvas app.

In the **Homeroom** tab [1], you can view new and previous homeroom announcements, if added by your teacher [2].

You can also view your subjects [3] and subject details such as assignments that are due today [4], missing assignments [5], or subject announcements [6].

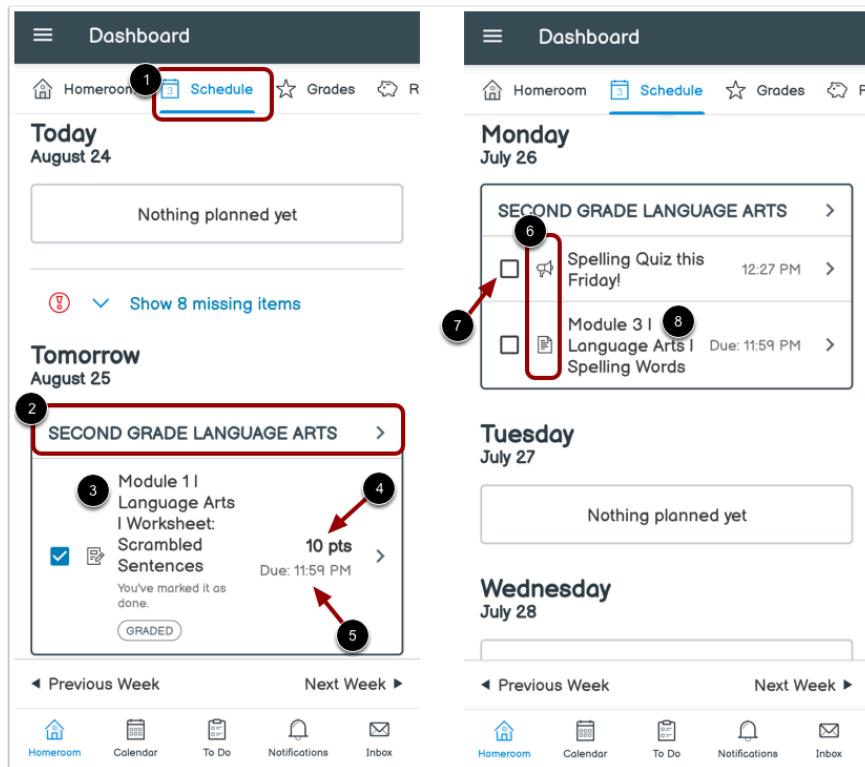

To view more subject details, tap the name of the subject [7].

## View Subject

View subject details. To view subject details, tap any of the subject navigation links.

## View Homeroom Schedule

The screenshots illustrate the Canvas mobile app's Schedule tab interface. The left screenshot shows the 'Today' and 'Tomorrow' sections. The right screenshot shows the 'Monday' and 'Tuesday' sections. Numbered callouts point to specific items in the schedule list:

- [1] Schedule tab (highlighted with a red box in the left screenshot)
- [2] Subject name (e.g., SECOND GRADE LANGUAGE ARTS)
- [3] Item name (e.g., Module 1 Language Arts I Worksheet: Scrambled Sentences)
- [4] Points (e.g., 10 pts)
- [5] Due date (e.g., Due: 11:59 PM)
- [6] Assignment icon (e.g., document with a checkmark)
- [7] Checkbox for marking items as complete
- [8] Item details (e.g., Spelling Quiz this Friday!, Module 3 I Language Arts I Spelling Words)

In the **Schedule** tab [1], you can view various action items for all of your subjects by date.

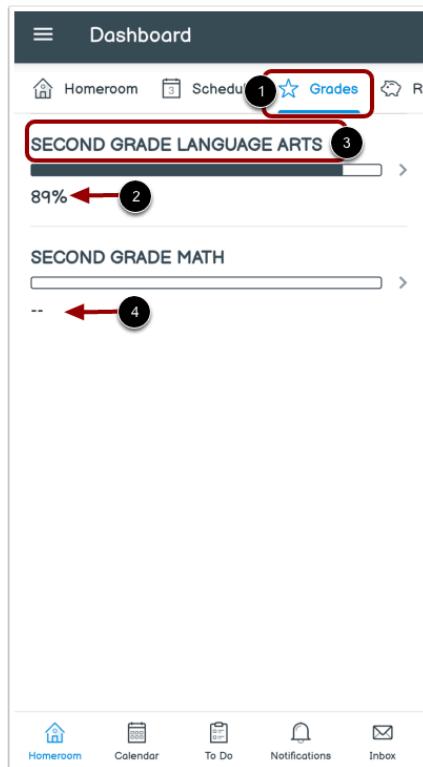

Each item displays the subject name [2], item name [3], number of points (if points have been assigned) [4], and the due date [5].

Each item also displays an icon to differentiate between different assignment types and other items in the Schedule [6].

When an online assignment is submitted, the item is automatically marked as completed. To manually mark non-submission items as complete, click the item's checkbox [7].

To view item details, tap the name of the item [8].

## View Homeroom Grades

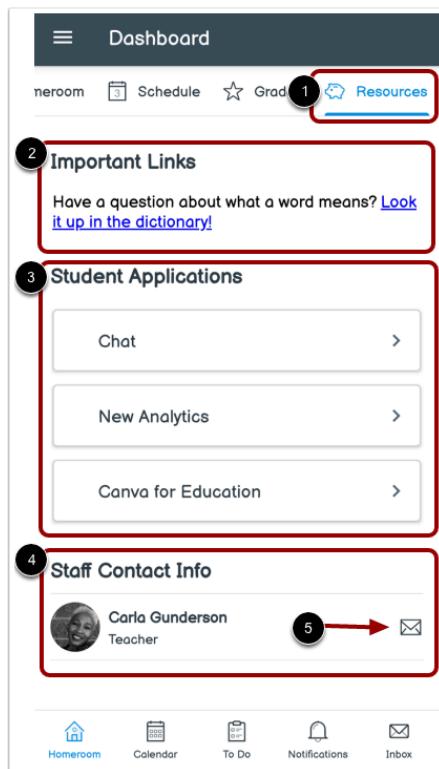

In the **Grades** tab [1], you can view grades for each of your subjects if allowed by your instructor [2].

To view grade details for a subject, tap the subject name [3].

**Note:** If your instructor has hidden total subject grades, dashes display in place of the total subject grade [4].

## View Homeroom Resources

In the **Resources** tab [1], you can view important information your instructor has added to your homeroom [2].

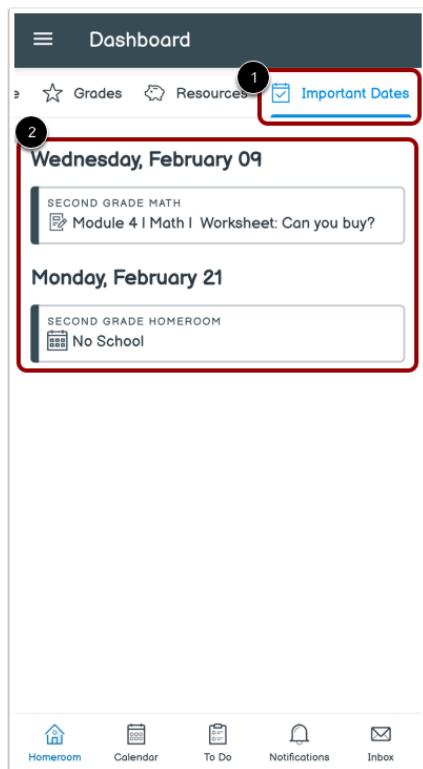

If student applications have been added, you can view them in the **Student Applications** section [3].

You can also view staff contact information [4] and send a message to your instructor by tapping the **Message** icon [5].

### Notes:

- If content has not been added to Important Information, the Important Information section does not display.
- If student applications have not been added to the homeroom, the Student Applications section does not display.

## View Important Dates

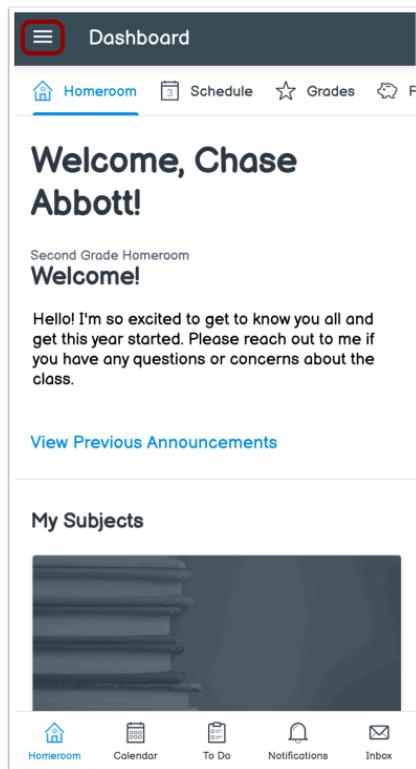

In the **Important Dates** tab [1], you can view assignments, discussions, quizzes, and events your instructor has marked as important [2].

## How do I manage the Homeroom View using the Canvas app on my Android device in Canvas for Elementary?

If you have an active enrollment in a Canvas for Elementary course, you can manage the Homeroom View Dashboard in the Canvas app.

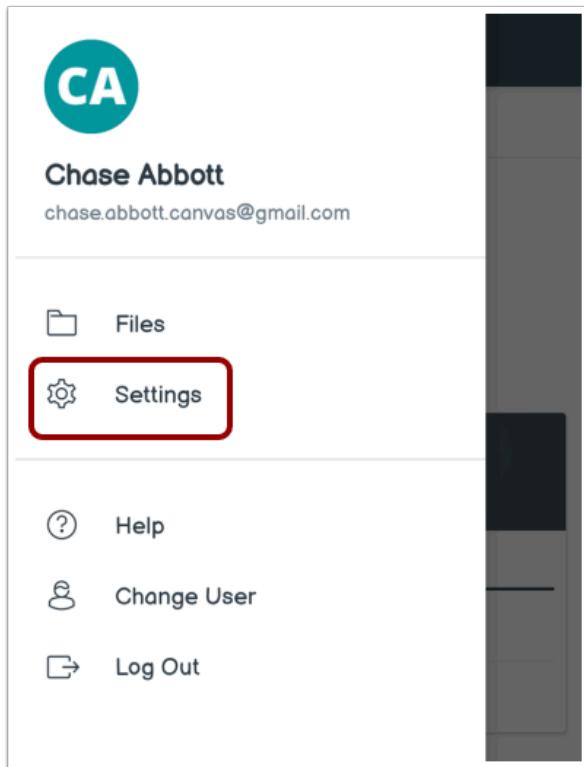

**Note:** Additional Canvas for Elementary features will be added in future releases.

### Open User Menu

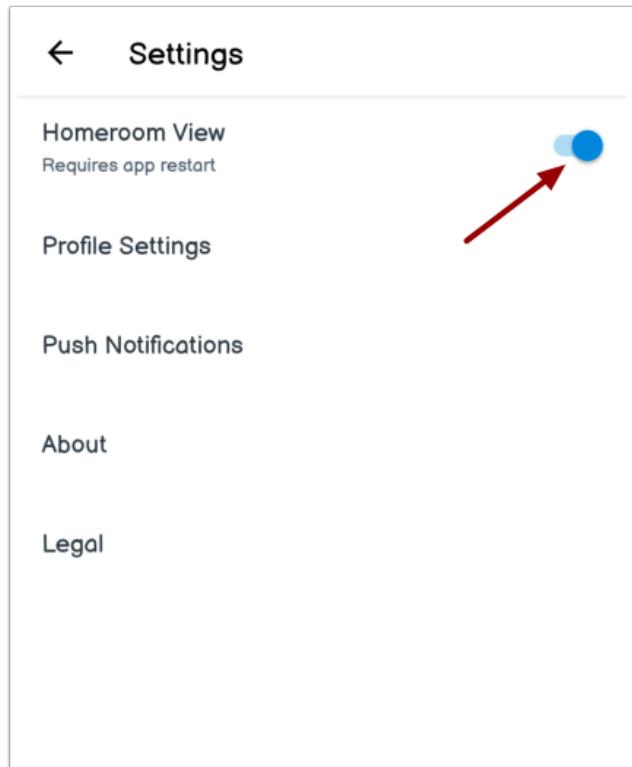

In the Dashboard, tap the **User Menu** icon.

## Open Settings

Tap the **Settings** link.

## Manage Elementary View Dashboard

If Canvas for Elementary is enabled for your account, by default, the Canvas for Elementary Dashboard is enabled for the app. To turn off the Canvas for Elementary Dashboard, tap the **Homeroom View** toggle button.

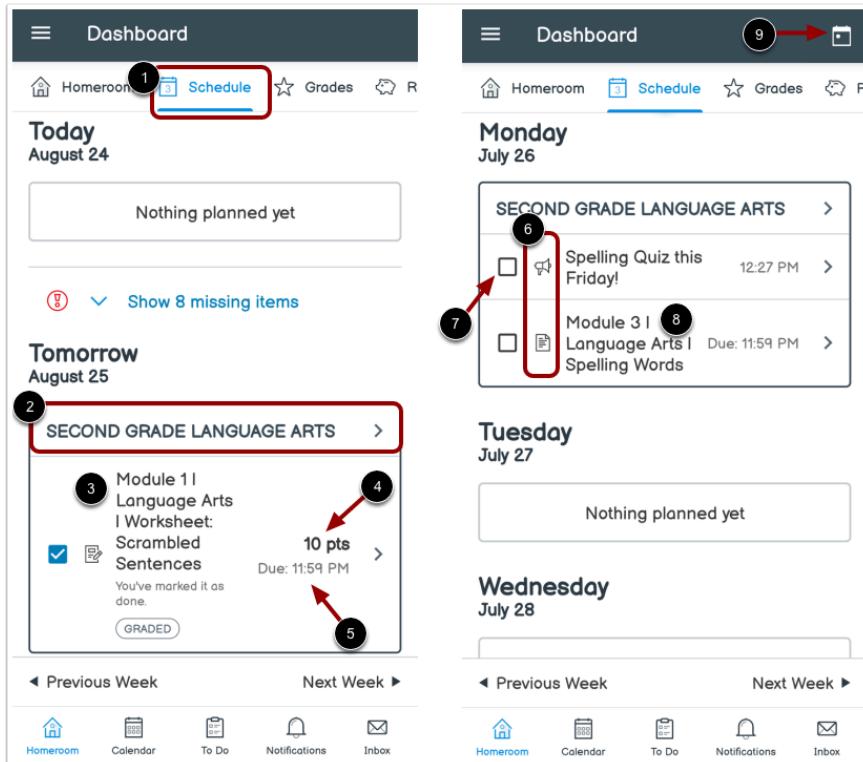

**Note:** To apply the Dashboard changes, the app must be closed and opened again.

## How do I view my schedule using the Canvas app on my Android device in Canvas for Elementary?

You can view upcoming assignments, discussions, quizzes, and events for each of your subjects in the Homeroom Schedule or the To Do List.

**Note:** If the Schedule tab does not display in your homeroom or subject, it has been hidden by your instructor.

### View Homeroom Schedule

In the **Schedule** tab [1], you can view various action items for all of your subjects by date.

Each item displays the subject name [2], item name [3], number of points (if points have been assigned) [4], and the due date [5].

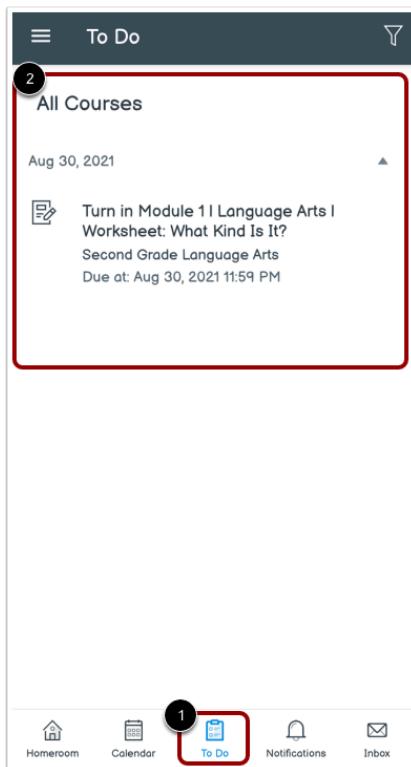

Each item also displays an icon to differentiate between different assignment types and other items in the Schedule [6].

When an online assignment is submitted, the item is automatically marked as completed. To manually mark non-submission items as complete, click the item's checkbox [7].

To view item details, tap the name of the item [8].

To return to the current date, tap the **Jump to Today** icon [9].

## Open To Do List

You can view upcoming tasks in the To Do List.

To open your To Do List, tap the **To Do** icon [1]. Then view the items [2].

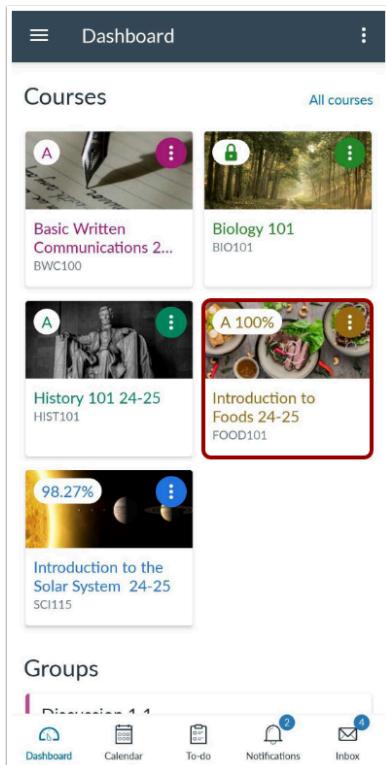

## Course Features

## How do I bookmark content in the Canvas app on my Android device?

You can bookmark any course page in the Canvas app for quick reference at any time. Learn how to [view your bookmarks](#).

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Course

In the Dashboard, tap the name of the course you'd like to view.

## Open Options Menu

On any course content page, tap the **Options** icon.

## Add Bookmark

Tap the **Add Bookmark** link.

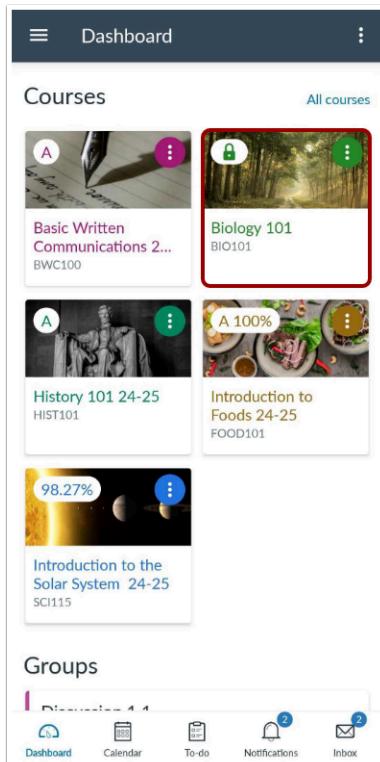

## How do I view Announcements in the Canvas app on my Android device?

Canvas lets you view Announcements in your Canvas courses. You can also view Announcements directly in the [Notifications tab](#). If your instructor allows, you can [reply to announcements](#).

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

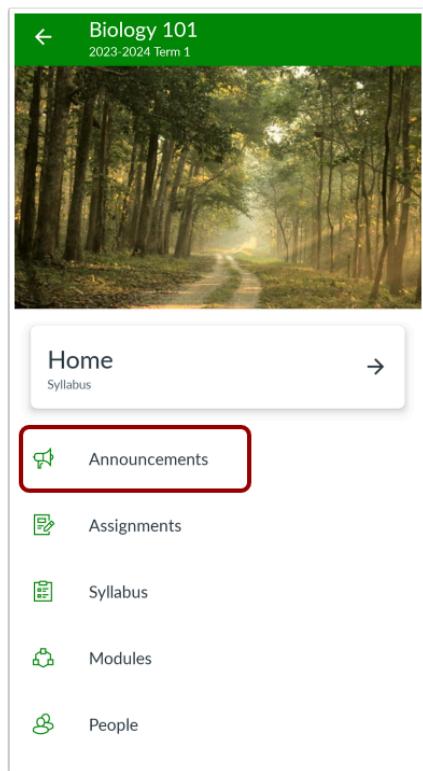

**Note:** The Course Navigation menu matches the browser version of your Canvas course. If Announcements is not available in your Course Navigation, it will also be hidden from view in the app.

## Open Course

In the Dashboard, tap the name of the course you'd like to view.

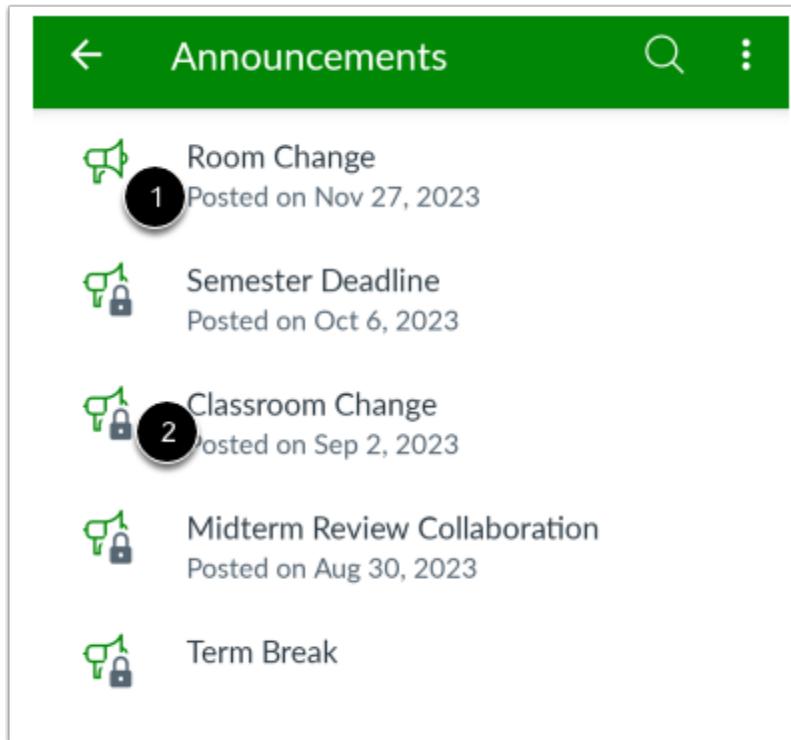

## Open Announcements

In the Course Navigation Menu, tap the **Announcements** link.

**Note:** You may need to swipe your screen to view Announcements in the menu.

## View Announcements

The screenshot shows the 'Announcements' screen in the Canvas mobile app. At the top, there is a green header bar with a back arrow, the title 'Announcements', a search icon, and a more options icon. Below the header is a list of five announcements:

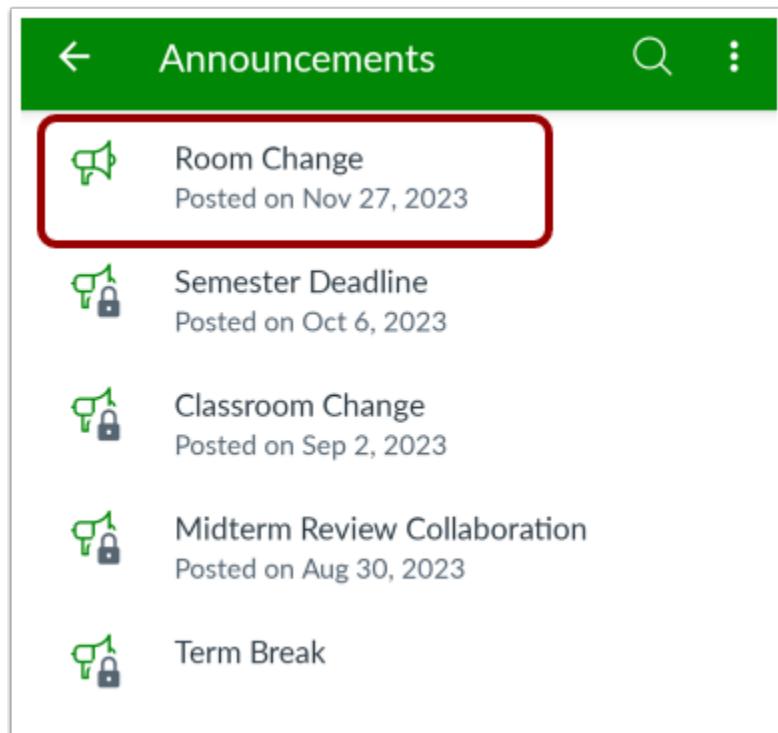

- 1 Room Change (Posted on Nov 27, 2023) - This announcement has a megaphone icon and a number '1' in a black circle, indicating it is the most recent.
- Semester Deadline (Posted on Oct 6, 2023) - This announcement has a megaphone and lock icon.
- 2 Classroom Change (Posted on Sep 2, 2023) - This announcement has a megaphone and lock icon and is marked with a number '2' in a black circle.
- Midterm Review Collaboration (Posted on Aug 30, 2023) - This announcement has a megaphone and lock icon.
- Term Break - This announcement has a megaphone and lock icon.

The most recent announcement will always appear at the top. All announcements show the last post date [1].

Announcements that do not allow replies display the **Lock** icon [2].

Swipe your device from top to bottom to quickly refresh Announcements.

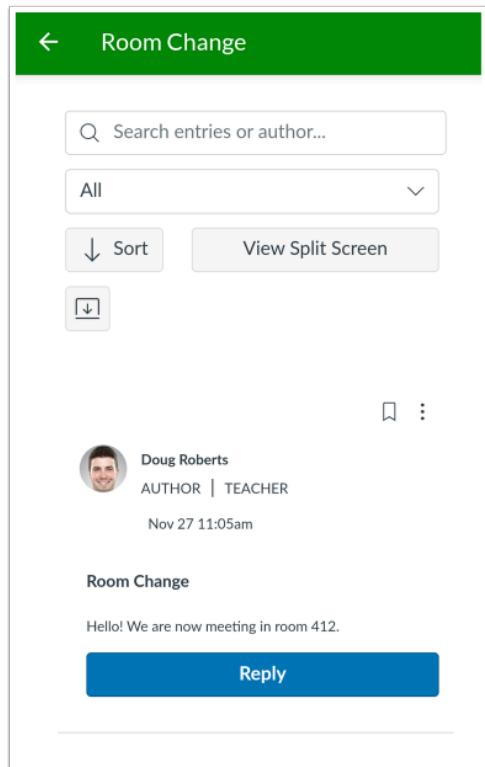

## Open Announcement

Announcement	Posted on
Room Change	Nov 27, 2023
Semester Deadline	Oct 6, 2023
Classroom Change	Sep 2, 2023
Midterm Review Collaboration	Aug 30, 2023
Term Break	

To view an announcement, tap the announcement you want to read.

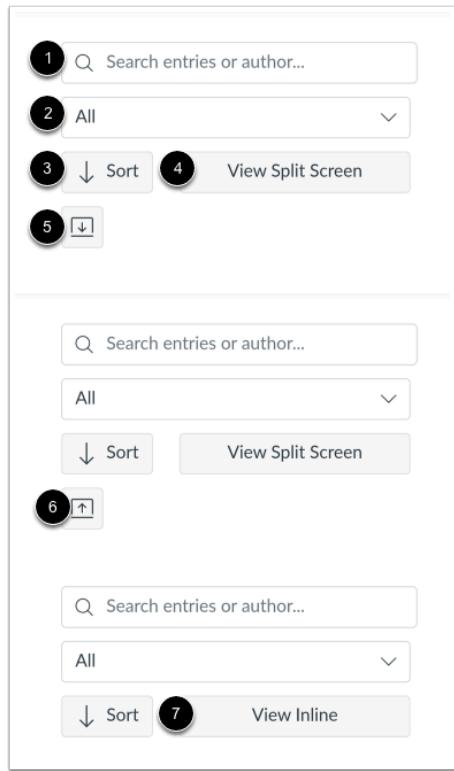

## View Announcement

The screenshot shows the 'Room Change' announcement. At the top, there is a green header bar with a back arrow and the title 'Room Change'. Below the header are search and filter options: a search bar with placeholder text 'Search entries or author...', a dropdown menu set to 'All', and buttons for 'Sort' (with a downward arrow icon) and 'View Split Screen'. There is also a small icon with a downward arrow. In the main content area, there is a user profile picture of Doug Roberts, his name 'Doug Roberts', his title 'AUTHOR | TEACHER', and the date 'Nov 27 11:05am'. The announcement text reads: 'Room Change' and 'Hello! We are now meeting in room 412.' At the bottom is a blue 'Reply' button.

View the course announcement.

## View Announcement Toolbar

The Announcement Toolbar remains at the top of the announcement when you are viewing announcement replies.

To search for replies or specific authors, enter your terms in the **Search** field [1].

To filter replies, click the **All** drop-down menu [2]. You can filter by all replies or unread replies.

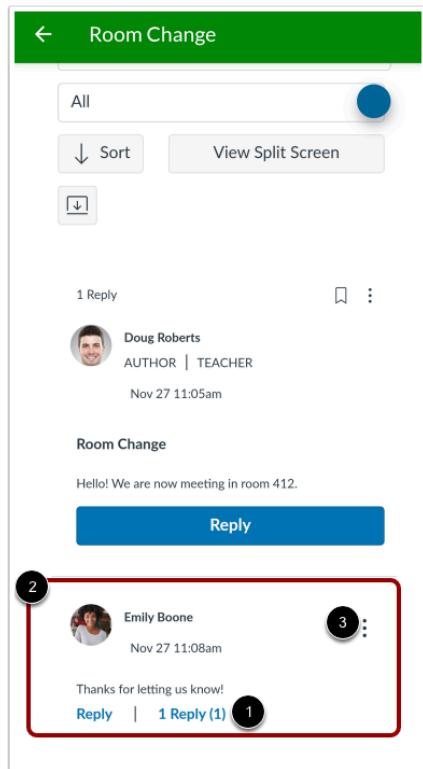

To sort replies by newest or oldest, click the **Sort** button [3].

To view threaded replies in a split screen sidebar, click the **View Split Screen** button [4].

To view threaded replies all at once, click the **Expand Threads** button [5]. You can collapse the threaded replies by clicking the **Collapse Threads** button [6].

To view threaded replies inline, click the **View Inline** button [7].

## View Inline Announcement Thread Replies

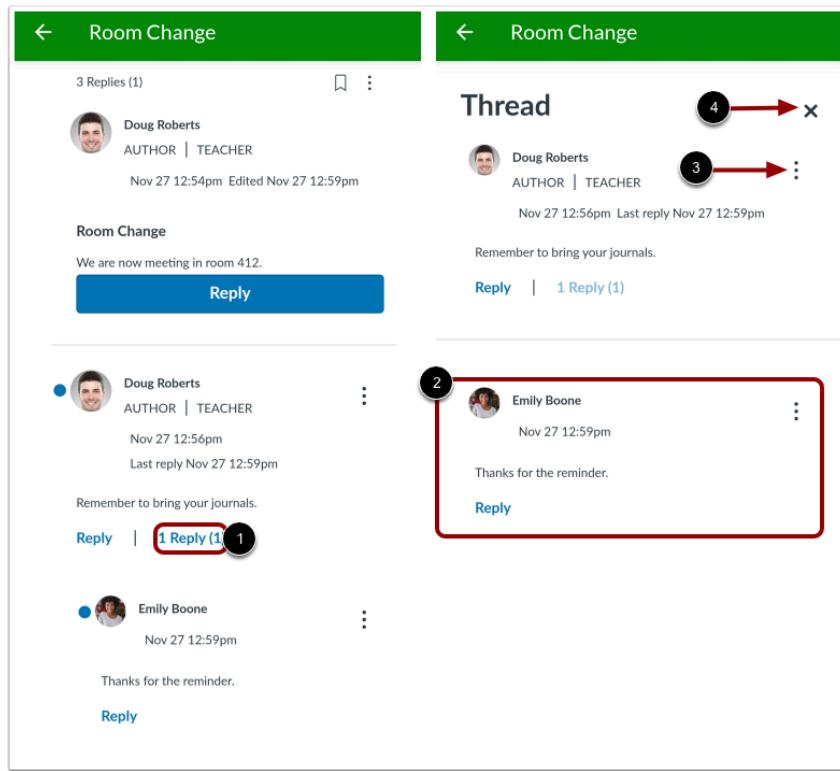

To expand the announcement thread replies inline, click the **# of replies** link [1].

View the read and unread replies [2].

To view threaded replies options, click the **Options** icon [3]. You can mark replies as read/unread, mark threaded replies as read/unread, return to the topic, quote the reply, or report the reply.

## View Split Screen Announcement Thread Replies

The screenshot shows a split-screen view of a Canvas announcement thread. The left side displays the main thread with a reply from Doug Roberts. The right side shows a detailed view of Doug's reply and a reply from Emily Boone. Numbered callouts indicate specific interaction points:

- [1] **# of replies**: The link to expand the replies sidebar.
- [2] **Read and unread replies**: The list of replies, with the first reply from Emily Boone highlighted.
- [3] **Options**: The options menu icon.
- [4] **Close**: The close icon to collapse the replies sidebar.

**Left Side (Main Thread):**

- Thread:** Room Change
- Author:** Doug Roberts (AUTHOR | TEACHER)
- Created:** Nov 27 12:54pm **Edited:** Nov 27 12:59pm
- Content:** We are now meeting in room 412.
- Reply:** (1)

**Right Side (Detailed View):**

- Thread:** Room Change
- Author:** Doug Roberts (AUTHOR | TEACHER)
- Created:** Nov 27 12:56pm **Last reply:** Nov 27 12:59pm
- Content:** Remember to bring your journals.
- Reply:** (1)

**Reply from Doug Roberts:**

- Author:** Doug Roberts (AUTHOR | TEACHER)
- Created:** Nov 27 12:56pm **Last reply:** Nov 27 12:59pm
- Content:** Remember to bring your journals.
- Reply:** (1)

**Reply from Emily Boone:**

- Author:** Emily Boone
- Created:** Nov 27 12:59pm
- Content:** Thanks for the reminder.
- Reply:**

To expand the announcement thread replies sidebar, click the **# of replies** link [1].

View the read and unread replies [2].

To view threaded replies options, click the **Options** icon [3].

To collapse the announcement thread replies sidebar, click the **Close** icon [4].

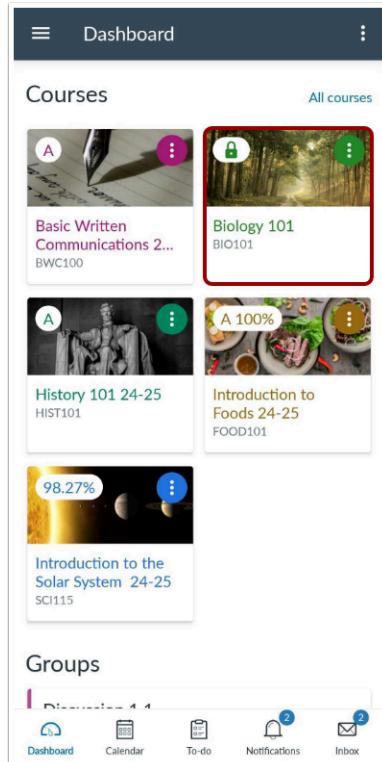

## How do I reply to an announcement on the Canvas app on my Android device?

You can reply to announcements and announcement replies through your course. You can also reply to announcements through the [Notifications tab](#).

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

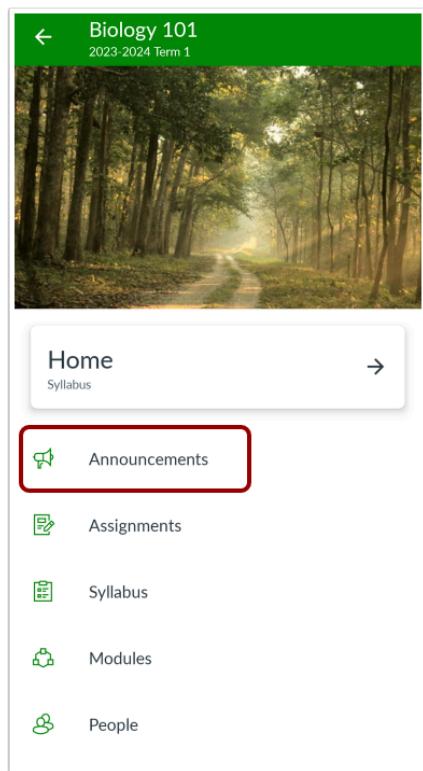

**Note:** If you cannot reply to an announcement, this feature has been disabled.

### Open Course

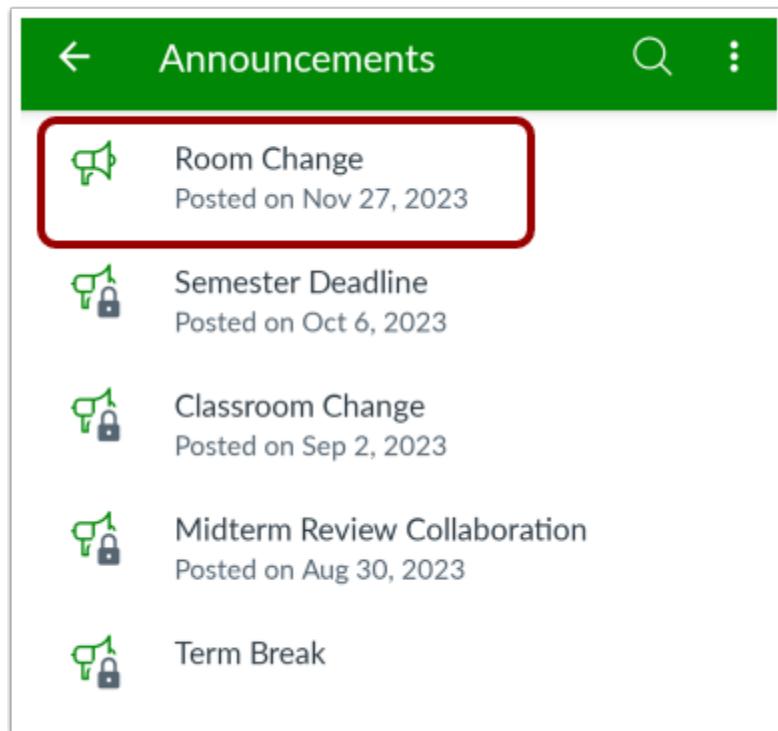

In the Dashboard, tap the name of the course you'd like to view.

## Open Announcements

Tap the **Announcements** link.

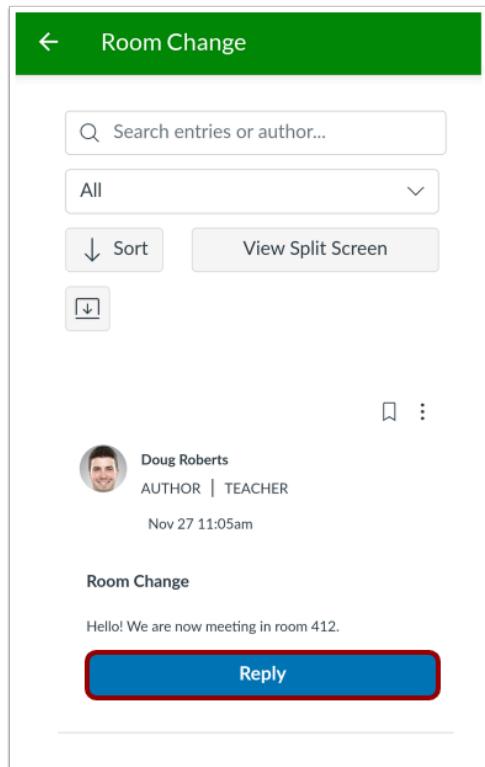

## Open Announcement

Tap the announcement where you want to reply.

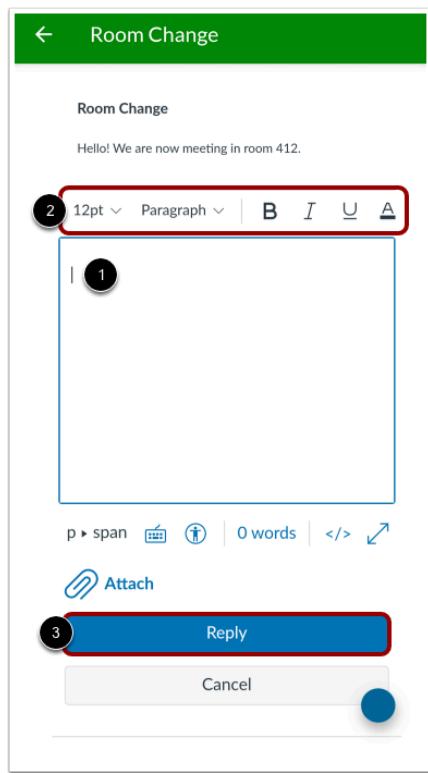

## Reply to Announcement

The screenshot shows the Canvas Android app interface for replying to an announcement. At the top, a green header bar displays the title "Room Change". Below the header is a search bar with the placeholder "Search entries or author...". Underneath the search bar are buttons for "All" (with a dropdown arrow), "Sort" (with a downward arrow icon), and "View Split Screen". A small icon representing a list is also present. In the main content area, a user profile picture of Doug Roberts is shown, followed by his name "Doug Roberts", title "AUTHOR | TEACHER", and the timestamp "Nov 27 11:05am". The announcement text reads "Room Change" and "Hello! We are now meeting in room 412." Below the announcement is a prominent blue "Reply" button with a red border. A horizontal line is visible below the reply button.

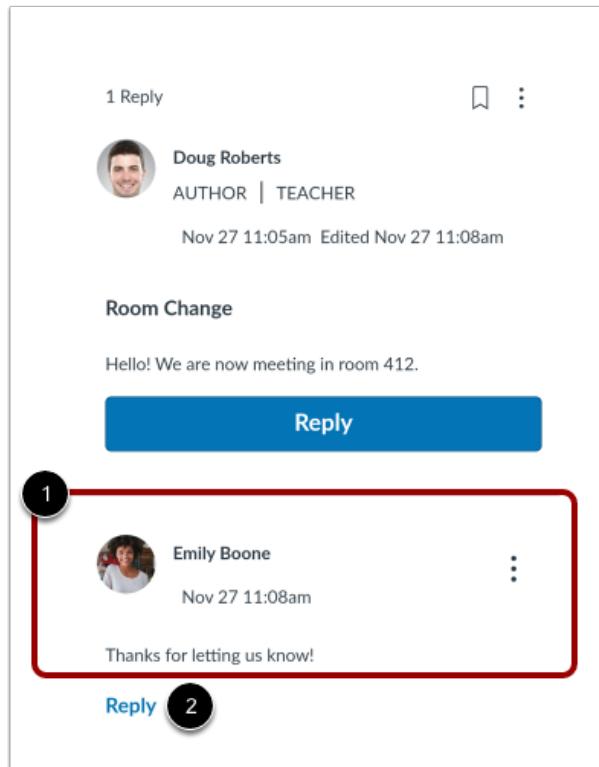

If your instructor allows, you can reply to announcements by tapping the **Reply** button.

## Create Reply

Enter your message in the text field [1]. Use the Rich Content Editor to format your reply [2]. To send the reply, tap the **Reply** button [3].

## View Reply

Nov 27 11:08am

Thanks for letting us know!

[Reply](#) 2

The screenshot shows a mobile application interface for Canvas. At the top, there is a header with the Canvas logo and the text '1 Reply'. Below this, a post by 'Doug Roberts' is displayed, showing a profile picture, the name 'Doug Roberts', the roles 'AUTHOR | TEACHER', and the timestamp 'Nov 27 11:05am Edited Nov 27 11:08am'. The post content is 'Room Change' followed by the message 'Hello! We are now meeting in room 412.' Below the post is a blue button labeled 'Reply'. A reply from 'Emily Boone' is shown in a red-bordered box, with a profile picture, the name 'Emily Boone', the timestamp 'Nov 27 11:08am', and the message 'Thanks for letting us know!'. Below this reply is another 'Reply' button, which is highlighted with a black circle and the number '2'.

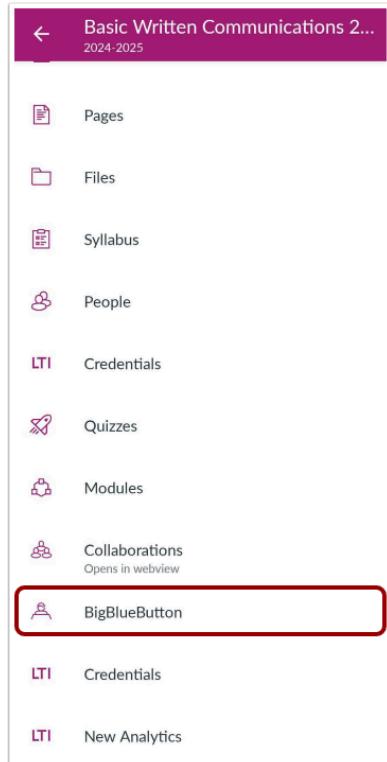

View your reply [1]. To reply to an announcement reply, tap the **Reply** link for that reply [2].

## How do I view Conferences in the Canvas app on my Android device?

Once you have joined a conference in the Canvas app, you can use the Conferences interface to participate in the conference. The Conferences interface uses the BigBlueButton web conferencing system.

This guide provides a basic overview of the Conferences interface. To learn more about specific features, view BigBlueButton's [HTML5 user documentation](#).

## Open Conferences

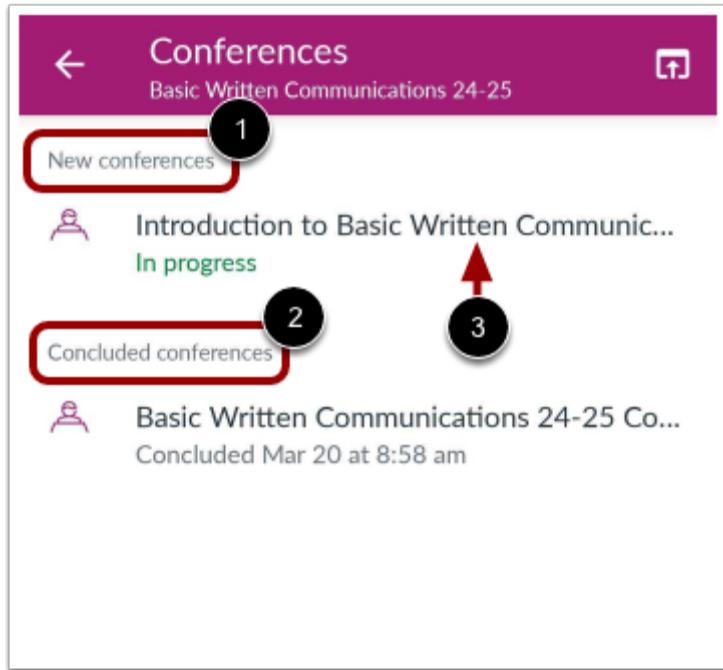

Basic Written Communications 2...  
2024-2025

- Pages
- Files
- Syllabus
- People
- Credentials
- Quizzes
- Modules
- Collaborations  
Opens in webview
- BigBlueButton**
- Credentials
- New Analytics

In Course Navigation, tap the **BigBlueButton** link.

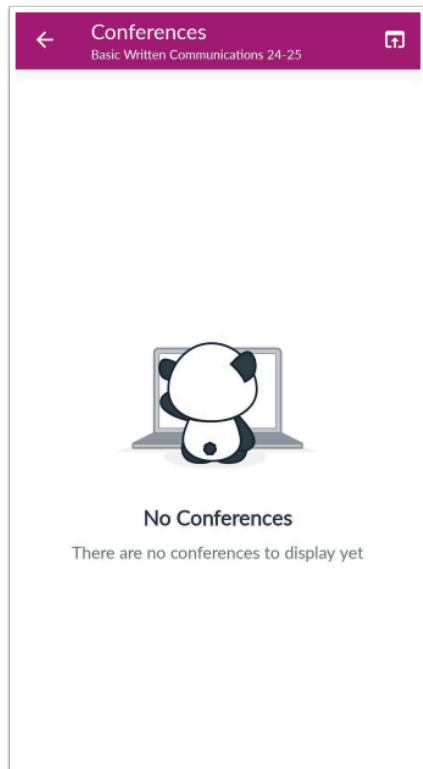

## View Conferences

The Conferences page displays all conferences in your course. New conferences, including in-process conferences, display in the New Conferences section [1]. Concluded conferences display in the Concluded Conferences section [2].

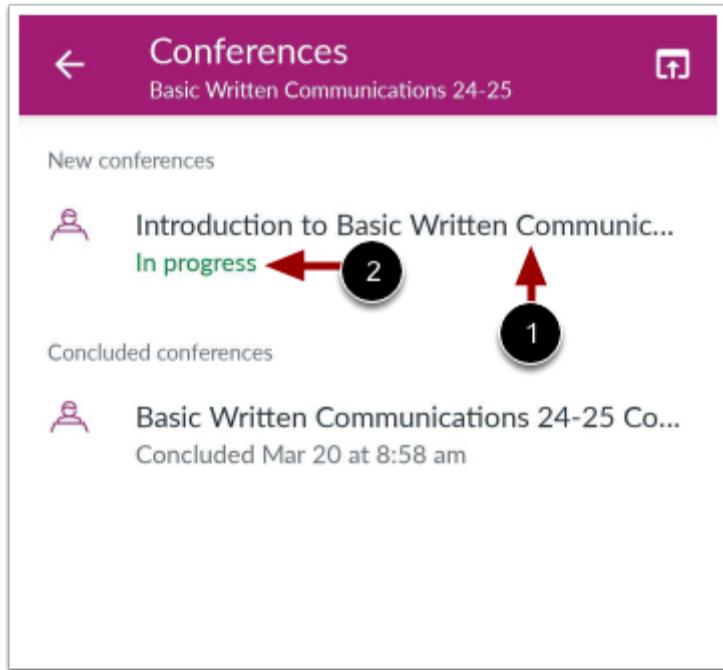

To view conference details, tap the name of a conference [3].

## View No Conferences

If your course does not have any conferences, the Conferences page displays a **No Conferences** notification.

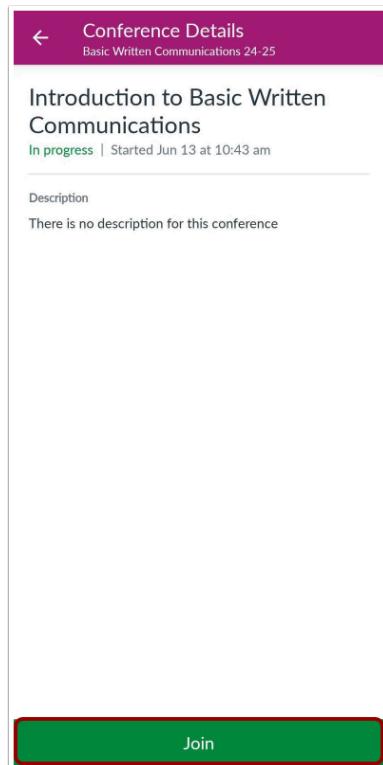

## Open In Progress Conference

To open a conference that has started, tap the name of the conference [1].

**Note:** If the In Progress label does not display for your conference, the conference has not started [2].

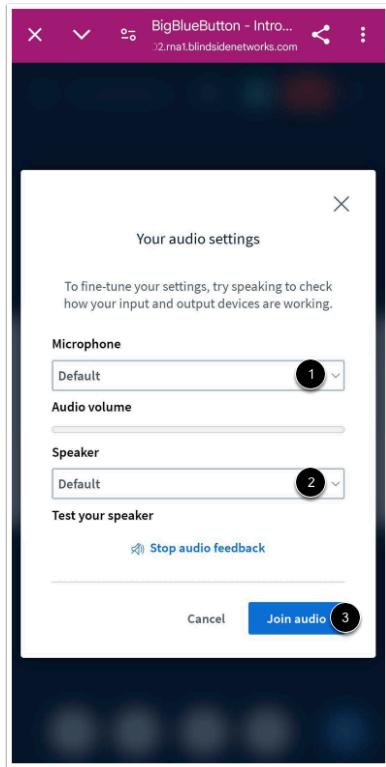

## Join Conference

The screenshot shows the 'Join Conference' screen. At the top, there is a purple header bar with a back arrow and the text 'Conference Details' followed by 'Basic Written Communications 24-25'. Below the header, the conference title 'Introduction to Basic Written Communications' is displayed. A green 'In progress' status bar indicates the conference started on Jun 13 at 10:43 am. A 'Description' section below the title states 'There is no description for this conference'. At the bottom of the screen is a large green 'Join' button.

To join an in progress conference, tap the **Join** button.

## Join Audio

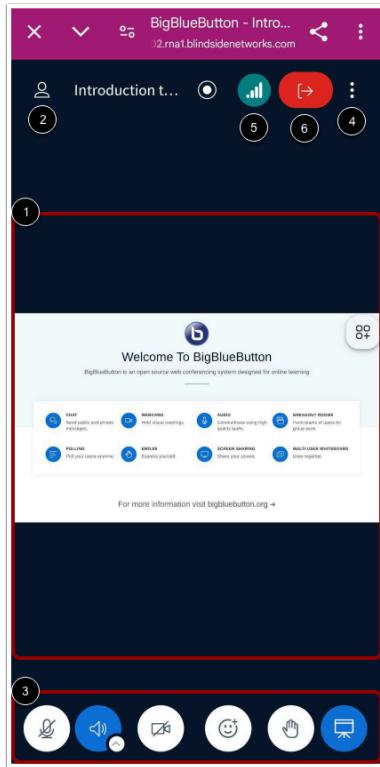

Before joining a conference, you will be asked to choose your audio settings. To select your microphone during the conference, tap the **Microphone** drop-down menu [1].

To select your speaker during the conference, tap the **Speaker** drop-down menu [2].

To join the conference, tap the **Join audio** button [3].

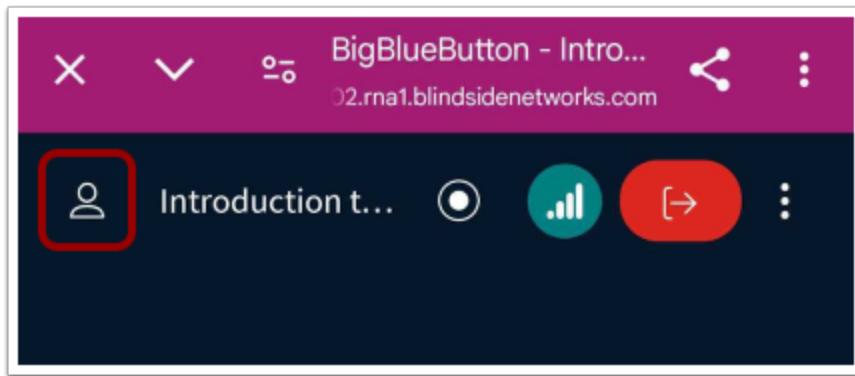

## View Conferences Interface

The Conferences interface includes four different areas that allow you to participate in the conference:

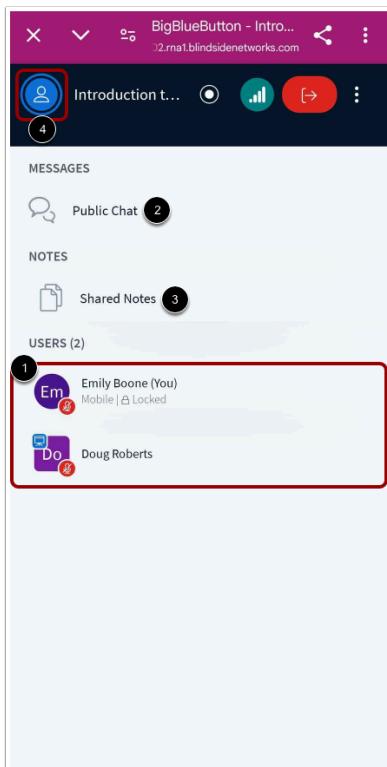

- Presentation Window [1]
- User Menu [2]
- Conference Tools [3]
- Options Menu [4]
- Connection Status [5]
- Leave Meeting [6]

## Open User Menu

To open the User Menu, tap the **Users** icon.

## View User Menu

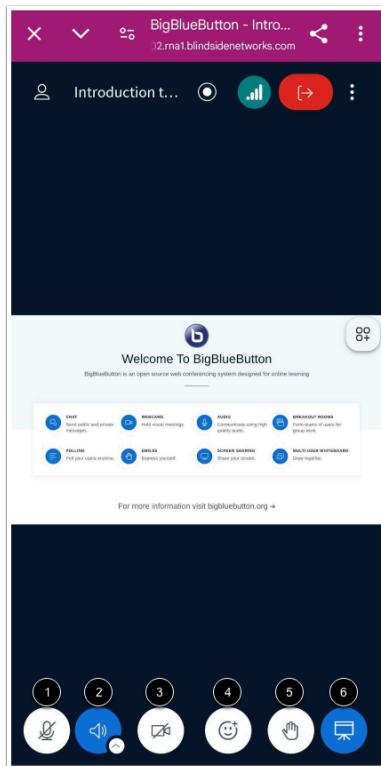

All of the users in the conference will display in the **Users** list [1].

To open the chat, tap the **Public Chat** link [2]. To view the shared notes, tap the **Shared Notes** link [3].

To exit the User Menu, tap the **Users** icon [4].

## View Conference Tools

The Conferences Interface includes tools to manage the audio and video elements of the conference.

To mute or unmute your microphone, tap the **Microphone** icon [1].

To mute or unmute your speaker, tap the **Speaker** icon [2].

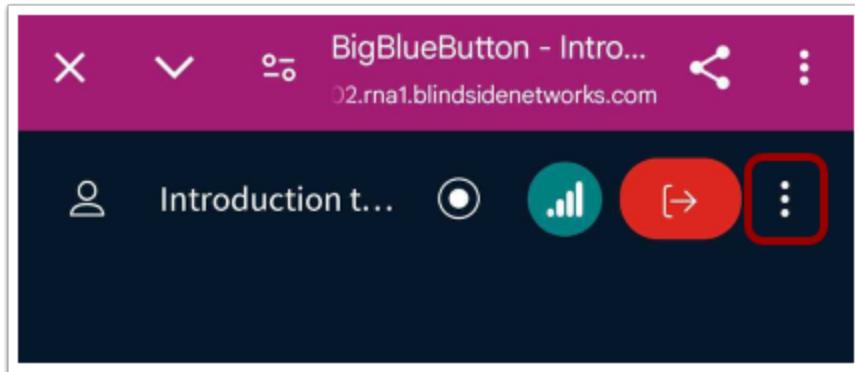

To enable your webcam, tap the **Webcam** icon [3].

To send a reaction, tap the **Reaction** icon [4].

To raise or lower your hand, tap the **Raise Your Hand** icon [5].

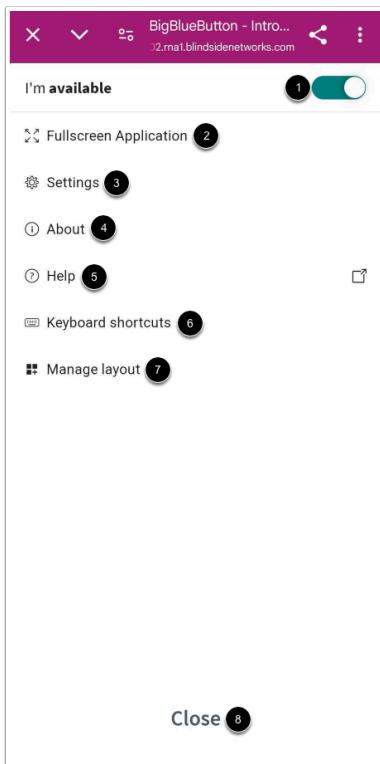

To minimize the presentation, tap the **Minimize Presentation** icon [6].

## Open Options Menu

To open the Options Menu, tap the **Options** icon.

## View Options Menu

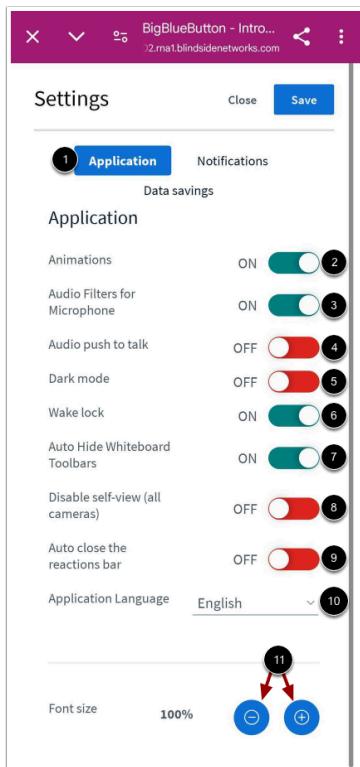

From the Options Menu, you can:

- Set Status [1]
- Enter or exit fullscreen mode [2]
- Open the Settings menu [3]
- View information about the Conferences interface [4]
- View the Help page [5]
- View Keyboard shortcuts [6]
- Manage layout [7]

To close the Options menu, tap the **Close** link [8].

## View Application Settings

From the Settings menu, you can manage additional settings for the Conferences interface. By default, the Settings menu will open to the **Applications** tab [1].

To enable or disable audio animations, tap the **Animations** toggle [2].

To enable or disable audio filters, tap the **Audio Filters for Microphone** toggle [3].

To enable or disable the push to talk feature, tap the **Audio push to talk** toggle [4].

To enable or disable dark mode, tap the **Dark mode** toggle [5].

To enable or disable the wake lock, tap the **Wake lock** toggle [6].

To enable or disable the Whiteboard Toolbars, tap the **Auto Hide Whiteboard Toolbars** toggle [7].

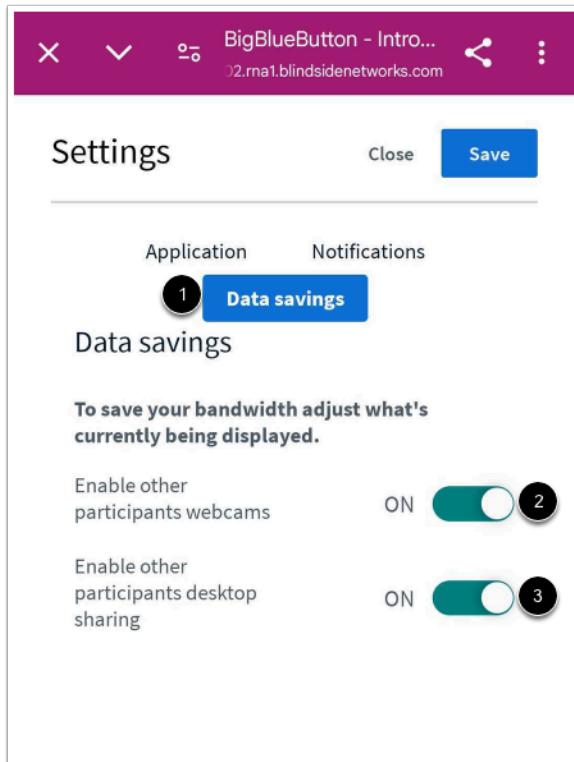

To enable or disable self-view, tap the **Disable self-view (all cameras)** toggle [8].

To enable or disable the auto close for the reactions bar, tap the **Auto close the reactions bar** toggle [9].

To change your language, tap the **Application Language** menu and select your preferred language [10].

To adjust the font size, tap the **Increase** or **Decrease** icon [11].

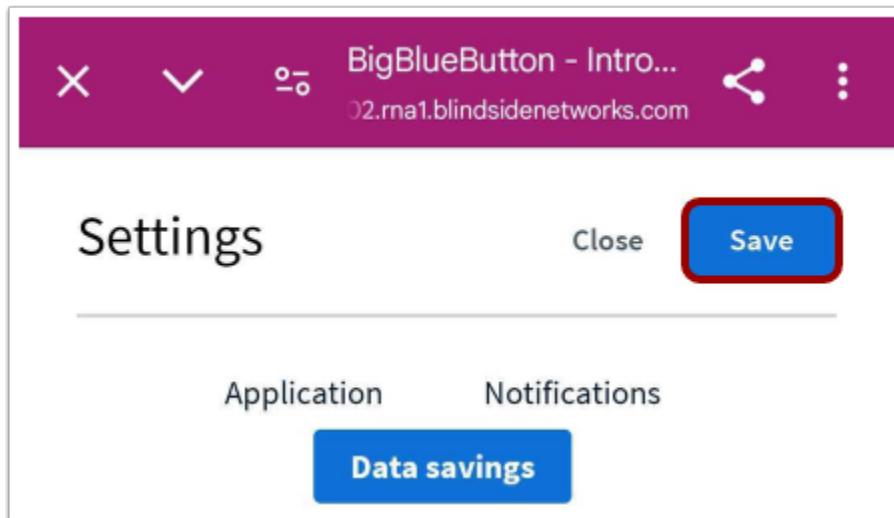

## View Data Savings Settings

To manage data savings, tap the **Data Savings** tab [1].

To enable or disable your webcam, tap the **Enable Webcams** button [2]. To enable or disable desktop sharing, tap the **Enable Desktop Sharing** button [3].

## Save Settings

To save your changes to the Settings menu, tap the **Save** button.

## How do I view Discussions in the Canvas app on my Android device?

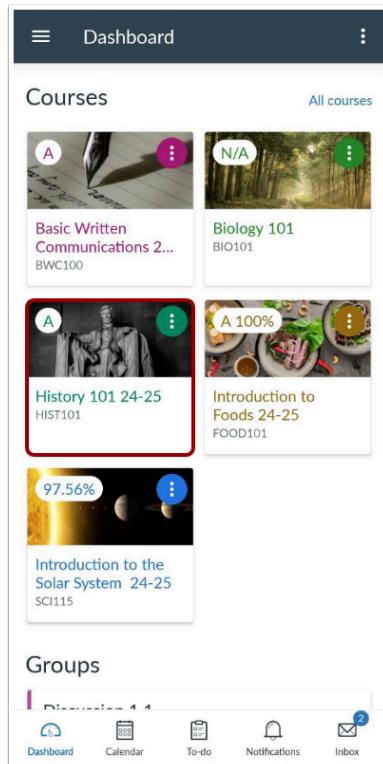

The Canvas app helps you keep track of all course discussions. You can also view newly created discussions or changes to discussions in the [Notifications tab](#).

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

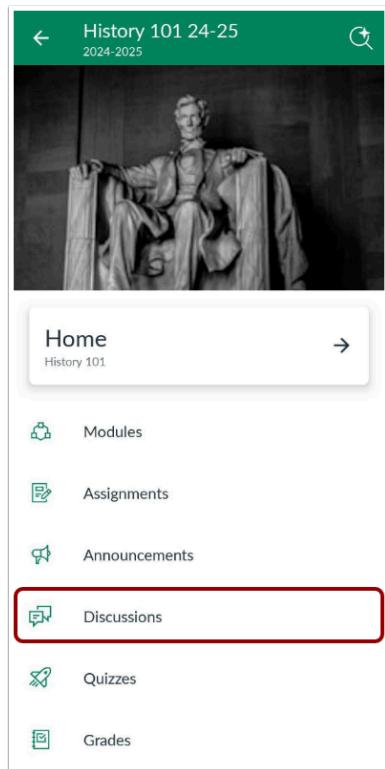

- Rubrics are not currently supported for graded discussions in the Canvas app.
- The Course Navigation menu matches the browser version of your Canvas course. If Discussions is not available in your Course Navigation, it will also be hidden from view in the app.

## Open Course

In the Dashboard, tap the name of the course you want to view.

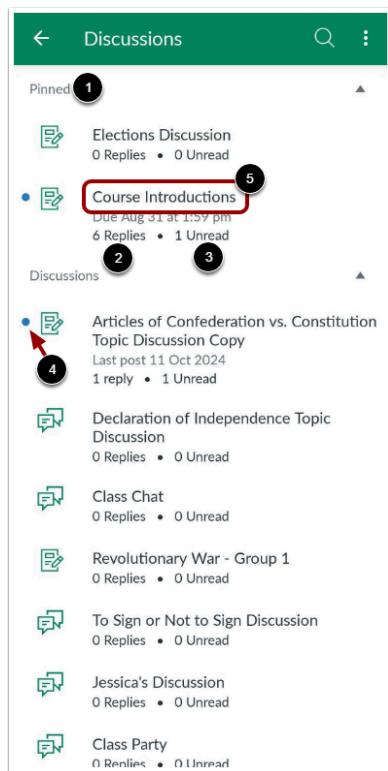

## Open Discussions

Tap the **Discussions** link.

**Note:** You may need to swipe your screen to view Discussions in the menu.

## View Discussions

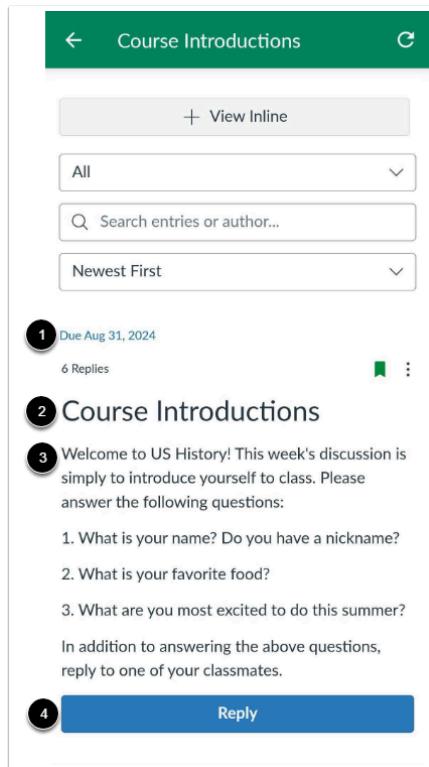

Pinned discussion display at the top of the page [1]. For each discussion, you can view the number of total replies [2] and the number of replies you have not read [3].

Discussions with unread posts are indicated by a blue dot [4].

Swipe your device from top to bottom to quickly refresh Discussions.

To view a discussion, tap the name of the discussion [5].

## View Discussion

The screenshot shows a discussion titled "Course Introductions" with the following details:

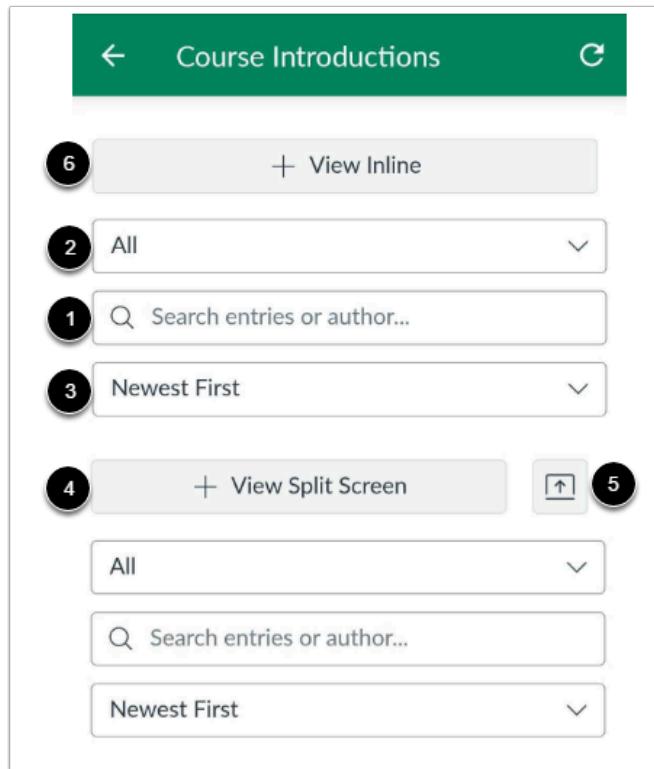

- 1** Due Aug 31, 2024
- 2** Course Introductions
- 3** Welcome to US History! This week's discussion is simply to introduce yourself to class. Please answer the following questions:
  1. What is your name? Do you have a nickname?
  2. What is your favorite food?
  3. What are you most excited to do this summer?In addition to answering the above questions, reply to one of your classmates.
- 4** Reply button

For each discussion, you can view the due date [1], title [2], and description [3].

To [reply to the discussion](#), tap the **Reply** button [4].

**Note:** Anonymous discussions must be viewed in a web browser.

## View Discussion Toolbar

The Discussion Toolbar remains at the top of the discussion topic when you are viewing discussion replies.

To search for replies or specific authors, enter your terms in the **Search** field [1].

To filter replies, click the **All** drop-down menu [2]. You can filter by all replies or unread replies.

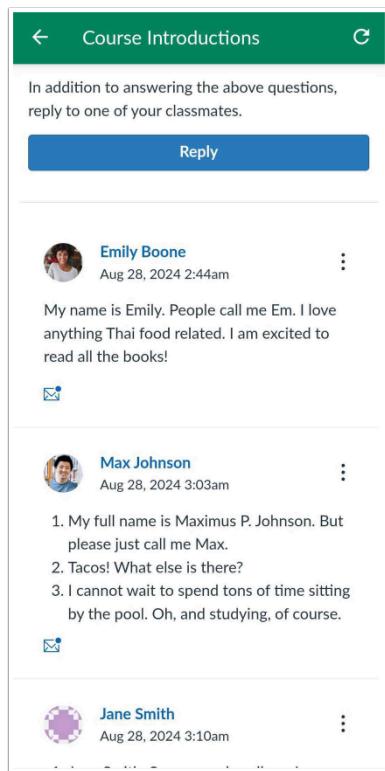

To sort replies by newest or oldest, click the **Sort** button [3].

To view threaded replies in a split screen sidebar, click the **View Split Screen** button [4].

You can collapse or expand the threaded replies by clicking the **Collapse Threads** button [5].

To view threaded replies inline, click the **View Inline** button [6].

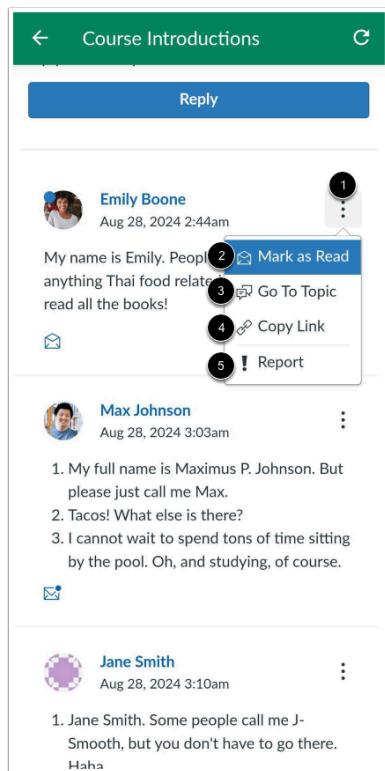

## View Discussion Replies

The screenshot shows a mobile application interface for Canvas. At the top, there is a green header bar with the text "Course Introductions" and a back arrow icon on the left, and a refresh/circular arrow icon on the right. Below the header, a message reads: "In addition to answering the above questions, reply to one of your classmates." A blue "Reply" button is centered below this message. The main content area displays three discussion posts from users Emily Boone, Max Johnson, and Jane Smith, each with a profile picture, name, timestamp, and a three-dot menu icon. Emily's post says: "My name is Emily. People call me Em. I love anything Thai food related. I am excited to read all the books!" Max's post is a list: "1. My full name is Maximus P. Johnson. But please just call me Max.  
2. Tacos! What else is there?  
3. I cannot wait to spend tons of time sitting by the pool. Oh, and studying, of course." Jane's post is not visible in the screenshot. Each post has a blue envelope icon at the bottom right.

To view the discussion replies, scroll down.

## Manage Discussion Replies

The screenshot shows a list of discussion replies in the Canvas Android app. At the top, there is a navigation bar with a back arrow, the text 'Course Introductions', and a refresh icon. Below the navigation bar is a blue 'Reply' button. The first reply is from 'Emily Boone' (Aug 28, 2024 2:44am). The reply text is: 'My name is Emily. People 2 Mark as Read anything Thai food related! read all the books!' Below the text are five numbered options: 1. More Options icon (circled), 2. Mark as Read, 3. Go To Topic, 4. Copy Link, 5. Report. The second reply is from 'Max Johnson' (Aug 28, 2024 3:03am), and the third is from 'Jane Smith' (Aug 28, 2024 3:10am).

To manage discussion replies, tap the **More Options** icon [1].

In the options list, you can do the following to discussion replies:

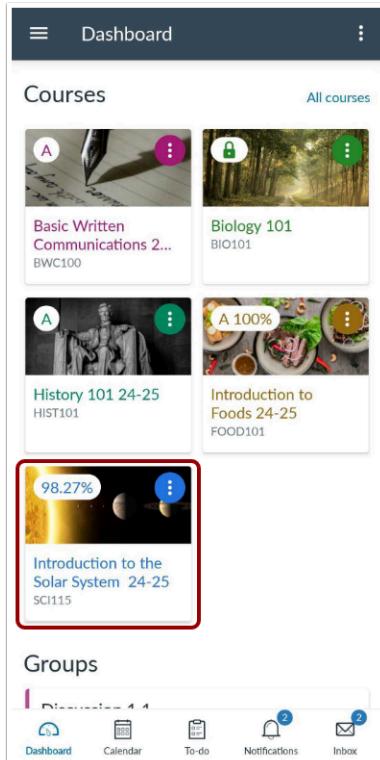

- Mark as Read [2]
- Go To Topic [3]
- Copy Link [4]
- Report [5]

## How do I create a discussion in the Canvas app on my Android device?

If an instructor allows, students may be able to create new discussions. However, student discussions are always published immediately to the course. If you cannot create a discussion, your instructor has restricted this feature.

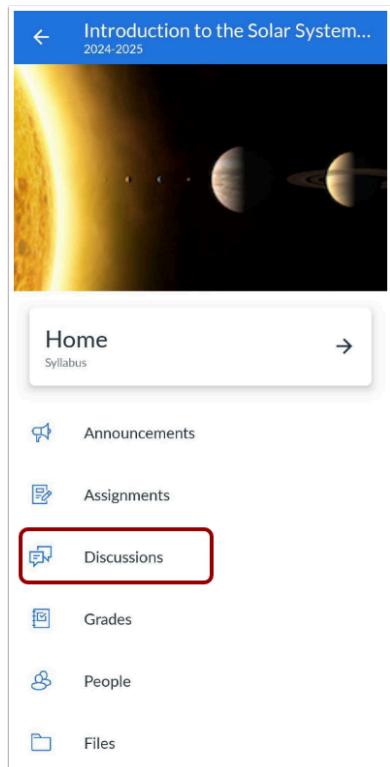

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Open Course

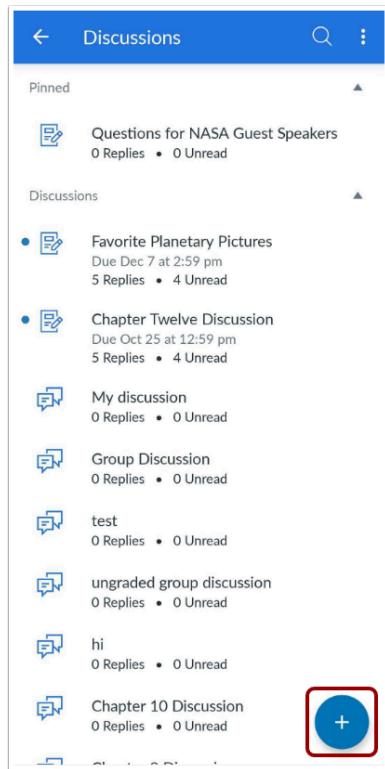

In the Dashboard, tap the name of the course you'd like to view.

## Open Discussions

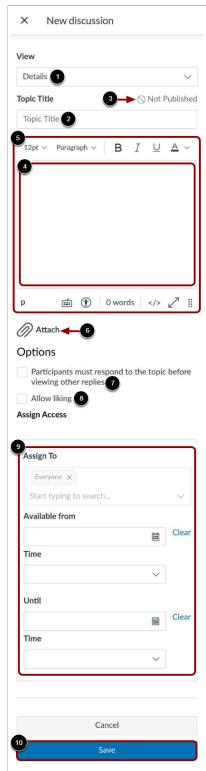

Tap the **Discussions** link.

## Add Discussion

Tap the **Add** icon.

## Create Discussion

Select a discussion view in the **View** drop-down menu [1]. Create a title for your discussion in the **Title** field [2].

**Note:** Unpublished discussions will have a **Not Published** indicator [3].

Enter the details of your discussion in the **Description** field [4]. To format your description text, use the **Rich Content Editor** icons [5].

To add attachments, tap the **Attach** link [6].

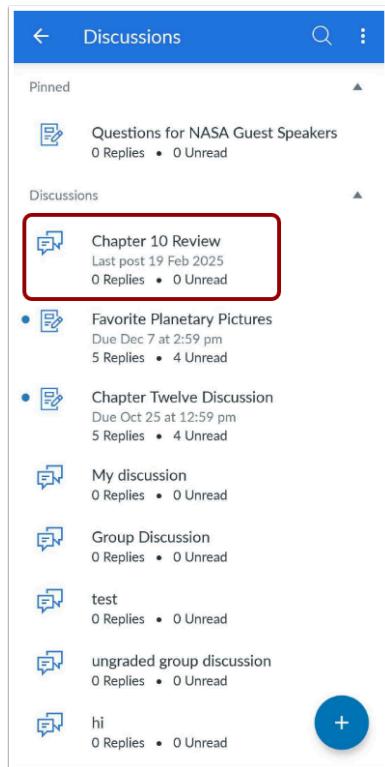

To require other students to post before seeing replies, tap the **Participants must respond to the topic before viewing other replies** button [7].

To enable linking, tap the **Allow Liking** button [8].

You can also set availability dates [9].

When you are finished, tap the **Save** icon [10].

## How do I reply to a discussion in the Canvas app on my Android device?

You can reply to a discussion within the Canvas app.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

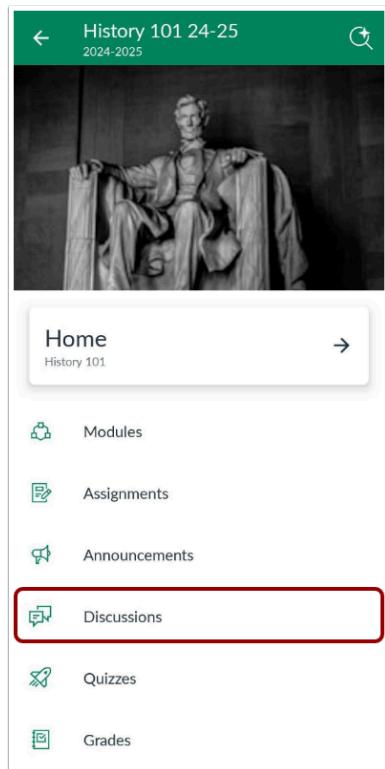

**Note:** The process of responding to a focused discussion or a threaded discussion is the same, although the layout of the discussion may look different depending on the depth of the discussion thread.

### Open Course

In the Dashboard, tap the name of the course you'd like to view.

## Open Discussions

Tap the **Discussions** link.

## Open Discussion

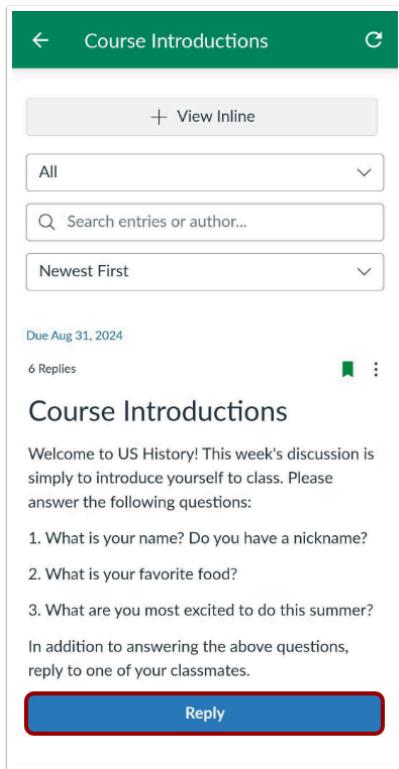

The screenshot shows the 'Discussions' screen in the Canvas mobile app. At the top, there is a navigation bar with a back arrow, the word 'Discussions', a search icon, and a more options icon. Below the navigation bar, there is a 'Pinned' section containing two discussions: 'Elections Discussion' and 'Course Introductions'. The 'Course Introductions' discussion is highlighted with a red border. Below the pinned section is a 'Discussions' section containing several other discussions, each with a thumbnail, title, description, and a timestamp. The discussions listed are: 'Articles of Confederation vs. Constitution Topic Discussion Copy', 'Declaration of Independence Topic Discussion', 'Class Chat', 'Revolutionary War - Group 1', 'To Sign or Not to Sign Discussion', 'Jessica's Discussion', and 'Class Party'.

Discussion	Description	Timestamp
Elections Discussion	0 Replies • 0 Unread	
Course Introductions	Due Aug 31 at 1:59 pm 6 Replies • 0 Unread	
Articles of Confederation vs. Constitution Topic Discussion Copy	Last post 11 Oct 2024 1 reply • 0 Unread	
Declaration of Independence Topic Discussion	0 Replies • 0 Unread

To Sign or Not to Sign Discussion	0 Replies • 0 Unread	
Jessica's Discussion	0 Replies • 0 Unread	
Class Party	0 Replies • 0 Unread	

To view a discussion, tap the name of the discussion.

**Note:** Anonymous discussions must be viewed in a web browser.

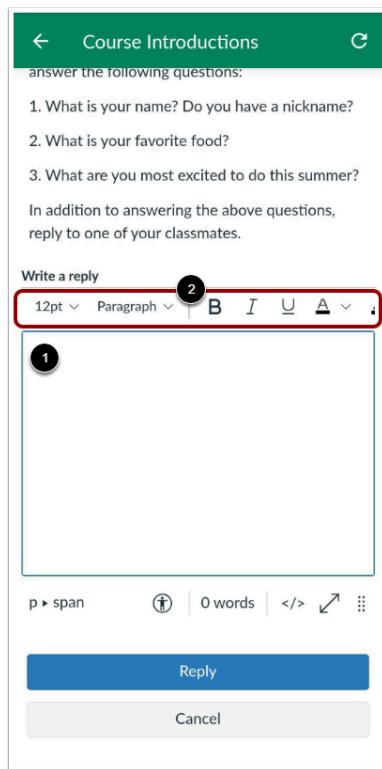

## Reply to Discussion

The screenshot shows a discussion thread in the Canvas Android app. The title of the thread is "Course Introductions". The post text reads: "Welcome to US History! This week's discussion is simply to introduce yourself to class. Please answer the following questions: 1. What is your name? Do you have a nickname? 2. What is your favorite food? 3. What are you most excited to do this summer? In addition to answering the above questions, reply to one of your classmates." At the bottom of the post is a blue "Reply" button. The top of the screen shows navigation buttons for "Course Introductions" and a back arrow.

To reply to the discussion, tap the **Reply** link for the discussion.

## Create Reply

← Course Introductions C

answer the following questions:

1. What is your name? Do you have a nickname?
2. What is your favorite food?
3. What are you most excited to do this summer?

In addition to answering the above questions, reply to one of your classmates.

To send your reply, tap the **Reply** button.

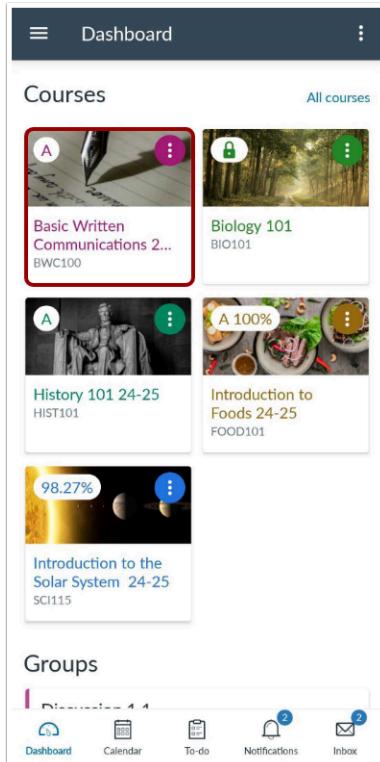

## How do I view Course Files in the Canvas app on my Android device?

You can view course files with the Canvas app. You can also view your [personal files](#).

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

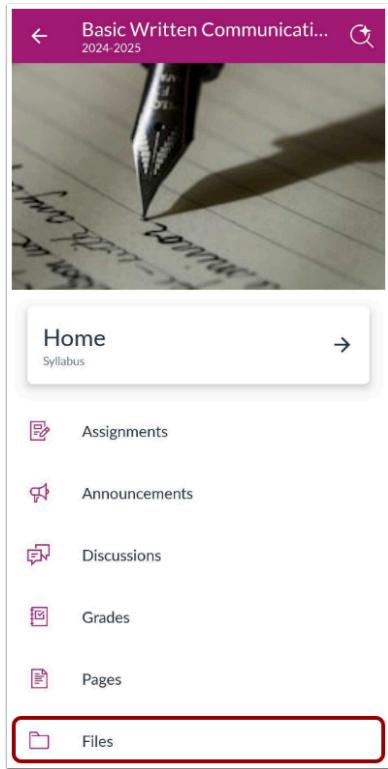

**Note:** The Course Navigation menu matches the browser version of your Canvas course. If Files is not available in your Course Navigation, it will also be hidden from view in the app.

### Open Course

In the Dashboard, tap the name of the course you'd like to view.

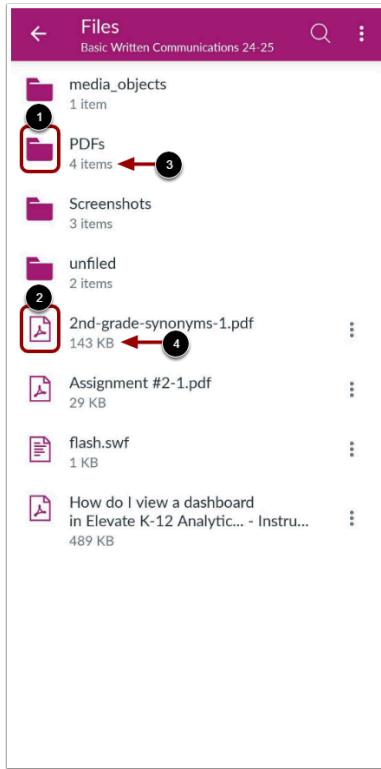

## Open Files

Tap the **Files** link.

**Note:** You may need to swipe your screen to view Files in the Course Navigation menu.

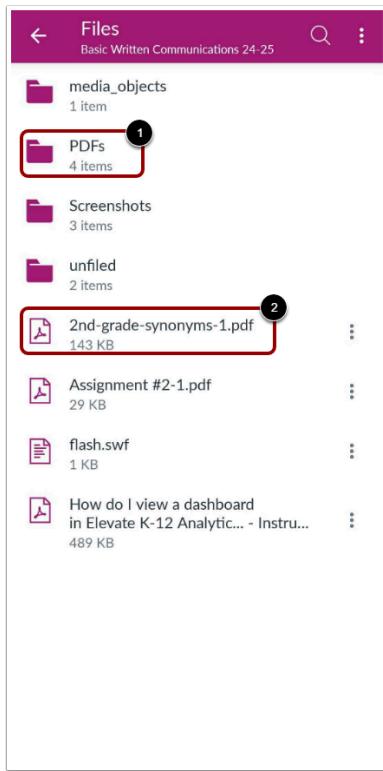

## View Files

Files displays file folders [1] and file items [2] identified by icon type.

File folders show how many file items are within a folder [3]. Individual files show the size of the file [4].

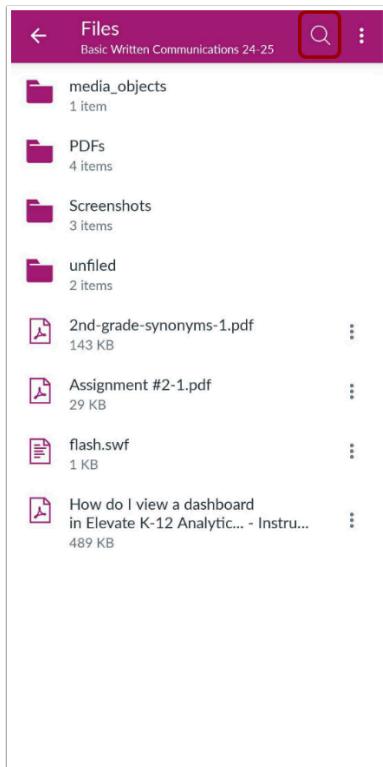

## View File Items

To view file items within a folder, tap the name of the folder [1].

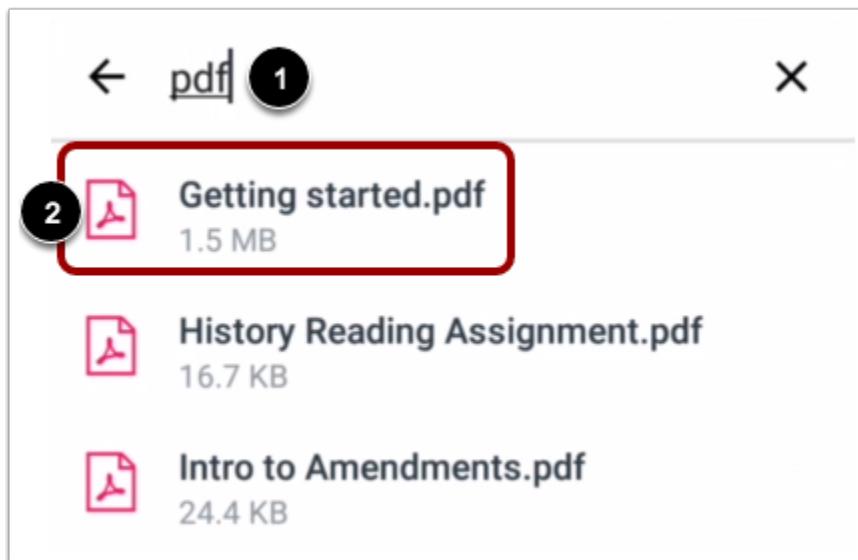

To view a specific file, tap the name of the file [2]. If your device has an application installed that can display the file, you can view the file in the app.

## Search Files

To open the search field, tap the **Search** icon.

## Open File

To search for a file, type the file name in the search field [1]. To open the file, tap the name of the file [2].

**Notes:**

- You must type three or more characters for search results to display.
- Search results will not include file folders.

## How do I view Course Grades in the Canvas app on my Android device?

You can view your grades in the Canvas app.

Grades are viewed as a Course Navigation link. However, the Course Navigation menu matches the browser version of your Canvas course. If Grades is not available in Course Navigation, it will also be hidden from view in the app.

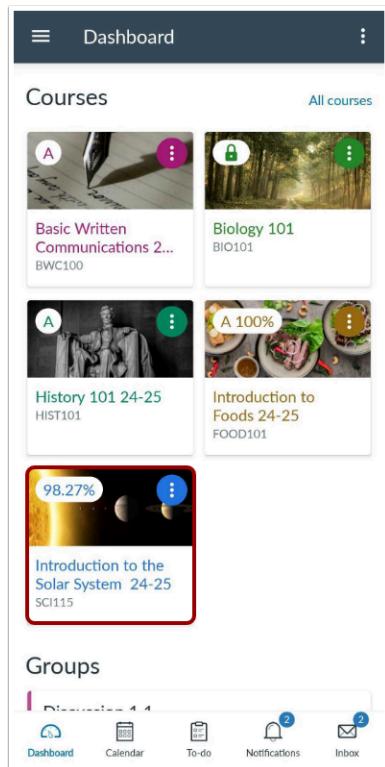

If your course is using Multiple Grading Periods, you can filter grades by grading period. If your course is not using Multiple Grading Periods, the Grades page shows all assignments and grades for the entire course. If the Dashboard does not show a total grade, your instructor may have disabled this feature, or there are no active grading periods in your course.

If enabled in your course, you may only have the ability to view qualitative data, such as letter grades and grading comments.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

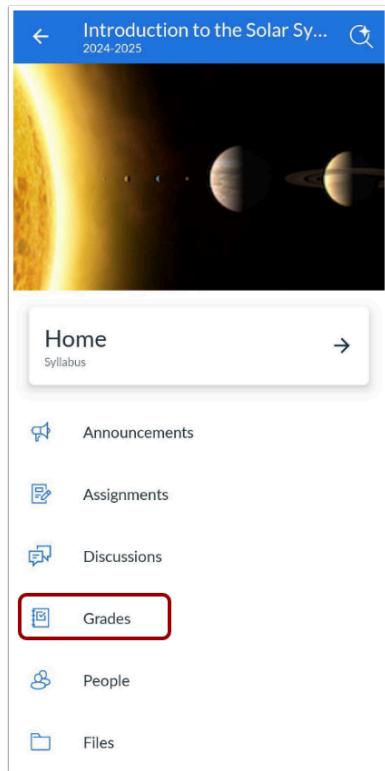

You can also view your grades by [adding a Canvas widget to your Android device](#).

## Open Course

In the Dashboard, tap the name of the course you'd like to view.

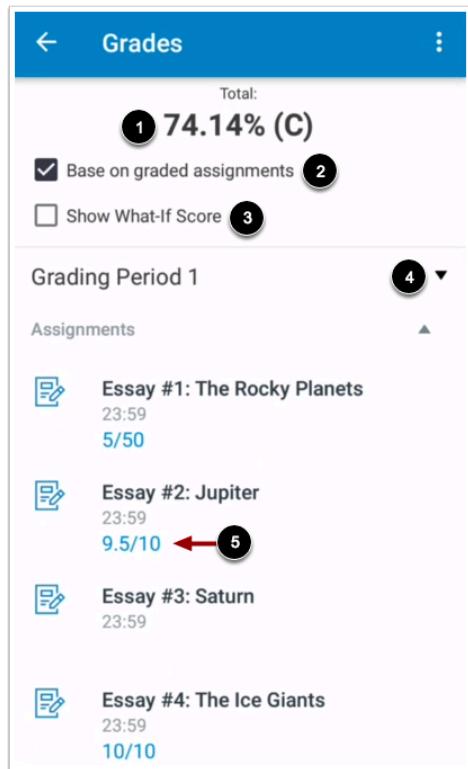

## Open Grades

Tap the **Grades** link.

**Note:** You may have to swipe your screen to view the Grades link.

## View Course Grades

1 74.14% (C)

2 Base on graded assignments

3 Show What-If Score

4 Grading Period 1

5 Essay #2: Jupiter score (9.5/10)

Assignment	Score
Essay #1: The Rocky Planets	23:59 5/50
Essay #2: Jupiter	23:59 9.5/10
Essay #3: Saturn	23:59
Essay #4: The Ice Giants	23:59 10/10

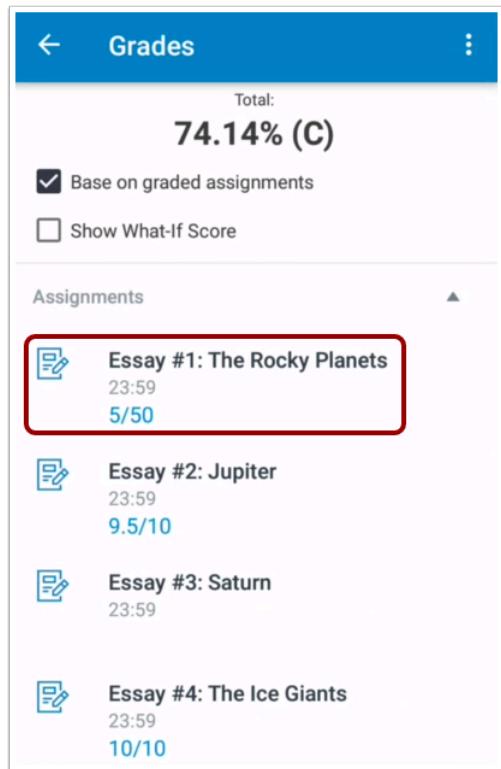

Your total score displays at the top of the page [1]. The total score may be a percentage or points depending on how your instructor has set the grade book. To base the score on graded assignments only, tap the **Base on graded assignments** checkbox [2]. To [view What-if scores](#), tap the **Show What-If Score** checkbox [3].

To view grades for a different grading period, tap the **Grading Period** menu [4].

If a grade has been awarded for an assignment, the assignment displays the score you have earned [5].

**Note:** If enabled by your institution, you may only have the ability to view qualitative data, such as letter grades and grading comments.

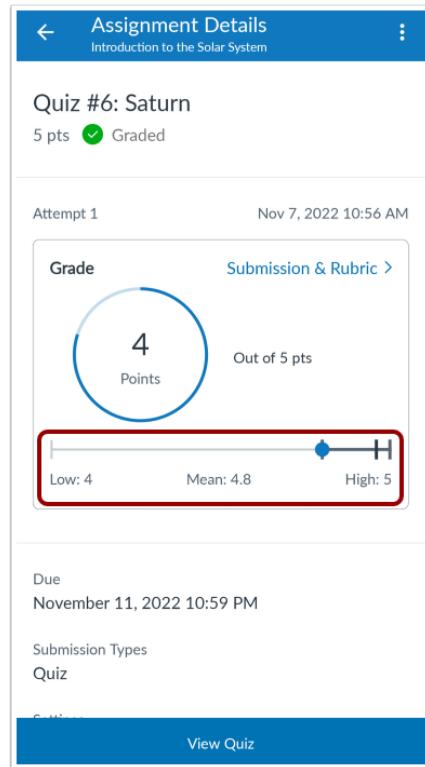

## View Assignment Details

The screenshot shows the 'Grades' section of the Canvas app. At the top, it displays a total score of **74.14% (C)**. Below this, there are two checkboxes: 'Base on graded assignments' (checked) and 'Show What-If Score' (unchecked). The main list is titled 'Assignments' and contains four entries, each with a blue pencil icon and a title:

- Essay #1: The Rocky Planets**  
23:59  
**5/50**
- Essay #2: Jupiter**  
23:59  
**9.5/10**

[View Quiz](#)

A screenshot of the Assignment Details page for Quiz #6: Saturn. The page shows a grade of 4 out of 5 points, with a mean of 4.8 and a high of 5. The submission type is listed as Quiz. A red box highlights the grade and score statistics.

If score statistics are visible in your course, you can view score statistics below your grade in the Assignment Details page.

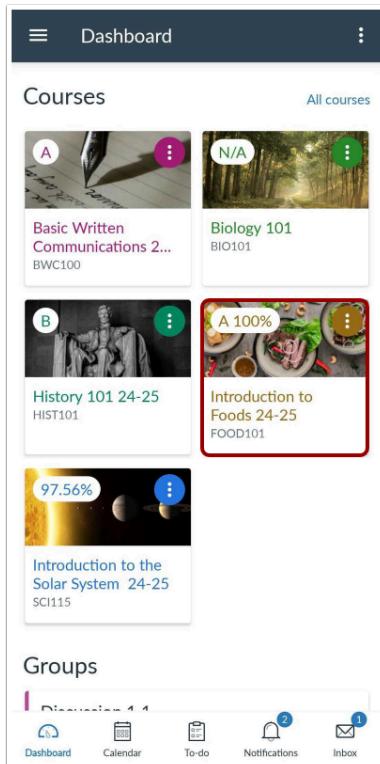

## How do I check my What-if Grades in the Canvas app on my Android device?

You can view your grades based on What-If scores so that you know how grades will be affected by upcoming or resubmitted assignments.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

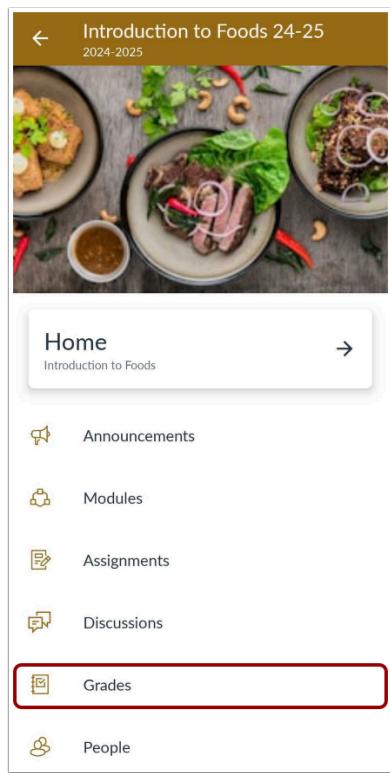

**Note:** What-if grading is only available when a course does not use weighted grading periods. Additionally, what-if scores are not saved in the Canvas app.

### Open Course

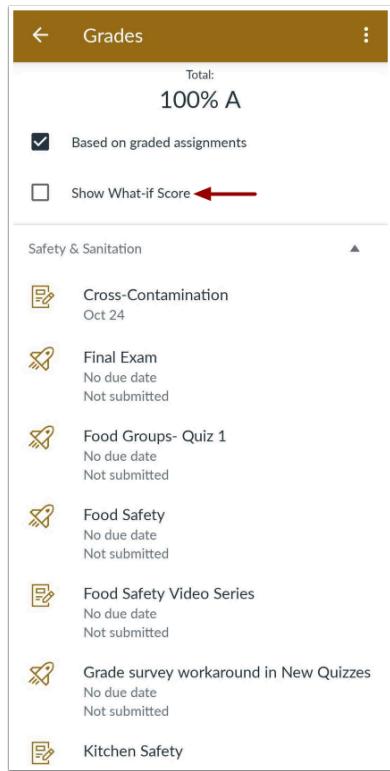

Tap the name of the course you want to open.

To hide the What-If Scores, tap the **Show What-If Score** checkbox again.

**Note:** What-If Scores are not saved in the Canvas app.

## How do I view Modules in the Canvas app on my Android device?

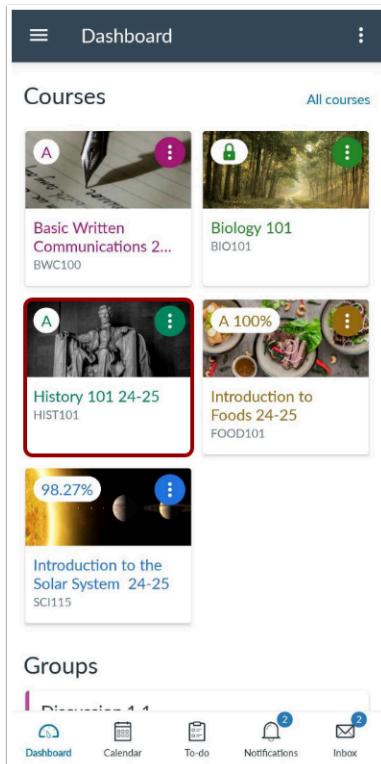

The Canvas app gives you access to Modules in your courses.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

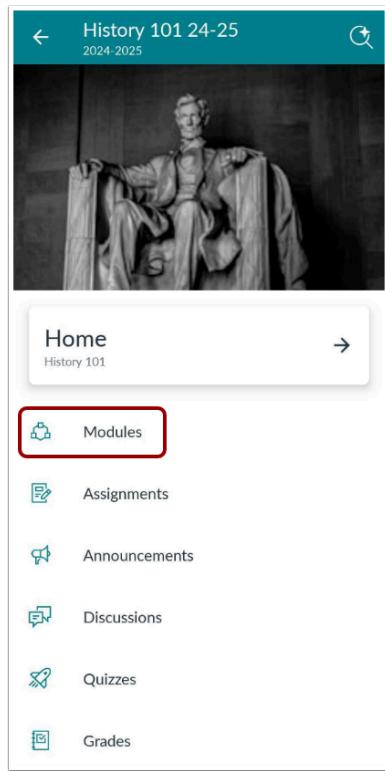

- The Course Navigation menu matches the browser version of your Canvas course. If Modules is not available in Course Navigation, it will also be hidden from view in the app.
- If your instructor includes a file in Modules, you may use the same PDF annotations as [submitting a PDF assignment](#).

## Open Course

In the Dashboard, tap the name of the course you'd like to view.

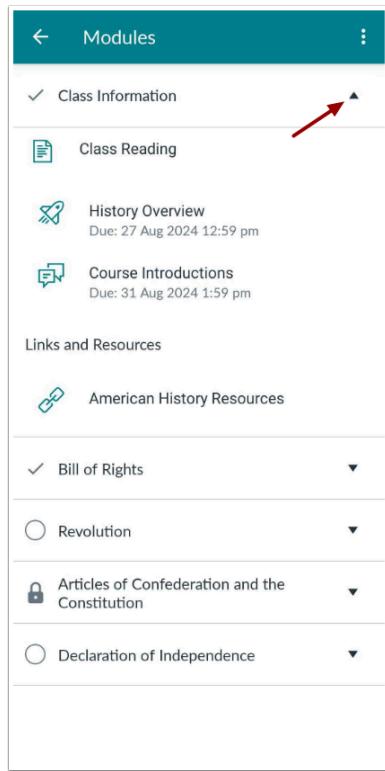

## Open Modules

Tap the **Modules** link.

**Note:** You may need to swipe your screen to view Modules in the Course Navigation menu.

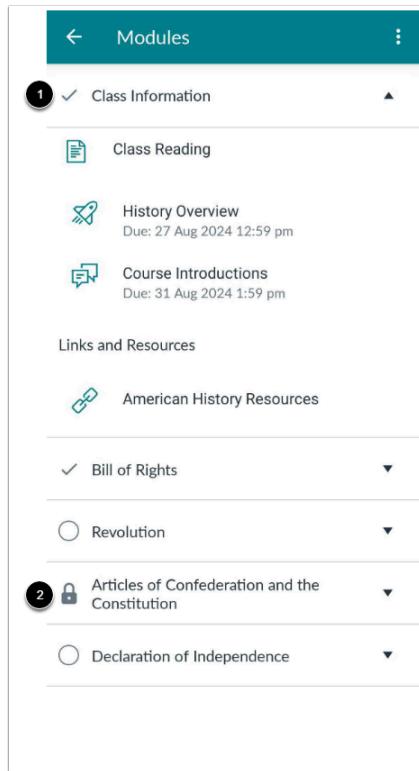

## View Modules

The app displays all the modules in your course.

To collapse and expand modules, toggle the module arrow.

## View Module Status

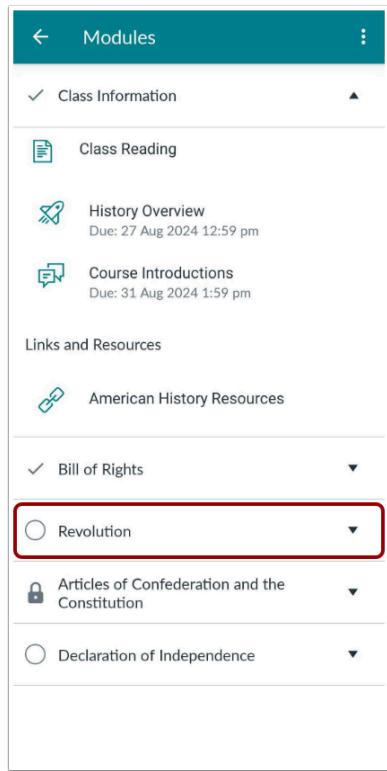

Modules

- 1 ✓ Class Information
- Class Reading
- History Overview  
Due: 27 Aug 2024 12:59 pm
- Course Introductions  
Due: 31 Aug 2024 1:59 pm
- Links and Resources
  - American History Resources
- ✓ Bill of Rights
- Revolution
- 2 🔒 Articles of Confederation and the Constitution
- Declaration of Independence

Modules also shows the status of each module. Once a module has been completed, the module includes a checkmark next to the module [1].

If a module is locked [2], it displays a locked icon. Locked modules require completed prerequisites before they can be viewed.

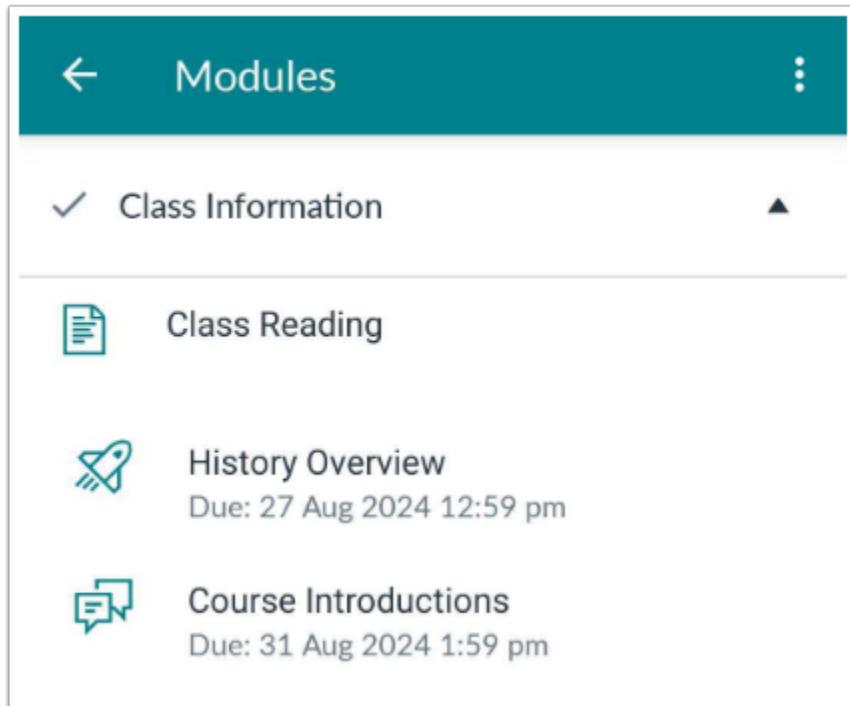

## Open Module Items

The screenshot shows the 'Modules' screen in the Canvas Android app. At the top, there is a back arrow, the word 'Modules', and a three-dot menu icon. Below this, there is a section titled 'Class Information' with a downward arrow. Under 'Class Information', there are three items: 'Class Reading', 'History Overview' (due 27 Aug 2024 12:59 pm), and 'Course Introductions' (due 31 Aug 2024 1:59 pm). Below 'Class Information' is a section titled 'Links and Resources' with a downward arrow. Under 'Links and Resources', there are three items: 'American History Resources', 'Bill of Rights' (with a downward arrow), and 'Revolution' (which is highlighted with a red box). Under 'Bill of Rights', there are two items: 'Articles of Confederation and the Constitution' and 'Declaration of Independence' (with a downward arrow). The 'Revolution' item is the only one currently expanded.

To view items within a module, tap the name of the module.

## View Module Items

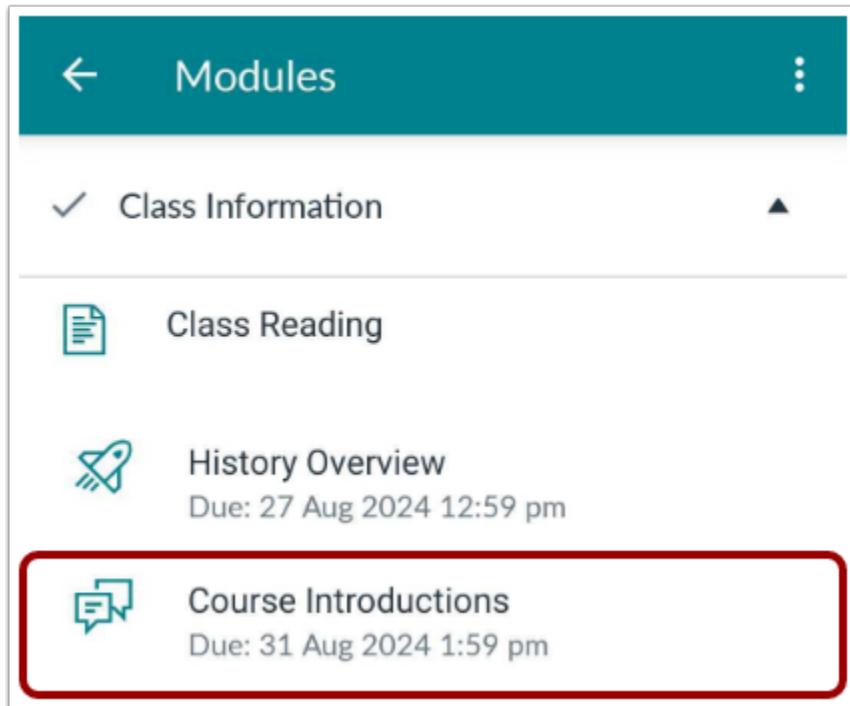

The screenshot shows the 'View Module Items' screen in the Canvas Android app. The title bar is teal with the word 'Modules' in white. Below the title bar is a list of items:

-  Class Information
-  Class Reading
-  History Overview  
Due: 27 Aug 2024 12:59 pm
-  Course Introductions  
Due: 31 Aug 2024 1:59 pm

View the items in the module.

## Open Module Item

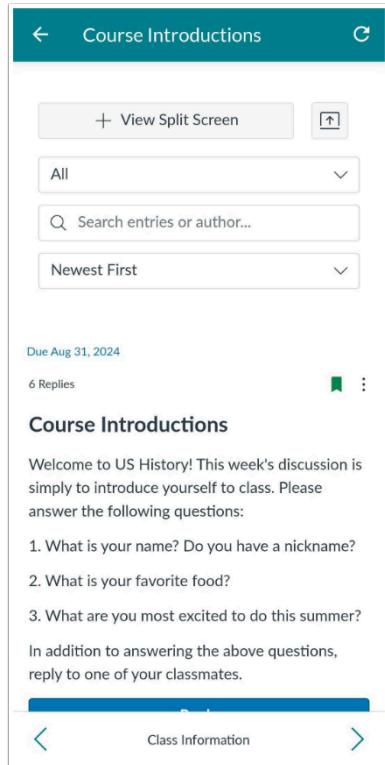

The screenshot shows the 'Modules' screen in the Canvas Android app. At the top, there is a teal header bar with a back arrow, the word 'Modules', and a three-dot menu icon. Below the header, there is a list of module items:

-  Class Information
-  Class Reading
-  History Overview  
Due: 27 Aug 2024 12:59 pm
-  Course Introductions  
Due: 31 Aug 2024 1:59 pm

The 'Course Introductions' item is highlighted with a red rounded rectangle border.

To open a module item, tap the name of the item.

## View Module Item

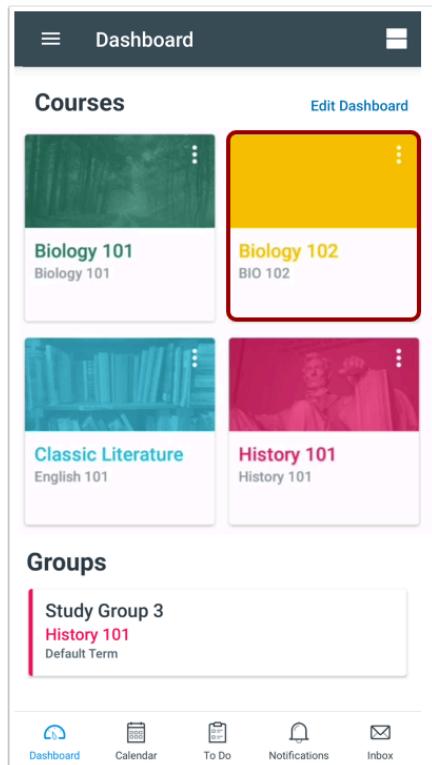

The screenshot shows the 'Course Introductions' module item in the Canvas Android app. At the top, there are navigation buttons for 'Course Introductions' and a refresh icon. Below that are filter and search options: 'View Split Screen' (with a plus sign), a dropdown for 'All' (with an upward arrow), a search bar with placeholder 'Search entries or author...', and a dropdown for 'Newest First' (with a downward arrow). A note indicates the item is 'Due Aug 31, 2024' and has '6 Replies'. To the right of the search bar is a green icon with a person and a vertical ellipsis. The main content area is titled 'Course Introductions' and contains the following text: 'Welcome to US History! This week's discussion is simply to introduce yourself to class. Please answer the following questions:'. Below this is a numbered list of three questions: '1. What is your name? Do you have a nickname?', '2. What is your favorite food?', and '3. What are you most excited to do this summer?'. A note below the list says, 'In addition to answering the above questions, reply to one of your classmates.' At the bottom of the screen, there is a blue progress bar with a central dot, and below it are navigation arrows for 'Class Information'.

View the module item.

## How do I choose an assignment group in a module in the Canvas app on my Android device?

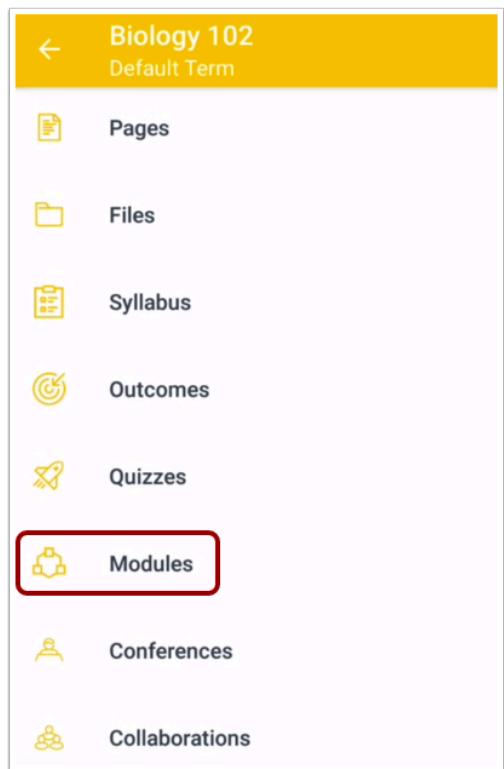

If your Modules page asks you to choose an assignment group, you need to choose which assignment(s) you want to select before you can progress to the next assignment.

### Open Course

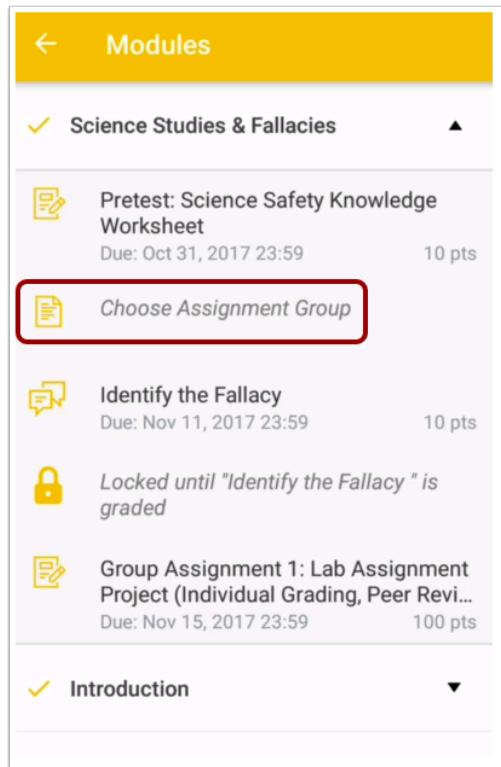

In the Dashboard, tap the name of the course you'd like to view.

## Open Modules

In Course Navigation, click the **Modules** link.

## Choose Assignment Group

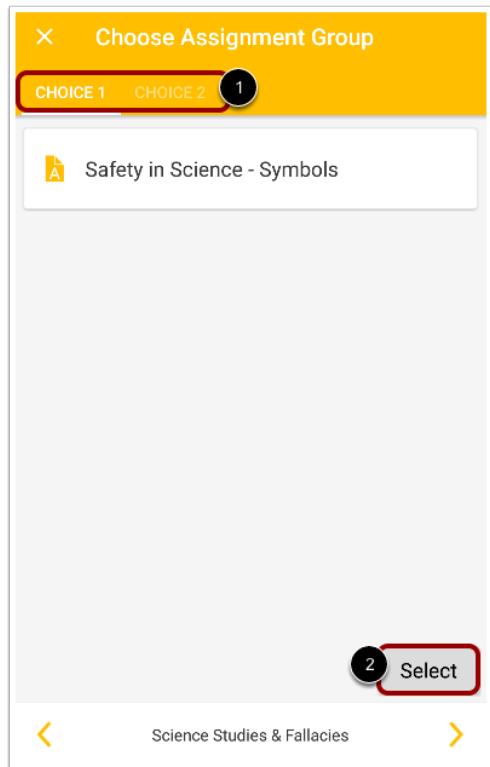

The screenshot shows the 'Modules' section of the Canvas mobile app. A module titled 'Science Studies & Fallacies' is expanded, displaying several assignments:

- Pretest: Science Safety Knowledge Worksheet** (Due: Oct 31, 2017 23:59, 10 pts) - This item has a red box around the 'Choose Assignment Group' link.
- Identify the Fallacy** (Due: Nov 11, 2017 23:59, 10 pts)
- Locked until "Identify the Fallacy" is graded**
- Group Assignment 1: Lab Assignment Project (Individual Grading, Peer Rev...** (Due: Nov 15, 2017 23:59, 100 pts)

Below the module list, another section titled 'Introduction' is partially visible.

Locate the current module and click the **Choose Assignment Group** link.

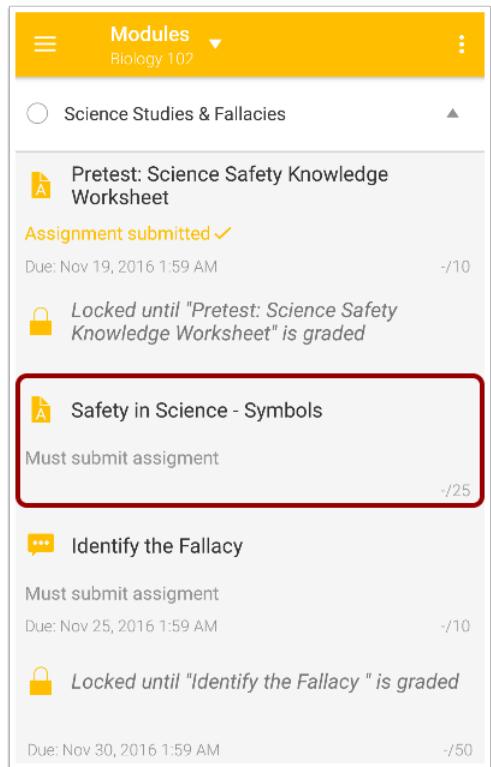

## Select Assignment

View the assignment options by tapping the tabs [1]. Locate the assignment you want to select and tap the **Select** button. [2]

**Note:** Once you select an assignment, you cannot select a different assignment.

## View Selected Assignment

The first is completed as an example. Be sure that you adequately, succinctly, and correctly describe the concept as well as the people involved. Make sure to provide a reference for your information.

**Developing the idea**

In June 1776, the Second Continental Congress decided that they needed to declare independence in one fashion or another. They agreed to take a three week recess and appointed the "Committee of Five" which included John Adams, Roger Sherman, Benjamin Franklin, Robert R. Livingston, and Thomas Jefferson. After the committee discussed the general direction that the document would take, they asked Jefferson to write the first draft.

History 101 24-25

SYLLABUS SUMMARY

1

Welcome to HIST 101, US History!

[Download Syllabus](#)

This course is a short 5 week review course that covers US History from 1775 to 1791, including the Declaration of Independence, Revolution, Articles of Confederation and the Constitution, and the Bill of Rights. My name is Aren Jurel and I will be your instructor for this course.

The table below contains all the due dates for the course. Throughout the course, you will be engaged in peer interactions on discussion boards and peer reviews, collaborative work in teams, groups, and circles, watching videos, writing, and completing quizzes. The variety of activities should provide you with a wide range of opportunities for learning.

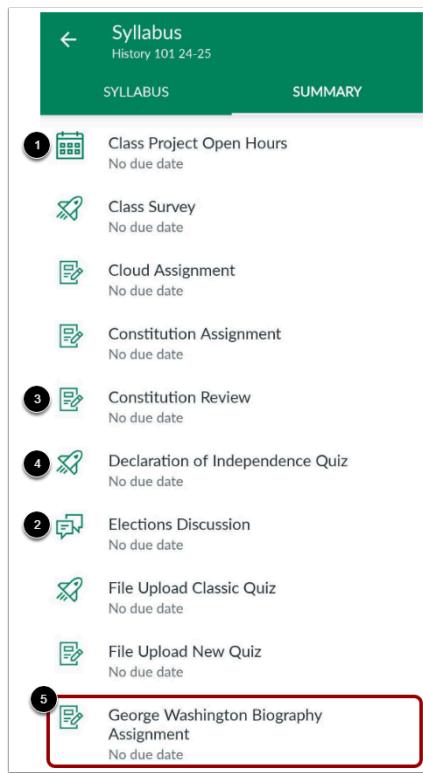

Use the [discussion on course questions](#) if you need explanation of any of the course assignments or activities.

A note on working with others... in this course, you will see that you [may sign up to work with a team, a group, and a circle](#) to edit three different wiki pages. These working organizations will allow you opportunities to work with a variety of people, and will help differentiate between the wiki page assignments. You are expected to work collaboratively within these structures. You may choose your own team, group or circle as the class starts the module in which they are assigned. The wiki page edits are due at the same time as the quiz for the module.

View your course syllabus [1].

To view your assignments and events, tap the **Summary** tab [2].

## View Course Summary

View the course summary list. The course summary list includes course events [1], discussions [2], assignments, [3], and quizzes [4]. Items in the course summary list are organized by date.

To open an assignment or event, tap the name of the item [5].

**Note:** If your instructor hides the course summary in the browser version of your course, it will be hidden in the Canvas app.

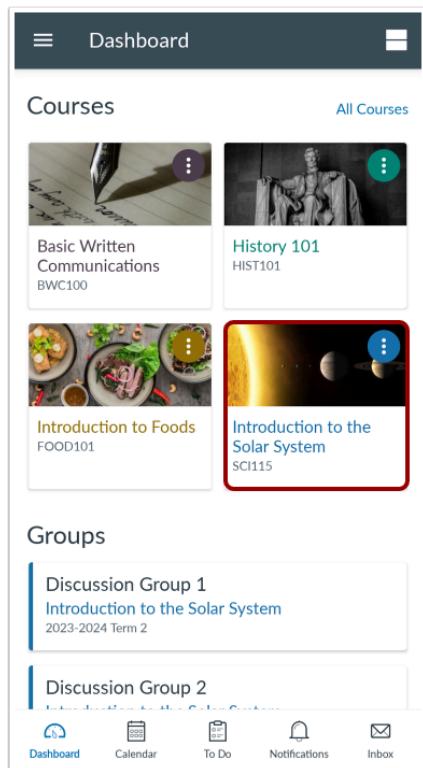

## How do I create a reminder for an assignment or quiz in the Canvas Canvas app on my Android device?

You can set reminders through your assignment details or quiz details page. You can choose the date and time that you would like to receive the reminder. Reminders are sent as push notifications to your device.

You can also set reminders for assignments that don't have due dates.

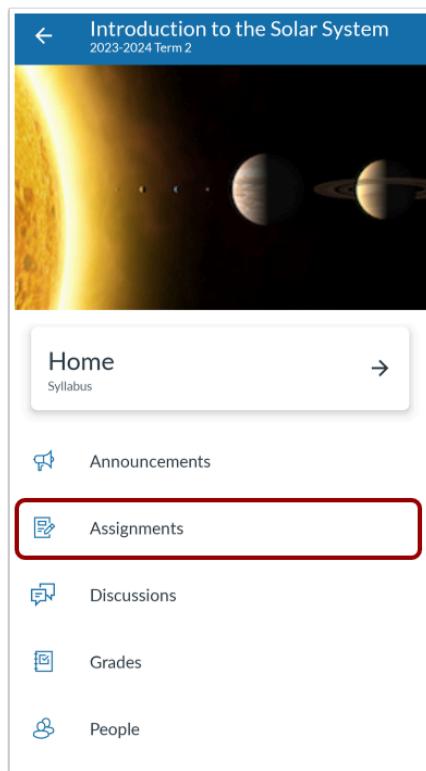

**Note:** Although this lesson displays the steps for setting a reminder for an assignment, the same steps apply to setting a reminder for a quiz.

### Open Course

In the Dashboard, tap the name of the course you would like to set a reminder for.

## Open Assignments

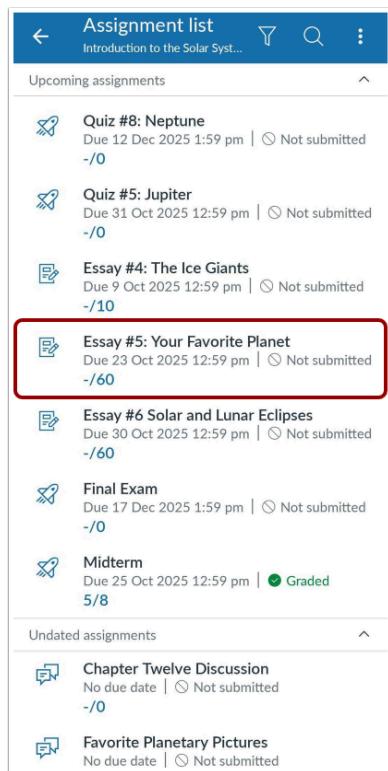

Tap the **Assignments** link.

**Notes:**

- You may have to swipe your screen to view the Assignments link.
- You can also set a reminder for a quiz through the Assignments link.

Tap the name of an assignment or quiz.

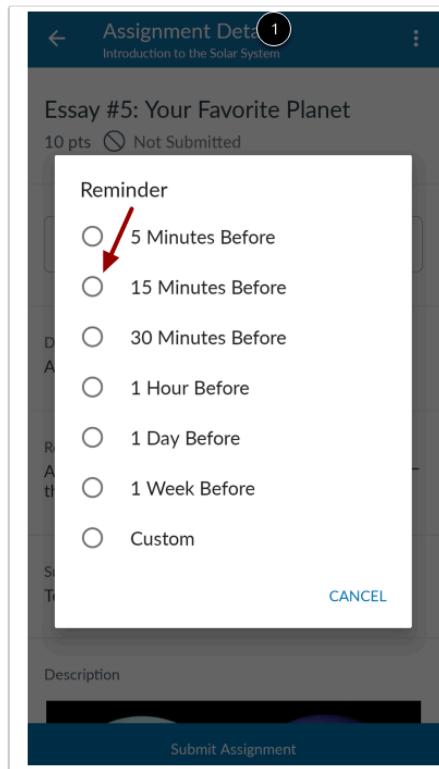

## Add Reminder

The screenshot shows the 'Assignment Details' screen for an assignment titled 'Essay #5: Your Favorite Planet'. The assignment is worth 10 pts and is not submitted. A 'Submission & Rubric' button is available. The assignment is due on April 12, 2024, at 10:59 PM. A reminder section allows adding due date notifications, with a red box highlighting the '+' button. The submission types are Text Entry and File Upload. A description field is present, and a 'Submit Assignment' button is at the bottom.

Tap the **Add due date reminder notifications about this assignment on this device** button.

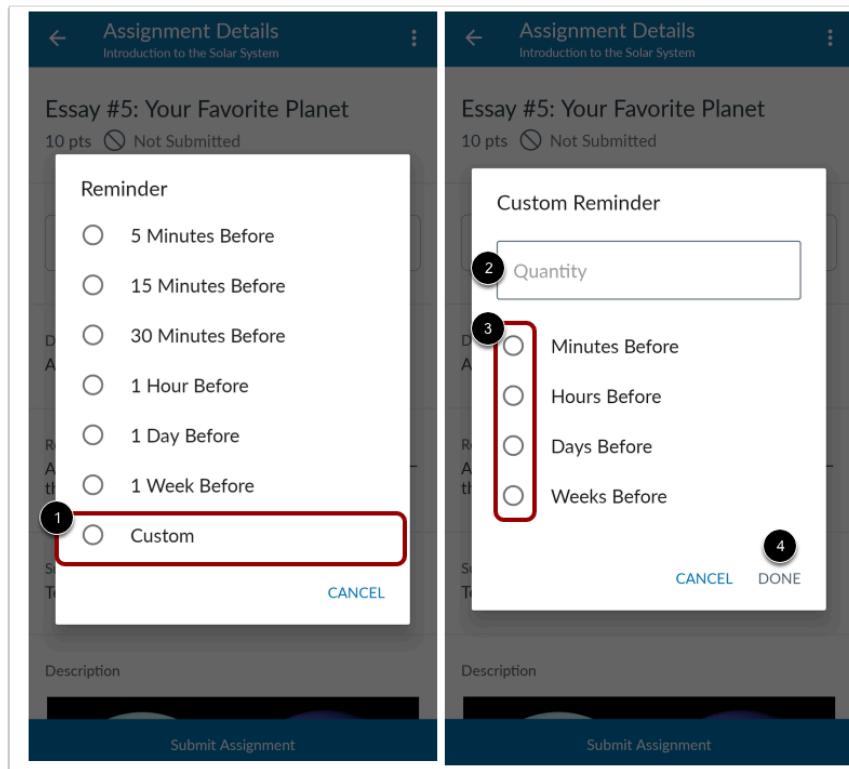

## Set Reminder

Tap the desired reminder notification radio button. You can choose from five, fifteen, or thirty minutes before, one hour before, one day before, or one week before. You can also set a custom reminder.

You can only set one reminder per reminder type at a time. To add multiple reminders, you must set each reminder individually. The maximum number of reminders per assignment is ten.

## Set Custom Reminder

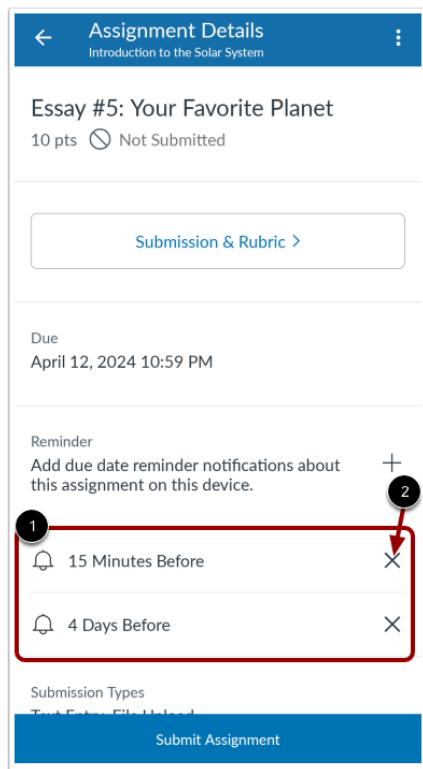

You can set custom reminders for assignments.

Tap the **Custom** reminder notification radio button [1].

In the **Quantity** field, enter a numerical value [2]. Then tap the radio button of when you would like to receive the reminder [3].

Tap the **Done** link [4].

## View Reminder

The screenshot shows the 'Assignment Details' page for an assignment titled 'Essay #5: Your Favorite Planet' worth 10 pts. The assignment is not submitted. A 'Submission & Rubric' button is visible. The due date is April 12, 2024, 10:59 PM. Below the due date, there is a 'Reminder' section. It shows two reminders: '15 Minutes Before' and '4 Days Before'. Each reminder has a delete icon (a red 'X') and a circled number: '1' over the first reminder and '2' over the delete icon for the '15 Minutes Before' reminder. A red arrow points to the circled '2'. At the bottom, there is a 'Submission Types' section with 'Text Entry', 'File Upload', and a 'Submit Assignment' button.

Reminders display in the assignment details page [1]. To remove a reminder, tap the **Delete** icon [2].

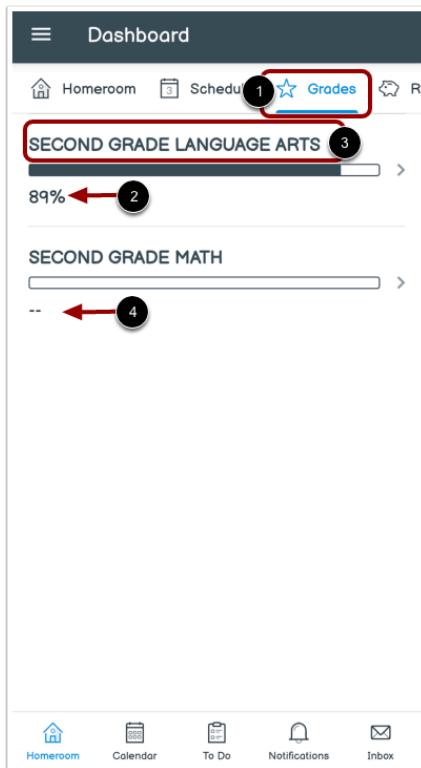

**Note:** Overdue reminders do not display.

## How do I view my grades in a current subject using the Canvas app on my Android device in Canvas for Elementary?

The Grades page in a course displays current grades for all course assignments. You can also view scoring details, comments, and rubrics. If your institution has enabled grading periods, you can also filter grades by grading period.

**Note:** Some details in the Grades page, such as scoring details and the total grade, may be restricted in your course.

### Open Subject Grades

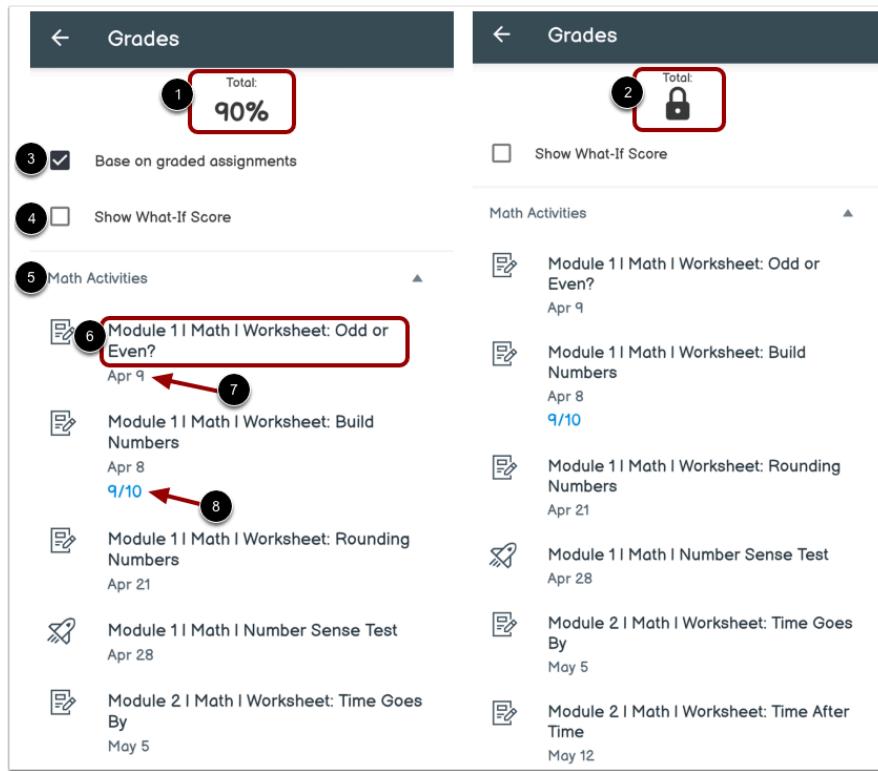

From the Homeroom, tap the **Grades** tab [1].

If allowed by your instructor, your total subject grades display [2].

To view grade details for a subject, tap the subject name [3].

**Note:** If your instructor has hidden total subject grades, dashes display in place of the total subject grade [4].

## View Subject Grades

## View Assignment Details

The screenshot shows the Assignment Details page for an assignment titled "Module 1 Math I Worksheet: Build Numbers". The page is organized into several sections:

1. Points: 10 pts
2. Graded: A green checkmark icon followed by the word "Graded".
3. Due: Apr 8 at 11:59 PM
4. Submission Types: Text Entry, File Upload
5. Grade: A circular icon containing a '9' with the text "Out of 10 pts" next to it.
6. Submission & Rubric: A link with a right-pointing arrow.
7. Description: Text describing the assignment: "Download the worksheet, complete it by hand, and take a picture or scan it. Or you can complete this worksheet on a computer, if you are...".
8. Resubmit Assignment: A blue button.

The Assignment Details page displays assignment information.

If your assignment is graded, the details page displays the points possible [1] and a **Graded** label [2].

The assignment details page displays the assignment due date [3] and submission type(s) [4].

If your assignment is graded, the details page displays the grade you received [5].

To view your submission, tap the **Submission & Rubric** link [6]. Submission and other details display in the Submission page.

The assignment details page also displays the assignment description [7].

If you are allowed to add a new submission to the assignment, the Resubmit Assignment button may display [4]. To submit a new attempt, tap the **Resubmit Assignment** button [8].

## Assignments

## How do I view Assignments in the Canvas app on my Android device?

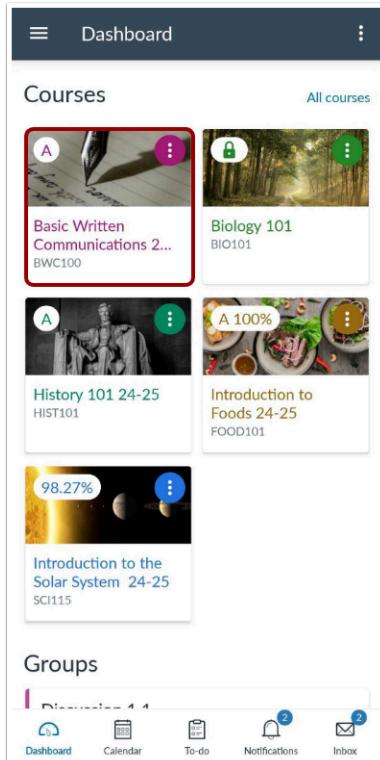

The Canvas app helps you keep track of all course assignments. You can also view newly created assignments or changes to assignments in the [Notifications tab](#).

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

- The Course Navigation menu matches the browser version of your Canvas course. If Assignments is not available in your Course Navigation, it will also be hidden from view in the app.
- If the assignment you are accessing displays differently, Assignment Enhancements may be enabled in your course. Currently, Assignment Enhancements is only partially supported by the app.

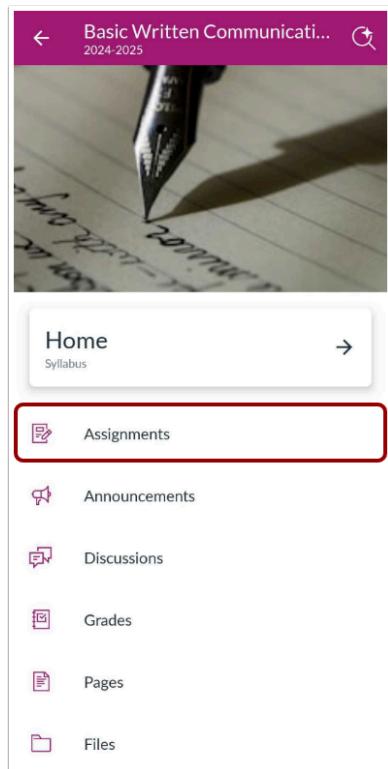

## Open Course

The screenshot shows the Canvas app's dashboard. At the top, there's a header with a menu icon, the word "Dashboard", and a three-dot menu icon. Below the header, the "Courses" section displays four course cards. The first card, "Basic Written Communications 2...", has a red box around its thumbnail and a red dot in the top right corner, indicating a notification. The second card, "Biology 101 BIO101", has a green dot in the top right corner. The third card, "History 101 24-25 HIST101", has a green dot in the top right corner. The fourth card, "Introduction to Foods 24-25 FOOD101", has a green dot in the top right corner. Below the courses, there's a progress bar for "Introduction to the Solar System 24-25 SCI115" showing "98.27%" completion. At the bottom, the "Groups" section shows a list of groups with a red dot in the top right corner. The footer contains navigation icons for Dashboard, Calendar, To-do, Notifications (with a red dot), and Inbox.

In the Dashboard, tap the name of the course you want to view.

## View External Tool Assignment

The screenshot shows a mobile application interface for a Canvas assignment. At the top, there is a header with a back arrow, the title "Assignment details", the course name "Basic Written Communications 24-25", and a more options menu. Below the header, the assignment title is "Descriptive Writing" with a value of "10 pts". The status is "Not Submitted" with a circular icon. A "Submission & Rubric" button is available. The assignment is due on "December 8, 2022 12:59 AM". The "Submission Types" are listed as "External Tool". The "Description" field contains the instruction: "What is your favorite color? Tell me what it is in at least 100 words." At the bottom is a prominent blue "Launch External Tool" button.

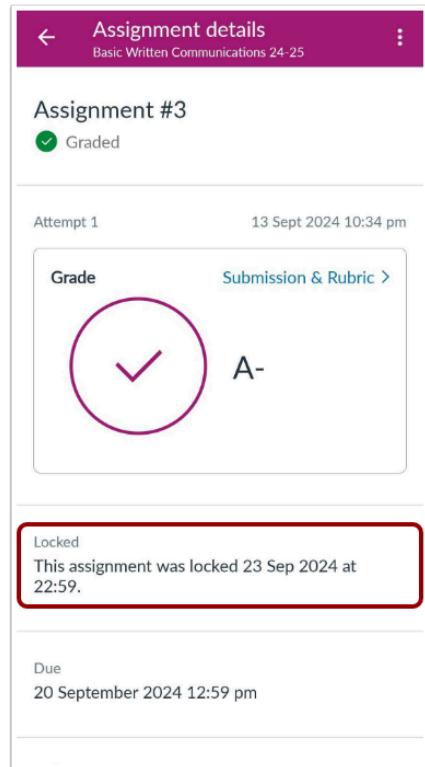

To submit an external tool assignment, tap the **Launch External Tool** button.

## View Locked Assignment

The screenshot shows the 'Assignment details' page for an assignment titled 'Descriptive Writing' in the 'Basic Written Communications 24-25' course. The assignment is worth 10 pts and is marked as 'Not Submitted'. A 'Submission & Rubric' button is visible. A red box highlights a 'Locked' message: 'This assignment is locked until Apr 19, 2023 at 11:00 PM.' Below the message is a cartoon panda holding a treasure chest and a key.

If an assignment is not yet available, the Assignment Details page displays the date and time the assignment will unlock.

A screenshot of the Canvas Assignment details page. At the top, it says "Assignment details" and "Basic Written Communications 24-25". Below that, "Assignment #3" is listed as "Graded". An attempt from "Attempt 1" on "13 Sept 2024 10:34 pm" is shown with a grade of "A-". A red box highlights a "Locked" status message: "This assignment was locked 23 Sep 2024 at 22:59." At the bottom, the due date is listed as "20 September 2024 12:59 pm".

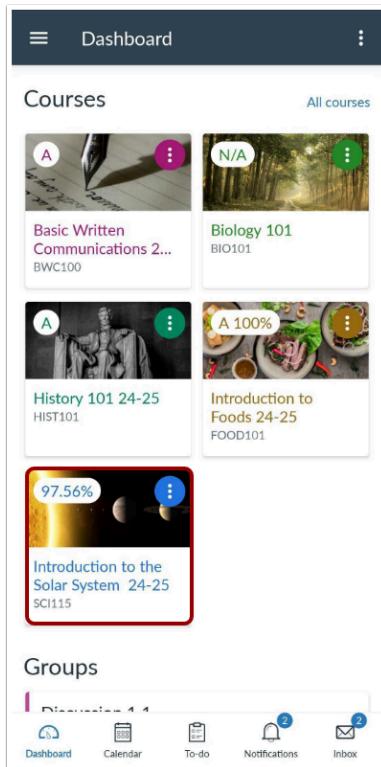

If the assignment availability date has passed, the Assignment Details page displays the date and time the assignment was locked.

## How do I make a comment about an assignment in the Canvas app on my Android device?

You can leave comments on an assignment to ask questions or provide feedback.

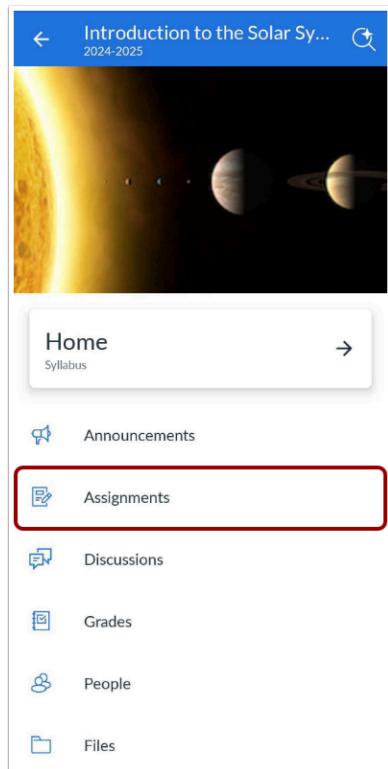

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

COMMENTS FILES (1) RUBRIC

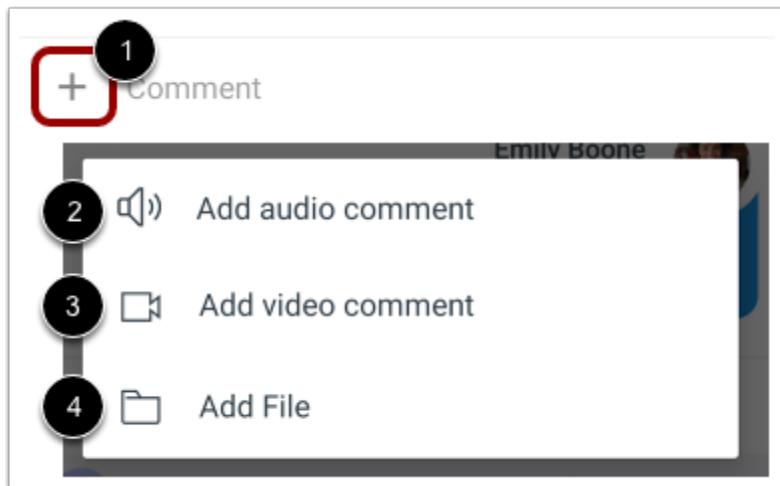

On the Submission Details page, swipe up on the comments tab.

## Add Text Comment

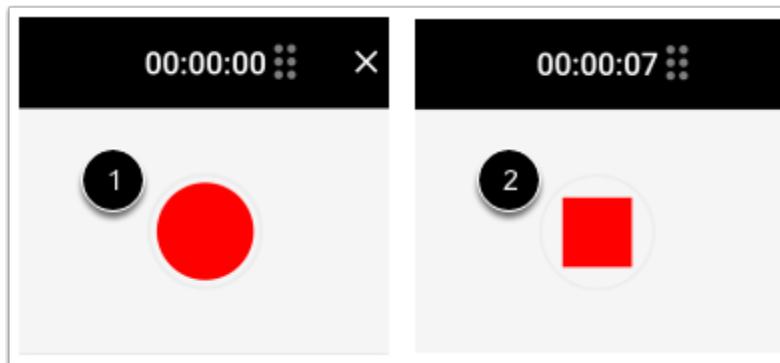

To add a text comment, tap the **Comment** field and type your text [1]. Submit your comment by tapping the **Send** button [2].

## Add Media Comments

To add different comment type, tap the **Add** icon next to the comment field [1]. You can record an audio comment [2], record a video comment [3], or upload a file [4].

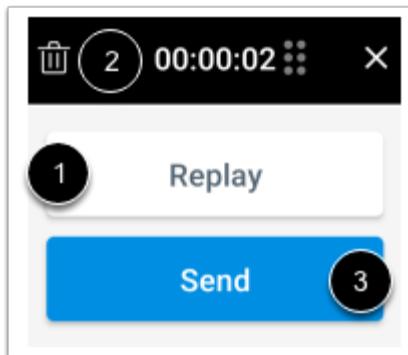

## Record Audio

To record audio, tap the **Record** button [1].

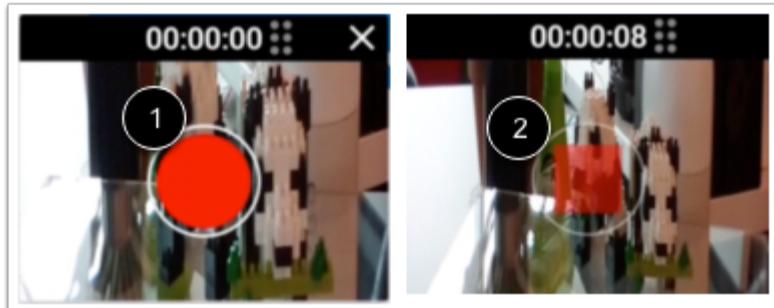

To stop recording, tap the **Stop** button [2].

## Preview and Send Audio Comment

To replay the audio, tap the **Replay** button [1]. To re-record the audio, press the **Delete** button [2]. When you are finished, tap the **Send** button [3].

## Record Video

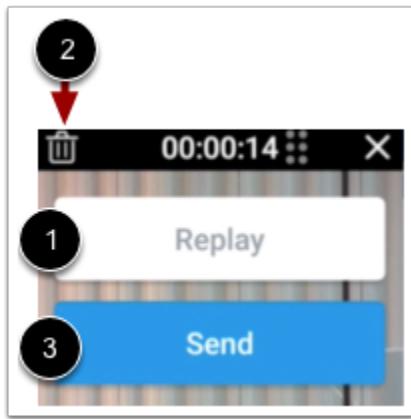

To record a new video, tap the **Record** button [1].

To stop recording, tap the **Stop** button [2].

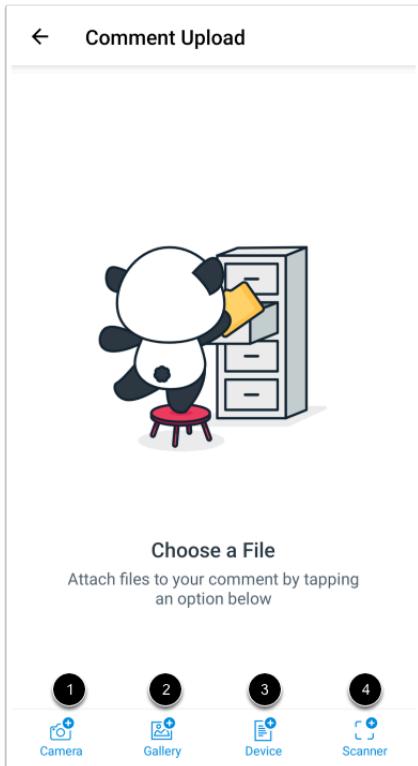

**Note:** Canvas may ask permission to access your microphone.

## Use Video

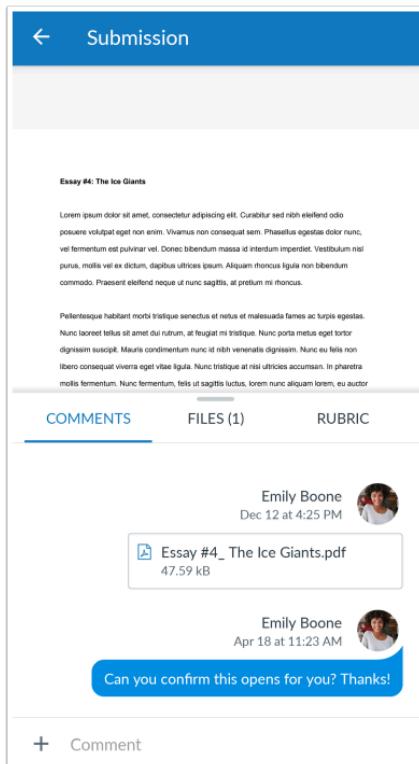

To replay the video, tap the **Replay** button [1]. If you want to re-record the video, tap the **Delete** button [2]. When you are finished, tap the **Send** button [3].

## Choose File

To take and then attach a camera or video file, tap the **Camera** icon [1]. To attach a file from your device image library, tap the **Gallery** icon [2]. To attach a file from your device files, tap the **Device** icon [3]. To scan a document, tap the **Scanner** icon [4].

## View Comment

The screenshot shows a mobile application interface for viewing a comment. At the top, a blue header bar contains a back arrow and the text "Submission". Below the header is a large, empty white area representing the comment content. Underneath this area, the text "Essay #4: The Ice Giants" is displayed. A block of placeholder text follows, starting with "Lorem ipsum dolor sit amet, consectetur adipiscing elit. Curabitur sed nibh eleifend odio posuere volutpat eget non enim. Vivamus non consequat sem. Phasellus egestas dolor nunc; vel fermentum est pulvinar vel. Donec bibendum massa id interdum imperdiet. Vestibulum nisl purus, mollis vel ex dictum, dapibus ultrices ipsum. Aliquam rhoncus ligula non bibendum commodo. Praesent eleifend neque ut nunc sagittis, at pretium mi rhoncus." Below the text, there are three tabs: "COMMENTS" (underlined in blue), "FILES (1)", and "RUBRIC". The "FILES (1)" tab is currently selected. A file attachment for "Essay #4\_ The Ice Giants.pdf" (47.59 kB) is listed. Below the file, another comment from "Emily Boone" is shown, dated "Apr 18 at 11:23 AM". A blue button at the bottom of this comment section says "Can you confirm this opens for you? Thanks!". At the very bottom of the screen, there is a "Comment" button with a plus sign.

View your comment.

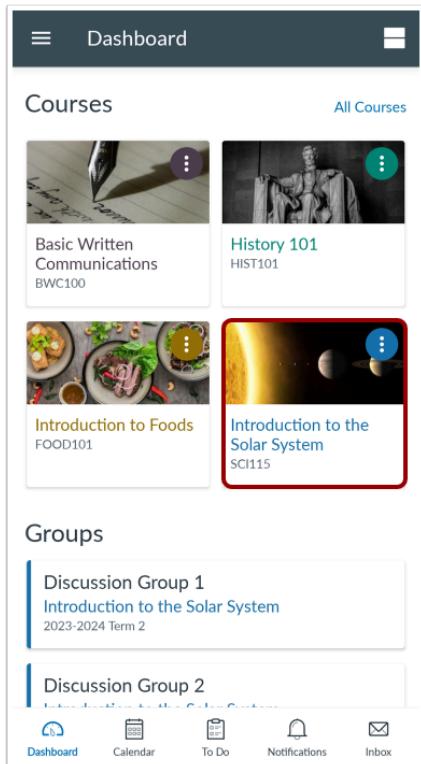

## How do I view the rubric for my assignment in the Canvas app on my Android device?

Your instructor may include a rubric as part of your assignment. A rubric is a set of criteria that your instructor will use to grade your assignment. Before submitting your assignment, you can view an assignment rubric to evaluate your own work and make sure your assignment fulfills your instructor's requirements.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

**Note:** Some assignments may not include a rubric.

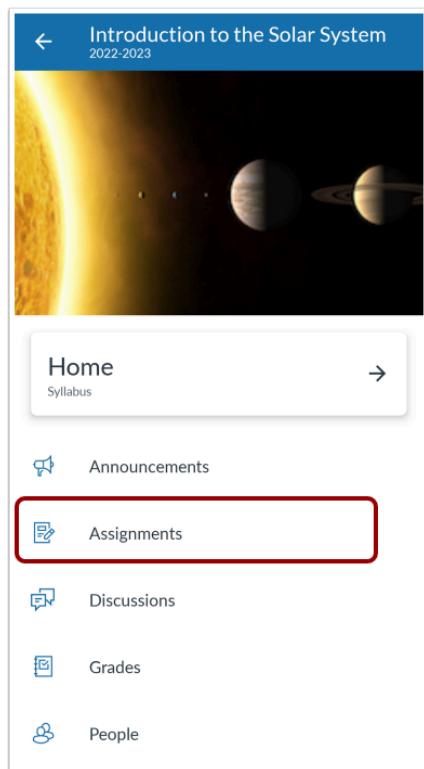

## Open Course

The screenshot shows the Canvas mobile app's dashboard. At the top, there's a header with a menu icon, the word "Dashboard", and a settings icon. Below the header is a "Courses" section with a "All Courses" link. It displays four course cards: "Basic Written Communications BWC100" (with a pen icon), "History 101 HIST101" (with a statue icon), "Introduction to Foods FOOD101" (with a food icon), and "Introduction to the Solar System SCI115" (with a solar system icon). The "Introduction to the Solar System" card is highlighted with a red box. Below the courses is a "Groups" section with "Discussion Group 1" and "Discussion Group 2". At the bottom of the dashboard are navigation icons for Dashboard, Calendar, To Do, Notifications, and Inbox.

Tap the name of the course.

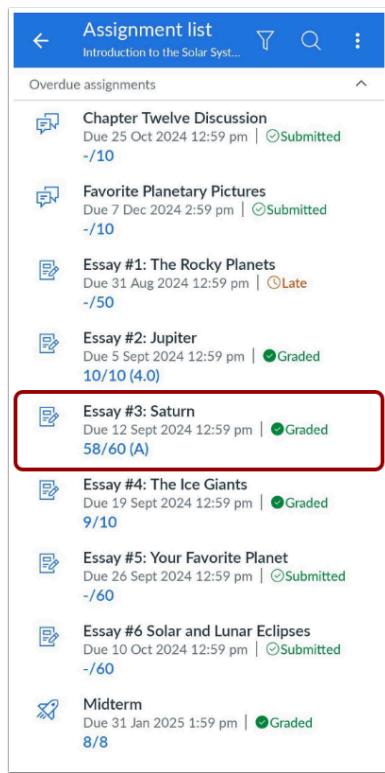

## Open Assignments

Tap the **Assignments** link.

**Note:** You may have to swipe to view the Assignments link.

The screenshot shows a mobile application interface for Canvas. At the top, there is a blue header bar with a back arrow and the text "Submission". Below the header is a large text area containing a sample assignment description. At the bottom of the screen, there is a navigation bar with three tabs: "COMMENTS", "FILES (1)", and "RUBRIC". The "RUBRIC" tab is highlighted with a red border, indicating it is the active tab.

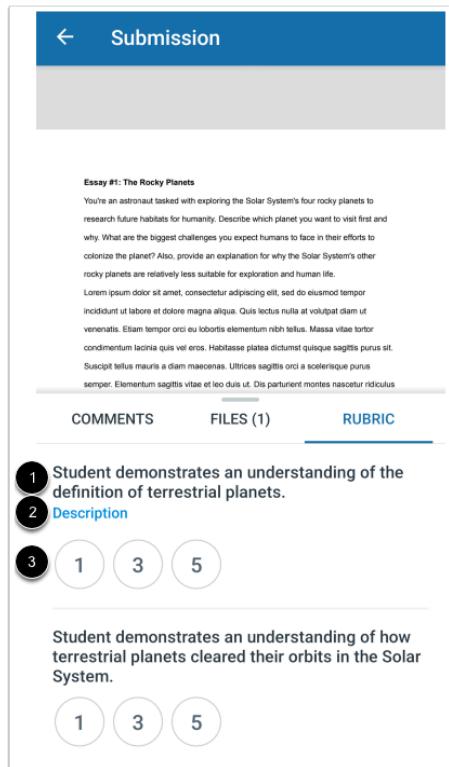

**Essay #1: The Rocky Planets**  
You're an astronaut tasked with exploring the Solar System's four rocky planets to research future habitats for humanity. Describe which planet you want to visit first and why. What are the biggest challenges you expect humans to face in their efforts to colonize the planet? Also, provide an explanation for why the Solar System's other rocky planets are relatively less suitable for exploration and human life.

The criterion description displays in a new page [2]. When you are finished reviewing the criterion description, tap the **Back** link [3].

## View Criterion Rating

To view a rating for a criterion, tap the criterion's **Number** button [1].

The criterion rating description displays below the criterion rating [2].

## How do I upload a file as an assignment submission in the Canvas app on my Android device?

You can upload media files from your Android device as an assignment submission in the Canvas app. Once you submit your assignment, you can [verify your assignment](#) submission. You can also [resubmit assignments](#) if your instructor allows.

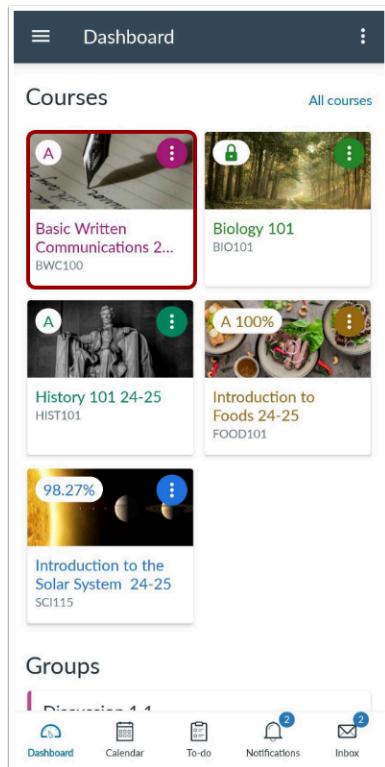

You can also submit an assignment from a [third-party app](#), such as Google Drive and Dropbox.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

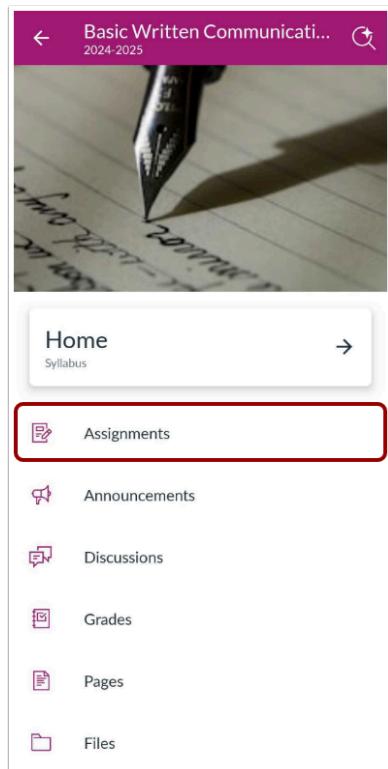

- Your instructor may restrict certain assignment types, including file uploads, so this option may not be available for your assignment submission.
- If your assignment includes a link to a PDF file, you can [add annotations](#) as part of your submission.
- If enabled in the browser version of Canvas, you will see celebration animations when you submit an on-time assignment in the Canvas app.
- To learn more about File Upload and Media Recording submissions in the Canvas app, view the [Canvas Media Comparison PDF](#).

## Open Course

In the Dashboard, tap the name of the course you want to view.

- If enabled in the browser version of Canvas, you will see celebration animations when you submit an on-time assignment in the Canvas app.

## Open Course

The screenshot shows the Canvas Android Dashboard. At the top, it says "Dashboard". Below that is a "Courses" section with four cards:

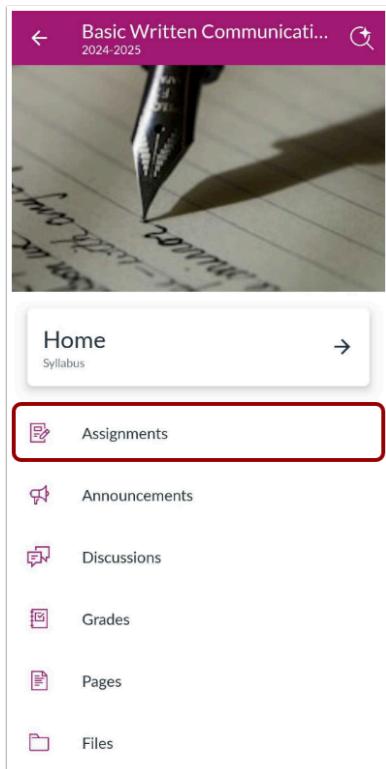

- Basic Written Communications 2...** (BWC100): An image of a person writing, with a red box around it.
- Biology 101** (BIO101): An image of a forest.
- History 101 24-25** (HIST101): An image of a historical figure.
- Introduction to Foods 24-25** (FOOD101): An image of food.

Below the courses is a "Groups" section with a list of groups and their counts:

- Discussions 44
- Calendar
- To-do
- Notifications 2
- Inbox 2

In the Dashboard, tap the name of the course you'd like to view.

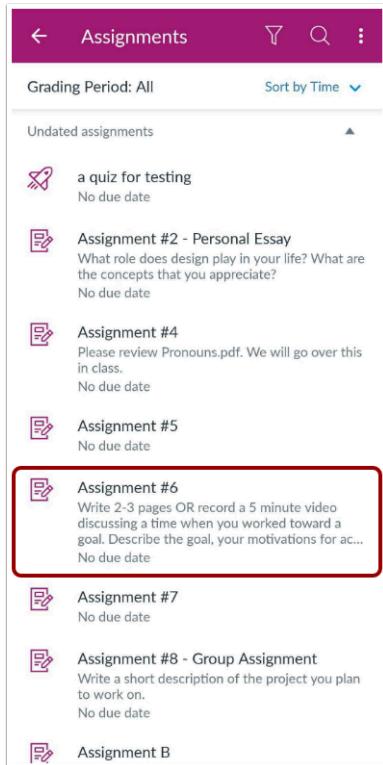

## Open Assignments

Tap the **Assignments** link.

**Note:** You may have to swipe your screen to view the Assignments link.

Reminder

+ Add due date reminder notifications about this assignment on this device.

Submission types

Text entry, Website URL, Media recording, File upload

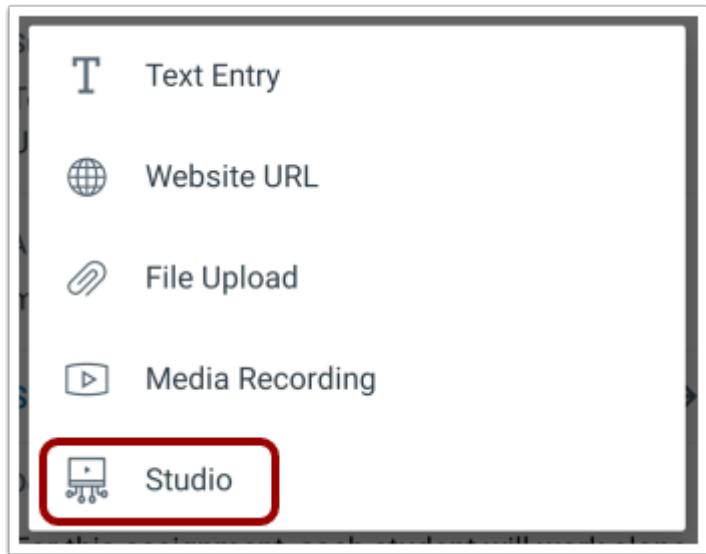

Description

Write 2-3 pages OR record a 5 minute video discussing a time when you worked toward a goal. Describe the goal, your motivations for achieving it, and its result. Let me know if you have any questions. Thanks!

Submit assignment

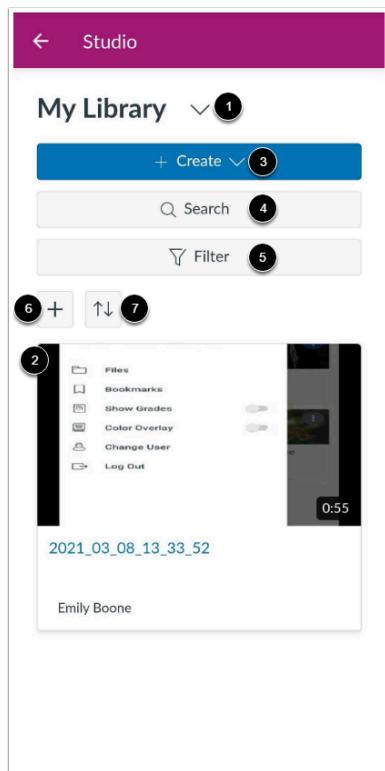

Tap the **Submit Assignment** button.

## Select Studio

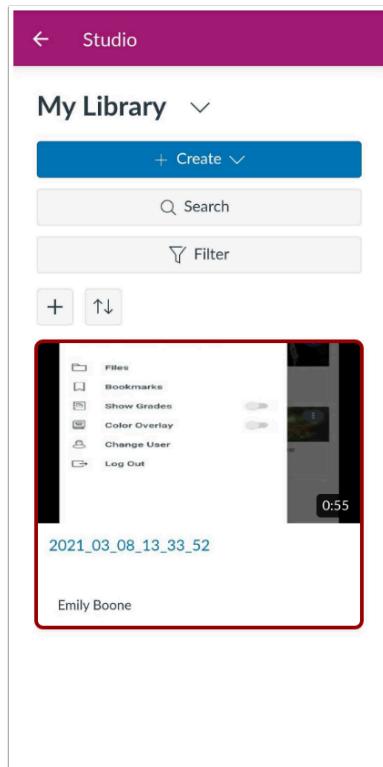

Tap the **Studio** link.

## View Studio in App

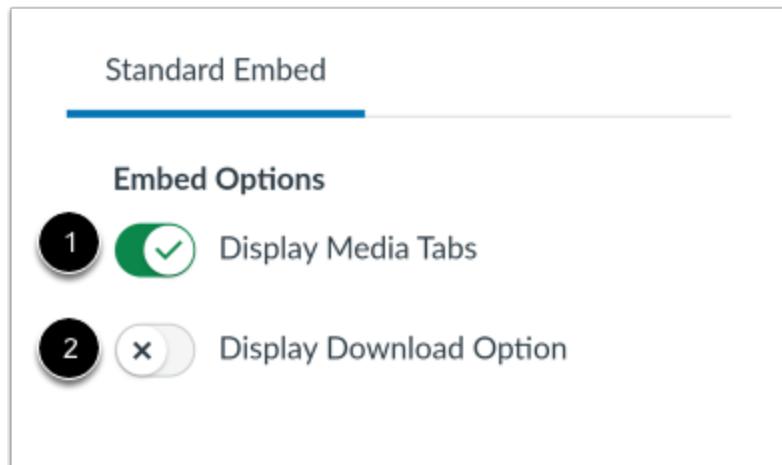

The Canvas Studio LTI tool opens to the My Library page in the app [1]. You can select media displayed on the **My Library** page [2], upload new media using the **Create** button [3], search for your Studio media [4], or filter your Studio media [5]. You can also add a new collection [6] and sort your Studio media [7].

## Select Studio Media

Once you have located the media you wish to use, tap the media tile.

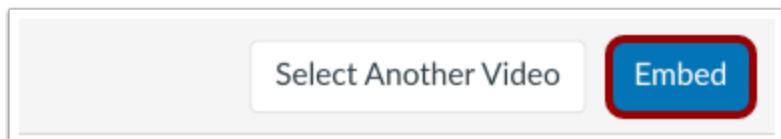

## Select Embed Options

By default, Studio displays the Studio Media Tabs which include the Details, Comments, Insights, and Captions tabs. To disable the media tabs on your Studio submission, tap the **Display Media Tabs** option [1].

To allow others to download your Studio media, tap the **Display Download Option** option [2].

## Submit Studio Assignment

To submit your selected media, tap the **Embed** button.

## How do I submit a PDF assignment with annotations in the Canvas app on my Android device?

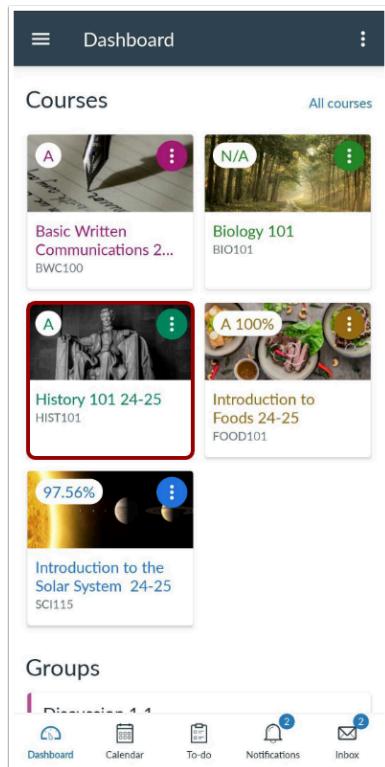

Canvas allows you to add annotations to PDF files for assignment submissions.

This lesson shows images for a phone display; however, unless otherwise noted, the steps are the same for tablets.

### Notes:

- If enabled in the browser version of Canvas, you will see celebration animations when you submit an on-time assignment in the Canvas app.
- If you need to edit your PDF annotations, tap the file link in the assignment description and submit the assignment again.
- PDF annotations are automatically saved.
- If your instructor includes a file in Modules, you may use the same PDF annotations as submitting a PDF assignment.

## Open Course

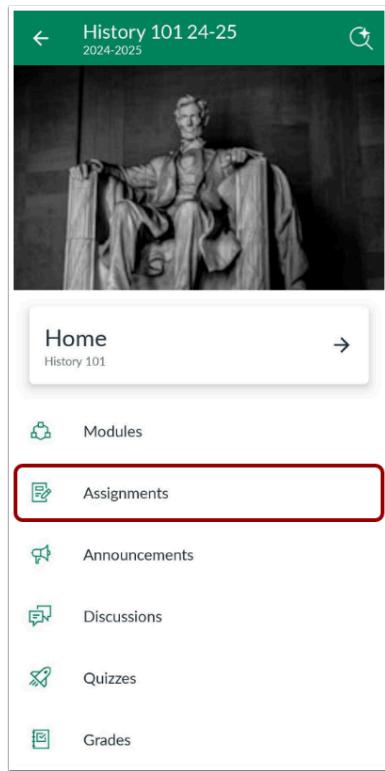

The screenshot shows the Canvas Android Dashboard. At the top, there's a header with a menu icon, the word "Dashboard", and a more options icon. Below the header is a "Courses" section with a "All courses" link. The courses are listed in a grid:

- Basic Written Communications 2... (BWC100): A thumbnail of a pen writing on paper, with a red box highlighting the course card.
- Biology 101 (BIO101): A thumbnail of a forest scene.
- History 101 24-25 (HIST101): A thumbnail of the Lincoln Memorial.
- Introduction to Foods 24-25 (FOOD101): A thumbnail of various food items.
- Introduction to the Solar System 24-25 (SCI115): A thumbnail of the solar system.

Below the courses is a "Groups" section with a "Discussion 1.1" link and five icons: Dashboard, Calendar, To-do, Notifications (with a red badge showing 2), and Inbox (with a red badge showing 2).

In the Dashboard, tap the name of the course you'd like to view.

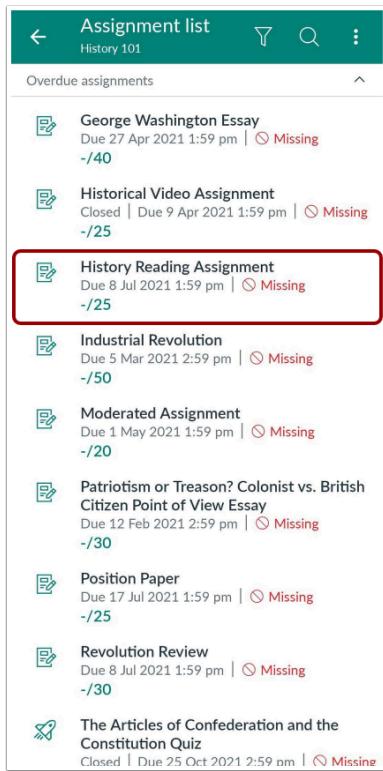

## Open Assignments

Tap the **Assignments** link.

**Note:** You may need to swipe your screen to view Assignments in the menu.

## Turn in Assignment

When you are ready to submit your assignment, tap the **Turn In** link.

## How do I annotate a file as an assignment submission in the Canvas app on my Android device?

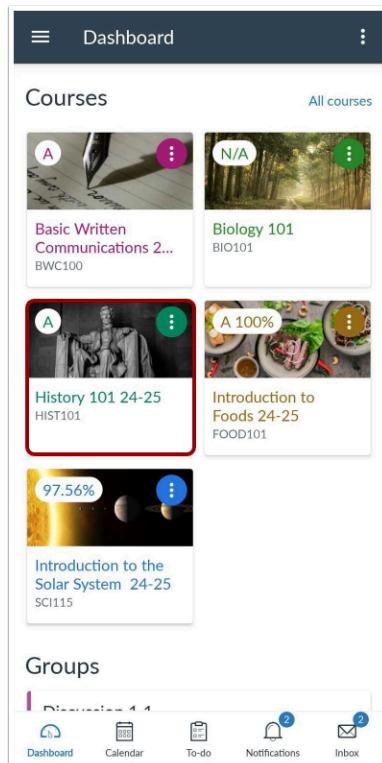

Your instructor may upload a file for you to annotate as your assignment submission. You can annotate and submit a file as your assignment submission within the Canvas app.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

- If enabled in the browser version of Canvas, you will see celebration animations when you submit an on-time assignment in the Canvas app.
- If you need to edit your PDF annotations, tap the file link in the assignment description and submit the assignment again.
- Group assignments do not support the student annotation submission type.

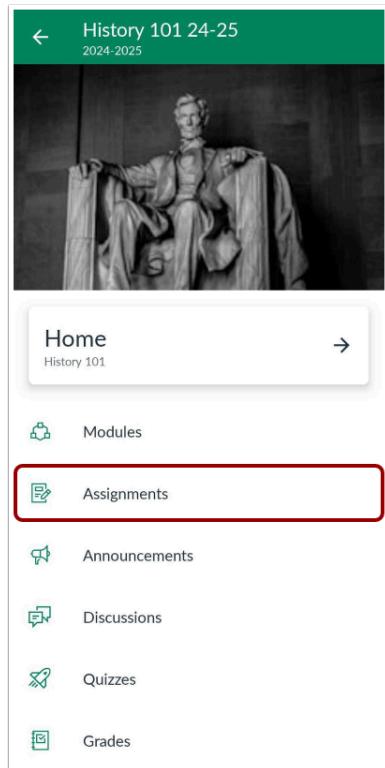

## Open Course

The screenshot shows the Canvas Android app's dashboard. At the top, there's a dark header with a menu icon (three horizontal lines), the word "Dashboard", and a more options icon (three dots). Below the header is a "Courses" section with a "All courses" link. It displays four course cards: 1. "Basic Written Communications 2..." (BWC100) with an "A" grade and a "Basic Written Communications 2..." thumbnail. 2. "Biology 101" (BIO101) with an "N/A" grade and a "Biology 101" thumbnail. 3. "History 101 24-25" (HIST101) with an "A" grade and a "History 101 24-25" thumbnail. This card is highlighted with a red border. 4. "Introduction to Foods 24-25" (FOOD101) with an "A 100%" grade and a "Introduction to Foods 24-25" thumbnail. Below the courses is a "Groups" section with a "Discussion 1.1" card. At the bottom of the dashboard are navigation icons for "Dashboard", "Calendar", "To-do", "Notifications" (with a "2" notification count), and "Inbox" (with a "2" notification count).

In the Dashboard, tap the name of the course you want to view.

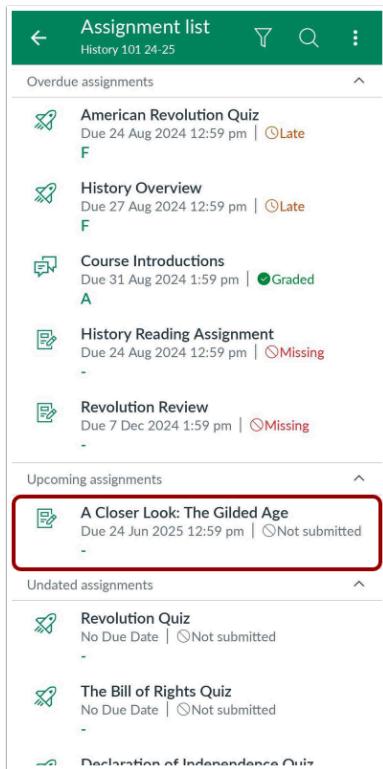

## Open Assignments

Tap the **Assignments** link.

**Note:** You may need to swipe your screen to view Assignments in the menu.

Submit assignment

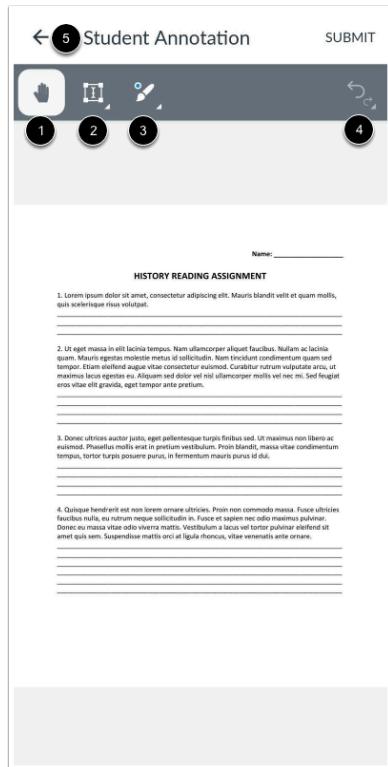

Tap the **Submit assignment** button.

## Open Student Annotation

Tap the **Student Annotation** link.

## View Toolbar

In the toolbar you can manage your annotations.

To move around the file, tap the **Grab** icon [1].

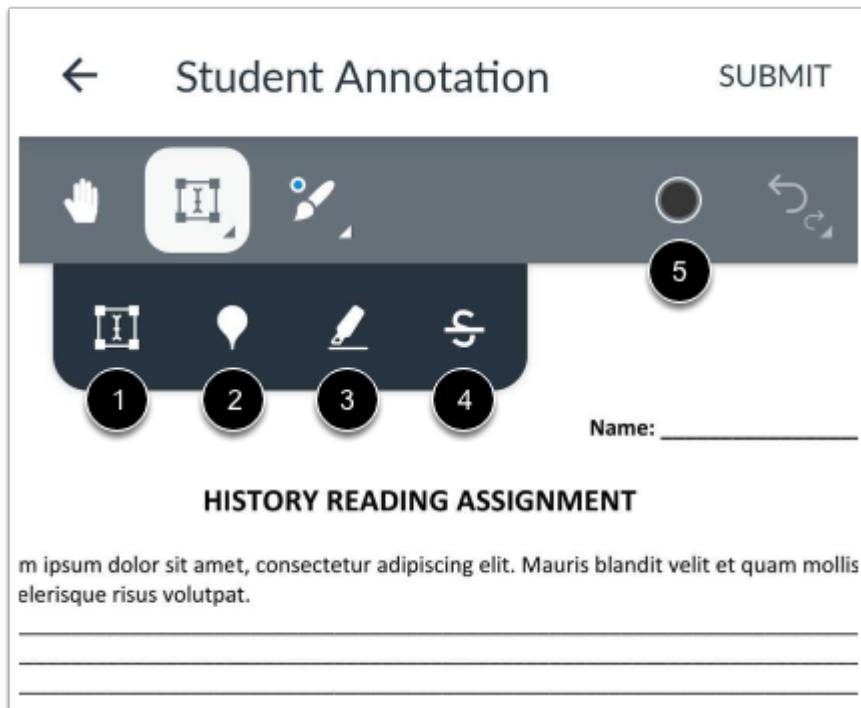

To format text or add a note, tap and hold the **Text Formatting** icon [2].

To add drawings, tap and hold the **Drawing** icon [3].

To undo or redo annotations, tap the **Undo** or **Redo** icons [4].

To return to the previous screen, tap the **Back** icon [5].

## Use Text Formatting Options

Tapping the Text Format icon displays a menu of formatting options.

To add text, tap the **Textbox** icon [1].

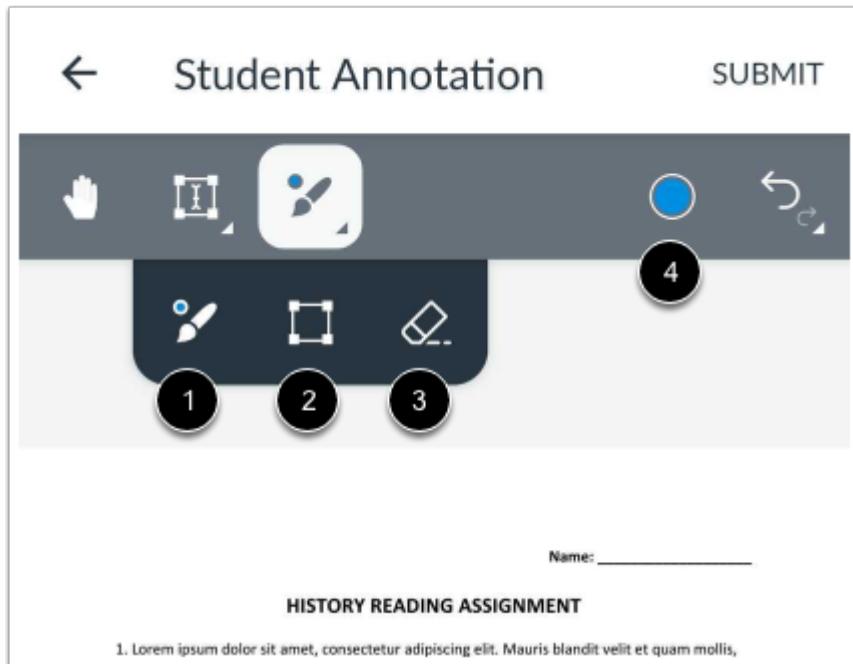

To add a note or comment, tap the **Comment** icon [2].

To highlight text, tap the **Highlight** icon [3].

To strikethrough text, tap the **Strikethrough** icon [4].

To change the text color, tap the **Text Color** icon [5].

## Use Drawing Options

Tapping the Ink icon displays a menu of formatting options.

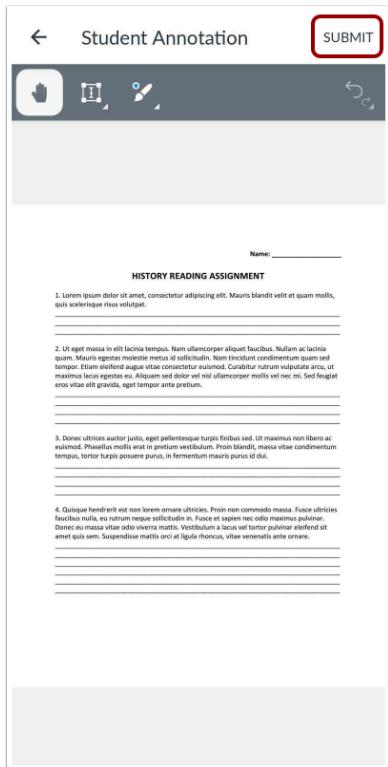

To add drawings, tap the **Draw** icon [1].

To add a rectangle, tap the **Rectangle** icon [2].

To erase annotations, tap the **Eraser** icon [3].

To change the drawing color, tap the **Color** icon [4].

## Submit Assignment

Tap the **Submit** link.

## How do I turn in an assignment from a third-party app to the Canvas app on my Android device?

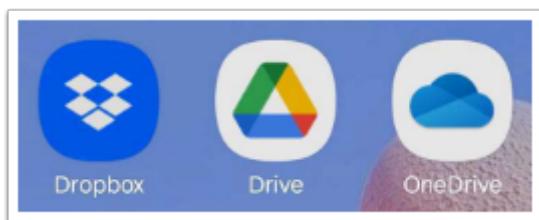

Canvas makes it easy to submit assignments on your Android device by linking them from third-party apps, such as Google Drive and Dropbox.

The images in this lesson are shown for a phone display, but unless otherwise noted, tablet displays mirror the same steps.

### Notes:

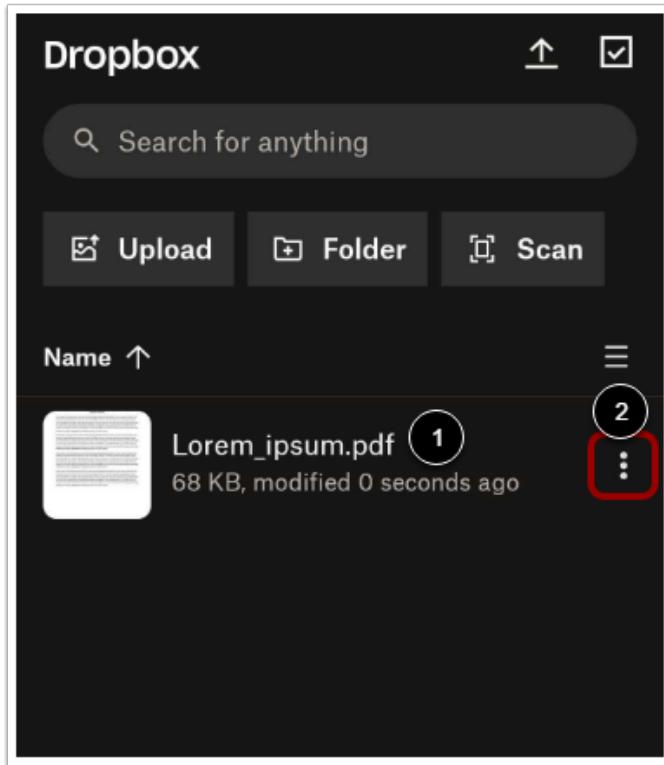

- Before uploading an assignment to the Canvas app:
  - the assignment must already be uploaded to the third-party app.
  - the third-party app must be installed on your Android device.
- If enabled in the browser version of Canvas, you will see celebration animations when you submit an on-time assignment in the Canvas app.
- To learn more about File Upload submissions in the Canvas app, view the [Canvas Media Comparison PDF](#).

## Open Third-party App

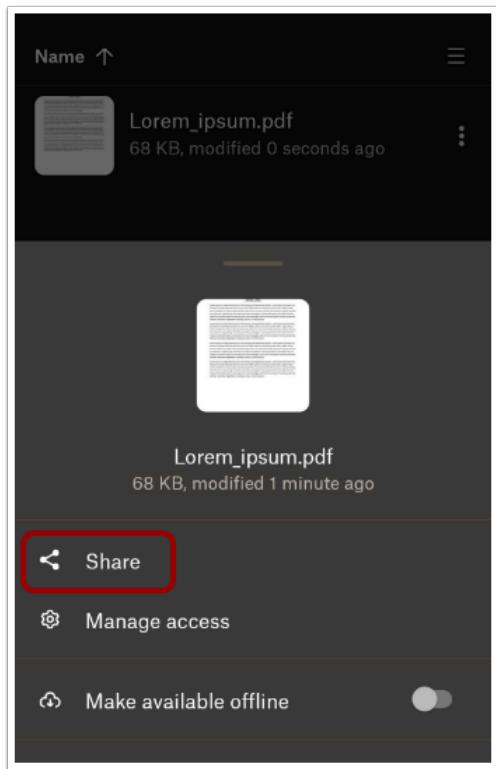

On your Android device, tap to open the third-party app.

## Submit from Dropbox App

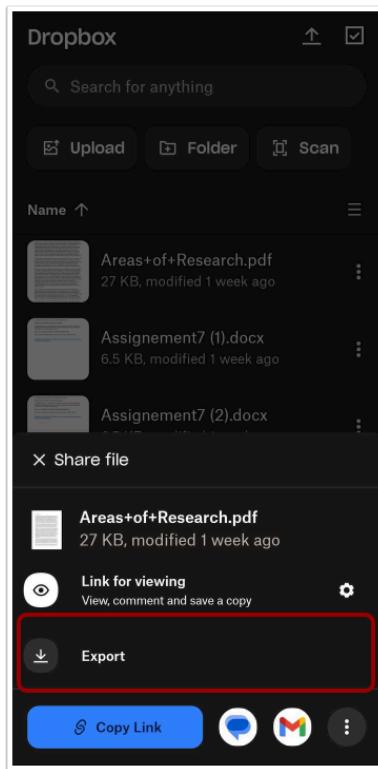

Locate the file you wish to submit as a Canvas assignment [1]. Tap the **Options** icon next to the file name [2].

## Share Dropbox File

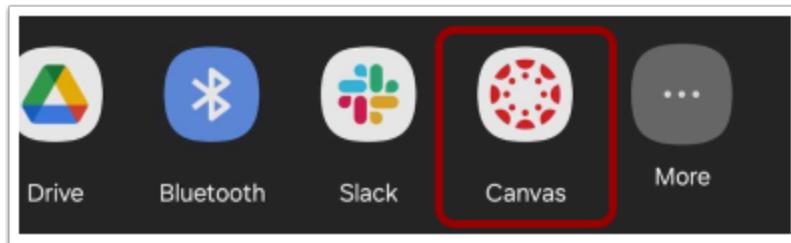

Tap the **Share** link.

## Export Dropbox File

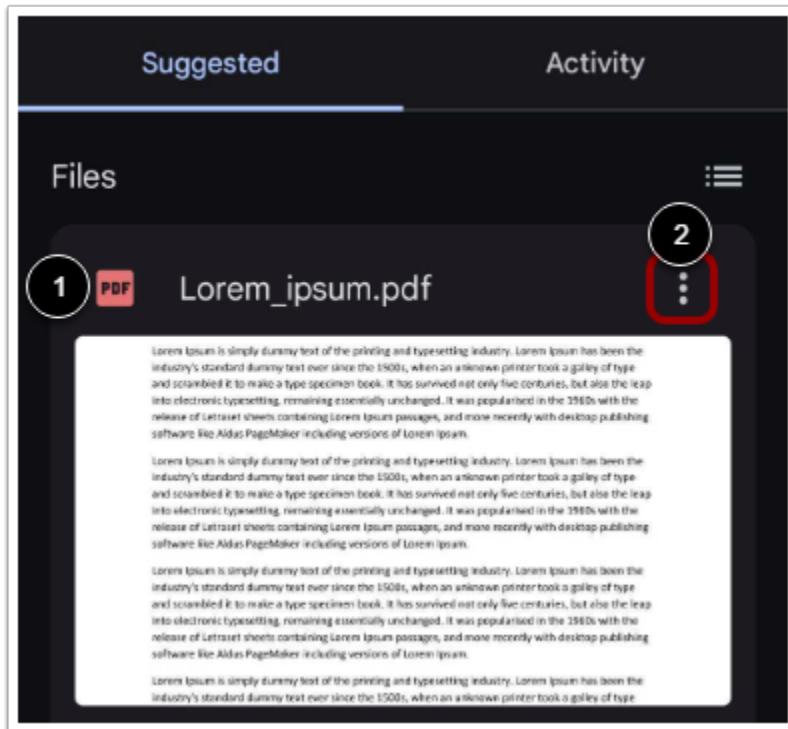

Tap the **Export** link.

## Open in App

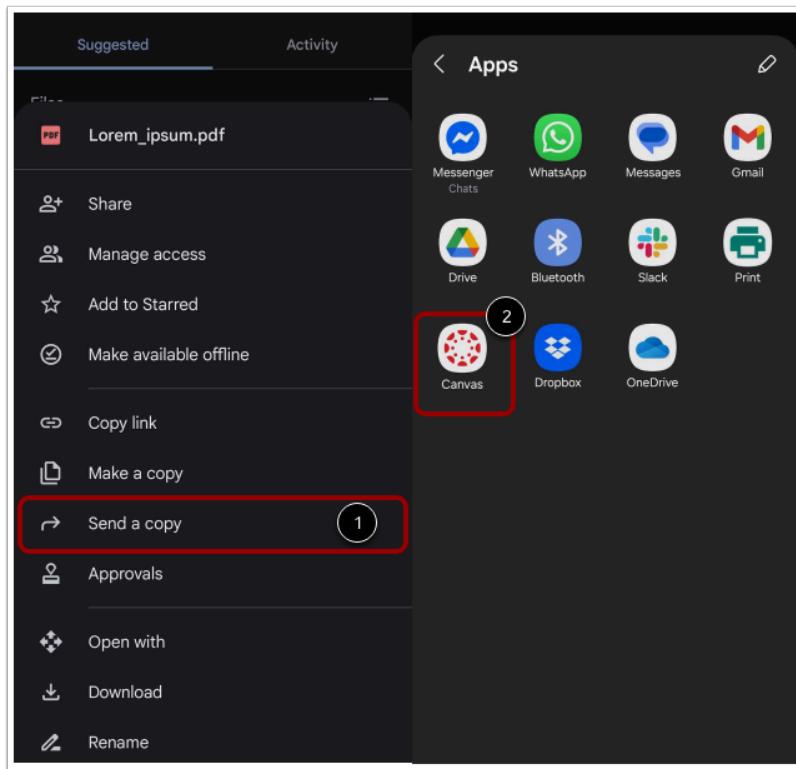

Tap the **Canvas** icon.

## Submit from Google Drive App

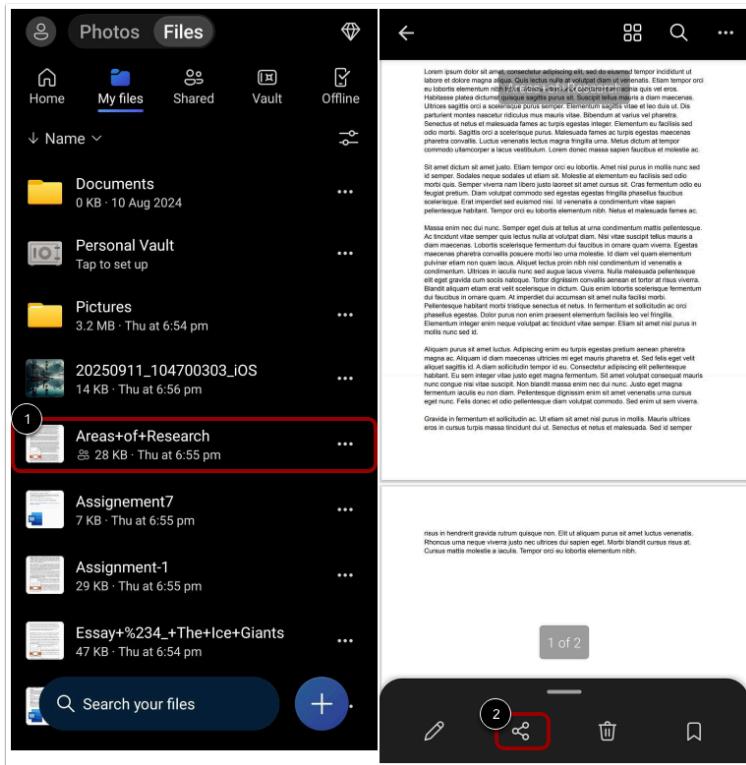

Locate the file you wish to submit as a Canvas assignment [1]. Then tap the **Options** icon next to the file name [2].

## Send a Copy to Canvas

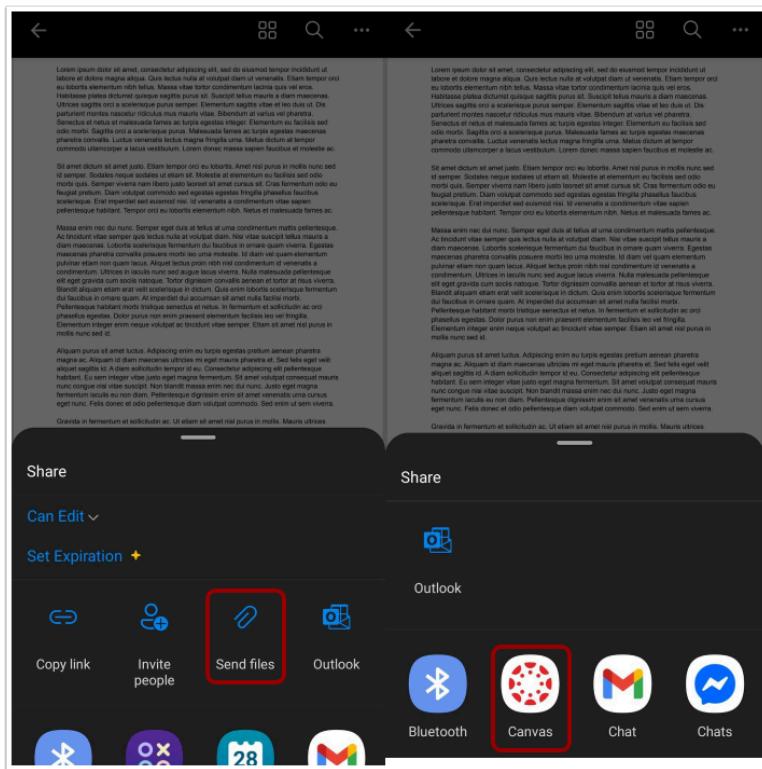

Tap the **Send a Copy** link [1], then tap the **Canvas** icon [2].

## Submit from Microsoft OneDrive App

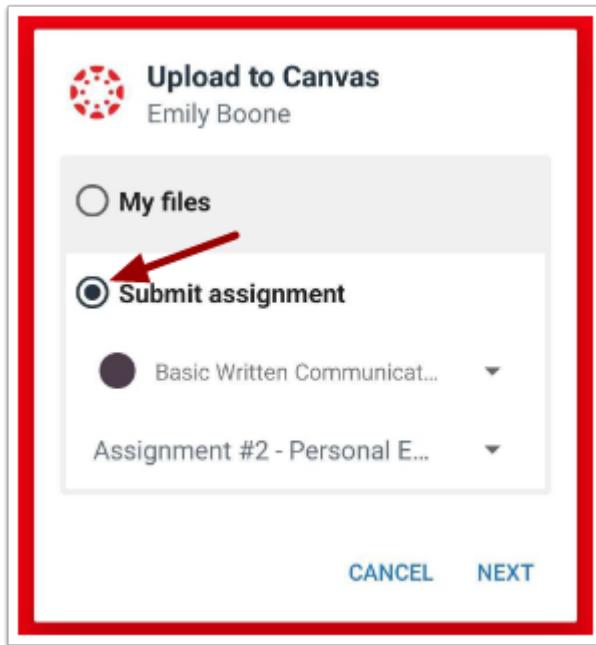

Tap the name of the file you wish to submit as a Canvas assignment [1]. Then tap the **Share** icon [2].

## Send a File to Canvas

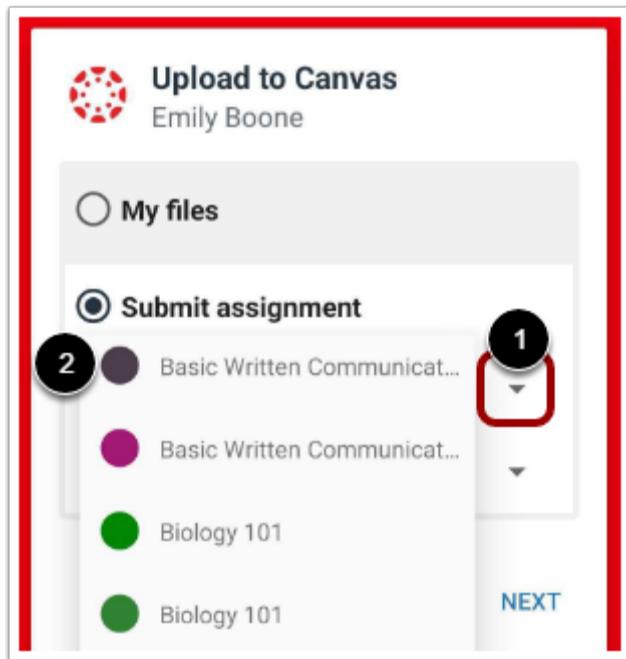

Tap the **Send files** link [1], then tap the **Canvas** icon [2].

## Select Submit Assignment

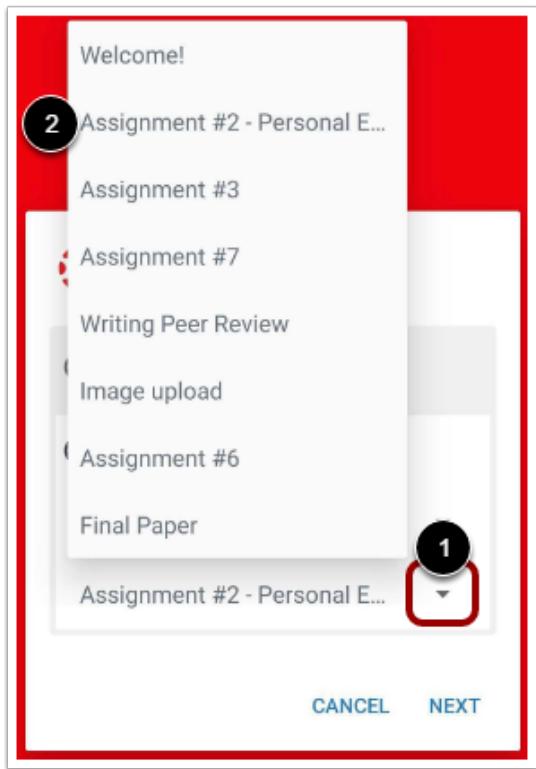

Tap the **Submit Assignment** option.

## Select Course

Tap the **Course** drop-down menu [1]. The Course list displays a list of your current Canvas courses. Select the course where you will submit your assignment by tapping the name of a course [2].

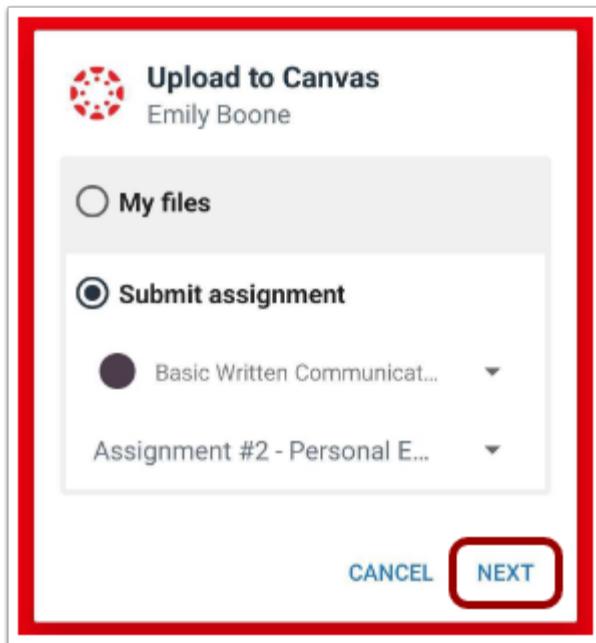

## Select Assignment

Tap the **Assignment** drop-down menu [1]. The Assignment list displays an alphabetical list of all assignments in your course. Select the assignment for your submission by tapping the name of the assignment [2].

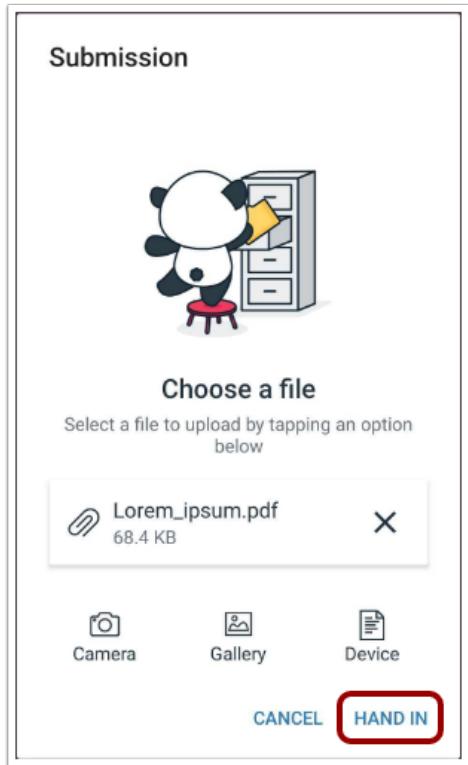

**Note:** The assignment list displays all assignments in a course, including locked assignments.

## Submit Assignment

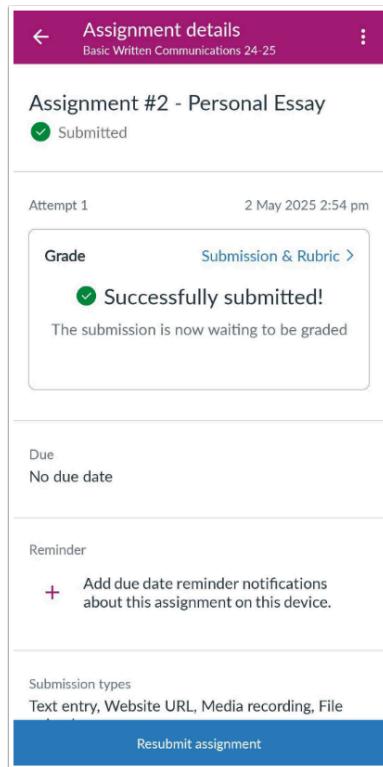

When you have verified the course and assignment for your submission, tap the **Next** link.

## Submit Assignment

To submit your assignment, tap the **Hand In** link.

Your instructor may also choose to leave comments in your assignment rubric. To view rubric comments, tap the **Rubric** tab [1].

Comments display below rubric criterion ratings [2].

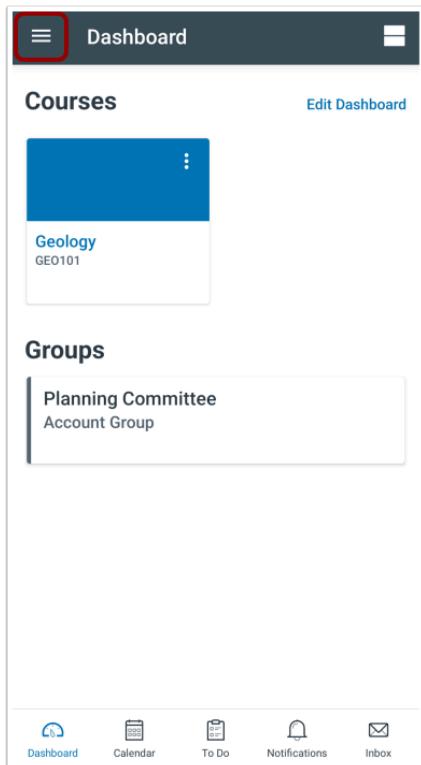

## Admin Features

## How do I act as a user in the Canvas app on my Android device as an admin?

If you are an admin, you can act as instructors in the Canvas app and take any action in the app as if they were the student. Only account-level users with the Act as users account permission can act as other users. This permission does not apply to sub-account admins.

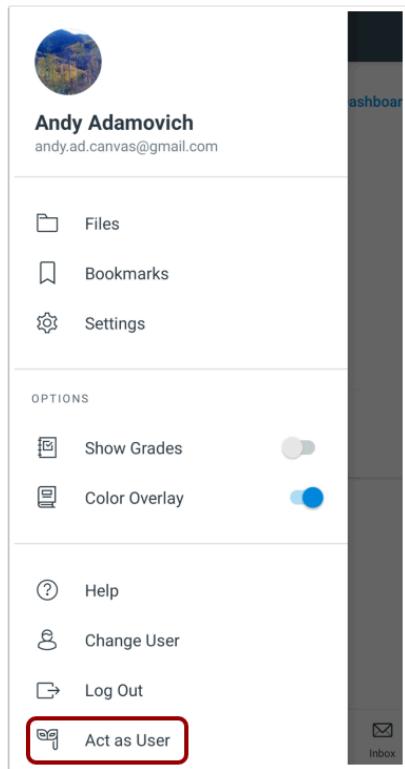

**Note:** When masquerading as a user, language preferences do not apply and will always be shown in the default language.

### Open User Menu

In the Dashboard, tap the **User Menu** icon.

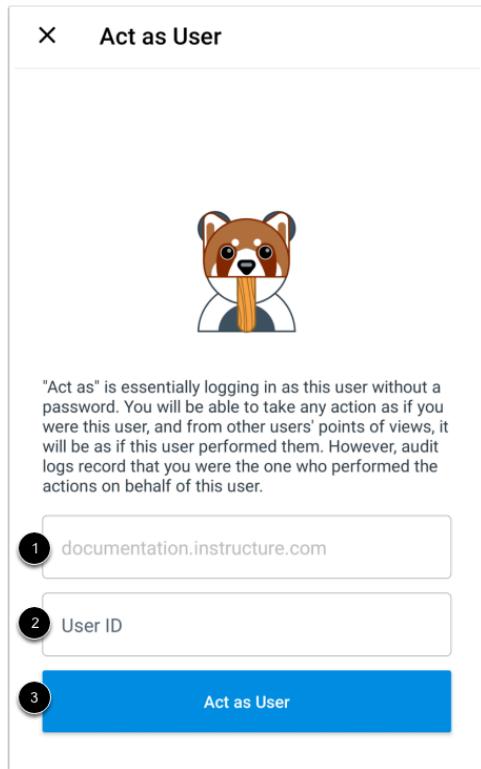

## Act as User

Tap the **Act as User** link.

**Note:** If the Act as User link is not available in your User Menu, you do not have the permission to perform this action.

## Enter User ID

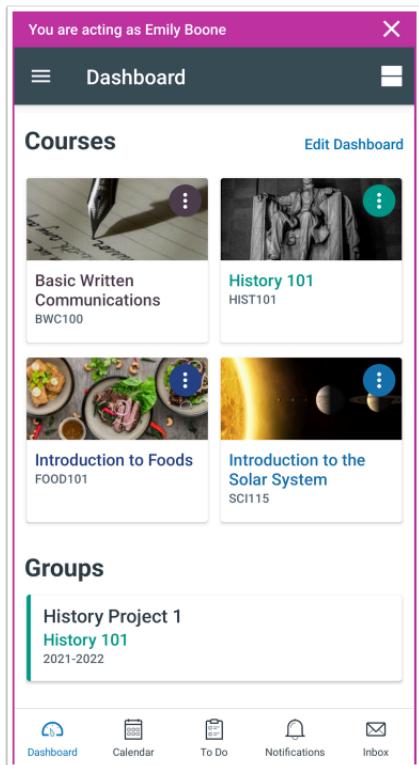

View the domain in the **Domain** field [1]. It will already be populated for you.

In the **User ID** field [2], enter the Canvas ID number for the user. Then tap the **Act as User** button [3].

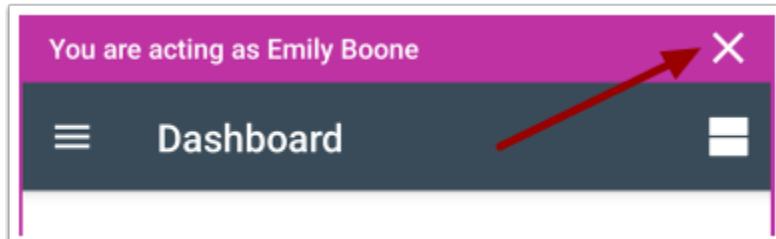

**Note:** The user's Canvas ID can be found as part of the user's URL in the web version of Canvas. Make sure you have the user's ID associated with the correct Canvas URL.

## View App as User

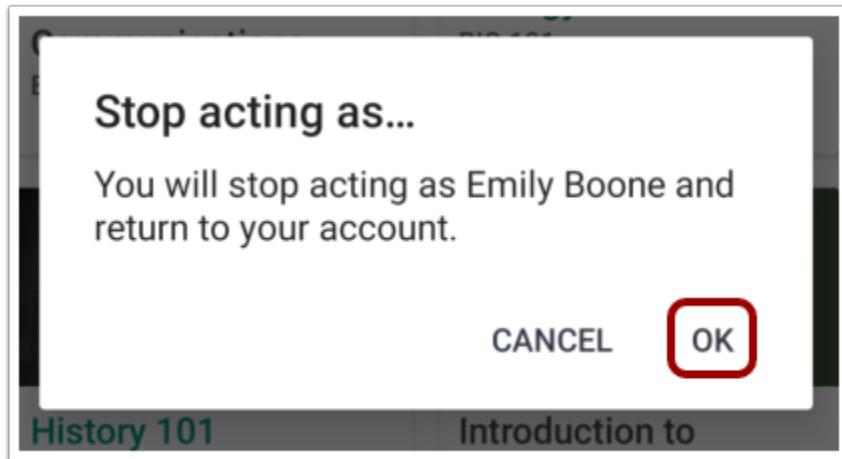

View the Canvas app as the user. A magenta border will display on every page while you are acting as the user.

## Stop Acting as User

To stop acting as user, tap the **Close** icon.

## Return to Account

To confirm and return to your account, tap the **OK** button.
